10 Article 3 of Chapter 2 of Title 40 of the Official Code of Georgia Annotated, relating to
11 prestige license plates and special plates for certain persons and vehicles, is amended by
12 adding a new Code section to read as follows:

13 "40-2-86.19.

14 (a) The General Assembly has determined that the issuance of special license plates to
15 support an agency or fund or a program beneficial to the people of this state that is
16 administered by a nonprofit corporation organized under Section 501(c)(3) of Title 26 of
17 the Internal Revenue Code and, subject to the appropriation process of the General
18 Assembly, appropriating a portion of the funds raised from the sale of these special license
19 plates is in the best interests of the people of this state. Therefore, the license plates listed
20 in subsection (l) of this Code section shall be issued by the department beginning on
21 January 1, 2007, if all of the requirements of subsections (b) through (k) of this Code
22 section have been satisfied.

23 (b) The commissioner, in cooperation with the agency, fund, or nonprofit corporation
24 sponsoring the special license plate, shall design special distinctive license plates intended
25 to promote the program benefited by the sale of the special license plate. The special
26 license plates must be of the same size as general issue motor vehicle license plates and

1 shall include a unique design and identifying number, whereby the total number of
2 characters does not exceed six. No two recipients shall receive identically numbered
3 plates. The graphic on the special license plate shall be placed to the left of the
4 alphanumeric characters and shall be no larger than three inches by three inches. The
5 agency, fund, or nonprofit corporation sponsoring the license plate may request the
6 assignment of the first of 100 in a series of license plates upon payment of an additional
7 initial registration fee of \$25.00 for each license plate requested.

8 (c) Notwithstanding the provisions of subsection (b) of this Code section, no special
9 license plate shall be produced until such time as the State of Georgia has, through a
10 licensing agreement or otherwise, received such licenses or other permissions as may be
11 required to produce the special license plate. The design of the initial edition of any special
12 license plate, as well as the design of subsequent editions and excepting only any part or
13 parts of the designs owned by others and licensed to the state, shall be owned solely by the
14 State of Georgia for its exclusive use and control, except as authorized by the
15 commissioner. The commissioner may take such steps as may be necessary to give notice
16 of and protect such right, including the copyright or copyrights. However, such steps shall
17 be cumulative of the ownership and exclusive use and control established by this
18 subsection as a matter of law, and no person shall reproduce or otherwise use such design
19 or designs, except as authorized by the commissioner.

20 (d) Beginning on January 1, 2007, any Georgia resident who is the owner of a motor
21 vehicle, except a vehicle registered under the International Registration Plan, upon
22 complying with the motor vehicle laws relating to registration and licensing of motor
23 vehicles and upon the payment of a manufacturing fee of \$25.00 in addition to the regular
24 motor vehicle registration fee shall be able to apply for a special license plate listed in
25 subsection (l) of this Code section. Revalidation decals shall be issued for special license
26 plates in the same manner as provided for general issue license plates.

27 (e) The manufacturing fee derived from the sale of special license plates shall be deposited
28 into the general fund. The sponsoring agency, fund, or nonprofit corporation, subject to
29 the appropriation process of the General Assembly, may request that the funds derived
30 from the sale of special license plates be appropriated to the department for disbursement
31 to such agency, fund, or nonprofit corporation.

32 (f) Before the department disburses to the agency, fund, or nonprofit corporation funds
33 from the sale of special license plates, the agency, fund, or nonprofit corporation must
34 provide a written statement stating the manner in which such funds shall be utilized. In
35 addition, a nonprofit corporation must provide the department with documentation of its
36 nonprofit status under Section 501(c)(3) of Title 26 of the Internal Revenue Code. The
37 purposes for which the funds shall be utilized must be the same as those specified in

1 subsection (l) of this Code section authorizing the potential appropriation to the agency,
2 fund, or nonprofit corporation of revenue from the sale of special license plates. The
3 agency, fund, or nonprofit corporation shall periodically provide to the commissioner an
4 audit of the use of the funds or other evidence of use of the funds satisfactory to the
5 commissioner. If it is determined that the funds are not being used for the purposes set
6 forth in the statement provided by the agency, fund, or nonprofit corporation, the
7 department shall withhold payment of such funds until such noncompliance issues are
8 resolved.

9 (g) An applicant may request a special license plate any time during the applicant's
10 registration period. If such a license plate is to replace a current valid license plate, the
11 special license plate shall be issued with appropriate decals attached.

12 (h) No special license plate authorized pursuant to subsection (l) of this Code section shall
13 be issued except upon the receipt by the department of at least 1,000 applications. The
14 special license plate shall have an application period of two years after January 1, 2007, for
15 payment of the manufacturing fee. After such time if the minimum number of applications
16 is not met, the department shall not continue to accept the manufacturing fee, and all fees
17 shall be refunded to applicants.

18 (i) The department shall not be required to continue to manufacture the special license
19 plate if the number of active registrations falls below 500 registrations at any time during
20 the provided for in subsection (b) of Code Section 40-2-31. A current registrant may
21 continue to renew such special license plate during his or her annual registration period
22 upon payment of an additional \$25.00 annual special tag fee, which fee shall be collected
23 by the county tag agent at the time of collection of other registration fees and shall be
24 remitted to the state as provided in Code Section 40-2-34. The department may continue
25 to issue such special license plates that it has in its inventory to assist in achieving the
26 minimum number of registrations. If the special license plate falls below 500 active
27 registrations at any time during the period provided for in subsection (b) of Code Section
28 40-2-31, the sponsoring agency, fund, or nonprofit corporation shall be required again to
29 obtain 1,000 applications accompanied by the manufacturing fee to continue to
30 manufacture the special license plate.

31 (j) Special license plates shall be transferred from one vehicle to another vehicle in
32 accordance with the provisions of Code Section 40-2-80.

33 (k) Special license plates shall be issued within 30 days of application once the
34 requirements of this Code section have been met.

35 (l)(1) The General Assembly has determined that license plates promoting the agencies,
36 funds, or nonprofit corporations listed in this subsection shall be issued for the purposes

1 indicated and the revenue shall be deposited in the general fund, subject to the
2 appropriation process of the General Assembly.

3 (2) A special license plate identifying persons with diabetes. The main purpose of the
4 special license plate is that law enforcement officers and emergency personnel will be
5 alerted to the potential for special needs before they approach the driver of a vehicle,
6 especially if the vehicle has been involved in an accident. The funds raised by the sale
7 of this special license plate shall be deposited in the general fund.

8 (3) A special license plate honoring all veterans who have served in the armed services
9 of the United States. All of these men and women have sacrificed a portion of their lives
10 in order to serve their country and protect our freedom. The funds raised by the sale of
11 this special license plate shall be deposited in the general fund.

12 (4) A special license plate honoring the Georgia Association of Realtors. The
13 Association is being honored for its long-standing support of housing opportunities for
14 all citizens of this state, private property rights, and all organizations that assist people
15 in achieving the American dream of home ownership. The funds raised by the sale of this
16 special license plate shall be deposited in the general fund."
