## A RESOLUTION

1 Urging the Congress of the United States to provide funding and ensure reauthorization of  
2 the State Children's Health Insurance Plan (S-CHIP); and for other purposes.

3 WHEREAS, Georgia's PeachCare for Kids program, along with other State Children's  
4 Health Insurance Plans (S-CHIP) nationally, is facing federal fund shortfalls; Georgia's  
5 federal fund shortfall is \$131 million and is what is needed to continue PeachCare for Kids  
6 until the beginning of the next federal fiscal year that starts October, 2007; and

7 WHEREAS, S-CHIP is a federal program administered in partnership with states to provide  
8 health insurance coverage for children in low income, working families who would otherwise  
9 be uninsured; and

10 WHEREAS, the state receives matching funds from the federal government and our state  
11 share of the funding for PeachCare for Kids is available; and

12 WHEREAS, in Georgia, the bulk of the program membership is families with incomes  
13 predominately at or below 150 percent of the federal poverty level (FPL) but the program is  
14 available for families with incomes up to 235 percent of FPL; and

15 WHEREAS, without federal funding of the shortfall, PeachCare for Kids would have run out  
16 of funds in March 2007 and all 260,000 children in the program would have lost their health  
17 care coverage; and

18 WHEREAS, On December 9, 2006, the 109th Congress adjourned in the 11th hour providing  
19 the S-CHIP with funding to partially fill a massive shortfall and without this Georgia would  
20 have faced the discontinuation of PeachCare for Kids in March 2007; the federal legislation  
21 provides a temporary fix with funding available until approximately May 2007; the Georgia  
22 General Assembly must continue to urge Congress to keep this vital health care program for  
23 our children up and running long term; and

1 WHEREAS, fourteen of 17 states, including Georgia, experiencing federal funding shortfalls  
2 will receive some financial assistance with the federal deficit their programs face; and

3 WHEREAS, Georgia needs Congress to appropriate the remainder of the \$131 million in  
4 order for PeachCare for Kids to continue through federal fiscal year 2007; and

5 WHEREAS, to do this, Congress must address three things:

- 6 1. The remainder of the 2007 federal funding shortfall faced by states;
- 7 2. Reauthorization of S-CHIP; and
- 8 3. Revision of the S-CHIP funding formula to include the cost of maintaining coverage for  
9 children already in PeachCare for Kids as well as uninsured new eligibles entering the  
10 program.

11 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that  
12 the members of Congress are urged to help ensure that funding and reauthorization for the  
13 State Children's Health Insurance Plan is a priority addressed in January 2007 when the 110th  
14 Congress convenes so that Georgia's PeachCare for Kids program can continue.

15 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized  
16 and directed to transmit an appropriate copy of this resolution to each member of the Georgia  
17 Congressional delegation.
