 8 tailoring a student's education to that student's specific needs and enabling families to

11 (5) Nothing in this article shall be construed as a basis for granting vouchers or tuition
 12 tax credits for any other students, with or without disabilities.

9 20-2-2114.

10 (a) To be eligible to enroll a scholarship student, a participating school shall:

18 of students anticipated with expected revenues from tuition and other sources that may

3 of nonpublic schools beyond those reasonably necessary to enforce the requirements of this
4 article.

5 (e) A participating school intending to enroll scholarship students shall submit an

10 2007-2008 school year shall submit an application no later than June 30, 2007.

11 (f) The board shall approve a participating school's application to enroll scholarship
12 students if the school meets the eligibility requirements of this article and complies with

15 20-2-2115.

16 (a) The maximum scholarship granted a scholarship student pursuant to this article shall

22 The amount of any assessment fee required by the participating school may be paid from
23 the total amount of the scholarship.

24 (c) Scholarship students shall be counted in the enrollment of their resident school system;
25 provided, however, that this count shall only be for purposes of determining the amount of
26 the scholarship and the scholarship students shall not be included as enrolled for purposes
27 of state or federal accountability requirements, including, but not limited to, the federal
28 Elementary and Secondary Education Act, as amended by the No Child Left Behind Act
29 of 2001 (P.L. 107-110). The funds needed to provide a scholarship shall be subtracted
30 from the allotment payable to the resident school system.

31 (d) Each local school system shall report on July 1, September 1, December 1, and
32 February 1 of each year to the department the number of scholarship students in the
33 resident school system. Following each notification, the department shall transfer from the
34 state allotment to each school system the amount calculated under Code Section 20-2-161
35 to a separate account for the scholarship program for quarterly disbursement to the parents
36 of scholarship students. When a student enters the program, the department must receive

1 all documentation required for the student's participation, including the participating
2 school's and student's fee schedules at least 30 days before the first quarterly scholarship
3 payment is made for the student. The department may not make any retroactive payments.

4 (e) Upon proper documentation received by the department, the department shall make
5 scholarship payments to the parents of scholarship students in four equal amounts on dates
6 established by the department during each academic year in which the scholarship is in
7 force. The initial payment shall be made upon evidence of admission to the participating
8 school, and subsequent payments shall be made on evidence of continued enrollment and
9 attendance at the participating school.

10 (f) Payment to the parents must be made by individual warrant made payable to the
11 student's parent and mailed by the department to the participating school of the parent's
12 choice, and the parent shall restrictively endorse the warrant to the participating school for
13 deposit into the account of such school.

14 (g) A person, on behalf of a participating school, may not accept a power of attorney from
15 a parent to sign a warrant, and a parent of a scholarship student may not give a power of
16 attorney designating a person, on behalf of a participating school, as the parent's attorney
17 in fact.

18 (h) If the participating school requires partial payment of tuition prior to the start of the
19 academic year to reserve space for students admitted to the school, that partial payment
20 may be paid by the department prior to the first quarterly payment of the year in which the
21 scholarship is awarded, up to a maximum of \$1,000.00, and deducted from subsequent
22 scholarship payments. If a student decides not to attend the participating school, the partial
23 reservation payment must be returned to the department by such school. Only one
24 reservation payment per student may be made per year.

25 20-2-2116.

26 (a) The board shall adopt rules to administer the program regarding eligibility and
27 participation of participating schools, including, but not limited to, timelines that will
28 maximize student and public and private school participation, the calculation and
29 distribution of scholarships to eligible students and participating schools, and the
30 application and approval procedures for eligible students and participating schools.

31 (b) No liability shall arise on the part of the department or the state based on the award or
32 use of a scholarship awarded pursuant to this article.

33 (c) The department may bar a school from participation in the program if the department
34 determines that the school has intentionally and substantially misrepresented information
35 or failed to refund to the state any scholarship overpayments in a timely manner."
