- 10 (c) The chairperson shall convene the first meeting of the task force before July 31, 2007.
- 11 (d) The task force shall have the following duties and responsibilities:
- 12 (1) To develop a plan to educate the public and health care professionals about the  
13 advantages and methods of early screening, diagnosis, and treatment of chronic kidney  
14 disease and its complications based on the Kidney Disease Outcomes Quality Initiative  
15 Clinical Practice Guidelines or other medically recognized clinical practice guidelines;
- 16 (2) To develop a plan to educate health care professionals about early kidney  
17 replacement therapy education for patients, including in-center dialysis, home  
18 hemodialysis, peritoneal dialysis, and vascular access options and transplantation, prior  
19 to the onset of kidney failure;
- 20 (3) To make recommendations on the implementation of a cost-effective plan for early  
21 screening, diagnosis, and treatment of chronic kidney disease and its complications for  
22 the State's population;
- 23 (4) To make recommendations on the implementation of a disease management program  
24 specific for chronic kidney disease and end state renal disease;
- 25 (5) To provide a report of its findings and recommendations to the General Assembly,  
26 the Governor, and the chairpersons of the Senate and House of Representatives Health  
27 and Human Services Committees no later than December 31, 2007; and
- 28 (6) To perform such other activities as the task force finds necessary or convenient in  
29 order to accomplish its purposes under this Code section.
- 30 (e) The Department of Human Resources shall provide to the task force necessary staff,  
31 research, and meeting facilities.
- 32 (f) The task force shall complete its work no later than December 31, 2007, and shall stand  
33 abolished on January 1, 2008. This Code section shall be repealed by operation of law on  
34 January 1, 2008."

## 35 SECTION 2.
