

ADOPTED

Senators Pearson of the 51st and Shafer of the 48th offered the following amendment:

Amend the committee substitute to SB 115 by adding after line 28 on page 14 a new section which states: The licensing requirements and effective dates for residential and general contractors must be posted in a prominent location in any municipality or county in this state charged with the duty of issuing building or other permits for construction work requiring performance by either a licensed residential or general contractor.
