6 records but may contract with third parties for services related to the management of such

8 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

9 **SECTION 1.**

10 Article 3 of Chapter 13 of Title 45 of the Official Code of Georgia Annotated, relating to the
11 Division of Archives and History, is amended by revising Code Section 45-13-45, relating
12 to powers of Secretary of State with respect to management of division generally, by adding
13 a new subsection as follows:

14 "(c) The Secretary of State is authorized to designate and establish, as a branch depository
15 of the Division of Archives and History for the storage and retention of permanent records,
16 temporary records, or security backup media in any format, facilities occupied by any
17 government agency; provided, however, that no such designation and establishment of a
18 branch depository shall be made unless the Secretary of State shall obtain the prior written
19 approval of the government agency involved. Records in the custody of such depositories
20 shall be subject to the same laws, standards, and policies as any records in the physical
21 custody of the Division of Archives and History including, but not limited to, Code Section
22 50-18-98. The Secretary of State may expend such funds as are necessary or desirable for
23 the maintenance and operation of any such facilities; for the preservation and safeguarding
24 of the contents thereof; and for the employment of such persons as are necessary and
25 desirable for the accomplishment of such maintenance, operation, preservation, and
26 safeguarding. Such depositories may be operated on a cost recovery basis. The Secretary

1 of State may enter into such contractual arrangements as he or she deems to be in the public
 2 interest for creating and operating such branch depositories. The records or digital content
