Any resolution providing for the issuance of revenue bonds under the provisions of this Act shall become effective

2 may be passed at any regular or special or adjourned meeting of the authority by a majority
3 of its members.

4 **SECTION 13.**

5 Credit not pledged.

6 Revenue bonds shall not be deemed to constitute a debt of Paulding County, nor a pledge of
7 the faith and credit of the county, but such revenue bonds shall be payable solely from the
8 fund provided for in this Act. The issuance of such revenue bonds shall not directly,
9 indirectly, or contingently obligate the county to levy or to pledge any form of taxation
10 whatsoever for payment of such revenue bonds or to make any appropriation for their
11 payment, and all such revenue bonds shall contain recitals on their face covering
12 substantially the foregoing provisions of this section. Notwithstanding the foregoing
13 provisions, this Act shall not affect the ability of the authority and any political subdivision
14 or municipality to enter into an intergovernmental contract pursuant to which the political
15 subdivision or municipality agrees to pay amounts sufficient to pay operating charges and
16 other costs of the authority or any project including, without limitation, the principal of and
17 interest on revenue bonds in consideration for services or facilities of the authority.

18 **SECTION 14.**

19 Trust indenture as security.

20 In the discretion of the authority, any issuance of revenue bonds may be secured by a trust
21 indenture by and between the authority and a corporate trustee, which may be any trust
22 company or bank having the powers of a trust company inside or outside the state. Either the
23 resolution providing for the issuance of the revenue bonds or such trust indenture may
24 contain such provisions for protecting and enforcing the rights and remedies of the
25 bondholders as may be reasonable and proper and not in violation of law, including
26 covenants setting forth the duties of the authority in relation to the acquisition and
27 construction of the project, the maintenance, operation, repair, and insuring of the project,
28 and the custody, safeguarding, and application of all moneys.

SECTION 15.

To whom proceeds of bonds shall be paid.

In the resolution providing for the issuance of revenue bonds or in the trust indenture, the authority shall provide for the payment of the proceeds of the sale of the revenue bonds to any officer or person who, or any agency, bank, or trust company which, shall act as trustee of such funds and shall hold and apply the same to the purposes thereof, subject to such regulations as this Act and such resolution or trust indenture may provide.

SECTION 16.

Sinking fund.

The moneys received pursuant to an intergovernmental contract and the revenues, fees, tolls, charges, and earnings derived from any particular project or projects, regardless of whether or not such revenues, fees, tolls, fines, charges, and earnings were produced by a particular project for which revenue bonds have been issued, unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the revenue bonds or in the trust indenture may provide, and such funds so pledged from whatever source received shall be set aside at regular intervals as may be provided in the resolution or trust indenture into a sinking fund, which sinking fund shall be pledged to and charged with the payment of:

- (1) The interest upon such revenue bonds as such interest shall fall due;
- (2) The principal or purchase price of such revenue bonds as the same shall fall due;
- (3) Any premium upon such revenue bonds as the same shall fall due;
- (4) The purchase of such revenue bonds in the open market; and
- (5) The necessary charges of the paying agent for paying principal and interest.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds without distinction or priority of one over another.

SECTION 17.

Remedies of bondholders.

Any holder of revenue bonds or any of the coupons appertaining thereto, and the trustee under the trust indenture, if any, except to the extent the rights herein given may be restricted by resolution passed before the issuance of the revenue bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the state, including specifically but without limitation the Revenue Bond Law, or granted hereunder or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture to be performed by the authority or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, fines, and other charges for the use of the facilities and services furnished.

SECTION 18.

Validation.

Revenue bonds and the security therefor shall be confirmed and validated in accordance with the procedure of the Revenue Bond Law. The petition for validation shall also make party defendant to such action the state; any institution, department, or other agency thereof; and any county, municipality, school district, or other political subdivision or authority of the state which has contracted with the authority for services or facilities relating to the project for which revenue bonds are to be issued and sought to be validated, and such defendant shall be required to show cause, if any exists, why such contract or contracts shall not be adjudicated as a part of the basis for the security for the payment of any such revenue bonds. The revenue bonds, when validated, and the judgment of validation shall be final and conclusive with respect to such revenue bonds and the security for the payment thereof and interest thereon and against the authority and all other defendants.

SECTION 19.

Venue and jurisdiction.

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such authority shall be brought in the Superior Court of Paulding County, Georgia, and any action pertaining to validation of any revenue bonds issued under the provisions of this Act shall likewise be brought in said court which shall have exclusive, original jurisdiction of such actions.

SECTION 20.

Interest of bondholders protected.

While any of the revenue bonds issued by the authority remain outstanding, the powers, duties, or existence of the authority or its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such revenue bonds, and no other entity, department, agency, or authority will be created which will compete with the authority to such an extent as to affect adversely the interest and rights of the holders of such revenue bonds, nor will the state itself so compete with the authority. The provisions of this Act shall be for the benefit of the authority and the holders of any such revenue bonds and, upon the issuance of such revenue bonds under the provisions hereof, shall constitute a contract with the holders of such revenue bonds.

SECTION 21.

Moneys received considered trust funds.

All moneys received pursuant to the authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

SECTION 22.

Rates, charges, and revenues; use.

The authority is hereby authorized to prescribe and fix rates and to revise same from time to time and to collect revenues, tolls, fees, and charges for the services, facilities, and commodities furnished and, in anticipation of the collection of the revenues, to issue revenue bonds or other types of obligations as herein provided to finance, in whole or in part, the costs of the project, and to pledge to the punctual payment of said revenue bonds or other obligations all or any part of the revenues.

SECTION 23.

Rules, regulations, service policies, and
procedures for operation of projects.

It shall be the duty of the authority to prescribe or cause to be prescribed rules, regulations, service policies, and procedures for the operation of any project or projects constructed or acquired under the provisions of this Act. The authority may adopt bylaws.

SECTION 24.

Tort immunity.

To the extent permitted by law, the authority shall have the same immunity and exemption from liability for torts and negligence as Paulding County; and the officers, agents, and employees of the authority when in the performance of the work of the authority shall have the same immunity and exemption from liability for torts and negligence as the officers, agents, and employees of Paulding County, when in the performance of their public duties or the work of the county.

SECTION 25.

Tax-exempt status of the authority.

The properties of the authority, both real and personal, are declared to be public properties used for the benefit and welfare of the people of the state and not for purposes of private or corporate benefit and income, and such properties and the authority shall be exempt from all taxes and special assessments of any municipality, county, or the state and any political subdivision thereof.

SECTION 26.

Effect on other governments.

This Act shall not and does not in any way take from Paulding County, or any political subdivision or municipality the authority to own, operate, and maintain public facilities or to issue revenue bonds as provided by the Revenue Bond Law.

SECTION 27.

Liberal construction of Act.

This Act, being for the welfare of various political subdivisions and municipalities of the state and its inhabitants, shall be liberally construed to effect the purposes hereof.

SECTION 28.

Severability; effect of partial invalidity of Act.

The provisions of this Act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

SECTION 29.

Effective date.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 30.

Repeal.

All laws and parts of laws in conflict with this Act are repealed.
