A RESOLUTION

1 Creating the Senate Communications Taxes, Fees, and Telecommunications Franchising
2 Process Study Committee; and for other purposes.

3 WHEREAS, the communications industry has evolved rapidly in recent years so that
4 consumers may choose from a wide variety of technologies and providers; and

5 WHEREAS, there is a disparity in the taxation and licensure of various types of
6 communications services, and in the taxation of the communications industry and other
7 industries; and

8 WHEREAS, this legislature plans a major review of taxation in general; and

9 WHEREAS, Virginia recently passed legislation simplifying the structure of taxation of
10 communications services to make it similar to the taxation of typical retail purchases; and

11 WHEREAS, a streamlined tax and licensure climate for communications can aid economic
12 development, help attract new jobs, help secure existing jobs, encourage investment in
13 communications infrastructure, and minimize disincentives to such investments resulting
14 from inequitable taxation.

15 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that there is created the Senate
