(b) The operations and responsibilities of each department now or hereafter established in the city shall be distributed among such divisions or bureaus as may be provided by ordinance of the city council. Each department shall consist of such officers, employees, and positions as may be provided by this charter or by ordinance and shall be subject to the general supervision and guidance of the mayor and city council.

SECTION 2.14.

Boards, commissions, and authorities.

(a) All members of boards, commissions, and authorities of the city shall be nominated by the mayor and be confirmed by the city council for such terms of office and such manner of appointment as provided by ordinance except where other appointing authority, term of office, or manner of appointment is prescribed by this charter or by applicable state law.

SECTION 2.15.

Ordinance form; procedures; emergencies.

(a) Every proposed ordinance and resolution shall be introduced in writing and the city council shall have the authority to approve, disapprove, or amend the same. No ordinance shall contain a subject which is not expressed in its title. The enacting clause shall be: "It is hereby ordained by the City Council of the City of Oakwood, Georgia." A resolution may be passed at the time it is offered but an ordinance shall not be adopted until the title of said ordinance shall have been read at two city council meetings, provided that the beginning of said meetings shall be not less than 24 hours nor more than 120 days apart. This requirement of two readings shall not apply to emergency ordinances or to ordinances adopted at the first business meeting of the city council in a calendar year.

An emergency ordinance shall be introduced in the form prescribed for ordinances generally except that it shall be plainly designated as an emergency ordinance and shall contain, after the

enacting clause, a declaration stating that an emergency exists and describing the emergency in clear and specific terms. An emergency ordinance may be adopted, with or without amendment, or rejected at the meeting at which it is introduced but the affirmative vote of at least three councilmembers shall be required for adoption. It shall become effective upon adoption or at such later time as it may specify. Every emergency ordinance shall automatically stand repealed 30 days following the date upon which it was adopted, but this shall not prevent reenactment of the ordinance in the manner specified in this section if the emergency still exists. An emergency ordinance may also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

(2) Such meetings shall be open to the public to the extent required by law, and notice to the public of emergency meetings shall be made as fully as is reasonably possible in accordance with O.C.G.A. Section 50-14-1 or such other applicable laws as are or may hereafter be enacted.

(1) Shall not be deemed or taken to be titles of such sections or as any part of the section; and

(2) Shall not be so deemed when any of such sections, including the catchlines, are amended or reenacted unless expressly provided to the contrary. Furthermore, the chapter, article, and section headings contained in this charter shall not be deemed to govern, limit, or modify or in any manner affect the scope, meaning, or intent of the provisions of any chapter, article, or section hereof.

(e) The city council may, by ordinance or resolution, adopt rules and bylaws to govern the conduct of its business, including procedures and penalties for compelling the attendance of absent members. If an ordinance or resolution is not approved by the mayor by the tenth day following the date action was taken by the city council, it shall become effective at 12:00 Noon on the tenth day following city council action unless the ordinance provides for an alternate effective date.

SECTION 2.18.

Codes of technical regulations.

The city council may adopt any standard code of technical regulations by reference thereto in an adopting ordinance. The procedure and requirements governing such adopting ordinance shall be as prescribed for ordinances generally except that:

- (1) The requirements of subsection (b) of Section 2.15 of this charter for distribution and filing of copies of the ordinance shall be construed to include copies of any code of technical regulations as well as the adopting ordinance; and
