

Senator Thompson of the 33rd offered the following amendment:

Amend HB 471 by adding a new Section 2 to read as follows: No county or municipality may transfer, offer or sell any water system or any part of any water system to another political subdivision if there is an express and written agreement to service receivers on that system not to do so. The exception shall be with written consent of the affected customer or receiver of service

and renumbering page 2 Sections accordingly.
