

Senate Resolution 682

By: Senator Hill of the 4th

**ADOPTED SENATE**

**A RESOLUTION**

- 1 Urging Effingham County to study its tax structure; and for other purposes.
- 2 WHEREAS, Effingham County is experiencing significant growth and development; and
- 3 WHEREAS, with this growth and development, there is a need to review the means and
- 4 methods of financing county services; and
- 5 WHEREAS, the tax structure and mix of revenue sources for the funding of Effingham
- 6 County government services needs to be reviewed to determine if the tax structure and mix
- 7 of revenue sources is fairly spread and equitably apportioned; and
- 8 WHEREAS, other revenue sources should be considered in light of the growth and
- 9 development being experienced in the county such as impact fees and other such revenue
- 10 sources; and
- 11 WHEREAS, many long-time citizens of the county have seen their property taxes increase
- 12 significantly, not as a result of any action on their part, but due to growth and development
- 13 and the increased property values that are associated with such growth and development; and
- 14 WHEREAS, consideration of whether the impact of these increased property taxation levels
- 15 should be offset in some fashion through certain types of homestead exemptions is needed
- 16 to ensure that such persons are not unfairly taxed; and
- 17 WHEREAS, a community based review of the entire tax structure and mix of revenue
- 18 sources would be good for the citizens of the county to ensure that the citizens understand
- 19 the nature and reasons for the tax structure that is in place and to allow them to determine if
- 20 any changes are needed.
