8 computation of certain time periods; to provide for related matters; to provide for an effective  
9 date; to repeal conflicting laws; and for other purposes.

10 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

11 **SECTION 1.**

12 Part 3 of Article 8 of Chapter 14 of Title 44 of the Official Code of Georgia Annotated,  
13 relating to mechanics and materialmen, is amended by adding a new paragraph to Code  
14 Section 44-14-360, relating to definitions, to read as follows:

15 "(2.1) 'Lien action' means a lawsuit, proof of claim in a bankruptcy case or a binding  
16 arbitration."

17 **SECTION 2.**

18 Said part is further amended by revising Code Section 44-14-361.1, relating to how liens are  
19 declared and created, as follows:

20 "44-14-361.1.

21 (a) To make good the liens specified in paragraphs (1) through (8) of subsection (a) of  
22 Code Section 44-14-361, they must be created and declared in accordance with the  
23 following provisions, and on failure of any of them the lien shall not be effective or  
24 enforceable:

1 (1) A substantial compliance by the party claiming the lien with his or her contract for  
 2 building, repairing, or improving; for architectural services furnished; for registered  
 3 forester services furnished or performed; for registered land surveying or registered  
 4 professional engineering services furnished or performed; or for materials or machinery  
 5 furnished or set up;

6 (2) The filing for record of his or her claim of lien within ~~three months~~ 90 days after the  
 7 completion of the work, the furnishing of the architectural services, or the furnishing or  
 8 performing of such surveying or engineering services or within ~~three months~~ 90 days  
 9 after the material or machinery is furnished in the office of the clerk of the superior court  
 10 of the county where the property is located; ~~which.~~ The lien shall include a statement  
 11 regarding its expiration pursuant to Code Section 44-14-367 and a notice to the owner of  
 12 the property on which a claim of lien is filed that such owner has the right to contest the  
 13 lien; the absence of such statement or notice shall not invalidate the lien. The claim shall  
 14 be in substance as follows:

15 'A.B., a mechanic, contractor, subcontractor, materialman, machinist, manufacturer,  
 16 registered architect, registered forester, registered land surveyor, registered professional  
 17 engineer, or other person (as the case may be) claims a lien in the amount of (specify  
 18 the amount claimed) on the house, factory, mill, machinery, or railroad (as the case may  
 19 be) and the premises or real estate on which it is erected or built, of C.D. (describing  
 20 the houses, premises, real estate, or railroad), for satisfaction of a claim which became  
 21 due on (specify the date the claim was due, which is the same as the last date the labor,  
 22 services, or materials were supplied to the premises) for building, repairing, improving,  
 23 or furnishing material (or whatever the claim may be).'

24 ~~At the time~~ Within seven days of filing for record of his or her claim of lien, the lien  
 25 claimant shall send a copy of the claim of lien by registered or certified mail or statutory  
 26 overnight delivery to the owner of the property or, if the owner's address cannot be  
 27 found, the contractor, as the agent of the owner; provided, however, if the property owner  
 28 is an entity on file with the Secretary of State's Corporations Division, sending a copy of  
 29 the claim of lien to the entity's address or the registered agent's address shall satisfy this  
 30 requirement. In all cases in which a notice of commencement is filed with the clerk of  
 31 the superior court pursuant to subsection (b) of Code Section 44-14-361.5, a lien claimant  
 32 shall also send a copy of the claim of lien by registered or certified mail or statutory  
 33 overnight delivery to the contractor at the address shown on the notice of  
 34 commencement;

35 (3) The commencement of ~~an~~ a lien action for the recovery of the amount of the party's  
 36 claim within ~~12 months~~ 365 days from the ~~time the same shall become due~~ date of filing  
 37 for record of his or her claim of lien. In addition, within ~~14~~ 30 days after filing

1 commencing such lien action, the party claiming the lien shall file a notice with the clerk  
 2 of the superior court of the county wherein the subject lien was filed. The notice shall  
 3 contain a caption referring to the then owner of the property against which the lien was  
 4 filed and referring to a deed or other recorded instrument in the chain of title of the  
 5 affected property. The notice shall be executed, under oath, by the party claiming the lien  
 6 or by such party's attorney of record, but failure to execute the notice under oath shall be  
 7 an amendable defect which may be cured by the party claiming the lien or by such party's  
 8 attorney without leave of court at any time before entry of the pretrial order and thereafter  
 9 by leave of court. An amendment of notice pursuant to this Code section shall relate back  
 10 to the date of filing of the notice. The notice shall identify the court or arbitration venue  
 11 wherein the lien action is brought; the style and number, if any, of the lien action,  
 12 including the names of all parties thereto; the date of the filing of the lien action; and the  
 13 book and page number of the records of the county wherein the subject lien is recorded  
 14 in the same manner in which liens specified in Code Section 44-14-361 are filed. The  
 15 clerk of the superior court shall enter on the subject lien so referred to the book and page  
 16 on which the notice is recorded and shall index such notice in the name of the then  
 17 purported owner as shown by the caption contained in such notice. A separate lis pendens  
 18 notice need not be filed with the commencement of this action; and

19 (4) In the event any contractor or subcontractor procuring material, architect's services,  
 20 registered forester's services, registered land surveyor's services, or registered  
 21 professional engineer's services, labor, or supplies for the building, repairing, or  
 22 improving of any real estate, building, or other structure shall abscond or die or leave the  
 23 state ~~within 12 months from the date such services, labor, supplies, or material are~~  
 24 ~~furnished to him or her~~ during the required time period for filing a lien action, so that  
 25 personal jurisdiction cannot be obtained on the contractor or subcontractor in ~~an~~ a lien  
 26 action for the services, material, labor, or supplies, or if the contractor or subcontractor  
 27 shall be adjudicated a bankrupt, or if, after the filing of ~~an~~ a lien action, no final judgment  
 28 can be obtained against him or her for the value of such material, services, labor, or  
 29 supplies because of his or her death, adjudication in bankruptcy, or the contract between  
 30 the party claiming the lien and the contractor or subcontractor includes a provision  
 31 preventing payment to the claimant until after the contractor or the subcontractor has  
 32 received payment, then and in any of these events, the person or persons furnishing  
 33 material, services, labor, and supplies shall be relieved of the necessity of filing ~~an~~ a lien  
 34 action or obtaining judgment against the contractor or subcontractor as a prerequisite to  
 35 enforcing a lien against the property improved by the contractor or subcontractor. Subject  
 36 to Code Section 44-14-361, the person or persons furnishing material, services, labor, and  
 37 supplies may enforce the lien directly against the property so improved in ~~an~~ a lien action

1 against the owner thereof, if filed within ~~12 months from the time the lien becomes due~~  
2 the required time period for filing a lien action, with the judgment rendered in any such  
3 proceeding to be limited to a judgment in rem against the property improved and to  
4 impose no personal liability upon the owner of the property; provided, however, that in  
5 such lien action for recovery, the owner of the real estate improved, who has paid the  
6 agreed price or any part of same, may set up the payment in any lien action brought and  
7 prove by competent and relevant evidence that the payments were applied as provided  
8 by law, and no judgment shall be rendered against the property improved. Within ~~14~~ 30  
9 days after filing such lien action, the party claiming the lien shall file a notice with the  
10 clerk of the superior court of the county wherein the subject lien was filed. The notice  
11 shall contain a caption referring to the then owner of the property against which the lien  
12 was filed and referring to a deed or other recorded instrument in the chain of title of the  
13 affected property. The notice shall be executed, under oath, by the party claiming the lien  
14 or by his or her attorney of record. The notice shall identify the court or arbitration venue  
15 wherein the lien action is brought; the style and number of the lien action, if any,  
16 including the names of all parties thereto; the date of the filing of the lien action; and the  
17 book and page number of the records of the county wherein the subject lien is recorded  
18 in the same manner in which liens specified in Code Section 44-14-361 are filed. The  
19 clerk of the superior court shall enter on the subject lien so referred to the book and page  
20 on which the notice is recorded and shall index such notice in the name of the then  
21 purported owner as shown by the caption contained in such notice. A separate lis pendens  
22 notice need not be filed with the commencement of this action.

23 (b) As between themselves, the liens provided for in Code Section 44-14-361 shall rank  
24 according to the date filed; but all of the liens mentioned in this Code section for repairs,  
25 building, or furnishing materials or services, upon the same property, shall, as to each  
26 other, be of the same date when declared and filed for record within ~~three months~~ 90 days  
27 after the work is done or before that time.

28 (c) The liens specified in Code Section 44-14-361 shall be inferior to liens for taxes, to the  
29 general and special liens of laborers, to the general lien of landlords of rent when a distress  
30 warrant is issued out and levied, to claims for purchase money due persons who have only  
31 given bonds for titles, and to other general liens when actual notice of the general lien of  
32 landlords and others has been communicated before the work was done or materials or  
33 services furnished; but the liens provided for in Code Section 44-14-361 shall be superior  
34 to all other liens not excepted by this subsection.

35 (d) In any proceeding brought by any materialman, by any mechanic, by any laborer, by  
36 any subcontractor, or by any mechanic of any sort employed by any subcontractor or by  
37 any materialmen furnishing material to any subcontractor, or by any laborer furnishing

1 labor to any subcontractor, to enforce such a lien, the contractor having a direct contractual  
 2 relationship with the subcontractor shall not be a necessary party; but he or she may be  
 3 made a party. In any proceedings brought by any mechanic employed by any subcontractor,  
 4 by any materialmen furnishing material to any subcontractor, or by any laborer furnishing  
 5 labor to any subcontractor, the subcontractor shall not be a necessary party; but he or she  
 6 may be made a party. The contractor or subcontractor or both may intervene in the  
 7 proceedings at any time before judgment for the purpose of resisting the establishment of  
 8 the lien or of asserting against the lienor any claim of the contractor or subcontractor  
 9 growing out of or related to the transaction upon which the asserted lien is based.

10 (e) In no event shall the aggregate amount of liens set up by Code Section 44-14-361  
 11 exceed the contract price of the improvements made or services performed.

12 (f) The filing fees for a claim of materialman's or mechanic's lien and any related  
 13 document created pursuant to this Code section, including but not limited to a notice of  
 14 commencement of action, shall be the amount set by Code Section 15-6-77 for liens on real  
 15 estate and personal property."

### 16 SECTION 3.

17 Said part is further amended by revising subsection (c) of Code Section 44-14-361.5, relating  
 18 to liens of persons without privity of contract, as follows:

19 "~~(c) A Notice to Contractor~~ notice to contractor shall be ~~given~~ sent by registered or

 31 of filing of the claim of lien if no Notice of Commencement is filed in that time period.'  
 32 However, failure to include such language shall not invalidate the lien or prevent it from  
 33 being filed. No release or voiding of such liens shall be required. A lien shall expire  
 34 sooner and be disregarded once it is determined that no notice of commencement was  
 35 timely filed in response to a notice of contest pursuant to Code Section 44-14-368."
