11 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

12 style="text-align:center">**SECTION 1.**

13 This Act shall be known and may be cited as the "Insuring Georgia's Families Act."

14 style="text-align:center">**SECTION 2.**

15 Title 33 of the Official Code of Georgia Annotated, relating to insurance, is amended by
16 striking Chapter 51 in its entirety and inserting in lieu thereof a new Chapter 51 to read as
17 follows:

18 style="text-align:center">"CHAPTER 51

19 33-51-1.

20 This chapter shall be known and may be cited as the 'Georgia Affordable HSA Eligible
21 High Deductible Health Plan.'

22 33-51-2.

23 It is the intent of the General Assembly:

1 (1) To authorize the Commissioner to establish flexible guidelines for health savings
2 account eligible high deductible plan designs which will be affordable to Georgians and
3 to increase the availability of these types of plans by accident and sickness insurers
4 licensed to transact such insurance in this state;

5 (2) To encourage the offering of affordable health savings account eligible high
6 deductible plans, as required under the rules of the federal Internal Revenue Service
7 related to the establishment of health savings accounts, with the specific intent of
8 reaching many otherwise uninsured Georgians and the general intent of creating
9 affordable comprehensive health insurance for all Georgians; and

10 (3) To enhance the affordability of insurance with the flexible health savings account
11 eligible high deductible plans allowed under this chapter by allowing rewards and
12 incentives for participation in and adherence to health behaviors that recognize the value
13 of the personal responsibility of each citizen to maintain good health, seek preventative
14 care services, and comply with approved treatments.

15 33-51-3.

16 (a) The Commissioner shall develop flexible guidelines for coverage and approval of
17 health savings account eligible high deductible plans which are designed to qualify under
18 federal and state requirements as high deductible health plans for use with health savings
19 accounts which comply with federal requirements under the applicable provisions of the
20 federal Internal Revenue Code for high deductible health plans sold in connection with
21 health savings accounts.

22 (b) The Commissioner shall be authorized to encourage and promote the marketing of
23 health savings account eligible high deductible plans by accident and sickness insurers in
24 this state; provided, however, that nothing in this Code section shall be construed to
25 authorize the sale of insurance in violation of Chapter 3 of this title or interstate sales of
26 insurance.

27 (c) The Commissioner shall be authorized to conduct a national study of health savings
28 account eligible high deductible plans available in other states and to determine if and how
29 these products serve the uninsured and if they should be made available to Georgians.

30 (d) The Commissioner shall be authorized to develop an automatic or fast track approval
31 process for health savings account eligible high deductible plans already approved under
32 the laws and regulations of other states.

33 (e) The Commissioner shall be authorized to promulgate such rules and regulations as he
34 or she deems necessary and appropriate for the design, promotion, and regulation of health
35 savings account eligible high deductible plans, including rules and regulations for the

1 expedited review of standardized policies, advertisements and solicitations, and other
2 matters deemed relevant by the Commissioner.

3 33-51-4.

4 Insurers that include and operate wellness and health promotion programs, disease and
5 condition management programs, health risk appraisal programs, and similar provisions in
6 their high deductible health policies in keeping with federal requirements shall not be
7 considered to be engaging in unfair trade practices under Code Section 33-6-4 with respect
8 to references to the practices of illegal inducements, unfair discrimination, and rebating.

9 33-51-5.

10 There shall be no required relationship between preferred provider and nonpreferred
11 provider plan reimbursements for health savings account eligible high deductible plans
12 using nonpreferred provider reimbursements. Such plans, however, shall not:

- 13 (1) Unfairly deny health benefits for medically necessary covered services;
14 (2) Have differences in benefit levels payable to preferred providers compared to other
15 providers that unfairly deny benefits for covered services;
16 (3) Have a plan coinsurance percentage applicable to benefit levels for services provided
17 by nonpreferred providers that is less than 50 percent of the benefit levels under the
18 policy for such services; or
19 (4) Have an adverse effect on the availability or the quality of services.

20 33-51-6.

21 (a) The Commissioner shall be authorized to allow health reimbursement arrangement
22 only plans that encourage employer financial support of health insurance or health related
23 expenses recognized under the rules of the federal Internal Revenue Service to be approved
24 for sale in connection with or packaged with individual health insurance policies otherwise
25 approved by the Commissioner.

26 (b) Health reimbursement arrangement only plans that are not sold in connection with or
27 packaged with individual health insurance policies shall not be considered insurance under
28 this title."

29 **SECTION 3.**

30 This Act shall become effective upon its approval by the Governor or upon its becoming law
31 without such approval.

- 1 **SECTION 4.**
- 2 All laws and parts of laws in conflict with this Act are repealed.
