1	Any charge imposed by a municipal authority shall be assessed in a nondiscriminatory
2	and competitively neutral manner.
3	(10) Any due compensation paid to municipal authorities pursuant to paragraph (9) of
4	this subsection shall be in lieu of any other permit fee, encroachment fee, degradation fee,
5	disruption fee, business license tax, occupational license tax, occupational license fee, or
6	other fee otherwise permitted pursuant to the provisions of subparagraph (A) of
7	paragraph (7) of Code Section 36-34-2 or Code Section 32-4-92 et seq. or any other
8	provision of law regardless of nomenclature.
9	(11) A telegraph or telephone company with facilities in the public rights of way of a
10	municipal authority shall begin assessing due compensation, as defined in paragraph (a)
11	of this subsection, on subscribers on the date that service commences unless such
12	company is currently paying a municipal authority's occupational license tax. Such due
13	compensation shall be paid directly to each affected municipal authority within 30
14	calendar days after the last day of each calendar quarter. In the event that due
15	compensation is not paid on or before 30 calendar days after the last day of each calendar
16	quarter, the affected municipal authority shall provide written notice to such telegraph or
17	telephone company, giving such company 15 calendar days from the date such company
18	receives such notice to cure any such nonpayment. In the event the due compensation
19	remitted to the affected municipal authority is not postmarked on or before the expiration
20	of the 15 day cure period, such company shall pay interest thereon at a rate of 1 percent
21	per month to the affected municipal authority. If the 15 day cure period expires on a
22	Saturday, a Sunday, or a state legal holiday, the due date shall be the next business day.
23	A telegraph or telephone company shall not be assessed any interest on late payments if
24	due compensation was submitted in error to a neighboring municipal authority.
25	(12) Each municipal authority may, no more than once annually, audit the business
26	records of a telegraph or telephone company to the extent necessary to ensure payment
27	in accordance with this Code section. As used in this Code section, 'audit' means a
28	comprehensive review of the records of a company which is reasonably related to the
29	calculation and payment of due compensation. Once any audited period of a company has
30	been the subject of a requested audit, such audited period of such company shall not again
31	be the subject of any audit. In the event of a dispute concerning the amount of due
32	compensation due to an affected municipal authority under this Code section, an action
33	may be brought in a court of competent jurisdiction by an affected municipal authority
34	seeking to recover an additional amount alleged to be due or by a company seeking a
35	refund of an alleged overpayment; provided, however, that any such action shall be
36	brought within three years following the end of the quarter to which the disputed amount
37	relates, although such time period may be extended by written agreement between the

1	company and such affected municipal authority. Each party shall bear the party's own
2	costs incurred in connection with any dispute. No municipal authority shall make the
3	employment, appointment, payment, or retention of any person or entity engaged to
4	perform an audit in any manner dependent or contingent upon the outcome of any such
5	audit, including, without limitation, the audit findings and the recovery of fees, or the
6	recovery of any other payments. A person or entity performing an audit may not solicit
7	or accept compensation dependent or contingent in any manner upon the outcome of any
8	such audit, including, without limitation, the audit findings, the recovery of fees, or the
9	recovery of any other payments by a municipal authority. The auditing municipal
10	authority shall bear the cost of the audit; provided, however, that if an affected municipal
11	authority files an action to recover alleged underpayments of due compensation and a
12	court of competent jurisdiction determines the company has underpaid due compensation
