10 public matter, official business, or policy of the agency is to be discussed or presented or

17 jurisdiction of an agency and at which no final official action is to be taken shall not be
18 deemed a 'meeting.'

19 (b) Except as otherwise provided by law, all meetings as defined in subsection (a) of this
20 Code section shall be open to the public. Any resolution, rule, regulation, ordinance, or

36 with a regular schedule, but nothing in this subsection shall preclude an agency from
37 canceling or postponing any regularly scheduled meeting. Whenever any meeting required

1 to be open to the public is to be held at a time or place other than at the time and place
 2 prescribed for regular meetings, the agency shall give due notice thereof. ~~'Due notice' shall~~

 15 that agency may hold a meeting with less than 24 hours' notice upon giving such notice of
 16 the meeting and subjects expected to be considered at the meeting as is reasonable under
 17 the circumstances including posting notice on the agency's website if the agency maintains
 18 a website, and notice to said county legal organ or a newspaper having a general circulation
 19 in the county at least equal to that of the legal organ, in which event the reason for holding
 20 the meeting within 24 hours and the nature of the notice shall be recorded in the minutes.

 22 immediately make the information available upon inquiry to any member of the public.
 23 Any oral notice required or permitted by this subsection may be given by telephone.

 25 agenda of all matters expected to come before the agency at such meeting. The agenda
 26 shall be available upon request and shall be posted at the meeting site and on the agency's

 2 the agency if the agency maintains a website, once officially approved as official by the
 3 agency, ~~but in no case later than~~ immediately following the next regular meeting of the
 4 agency, ~~provided, however, nothing contained in this chapter shall prohibit the earlier~~
 5 ~~release of minutes, whether approved by the agency or not~~ or earlier at the agency's
 6 discretion. Said minutes shall, as a minimum, include the names of the members present
 7 ~~at the meeting,~~ a description of each motion or other proposal made, and a record of all
 8 votes. In the case of a roll-call vote the name of each person voting for or against a
 9 proposal shall be recorded ~~and in all other cases it.~~ It shall be presumed that the action
 10 taken was approved by each person in attendance unless the minutes reflect the name of
 11 the persons voting against the proposal or abstaining.

 13 telecommunications conference, provided that any such meeting is conducted in
 14 compliance with this chapter.

17 maps, books, tapes, photographs, computer based or generated information, or similar
18 material prepared and maintained or received in the course of the operation of a public
19 office or agency of the executive or judicial branches. Public record shall also mean such
20 items received or maintained by a private person or entity on behalf of a public office or
21 agency which are not otherwise subject to protection from disclosure; provided, however,
22 this Code section shall be construed to disallow an agency's placing or causing such items
23 to be placed in the hands of a private person or entity for the purpose of avoiding
24 disclosure. Records received or maintained by a private person, firm, corporation, or other
25 private entity in the performance of a service or function for or on behalf of an agency, a
26 public agency, or a public office shall be subject to disclosure to the same extent that such
27 records would be subject to disclosure if received or maintained by such agency, public
28 agency, or public office. As used in this article, the term 'agency' or 'public agency' or
29 'public office' shall have the same meaning and application as provided for in the definition
30 of the term 'agency' in paragraph (1) of subsection (a) of Code Section 50-14-1 and shall
31 additionally include any association, corporation, or other similar organization which: (1)
32 has a membership or ownership body composed primarily of counties, municipal
33 corporations, or school districts of this state or their officers or any combination thereof;

1 and (2) derives a substantial portion of its general operating budget from payments from
2 such political subdivisions.

3 (b) All public records of an agency as defined in subsection (a) of this Code section,
4 except those which by order of a court of this state or by law are prohibited or specifically
5 exempted from being open to inspection by the general public, shall be open for a personal
6 inspection by any person at a reasonable time and place; and those in charge of such
7 records shall not refuse this privilege to any person.

8 (c) Any computerized index of a county real estate deed records shall be printed for
9 purposes of public inspection no less than every 30 days and any correction made on such
10 index shall be made a part of the printout and shall reflect the time and date that said index
11 was corrected.

12 (d) Every agency shall prepare and update at least annually a list of all available records
13 or reports prepared and maintained or received in the course of the operation of the agency.
14 Such list shall include the format of each record or report and indicate the retention period
15 of the information. No public officer or agency shall be required to prepare reports,
16 summaries, or compilations not in existence at the time of the request.

19 law, a party to the administrative proceeding may access public records pertaining to that
20 proceeding unless access to those records is specifically exempted, but only with the
21 permission of the administrative law judge presiding over that proceeding.

22 (f) The agency or person in control of such public record or records shall respond to the
23 requestor within not more than three business days after the request. Where requested
24 records exist but are not available within three business days of the request, a written
25 description of such records and the reason for their unavailability, together with a timetable
26 for their inspection and copying, shall be provided within three business days. Records
27 exempt from inspection under this article need not be made available for inspection and
28 copying or described other than as required by paragraph (5) of subsection (g) of this Code
29 section, and no records need be made available for inspection or copying if the public
30 officer or agency in control of such records shall have obtained, within that period of three
31 business days, an order based on an exception in this article of a superior court of this state
32 staying or refusing the requested access to such records. No records shall be produced until
33 the fee or estimated fee has been approved by the requestor.

8 Code section, subsection, and paragraph. No addition to or amendment of such
9 designation shall be permitted thereafter or in any proceeding to enforce the terms of this
10 article; provided, however, that:

11 (A) Such designation may be amended or supplemented one time within five days of
12 discovery of an error in such designation or within five days of the institution of an
13 action to enforce this article, whichever is sooner; and

14 (B) The right to amend or supplement based upon discovery of an error may be
15 exercised on only one occasion.

16 In the event that such designation includes provisions not relevant to the subject matter
17 of the request, costs and reasonable attorney fees may be awarded pursuant to Code
18 Section 50-18-73.

19 (h) At the request of the person requesting such records, records maintained by computer
20 shall be made available where practicable by electronic means, including Internet access,
21 subject to reasonable security restrictions preventing access to nonrequested or unavailable
22 records. A reasonable effort shall be made to provide the information in a readable format.

23 (i) Any person who deliberately and willfully denies the public access to public records
24 that are accessible under the laws of this state shall be guilty of a felony and upon
25 conviction shall be punished by a fine of up to \$5,000.00 per violation and imprisonment
26 for not more than 12 months or both. Any person who deliberately and willfully obtains
27 confidential information to which he or she is not entitled or who deliberately and willfully
28 violates the laws of this state by divulging information which is made confidential by law
29 and which is excepted from disclosure under this article shall:

31 \$5,000.00 per violation and imprisonment for not more than 12 months or both; and

32 (2) Be personally liable for damages to any person or entity that result from disclosure
33 of that confidential information.

34 50-18-71.

35 (a) When a person has a right to inspect or take extracts or make copies from any public
36 records, such person shall have the right of access to the records for the purpose of making

1 photographs or reproductions of the same while in the possession, custody, and control of
2 the lawful custodian thereof or his or her authorized deputy. Such work shall be done
3 under the supervision of the lawful custodian of the records, who shall have the right to
4 adopt and enforce reasonable rules governing the work, and shall be done in the room
5 where the records, documents, or instruments are kept by law.

6 (b) Where fees for certified copies or other copies or records are specifically authorized
7 or otherwise prescribed by law, such specific fee shall apply.

8 (c) Where no fee is otherwise provided by law, the agency may charge and collect a
9 uniform copying fee not to exceed 25¢ per page and a fee for supervision of copying of not
10 more than \$10.00 per hour.

11 (d) In addition, a reasonable hourly charge may be collected for search, retrieval, and other
12 direct administrative costs for complying with a request under this article. The charge shall
13 not exceed the hourly salary of the lowest paid full-time employee who, in the discretion
14 of the custodian of the records, has the necessary skill and training to perform the request;
15 provided, however, that no charge shall be made for the first quarter hour.

16 (e) An agency shall utilize the most economical means available for providing copies of
17 public records.

18 (f) Where information requested is maintained by computer, an agency may charge the
19 public its actual cost of a computer disk or tape onto which the information is transferred
20 and may charge for the administrative time involved as set forth in subsection (d) of this
21 Code section.

22 (g) Whenever any person has requested one or more copies of a public record and such
23 person does not pay the copying charges and charges for search, retrieval, or other direct
24 administrative costs in accordance with the provisions of this Code section, the entity
25 producing such record is authorized to collect such charges in any manner authorized by
26 law for the collection of taxes, fees, or assessments owed to that entity. This subsection
27 shall apply regardless of whether the person requesting the copies has appeared to receive
28 the copies.

29 (h) Any cost or expense of determining what records or parts of records shall be produced
30 shall be borne by the agency in charge of the records.

4 or pertaining to pending or potential litigation, settlement, claims, administrative
5 proceedings, or other judicial actions brought or to be brought by or against the agency

27 (a) The superior courts of this state shall have jurisdiction in law and in equity to entertain

30 brought by any person, firm, corporation, or other entity. In addition, the Attorney General
31 shall have authority to bring such actions, either civil or criminal, in his or her discretion
32 as may be appropriate to enforce compliance with this article.

35 with this article or in instituting the litigation, the court shall, unless it finds that special
36 circumstances exist, assess in favor of the complaining party reasonable attorney fees and
37 other litigation costs reasonably incurred. Whether the position of the complaining party

1 was substantially justified shall be determined on the basis of the record as a whole which
2 is made in the proceeding for which fees and other expenses are sought.

10 arrested prior to the time of trial, except that a defendant who fails to appear for
11 arraignment or trial may thereafter be arrested pursuant to a bench warrant and required to
12 post a bond for his or her future appearance.

30 to the requesting agency or party unless such records are privileged or disclosure to such
31 agencies is specifically restricted by law."
