1 Senators Tate of the 38th, Henson of the 41st, Seay of the 34th, Davenport of the 44th and
2 Thomas of the 2nd offered the following amendment:

3 *Amend the Senate Health and Human Services Committee substitute to SB 404 (LC 33*
4 *2460S) by striking lines 26 through 29 of page 6 and inserting in lieu thereof the following:*

5 (f) All insurance policies offered for sale on the GHM shall include coverage for the
6 following procedures which are critical to the early detection of life-threatening diseases:
7 ovarian cancer screening, colorectal cancer screening, diabetes screening, pap smears,
8 mammograms, prostate specific antigen tests, chlamydia screening, coverage for
9 complications of pregnancy, coverage for hospital stays after delivery, direct access to
10 obstetricians and gynecologists, and coverage for prescribed female contraceptive drugs
11 or devices.

12 *By striking lines 6 through 9 of page 8 and inserting in lieu thereof the following:*

13 Products offered pursuant to this Code section shall not be subject to other Title 33
14 provisions including but not limited to provisions which require specific state mandated
15 health benefits, which regulate premiums, or which regulate the issuance or cancellation
16 of policies; provided, however, that such offered products shall include coverage of
17 chlamydia screening, coverage for complications of pregnancy, coverage for hospital stays
18 after delivery, direct access to obstetricians and gynecologists, and coverage for prescribed
19 female contraceptive drugs or devices.
