## A RESOLUTION

1 Creating the House Study Committee on Prostitution and the Adult Entertainment Industry;  
2 and for other purposes.

3 WHEREAS, the State of Georgia is home to a thriving adult entertainment industry; and

4 WHEREAS, Georgia, especially the metropolitan Atlanta area, has become a hub for  
5 prostitution, including child sexual exploitation; and

6 WHEREAS, a recent study by the Atlanta Women's Agenda found a spatial link between  
7 arrests for prostitution of adults and children and the location of adult entertainment  
8 establishments; and

9 WHEREAS, studies have shown that employees of adult entertainment establishments are  
10 at great risk of being recruited into prostitution, of being stalked by customers, and of being  
11 subjected to unsafe working conditions; and

12 WHEREAS, individuals who are younger than 21 years of age may be especially vulnerable  
13 to abuse as employees of adult entertainment establishments; and

14 WHEREAS, the United States Supreme Court, in Young v. American Mini Theaters, Inc.,  
15 427 U.S. 50 (1976), and City of Renton v. Playtime Theaters, Inc., 475 U.S. 41 (1986), has  
16 recognized that local governments have the right and duty under their police powers to  
17 regulate sexually oriented businesses and to control where, when, and how these businesses  
18 will locate and operate in order to minimize adverse secondary effects; and

19 WHEREAS, additional regulation of the adult entertainment industry may be warranted to  
20 minimize adverse secondary effects, including, but not limited to, prostitution and child  
21 commercial sexual exploitation.

1 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that  
2 there is created the House Study Committee on Prostitution and the Adult Entertainment

9 conduct such meetings at such places and at such times as it may deem necessary or  
10 convenient to enable it to exercise fully and effectively its powers, perform its duties, and  
11 accomplish the objectives and purposes of this resolution. In conducting such study, the  
12 committee may study current law and policy in Georgia and other states and may elicit views  
13 from experts in the fields of social work, mental health, public health, child welfare, and  
14 juvenile justice, as well as input from child victims and adult survivors of commercial sexual  
15 exploitation and current and former employees of the adult entertainment industry. The  
16 committee may examine recent policy and social science reports on the relationship between  
17 the adult entertainment industry and secondary adverse effects, including, but not limited to,  
18 prostitution and child commercial sexual exploitation and its effect on community safety.  
19 The members of the committee shall receive the allowances provided for in Code Section

26 1, 2008. The committee shall stand abolished on December 1, 2008.
