Senator Harp of the 29th offered following amendment:

Amend the Senate committee substitute (LC 29 3377S) to HB 1245 by changing Section 29 at page 28 line 30 to read as follows: “(b) In each of the actions and proceedings enumerated in subsection (a) of this code section, entitlement to the services of counsel begins as soon as is feasible and no more than 72 hours after the indigent person is taken into custody or service is made upon him or her of the charge, petition, notice, or other initiating process and such person makes an application for counsel to be appointed.” In lieu of subsection (B) as shown.
