23 allowed during a year if the net employment increase falls below the number required in  
24 such tier. Any credit received for years prior to the year in which the net employment

26 Commissioner of Insurance shall adjust the credit allowed each year for net new  
27 employment fluctuations above the minimum level of the number required in such tier.

28 (2) Existing business enterprises as defined under paragraph (2) of subsection (a) of this

31 after the creation of such job. The additional credit shall be claimed in year two after the  
32 creation of such job. The number of new full-time jobs shall be determined by comparing  
33 the monthly average number of full-time employees subject to Georgia income tax  
34 withholding for the calendar year with the corresponding period of the prior calendar  
35 year. In tier 1 counties, those existing business enterprises that increase employment by

5 of the county that has the lowest average wage of any county in the state to qualify as  
6 reported in the most recently available annual issue of the Georgia Employment and  
7 Wages Averages Report of the Department of Labor. To qualify for a credit under this  
8 paragraph, the employer must make health insurance coverage available to the employee  
9 filling the new full-time job; provided, however, that nothing in this paragraph shall be  
10 construed to require the employer to pay for all or any part of health insurance coverage  
11 for such an employee in order to claim the credit provided for in this paragraph if such  
12 employer does not pay for all or any part of health insurance coverage for other  
13 employees. Credit shall not be allowed during a year if the net employment increase falls  
14 below the number required in such tier. Any credit received for years prior to the year  
15 in which the net employment increase falls below the number required in such tier shall

17 for net new employment fluctuations above the minimum level of the number required  
18 in such tier. This paragraph shall apply only to new eligible full-time jobs created on or  
19 after January 1, 2009, and prior to January 1, 2014.

20 (g) Tax credits for five years for the taxes imposed under Code Section 33-8-4 shall be  
21 awarded for additional new full-time jobs created by business enterprises qualified under  
22 subsection (b), (c), or (d) of this Code section. Additional new full-time jobs shall be  
23 determined by subtracting the highest total employment of the business enterprise during  
24 years two through six, or whatever portion of years two through six which has been  
25 completed, from the total increased employment. The Commissioner of Insurance shall  
26 adjust the credit allowed in the event of employment fluctuations during the additional five  
27 years of credit.

28 (h) The sale, merger, acquisition, or bankruptcy of any business enterprise shall not create  
29 new eligibility in any succeeding business entity, but any unused job tax credit may be  
30 transferred and continued by any transferee of the business enterprise. The commissioner  
31 of community affairs shall determine whether or not qualifying net increases or decreases  
32 have occurred and may require reports, promulgate regulations, and hold hearings as  
33 needed for substantiation and qualification.

34 (i)(1) Except as provided in paragraph (2) of this subsection, any credit claimed under  
35 this Code section but not used in that calendar year may be carried forward for ten years  
36 from the close of the calendar year in which the qualified jobs were established, but in  
37 tiers 3 and 4 the credit established by this Code section taken in any one calendar year

1 shall be limited to an amount not greater than 50 percent of the taxpayer's tax liability  
2 under Code Section 33-8-4 which is attributable to operations in this state for that  
3 calendar year. In tier 1 and 2 counties, the credit allowed under this Code section against  
4 taxes imposed under Code Section 33-8-4 in any calendar year shall be limited to an  
5 amount not greater than 100 percent of the taxpayer's tax liability under Code Section  
6 33-8-4 attributable to operations in this state for such calendar year.

7 (2) The additional credit claimed by an existing business enterprise pursuant to the  
8 provisions of paragraph (2) of subsection (f) of this Code section must be applied against  
9 taxes imposed for the calendar year in which such credit is available and may not be  
10 carried forward to any subsequent calendar year.

11 (j) The Commissioner of Insurance may require such reports, promulgate such regulations,  
12 and gather such relevant data necessary and advisable for the evaluation of the job tax  
13 credits established by this Code section.

14 33-8-4.2.

15 (a) As used in this Code section, the term 'affiliated entity' means:

16 (1) A corporation that is a member of the taxpayer's 'affiliated group' within the meaning  
17 of Section 1504(a) of the Internal Revenue Code and which corporation has a tax liability  
18 under Code Section 33-8-4; or

19 (2) An entity affiliated with a corporation, business, partnership, or limited liability  
20 company taxpayer, which entity has a tax liability under Code Section 33-8-4 and which

23 (B) Provides capital for construction of the project; and

24 (C) Is the grantor or owner under a management agreement with a managing company  
25 of the project.

26 (b) In lieu of claiming any tax credit under Code Section 33-8-4.1 for which a taxpayer  
27 otherwise is eligible for the calendar year (such eligibility being determined for this  
28 purpose without regard to any limitation imposed by reason of the taxpayer's precredit tax  
29 liability under Code Section 33-8-4), the taxpayer may elect to assign such credit in whole  
30 or in part to one or more affiliated entities for such calendar year by attaching a statement  
31 to the taxpayer's return for the calendar year; provided, however, that no carryover  
32 attributable to the unused portion of any previously claimed or assigned credit may be  
33 assigned or reassigned, except as provided in subsection (d) of this Code section. Such  
34 election must be made on or before the due date for filing the applicable tax return under  
35 Code Section 33-8-4, including any extensions which have been granted. In the case of any  
36 credit that must be claimed in installments in more than one calendar year, the election

1 under this subsection may be made on an annual basis with respect to each such  
2 installment, provided that the taxpayer shall notify the Commissioner of Insurance with  
3 respect to the assignment of each such installment by filing a separate copy of the election  
4 statement for such installment no later than the due date for filing the applicable tax return  
5 under Code Section 33-8-4, including any extensions which have been granted. Once  
6 made, an election under this subsection shall be irrevocable.

7 (c) The recipient of a tax credit assigned under subsection (b) of this Code section shall  
8 attach a statement to its tax return under Code Section 33-8-4 identifying the assignor of  
9 the tax credit, in addition to providing any other information required to be provided by a  
10 claimant of the assigned tax credit.

11 (d) If the assignor and the recipient of a tax credit assigned under subsection (b) of this  
12 Code section cease to be affiliated entities, any carryover attributable to the unused portion  
13 of such credit shall be transferred back to the assignor of the credit. Such assignor shall be  
14 permitted to use any such carryover itself and also shall be permitted to assign such  
15 carryover to one or more affiliated entities, as if such carryover were a tax credit under  
16 Code Section 33-8-4.1 for which the assignor became eligible in the calendar year in which  
17 the carryover was transferred back to the assignor.

18 (e) The assignor and recipient of a tax credit assigned under subsection (b) of this Code
