5 (a) Subject to the provisions of Code Section 20-3-405.4, the annual interest rate for any  
6 EPS Student Loan shall be converted to 1 percent retroactive to the origination date of the  
7 EPS Student Loan for each student who:

9 point average no lower than 2.0 on a 4.0 scale; and

13 1 percent after the completion of five years of public service; or

14 (B) In the case of a student who has earned two degrees with the assistance of two or  
15 more EPS Student Loans, the interest rate for any EPS Student Loan used for the first  
16 degree shall be converted to 1 percent after the student has completed five years of  
17 public service. The interest rate for any EPS Student Loan used for the second degree  
18 may be converted to 1 percent after the student has completed ten years of public  
19 service, or the student may elect to apply the sixth through tenth years of public service  
20 to convert the EPS Student Loans used for the first degree to interest-free loans under  
21 subsection (b) of this Code section.

22 In the case of a student whose public service preceded the student's earning of the degree,  
23 the conversion of the EPS loans to 1 percent shall be on the date the student earns the  
24 degree.

25 (b) Subject to the provisions of Code Section 20-3-405.4, an EPS Student Loan for the first  
26 degree may be converted to an interest-free loan retroactive to the origination date of the  
27 EPS Student Loan for each student who:

28 (1) Completes his or her course of study and earns the degree with a cumulative grade  
29 point average no lower than 2.0 on a 4.0 scale; and

31 conversion of one or more EPS Student Loans, completes five years of public service in  
32 addition to:

33 (A) The service required by subparagraph (A) of paragraph (2) of subsection (a) of  
34 this Code section, for a total of ten years of public service, if the student earned one

6 Loans.

7 In the case of a student whose public service preceded the student's earning of the degree,  
8 the conversion of the EPS loans to interest-free loans shall be on the date the student  
9 earns the degree.

10 (c) When the annual interest rate is converted to 1 percent in accordance with  
11 subsection (a) of this Code section, the authority shall recalculate the balance owed on the  
12 loan to reflect the retroactive change in the interest rate.

13 (d) The steps of the recalculation required by subsections (a) and (c) of this Code section  
14 shall include the following:

15 (1) Calculate the total interest paid by the student on the loan to date;

16 (2) Calculate the total principal paid by the student on the loan to date;

17 (3) Calculate the total of fees other than interest paid by the student on the loan to date;

18 (4) Calculate the current balance owed on the loan by subtracting the principal paid by  
19 the student on the loan to date from the original amount borrowed;

20 (5) Calculate the amount of interest due on the loan from its origination to date at the rate  
21 of 1 percent;

22 (6) Subtract the amount of interest due at 1 percent calculated in paragraph (5) of this  
23 subsection from the total interest paid by the student to date calculated in paragraph (1)  
24 of this subsection;

25 (7) Add the difference calculated in paragraph (6) of this subsection to the principal paid  
26 by the student to date in paragraph (2) of this subsection; this sum shall become the new  
27 total principal paid by the student on the loan; and

28 (8) Subtract the new principal paid calculated in paragraph (7) of this subsection from  
29 the original amount borrowed by the student in this loan to produce the new balance  
30 owed by the student on the loan. If the new principal paid calculated in paragraph (7) of  
31 this subsection equals or exceeds the original amount borrowed by the student in this  
32 loan, the new balance is zero.

33 (e) When an EPS Student Loan is converted to an interest-free loan in accordance with  
34 subsection (b) of this Code section, the authority shall recalculate the balance owed on the  
35 loan to reflect the retroactive change in the interest rate. This recalculation shall be based  
36 upon the loan as it exists when it is converted to an interest-free loan.

1 (f) The steps of the recalculation required by subsections (b) and (e) of this Code section  
2 shall include the following:

3 (1) Calculate the total interest paid by the student on the loan to date;

4 (2) Calculate the total principal paid by the student on the loan to date;

5 (3) Calculate the total of fees other than interest paid by the student on the loan to date;

6 (4) Calculate the current balance owed on the loan by subtracting the principal paid by  
7 the student on the loan to date from the original amount borrowed;

8 (5) Add the amount of interest calculated in paragraph (1) of this subsection to the  
9 principal paid by the student to date in paragraph (2) of this subsection; this sum shall  
10 become the new total principal paid by the student on the loan; and

11 (6) Subtract the new principal paid calculated in paragraph (5) of this subsection from  
12 the original amount borrowed by the student in this loan to produce the new balance  
13 owed by the student on the loan. If the new principal paid calculated in paragraph (5) of  
14 this subsection equals or exceeds the original amount borrowed by the student in this  
15 loan, the new balance is zero.

16 20-3-405.4.

17 When a student meets the requirements for conversion of one or more EPS loans to a  
18 1 percent rate or to an interest-free loan or loans, the student may elect to waive the  
19 conversion of the EPS loan or loans for that degree and apply all or part of the student's  
20 years of completed public service to one or more EPS loans for a subsequent degree,  
21 without regard to whether such EPS loan or loans for a subsequent degree exist at the time  
22 of the student's election. In any event, each year of completed public service may be  
23 applied only to a single degree and the student is not authorized to change an election after  
24 notifying the authority in writing of his or her election.

25 20-3-405.5.

26 (a) The authority shall establish and maintain a separate fund for loans in accordance with  
27 this subpart to which shall be credited:

32 (b) Beginning with the first fiscal year following the fiscal year in which the fund has a  
33 balance of \$500,000.00 or more, for each fiscal year, the authority shall determine the  
34 amount of moneys available for loans under this subpart and shall determine which eligible

1 applicants receive loans by a random selection process in which each eligible applicant has  
2 an equal chance of being selected for a loan.

3 (c) The authority shall be entitled to establish a reasonable fee for the processing and  
4 collecting of EPS Student Loans. Such fees shall be established by the authority by rule  
5 or regulation.

6 20-3-405.6.

7 (a) The authority shall by rule and regulation establish a repayment schedule or schedules  
8 for EPS Student Loans. Students shall be required to pay accrued interest annually on the  
9 loan or loans while attending a postsecondary institution except in cases of financial  
10 hardship. Students shall not be required to begin the repayment of the principal of such  
11 loans until the earliest occurrence of one of the following:

- 12 (1) The student completes his or her course of study;
- 13 (2) The student graduates from an eligible postsecondary institution;
- 14 (3) A calendar year has passed since the student borrowed the maximum amount of EPS

16 Section 20-3-405.2; or
- 17 (4) The student has not been enrolled in an eligible postsecondary institution for two  
18 academic quarters or two academic semesters.

19 (b) If the student defaults on the repayment of one or more EPS loans, the interest rate for  
20 such loan or loans shall be converted to the reasonable interest rate as defined in Code  
21 Section 20-3-405.1.

22 20-3-405.7.

23 A student is ineligible for any loan described in this subpart if the student:

25 of an eligible noncitizen under federal Title IV requirements;
- 26 (2) Has not complied with United States Selective Service System requirements for  
27 registration, if such requirements are applicable to the student;
- 28 (3) Is in default on a federal Title IV educational loan or a State of Georgia educational  
29 loan, provided that a student who is otherwise eligible and has fully repaid the defaulted  
30 loan will be eligible to obtain a loan under this subpart for future academic terms but not  
31 retroactively;
- 32 (4) Owes a refund on a federal Title IV student financial aid program or a Georgia

 2 or a dangerous drug as set out in Code Section 20-1-23 or 20-1-24 of the 'Drug-free

 16 donating all or any part of any tax refund due and by authorizing a reduction in the refund

 19 the income tax return shall include a description of the purposes for which these funds were  
 20 established and the intended use of moneys received from the contributions, and shall  
 21 explain that any donation will be evenly divided between the three funds. Each taxpayer

24 guilty of a misdemeanor."
