30 shall impair the right of the quorum to exercise all of the rights and perform all of the
31 duties of the authority.

32 (h) The authority shall make rules and regulations for its own governance. Any change in

34 powers, duties, and liabilities vested in the authority created by this Act, shall have power
35 and is authorized to provide by resolution for the issuance of revenue bonds of the authority

1 for the purpose of paying all or any part of the costs of the project and for the purpose of
2 refunding revenue bonds or other obligations previously issued. The principal of and interest
3 on such revenue bonds shall be payable solely from the special fund provided for such
4 payment. The revenue bonds of each issue shall be dated, shall bear interest at such rate or
5 rates per annum payable at such time or times, shall mature at such time or times not
6 exceeding 40 years from their date or dates, shall be payable in such medium of payment as
7 to both principal and interest as may be determined by the authority, and may be redeemable
8 before maturity, at the option of the authority, at such price or prices and under such terms
9 and conditions as may be fixed by the authority in the resolution for the issuance of such
10 revenue bonds. Such revenue bonds or obligations shall be issued pursuant to and in
11 conformity with the Revenue Bond Law, and all procedures pertaining to such issuance and
12 the conditions thereof shall be the same as those contained in said article and any
13 amendments thereto.

14

SECTION 7.

15

Same; negotiability; exemption from taxation.

16 All revenue bonds shall have and are declared to have all the qualities and incidents of
17 negotiable instruments under the laws of the State. All revenue bonds and their transfer and
18 the income therefrom shall be exempt from all taxation within the State.

19

SECTION 8.

20

Same; sale; price; proceeds.

21 The authority may sell revenue bonds in such manner and for such price as it may determine
22 to be in the best interest of the authority through negotiated or public sale, and the proceeds
23 derived from the sale of revenue bonds shall be used solely for the purpose provided in the
24 resolutions and proceedings authorizing the issuance of such revenue bonds.

25

SECTION 9.

26

Same; conditions precedent to issuance.

27 The authority shall adopt a resolution authorizing the issuance of the revenue bonds. In the
28 resolution, the authority shall determine that the project financed with the proceeds of the
29 revenue bonds is self-liquidating. Revenue bonds may be issued without any other
30 proceedings or the happening of any other conditions or things other than those proceedings,
31 conditions, and things which are specified or required by this Act. Any resolution providing

1 for the issuance of revenue bonds under the provisions of this Act shall become effective
 2 immediately upon its passage and need not be published or posted, and any such resolution
 3 may be passed at any regular or special or adjourned meeting of the authority by a majority
 4 of its members.

5 **SECTION 11.**

6 Same; credit not pledged.

7 Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a
 8 debt of the State or any political subdivision thereof, nor a pledge of the faith and credit
 9 thereof; but such bonds shall be payable solely from the rentals, revenues, earnings, and
 10 funds of the authority as provided in the resolution or trust agreement or indenture
 11 authorizing the issuance and securing the payment of such bonds; and the issuance of such
 12 revenue bonds shall not directly, indirectly, or contingently obligate the state or any political
 13 subdivision thereof to levy or to pledge any form of taxation whatsoever therefor or to make
 14 any appropriation for their payment, and all such bonds shall contain recitals on their fact
 15 covering substantially the foregoing provisions of this section. However, any political
 16 subdivision contracting with the authority may obligate itself to pay the amounts required
 17 under any contract entered into with the authority from funds received from taxes to be
 18 levied and collected for that purpose to the extent necessary to pay the obligations
 19 contractually incurred under this section and from any other source. The obligation to make
 20 such payments shall constitute a general obligation and a pledge of the full faith and credit
 21 of the obligor but shall not constitute a debt of the obligor within the meaning of Article IX,
 22 Section V, Paragraph I of the Constitution. When such obligation is made to make such
 23 payments from taxes to be levied for that purpose, then the obligation shall be mandatory to
 24 levy and collect such taxes from year to year in an amount sufficient to fulfill and fully
 25 comply with the terms of such obligation.

26 **SECTION 12.**

27 Same; trust indenture as security.

28 In the discretion of the authority, any issuance of revenue bonds may be secured by a trust
 29 indenture by and between the authority and a corporate trustee, which may be any trust
 30 company or bank having the powers of a trust company within or outside the State. Either
 31 the resolution providing for the issuance of the revenue bonds or such trust indenture may
 32 contain such provisions for protecting and enforcing the rights and remedies of the
 33 bondholders as may be reasonable and proper and not in violation of law, including

1 covenants setting forth the duties of the authority in relation to the acquisition and
2 construction of the project, the maintenance, operation, repair, and insuring of the project,
3 and the custody, safeguarding, and application of all moneys.

4 **SECTION 13.**

5 Same; to whom proceeds of bonds shall be paid.

6 In the resolution providing for the issuance of revenue bonds or in the trust indenture, the
7 authority shall provide for the payment of the proceeds of the sale of the revenue bonds to
8 any officer or person who, or any agency, bank, or trust company which, shall act as trustee
9 of such funds and shall hold and apply the same to the purposes thereof, subject to such
10 regulations as this Act and such resolution or trust indenture may provide.

11 **SECTION 14.**

12 Same; sinking fund.

13 The moneys received pursuant to an intergovernmental contract and the revenues, fees, tolls,
14 fines, charges, and earnings derived from any particular project or projects, regardless of
15 whether or not such revenues, fees, tolls, fines, charges, and earnings were produced by a
16 particular project for which revenue bonds have been issued, unless otherwise pledged and
17 allocated, may be pledged and allocated by the authority to the payment of the principal and
18 interest on revenue bonds of the authority as the resolution authorizing the issuance of the
19 revenue bonds or the trust indenture may provide. Such funds so pledged from whatever
20 source received shall be set aside at regular intervals as may be provided in the resolution or
21 trust indenture into a sinking fund, which sinking fund shall be pledged to and charged with
22 the payment of:

- 23 (1) The interest upon such revenue bonds as the same shall fall due;
24 (2) The principal or purchase price of such revenue bonds as the same shall fall due;
25 (3) Any premium upon such revenue bonds as the same shall fall due;
26 (4) The purchase of such revenue bonds in the open market; and
27 (5) The necessary charges of the paying agent for paying principal and interest.

28 The use and disposition of such sinking fund shall be subject to such regulations as may be
29 provided in the resolution authorizing the issuance of the revenue bonds or in the trust
30 indenture, but, except as may otherwise be provided in such resolution or trust indenture,
31 such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds
32 without distinction or priority of one over another.

SECTION 15.

Same; remedies of bondholders.

Any holder of revenue bonds or any of the coupons appertaining thereto and the trustee under the trust indenture, if any, except to the extent the rights given in this Act may be restricted by resolution passed before the issuance of the revenue bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the State, including specifically but without limitation, the Revenue Bond Law, or granted under this Act or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture to be performed by the authority or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, fines, and other charges for the use of the facilities and services furnished.

SECTION 16.

Same; validation.

Revenue bonds of the authority shall be confirmed and validated in accordance with the procedures set forth in the Revenue Bond Law. The petition for validation shall also make party defendant to such action the State of Georgia or any municipality, county, authority, political subdivision, or instrumentality of the State of Georgia or the United States or any department or agency thereof, if subject to being sued and if consenting to same, which has contracted with the authority for the services and facilities of the project for which bonds are to be issued and sought to be validated. The state or such municipality, county, authority, political subdivision, or instrumentality shall be required to show cause, if any, why such contract or contracts and the terms and conditions thereof should not be inquired into by the court and the validity of the terms thereof be determined and the contract or contracts adjudicated as part of the basis of the security for the payment of any such revenue bonds of the authority. The revenue bonds when validated, and the judgment of validation, shall be final and conclusive with respect to such bonds, the security for the payment thereof, and interest thereon and against the authority issuing the same and the state and any municipality, county, authority, political subdivision, or instrumentality, if a party to the validation proceedings, contracting with the authority.

SECTION 17.

Same; venue and jurisdiction.

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such authority shall be brought in the Superior Court of Bleckley County, Georgia, and any action pertaining to validation of any revenue bonds issued under the provisions of this Act shall likewise be brought in said court which shall have exclusive, original jurisdiction of such actions.

SECTION 18.

Same; interest of bondholders protected.

While any of the revenue bonds issued by the authority remain outstanding, the powers, duties, or existence of said authority or its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such revenue bonds, and no other entity, department, agency, or authority shall be created which will compete with the authority to such an extent as to affect adversely the interest and rights of the holders of such revenue bonds nor shall the State itself so compete with the authority. The provisions of this Act shall be for the benefit of the authority and the holders of any such revenue bonds and, upon the issuance of such revenue bonds under the provisions of this Act, shall constitute a contract with the holders of such revenue bonds.

SECTION 19.

Moneys received considered trust funds.

All moneys received pursuant to the authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

SECTION 20.

Rates, charges, and revenues; use.

The authority is authorized to prescribe and fix rates and to revise same from time to time and to collect revenues, tolls, fees, and charges for the services, facilities, and commodities furnished and, in anticipation of the collection of the revenues, to issue revenue bonds or other types of obligations as provided in this Act to finance, in whole or in part, the costs of

1 the project and to pledge to the punctual payment of said revenue bonds or other obligations
2 all or any part of the revenues.

3 **SECTION 21.**

4 Rules, regulations, service policies, and procedures for operation of projects.

5 It shall be the duty of the authority to prescribe rules, regulations, service policies, and
6 procedures for the operation of any project or projects constructed or acquired under the
7 provisions of this Act, including the basis upon which educational services and facilities and
8 other public services and facilities shall be furnished. The authority may adopt bylaws.

9 **SECTION 22.**

10 Tort immunity.

11 To the extent permitted by law, the authority shall have the same immunity and exemption
12 from liability for torts and negligence as the Bleckley County School District; and the
13 officers, agents, and employees of the authority when in the performance of the work of the
14 authority shall have the same immunity and exemption from liability for torts and negligence
15 as the officers, agents, and employees of the Bleckley County School District in the
16 performance of their public duties or work of the Bleckley County School District.

17 **SECTION 23.**

18 Property not subject to levy and sale.

19 The property of the authority shall not be subject to levy and sale under legal process.

20 **SECTION 24.**

21 Tax-exempt status of authority.

22 The creation of the authority and the carrying out of its corporate purpose shall be a public
23 purpose and in all respects for the benefit of the people of this state. The properties of the
24 authority, both real and personal, are declared to be public properties used for the benefit and
25 welfare of the people of the State and not for purposes of private or corporate benefit and
26 income. The authority will be performing an essential governmental function in the exercise
27 of the power conferred upon it by this Act and the authority shall be required to pay no taxes
28 or assessments upon any of the property acquired or leased by it or under its jurisdiction,
29 control, possession, or supervision or upon its activities in the operation or maintenance of

1 the buildings erected or acquired by it or any fees, rentals, or other charges for the use of
2 such buildings or other income received by the authority and that the bonds of the authority

8 municipality the authority to own, operate, and maintain facilities or to issue revenue bonds
9 as provided by the Revenue Bond Law.

10 **SECTION 26.**

11 Liberal construction of Act.

12 This Act, being for the welfare of various political subdivisions of the State and its
13 inhabitants, shall be liberally construed to effect the purposes hereof.

14 **SECTION 27.**

17 Bleckley County.
