25 successors are elected. In the event that the number of members of the Board of
26 Commissioners is changed, then the number of members of the authority shall be

28 each member of the authority shall enter upon their duties. A majority of the members of the

32 all things necessary to authorize and issue revenue bonds. The authority shall elect one of
33 its members as chairperson and shall elect a secretary and treasurer who need not necessarily
34 be a member of the authority. The authority may elect a vice chairperson or any number of
35 assistant secretaries or treasurers as it may from time to time deem necessary or desirable.

1 The members of the authority shall not be entitled to compensation for their services but shall
2 be entitled to and shall be reimbursed for the actual expenses necessarily incurred in the
3 performance of their duties. The authority shall make rules and regulations for its own
4 governance and it shall have perpetual existence. Any change in name or composition of the
5 authority shall in no way affect the vested rights of any person under the provisions of this
6 Act or impair the obligations of any contracts existing under this Act.

7 **SECTION 6.**

8 Issuance and sale of revenue bonds.

9 The authority shall have power and is authorized from time to time to provide for the
10 issuance and sale of negotiable revenue bonds in the manner provided by Article 3 of
11 Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue Bond Law," for the purpose
12 of paying all or any part of the cost of any one or more projects, including the cost of
13 constructing, reconstructing, equipping, extending, adding to, or improving any such project,
14 or for the purpose of refunding, as herein provided, any such bonds of the authority or any
15 other authority or public body previously issued to finance or refinance the cost of a project.
16 The principal of and interest on such revenue bonds shall be a limited obligation of the
17 authority payable solely from the source or sources of funds specified in the indenture or
18 resolution of the authority authorizing the issuance of such revenue bonds. The revenue
19 bonds of each issue shall be issued and validated under and in accordance with the provisions
20 of the Revenue Bond Law. Such revenue bonds shall mature on such dates, bear interest at
21 such rate or rates, whether fixed or variable, be subject to redemption and have such other
22 terms as the authority may provide in the indenture or resolution relating thereto. Such
23 revenue bonds shall not be subject to any provision of Georgia law limiting the rate of
24 interest payable thereon and may be sold in a negotiated sale or in a public sale as the
25 authority may determine.

26 **SECTION 7.**

27 Power to incur loans or issue notes.

28 The authority shall also have the power to incur indebtedness from time to time for the
29 purpose of financing or refinancing any project or refunding any obligations previously
30 issued for such purpose, or for any other purpose, whether in the form of a loan or through
31 the issuance of notes, and the principal of and interest on such notes or loans shall be a
32 limited obligation of the authority payable solely from the source or sources of funds
33 specified in the resolution or indenture of the authority authorizing such loan or the issuance

1 of such notes. Any such loan or notes shall not be required to be validated as a condition to
2 the issuance thereof and shall have such terms as may be specified by the authority in the
3 resolution or indenture authorizing the same.

4 **SECTION 8.**

5 Negotiable instruments; bonds and other obligations exempt from taxation.

6 All revenue bonds issued under the provisions of this Act shall have all the qualities and
7 incidents of negotiable instruments under the negotiable instruments law of this state. All
8 such bonds, and any loan incurred or note issued as provided in this Act, are declared to be
9 issued or incurred for an essential public and governmental purpose and such obligations and
10 the interest thereon shall be exempt from all taxation within this state.

11 **SECTION 9.**

12 Revenue bonds or notes not a debt or general obligation.

13 Revenue bonds or notes issued under the provisions of this Act or any loan incurred as
14 authorized herein shall not constitute a debt or a pledge of the faith and credit of the State of
15 Georgia or of any political subdivision thereof, including the county, but shall be payable
16 solely from the sources as may be designated in the resolution or indenture of the authority
17 authorizing the issuance of the same. The issuance of such obligations shall not directly,
18 indirectly, or contingently obligate the State of Georgia or any political subdivision thereof,
19 including the county, to levy or to pledge any form of taxation whatever for the payment
20 thereof. No holder of any bond or receiver or trustee in connection therewith shall have the
21 right to enforce the payment thereof against any property of the State of Georgia or any
22 political subdivision thereof, including the county, nor shall any such bond constitute a
23 charge, lien, or encumbrance, legal or equitable, upon any such property. All such
24 obligations shall contain on their face a recital setting forth substantially the foregoing
25 provisions of this section. Nothing in this section shall be construed to prohibit the State of
26 Georgia or any political subdivision or agency thereof, including the county, from obligating
27 itself to pay the amounts required under any contract entered into with the authority pursuant
28 to Article IX of the Constitution of the State of Georgia, or any successor provision,
29 including from funds received from taxes to be levied and collected for that purpose to the
30 extent necessary to pay the obligations contractually incurred with the authority, and from
31 any other source.

SECTION 10.

Issuance of bonds or obligations under indentures or resolutions.

In the discretion of the authority, any issue of such revenue bonds, notes, or other obligations may be secured by a trust indenture by and between the authority and a trustee, which may be any trust company or bank having the powers of a trust company within or outside of the State of Georgia. Such trust indenture may pledge or assign fees, tolls, rents, revenues, and earnings to be received by the authority, including the proceeds derived from the financing, sale, or lease, from time to time, of any project. Either the resolution providing for the issuance of revenue bonds or other obligations or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the owners of such bonds or obligations as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority or any lessee or purchaser in relation to the acquisition and construction of any project, the maintenance, operation, repair, and issuance of any project, and the custody, safeguarding, and application of all moneys, including the proceeds derived from the sale or lease of any project or from the sale of any such bonds, notes, or other obligations and may also contain provisions concerning the conditions, if any, upon which additional bonds notes or other obligations may be issued, whether on a parity with, or subordinate to any other obligations issued by the authority. Such indenture or resolution may set forth the rights and remedies of the owners of such obligations and of the trustee. In addition to the foregoing, such trust indenture may contain such other provisions as the authority may deem reasonable and proper for the security of the owners of such bonds or other obligations or otherwise necessary or convenient in connection with the issuance of such obligations. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the project affected by such indenture.

SECTION 11.

Security for the payment of bonds or other obligations.

The authority may assign or pledge any property or revenues to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the bonds or the trust indenture may provide. The use and disposition of such property or revenues assigned to the payment of bonds or other obligations shall be subject to the indenture or resolution authorizing the issuance of such revenue bonds or obligations. Any lien created by the authority for the payment of such bonds or obligations may be a first lien or a subordinate lien as the authority may provide, and any such indenture or resolution may

1 provide, at the option of the authority, for the issuance of additional bonds or other
2 obligations sharing any lien on a parity or subordinate lien basis.

3 **SECTION 12.**

4 Refunding bonds or obligations.

5 The authority is authorized to provide by resolution for the issuance of obligations, whether
6 revenue bonds, notes, or other obligations, for the purpose of refunding any revenue bonds
7 or other obligations issued under the provisions of this Act or under any other provision of
8 Georgia law so long as such bonds or other obligations were issued for a purpose or project
9 for which the authority could issue bonds. The issuance of such refunding bonds or other
10 obligations and all the details thereof, the rights of the holders thereof, and the duties of the
11 authority with respect to the same shall be governed by the foregoing provisions of this Act
12 insofar as the same may be applicable.

13 **SECTION 13.**

14 Principal office; venue.

15 The principal office of the authority shall be in the county, and the venue of any action
16 against it shall be in the county. Any action pertaining to the validation of any bonds issued
17 under the provisions of this Act and for the validation of any contract entered into by the
18 authority shall be brought in the Superior Court of Monroe County, and such court shall have
19 exclusive original jurisdiction of such actions. Service upon the authority of any process,
20 subpoena, or summons shall be effected by serving the same personally upon any member
21 of the authority.

22 **SECTION 14.**

23 Validation of revenue bonds.

24 Revenue bonds of the authority shall be confirmed and validated in accordance with the
25 procedure now or hereafter set forth in Article 3 of Chapter 82 of Title 36 of the O.C.G.A.,
26 known as the "Revenue Bond Law," as the same now exists or may hereafter be amended.
27 The petition for validation shall also make a party defendant to such action the county, if the
28 county has or will contract with the authority with respect to the project for which bonds are
29 to be issued and are sought to be validated. The bonds, when validated, and the judgment
30 of validation shall be final and conclusive with respect to the validity of such bonds against

1 the authority and against all other persons or entities, regardless of whether such persons or
2 entities were parties to such validation proceedings.

3 **SECTION 15.**

4 No impairment of rights.

5 While any of the bonds or other obligations issued by the authority or any interests in
6 contracts of the authority remain outstanding, the powers, duties, or existence of the authority
7 or of its officers, employees, or agents shall not be diminished or impaired in any manner that
8 will affect adversely the interest and rights of the holders of such bonds or obligations or
9 such interests in contracts of the authority. The provisions of this section of this Act shall
10 be for the benefit of the authority and of the holders of any such bonds or obligations and
11 interests in contracts of the authority and, upon the issuance of bonds or obligations or the
12 creation of interests in contracts of the authority under the provisions of this Act, shall
13 constitute a contract with the holders of such bonds or obligations or such interests in
14 contracts of the authority.

15 **SECTION 16.**

16 Trust Funds; permitted investments.

17 All moneys received by the authority pursuant to this Act, whether as proceeds from the sale
18 of revenue bonds or obligations of the authority, as grants or other contributions, or as
19 revenues, income, fees, and earnings, shall be deemed to be the trust funds to be held and
20 applied solely as provided in this Act and in such resolutions and trust indentures as may be
21 adopted and entered into by the authority pursuant to this Act. Any such moneys or funds
22 may be invested from time to time in such investments as may be permitted under the
23 indenture, agreement, or resolution establishing the fund or account in which such funds are
24 held, or if not held in such a fund or account, in such investments as would be permitted
25 investments for a development authority created under O.C.G.A. Section 36-62-1, et seq.,
26 as amended.

27 **SECTION 17.**

28 Power to set rates, fees, and charges.

29 The authority is authorized to prescribe and fix and collect rates, fees, tolls, rents, and
30 charges and to revise, from time to time, and collect such revised rates, fees, tolls, rents, and
31 charges for the services, facilities, or commodities furnished, including leases, concessions,

1 or subleases of its projects, and to determine the price and terms at and under which its
2 projects may be sold, leased or otherwise disposed of.

3 **SECTION 18.**

4 Essential governmental function; no taxes or assessments.

5 All property or interests in property owned by the authority shall be public property held and
6 owned for governmental purposes and shall be exempt from ad valorem taxation. The
7 exercise of the powers conferred upon the authority hereunder shall constitute an essential
8 governmental function for a public purpose, and the authority shall be required to pay no
9 taxes or assessments upon any of the property acquired by it or under its jurisdiction, control,
10 possession, or supervision or upon its activities in the operation and maintenance of property
11 acquired by it or of buildings erected or acquired by it or any fees, rentals, or other charges
12 for the use of such property or buildings or other income received by the authority. The tax
13 exemption herein provided shall not include an exemption from sales and use tax on property
14 purchased by or for the use of the authority.

15 **SECTION 19.**

16 Immunity of authority and members.

17 The authority shall have the same immunity and exemption from liability for torts and
18 negligence as the State of Georgia, and the officers, agents, and employees of the authority,
19 when in performance of the work of the authority, shall have the same immunity and
20 exemption from liability for torts and negligence as officers, agents, and employees of the
21 State of Georgia.

22 **SECTION 20.**

23 Authority property not subject to levy and sale.

24 The property of the authority shall not be subject to levy and sale under legal process.

25 **SECTION 21.**

26 Authority area of operation.

27 The scope of the authority's operations shall be limited to the territory embraced within the
28 territorial limits of the county, as the same now or may hereafter exist; provided, however,
29 that nothing in this section shall prevent the authority from contracting with any entity,

1 public or private, outside of the county with respect to any project located in the county, or
2 located outside of the county, if the authority shall determine that entering into such contract
3 is in the best interest of the authority and in furtherance of its public purposes.

4 **SECTION 22.**

5 Supplemental powers.

6 This Act does not in any way take away from the authority any power which may be
7 conferred upon it by law but is supplemental thereto.

8 **SECTION 23.**

9 No power to impose taxes.

10 The authority shall not have the right to impose any tax on any person or property.

11 **SECTION 24.**

14 **SECTION 25.**

15 Severability of provisions.

16 Should any sentence, clause, phrase, or part of this Act be declared for any reason to be
17 unconstitutional or invalid, the same shall not affect the remainder of this Act, or any part
18 hereof, other than the part so held to be invalid, but the remaining provisions of this Act shall
19 remain in full force and effect, and it is the express intention of this Act to enact each
20 provision of this Act independently of any other provision hereof.

21 **SECTION 26.**

22 Effective date.

23 This Act shall become effective upon its approval by the Governor or upon its becoming law
24 without such approval.

- 1 **SECTION 27.**
