6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 Chapter 4A of Title 49 of the Official Code of Georgia Annotated, relating to the Department
9 of Juvenile Justice, is amended by adding a new Code section to read as follows:

10 "49-4A-15.

11 (a) As used in this Code section, the term:

12 (1) 'Covered' means a juvenile who is insured under existing individual or family health
13 insurance, group health insurance, or prepaid medical care coverage or is eligible for
14 benefits under any federal or state medical care benefits program.

15 (2) 'Custodian' means a parent or legal guardian or other person who stands in loco
16 parentis to the juvenile or a person to whom legal custody of the juvenile has been given
17 by order of a court or a public or private agency or other private organization licensed or
18 otherwise authorized by law to receive and provide care for a child to which legal custody
19 of the child has been given by order of a court.

20 (3) 'Juvenile' means a delinquent or unruly child who is under the age of 18 and detained
21 in a juvenile detention facility by reason of being directed by a court or other local public
22 authority for an act of delinquency, the commission of a crime, or other reason.

23 (4) 'Juvenile detention facility' means a detention facility controlled or operated by the
24 department which maintains custody of juveniles, including institutions, youth detention
25 centers, camps, or other detention facilities used for the detention of juveniles.

26 (5) 'Medical care' means medical, dental, mental health, and optometry treatment,
 27 including physical or mental health therapy, prescribed medicine, professional services,

 31 having executive supervision of any juvenile detention facility.

32 (b) The officer in charge may obtain or require a juvenile or his or her custodian or any
 33 state or local agency to furnish the following information:

 42 program to pay the medical care provider for the medical care rendered. Any medical care
 43 insurance or benefits program covering a juvenile shall reimburse the department as
 44 requested by the officer in charge for any payments made by the department on behalf of
 45 a juvenile which were covered by insurance, a benefit program, or other medical care
 46 coverage. The Department of Juvenile Justice shall be subrogated to the rights of a
 47 juvenile to recover an amount not to exceed the costs to the department for providing
 48 medical care to such juvenile.

49 (d) The liability for payment for medical care described under this Code section shall not
 50 be construed as requiring payment by any person or entity, except by a juvenile personally,
 51 by his or her lawful custodian, or by such insurance carrier or coverage program providing
 52 coverage or benefits for the juvenile or at the direction of the Department of Community
 53 Health or other agency administering such coverage benefits.

54 (e) Nothing in this Code section shall be construed to relieve the governing authority,
 55 governmental unit, subdivision, or agency having the physical custody of a juvenile from
 56 its responsibility to pay for any medical care rendered to such juvenile."

57 **SECTION 2.**

58 This Act shall become effective on July 1, 2010.

59 **SECTION 3.**

60 All laws and parts of laws in conflict with this Act are repealed.
