3 Office of Planning and Budget to maintain a record of all user fees collected by any
4 department, agency, or other budget unit; to provide for publication of the record on the

8 **SECTION 1.**

9 Code Section 45-12-92 of the Official Code of Georgia Annotated, relating to revenue
10 collections to be paid to the state treasury on a monthly basis, is revised as follows:

11 "45-12-92.

12 (a) All departments, agencies, and budget units charged with the duty of collecting taxes,
13 fees, assessments, or other moneys, the collection of which is imposed by law, shall pay
14 all revenues collected by them into the state treasury on a monthly basis on or before the
15 fifteenth day of each month for the immediately preceding month's collections, according
16 to such rules and regulations as may be prescribed by the Office of Planning and Budget.
17 No allotment of funds shall be made to any budget unit which has failed to comply fully
18 with this Code section.

19 (b)(1) As used in this subsection, the term 'user fee' shall mean voluntary or mandatory
20 payments made in exchange for a government good or service provided specifically to
21 the fee payer. A revenue source meets this definition if the authorization for the fee
22 explicitly or implicitly ties the fee to the activities of a specific program, such as a
23 licensing fee charged by a regulatory program. Fines, penalties, late fees, or similar
24 punitive charges are not included in this definition.

25 (2) All departments, agencies, and budget units charged with the duty of collecting user
26 fees, the collection of which is authorized by law or regulation, shall compile a separate
27 annual report to be submitted to the Office of Planning and Budget showing:
28 (A) The statute or regulation authorizing a user fee;
29 (B) The user fee amount;
30 (C) The goods or services associated with the user fee and the estimated cost of such
31 goods or services;
32 (D) The total amount collected from the user fee in the current fiscal year; and
33 (E) Whether the user fee has been retained by the department, agency, or budget unit
34 or remitted to the state treasury.
35 (3) The Office of Planning and Budget shall compile and publish on the Open Georgia
36 website, open.georgia.gov, a report showing for each department, agency, or other budget
37 unit the data collected pursuant to this subsection."

38 **SECTION 2.**

39 This Act shall become effective upon its approval by the Governor or upon its becoming law
40 without such approval.

41 **SECTION 3.**

42 All laws and parts of laws in conflict with this Act are repealed.
