

Senate Bill 470

By: Senators Staton of the 18th, Smith of the 52nd, Hamrick of the 30th and Orrock of the 36th

A BILL TO BE ENTITLED  
AN ACT

1 To amend Article 9 of Chapter 9 of Title 16 of the Official Code of Georgia Annotated,  
2 relating to computer security, so as to provide a definition; to provide that it shall be illegal  
3 to prevent reasonable efforts to block the installation, execution, or disabling of a covered  
4 file-sharing program on computers; to provide that it shall be illegal to install, offer to install,  
5 or make available for installation, reinstallation, or update a covered file-sharing program on  
6 a computer without first providing clear and conspicuous notice to the authorized user of the  
7 computer that the files on that computer will be made available to the public, obtaining  
8 consent of the authorized user to install the program, and requiring affirmative steps by the  
9 authorized user to activate any feature on the program that will make files on that computer  
10 available to the public; to provide for related matters; to repeal conflicting laws; and for other  
11 purposes.

12 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

13 style="text-align:center">**SECTION 1.**

14 Article 9 of Chapter 9 of Title 16 of the Official Code of Georgia Annotated, relating to  
15 computer security, is amended by revising Code Section 16-9-151, relating to definitions, by  
16 adding a new paragraph to read as follows:

17 "(6.1) 'Covered file-sharing program' means a computer program, application, or software  
18 that enables the computer on which such program, application, or software is installed to  
19 designate files as available for searching by and copying to one or more other computers,  
20 to transmit such designated files directly to one or more other computers, and to request the  
21 transmission of such designated files directly from one or more other computers. Covered  
22 file-sharing program does not mean a program, application, or software designed primarily  
23 to operate as a server that is accessible over the Internet using the Internet Domain Name  
24 System, to transmit or receive e-mail messages, instant messaging, real-time audio or video  
25 communications, or real-time voice communications, to provide network or computer

26 security, network management, hosting and backup services, maintenance, diagnostics, or  
27 technical support or repair, or to detect or prevent fraudulent activities."

28 **SECTION 2.**

29 Said article is further amended by revising subsection (a) of Code Section 16-9-154, relating  
30 to inducement to install, copy, or execute software through misrepresentation prohibited, as  
31 follows:

32 "(a) It shall be illegal for a person or entity that is not an authorized user, as defined in  
33 Code Section 16-9-151, of a computer in this state to do any of the following with regard  
34 to such computer:

35 (1) Induce an authorized user to install a software component onto the computer by  
36 intentionally misrepresenting that installing software is necessary for security or privacy  
37 reasons or in order to open, view, or play a particular type of content; or

38 (2) Deceptively causing the copying and execution on the computer of a computer  
39 software component with the intent of causing an authorized user to use the component  
40 in a way that violates any other provision of this Code section;

41 (3) Prevent reasonable efforts to block the installation, execution, or disabling of a  
42 covered file-sharing program on the computer; or

43 (4) Install, offer to install, or make available for installation, reinstallation, or update a  
44 covered file-sharing program on the computer without first providing clear and  
45 conspicuous notice to the authorized user of the computer that the files on that computer  
46 will be made available to the public, obtaining consent of the authorized user to install  
47 the covered file-sharing program, and requiring affirmative steps by the authorized user  
48 to activate any feature on the covered file-sharing program that will make files on that  
49 computer available to the public."

50 **SECTION 3.**

51 All laws and parts of laws in conflict with this Act are repealed.
