11 **SECTION 1.**

12 Article 2 of Chapter 6 of Title 50 of the Official Code of Georgia Annotated, relating to the
13 state auditor, is amended by adding a new Code section to read as follows:

14 "50-6-33.

15 (a) As used in this Code section, the term 'local government' means any political
16 subdivision or local governing authority of this state.

17 (b) Each local government shall enter into a contract with an independent auditor not later
18 than 180 days following the end of the fiscal year or after such other date an audit is
19 required by law to perform any required audit. A local government may request from the
20 state auditor an extension if delay is caused by extenuating circumstances beyond its
21 control. The state auditor may, in his or her discretion, grant an extension not to exceed
22 60 days.

23 (c) If a local government fails to enter into a contract with an independent auditor as
24 required by subsection (b) of this Code section, then the state auditor shall enter into a
25 contract with an independent auditor to perform the required audit. After such contract

26 becomes final, the local government shall be liable for the full cost of such audit as
27 provided in subsection (d) of this Code section.

28 (d)(1) If the state auditor contracts with an independent auditor as provided in subsection
29 (c) of this Code section, the state auditor shall notify the local government, the
30 Department of Revenue, and the Department of Community Affairs by certified mail,
31 return receipt requested, and shall provide the cost of such audit. The Department of
32 Revenue shall withhold from disbursement to such noncomplying local government an
33 amount equal to 150 percent of the cost of the audit. Such amount shall be withheld from
34 all funds, including, without limitation, sales tax receipts, due to the local government.

35 (2) If the Department of Revenue is not in possession of sufficient funds due to the local
36 government to cover the amount specified in paragraph (1) of this subsection, the
37 department shall notify the Department of Community Affairs of the deficiency, and that
38 department shall withhold the remainder from any funds in its possession due to be
39 disbursed to the local government.

40 (3) From funds withheld as provided in paragraphs (1) and (2) of this subsection, the
41 Department of Revenue and the Department of Community Affairs shall transmit to the
42 state auditor an amount equal to the cost of performing the audit. Such departments shall
43 transfer to the general fund of the state treasury an amount equal to 50 percent of the cost
44 of the audit as a penalty.

45 (e) Willful obstruction by any person of the performance of an audit by an independent
46 auditor selected by the state auditor as provided in subsection (b) of this Code section may
47 be prosecuted as a misdemeanor."

48 **SECTION 2.**

49 All laws and parts of laws in conflict with this Act are repealed.
