AN ACT**

1 To amend Part 5 of Article 1 of Chapter 8 of Title 40 of the Official Code of Georgia
2 Annotated, relating to equipment of law enforcement and emergency vehicles, so as to
3 designate ambulances as emergency vehicles and exclude ambulance providers from certain
4 permit requirements; to provide for related matters; to repeal conflicting laws; and for other
5 purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 Part 5 of Article 1 of Chapter 8 of Title 40 of the Official Code of Georgia Annotated,
9 relating to equipment of law enforcement and emergency vehicles, is amended by revising
10 Code Section 40-8-92, relating to designation of emergency vehicles, flashing or revolving
11 lights, permits, fee, and prohibition against use of flashing or revolving green lights by
12 private persons on public property, as follows:

13 "40-8-92.

14 (a) All emergency vehicles shall be designated as such by the commissioner of public
15 safety. The commissioner shall so designate each vehicle by issuing to such vehicle a
16 permit to operate flashing or revolving emergency lights of the appropriate color. Such
17 permit shall be valid for one year from the date of issuance; provided, however, that
18 permits for vehicles belonging to federal, state, county, or municipal governmental
19 agencies shall be valid for five years from the date of issuance. Any and all officially
20 marked law enforcement vehicles as specified in Code Section 40-8-91 shall not be
21 required to have a permit for the use of a blue light. Any and all fire department vehicles
22 which are distinctly marked on each side shall not be required to have a permit for the use
23 of a red light. Any and all ambulances, as defined in Code Section 31-11-2, licensed by
24 this state shall not be required to have a permit for the use of a red light.

25 (b) The commissioner shall authorize the use of red or amber flashing or revolving lights
26 only when the person or governmental agency shall demonstrate to the commissioner a

27 proven need for equipping a vehicle with emergency lights. The fee for such lights shall
28 be \$2.00, provided that no federal, state, county, or municipal governmental agency or an
29 ambulance provider, as defined in Code Section 31-11-2, shall be required to pay such fee.

30 (c) Nothing contained in this Code section shall prohibit the commissioner from issuing
31 a single special use permit to cover more than one vehicle, provided each vehicle covered
32 under such special use permit shall pay the fee specified in subsection (b) of this Code
33 section.

34 (d) Except as provided in this subsection, it shall be unlawful for any person, firm, or
35 corporation to operate any motor vehicle or to park any motor vehicle on public property
36 with flashing or revolving green lights. This subsection shall not apply to any motor
37 vehicle being used by any law enforcement agency, fire department, emergency
38 management agency, or other governmental entity to designate the location of the
39 command post for such agency, department, or entity at the site of an emergency."
