 37 agreements, and referendums regarding social security coverage, as follows:

38 "47-18-40.

39 (a) The state agency, with the approval of the Governor, is authorized to enter on behalf  
 40 of the state into an agreement with the secretary of health and human services, consistent  
 41 with the terms of this chapter, for the purpose of extending the benefits of the federal

 44 constitute employment within the meaning of this chapter. Such agreement may contain  
 45 such provisions relating to coverage, benefits, contributions, effective date, modification  
 46 and termination of the agreement, administration, and other appropriate provisions as the  
 47 state agency and the secretary of health and human services shall agree upon. Except as  
 48 may be otherwise required by or under the Social Security Act as to the services to be  
 49 covered, such agreement shall provide that:

50 (1) Benefits shall be provided for employees whose services are covered by the  
 51 agreement, and their dependents and survivors, on the same basis as though such services  
 52 constituted employment within the meaning of Title II of the Social Security Act;

53 (2) At such times as may be prescribed under the Social Security Act, the state shall pay  
 54 contributions to the secretary of the treasury with respect to wages equal to the sum of the

57 (3) Such agreement shall be effective as of the date specified in the agreement, provided  
58 that it shall not be effective prior to the date permitted by the federal Social Security Act  
59 with respect to services in employment covered by the agreement;

60 (4) All services which (A) constitute employment, (B) are performed in the employ of  
61 the state or a political subdivision of the state, and (C) are covered by a plan which is in  
62 conformity with the terms of the agreement and has been approved by the state agency  
63 under Code Section 47-18-41 shall be covered by the agreement; and

64 (5) As modified, the agreement shall include all services described in paragraph (4) of  
65 this subsection and performed by individuals in positions covered by a retirement system  
66 with respect to which the Governor has issued a certificate to the secretary of health and  
67 human services, pursuant to subsection (b) of Code Section 47-18-42.

68 (b) Any instrumentality jointly created by this state and any other states is authorized,  
69 upon the granting of like authority by such other states:

70 (1) To enter into an agreement with the secretary of health and human services whereby  
71 the benefits of the federal old-age, survivors, and disability insurance system shall be  
72 extended to employees of such instrumentality;

73 (2) To require its employees to pay, and for that purpose to deduct from their wages,  
74 contributions equal to the amounts which they would be required to pay under subsection  
75 (a) of Code Section 47-18-41 if they were covered by an agreement made pursuant to  
76 subsection (a) of this Code section; and

77 (3) To make payments ~~to the secretary of the treasury in accordance with such~~  
78 ~~agreement, including payments from its own funds, and otherwise to comply with such~~  
79 ~~agreements~~ in accordance with federal law.

81 of subsection (a) of this Code section and other provisions of this chapter.

82 (c) Pursuant to Section 218(d)(6) of the Social Security Act and for purposes of this  
83 chapter, at the election of the Governor, any retirement system which covers employees of  
84 more than one political subdivision or employees of the state and one or more political  
85 subdivisions shall be deemed a separate retirement system with respect to each such  
86 political subdivision or as to the state and one or more political subdivisions with positions  
87 covered by such retirement system. Pursuant to Section 218(p) of the Social Security Act  
88 and also for the purposes of this chapter, any retirement system which covers positions of  
89 policemen or firemen, or both, and other positions shall, if the Governor so elects, be  
90 deemed to be a separate retirement system with respect to the positions of such policemen  
91 or firemen, or both, as the case may be.

92 (d) For the purposes of this chapter, any retirement system established by this state or any  
 93 political subdivision thereof or established by an Act of the General Assembly; which, on,  
 94 before, or after March 21, 1958, is divided into two divisions or parts, one of which is  
 95 composed of positions of members of such system who desire coverage under the  
 96 agreement under this chapter and the other of which is composed of positions of members  
 97 of such system who do not desire such coverage, shall, upon the Governor's authorization  
 98 of a referendum for a retirement system pursuant to Section 218 of the Social Security Act,  
 99 be deemed to be a separate retirement system with respect to each such division or part.  
 100 At the election of the Governor, the referendum and the division of such system may occur  
 101 simultaneously as authorized by Section 218(d)(7) of the Social Security Act. The

 107 to be covered by the separate retirement system consisting of the positions of members of  
 108 the division or part who do not desire coverage under this chapter.

109 ~~(e) The position of any member of the division or part of the Superior Court Judges  
 110 Retirement Fund of Georgia who does not desire coverage may be transferred to the  
 111 separate retirement fund composed of positions of members who do desire coverage upon  
 112 such terms and conditions and at such time as permitted by federal law. In the event of  
 113 such transfer, the employee contributions of such member required for social security  
 114 coverage shall be deducted by the Council of Superior Court Judges of Georgia and  
 115 remitted to the state agency, together with the required employer contributions. The  
 116 Council of Superior Court Judges of Georgia is authorized and directed to pay, from funds  
 117 appropriated or otherwise available for the operation of the superior courts, the required  
 118 employer contributions on any such transferred member."~~

119 **SECTION 4.**

120 Said chapter is further amended by revising Code Section 47-18-41, relating to plans for  
 121 old-age, survivors, and disability insurance coverage submitted by state political  
 122 subdivisions, contents, approval, contributions required, and penalties, as follows:

123 "47-18-41.

124 (a) Each political subdivision of the state is authorized to submit for approval by the state  
 125 agency a plan for extending the benefits of Title II of the Social Security Act to employees  
 126 of such political subdivision. The adjutant general, acting on behalf of the state, is  
 127 authorized to submit and enter into a similar plan with the state agency for extending such

128 benefits to the civilian employees of the National Guard units of this state, who are, for the  
129 purposes of this chapter, deemed to be a separate coverage group as provided for in the  
130 federal Social Security Act; provided, however, that nothing contained in this chapter shall  
131 be construed to deem or designate the civilian employees of the National Guard units of  
132 this state to be employees of this state. Each such plan and any amendments thereof shall  
133 be approved by the state agency if it finds that such plan, as amended, is in conformity with  
134 such requirements as are provided in regulations of the state agency, except that no such  
135 plan shall be approved unless:

136 (1) It is in conformity with the requirements of the Social Security Act and with the  
137 agreement entered into under Code Section 47-18-40;

138 (2) It provides that all services which constitute employment and are performed in the  
139 employ of a political subdivision by employees thereof shall be covered by the plan  
140 except that it may exclude services performed by individuals to whom Section  
141 218(c)(3)(C) of the Social Security Act is applicable;

142 (3) It specifies the sources from which the funds necessary to make the payments  
143 required by paragraph (1) of subsection (c) of this Code section and by subsection (d) of  
144 this Code section are expected to be derived and contains reasonable assurance that such  
145 sources will be adequate for such purpose;

146 (4) It provides for such methods of administration of the plan by the political subdivision  
147 as are found by the state agency to be necessary for the proper and efficient  
148 administration of the plan;

149 (5) It provides that the political subdivision will make such reports in such form and  
150 containing such information as the state agency may from time to time require and will  
151 comply with such provisions as the state agency or the secretary of health and human  
152 services may from time to time find necessary in order to assure the correctness and  
153 verification of such reports; and

154 (6) It authorizes the state agency to terminate the plan in its entirety, in the discretion of  
155 the state agency, if it finds that there has been a failure to comply with any provision  
156 contained in such plan, such termination to take effect at the expiration of such notice and  
157 on such conditions as may be provided by regulations of the state agency and which are  
158 consistent with the Social Security Act, provided that such conditions as may be provided  
159 by the regulations of the state agency for such termination shall assure that the state shall  
160 not incur any debt or loss in relation to any amounts due the state from other provisions  
161 of the Social Security Act, including grants in aid for public assistance and for maternal  
162 and child welfare.

163 (b) The state agency shall not finally refuse to approve a plan submitted by a political  
164 subdivision under subsection (a) of this Code section and shall not terminate an approved

165 plan without reasonable notice and opportunity for hearings to the political subdivision  
166 affected thereby.

167 ~~(c)(1)~~ Each political subdivision as to which a plan has been approved under this Code  
168 section shall pay ~~into the contribution fund, with respect to wages at such times as the state~~  
169 ~~agency may by regulation prescribe~~ to the federal Social Security Administration;  
170 contributions in the amounts and at the rates specified in the applicable agreement entered  
171 into by the state agency under Code Section 47-18-40.

172 ~~(2) Each political subdivision required to make payments under paragraph (1) of this~~  
173 ~~subsection is authorized in consideration of the employee's retention in or entry upon~~  
174 ~~employment after enactment of this chapter to impose upon each of its employees, as to~~  
175 ~~services which are covered by an approved plan, a contribution with respect to his wages,~~  
176 ~~which contribution shall not exceed the amount of the employees tax which would be~~  
177 ~~imposed by the Federal Insurance Contributions Act if such services constituted~~  
178 ~~employment within the meaning of that act and to deduct the amount of such contribution~~  
179 ~~from his wages as and when paid. Contributions so collected shall be paid into the~~  
180 ~~contribution fund in partial discharge of the liability of such political subdivision or~~  
181 ~~instrumentality under paragraph (1) of this subsection. Failure to deduct such~~  
182 ~~contributions shall not relieve the employee or employer of liability therefor.~~

183 ~~(3) Delinquent payments due under paragraph (1) of this subsection, including interest~~  
184 ~~at the rate of 6 percent per annum, may be recovered by action in a court of competent~~  
185 ~~jurisdiction against the political subdivision liable therefor or may, at the request of the~~  
186 ~~state agency, be deducted from any other moneys payable to such subdivision by any~~  
187 ~~department or agency of the state.~~

188 ~~(d) If any county board of education, independent board of education, area board of~~  
189 ~~education, or incorporated municipality which has entered into a plan of coverage for its~~  
190 ~~employees under this Code section fails to make collection from its employees and to make~~  
191 ~~reports and payments agreed to in its plan of coverage, it shall be the duty of the state~~  
192 ~~agency to notify the State Board of Education of such failure; and thereupon it shall be the~~  
193 ~~duty of the State Board of Education to withhold from such county board of education,~~  
194 ~~independent board of education, area board of education, or incorporated municipality~~  
195 ~~failing to make the reports and payments, all appropriations allotted to such board of~~  
196 ~~education or municipality until such board of education or municipality has fully complied~~  
197 ~~with the provisions agreed to in its plan of coverage. It shall be illegal for the State Board~~  
198 ~~of Education or Department of Education to pay out or release such funds, unless the~~  
199 ~~provisions of this Code section are complied with.~~

200 ~~(e) If the governing authority of any county which has entered into a plan of coverage for~~  
201 ~~its employees under this Code section fails to make collection from its employees and to~~

202 ~~make reports and payments agreed to in such plan of coverage, it shall be the duty of the~~  
203 ~~state agency to notify the State Transportation Board and the director of the Office of~~  
204 ~~Treasury and Fiscal Services of such failure, and thereupon, it shall be the duty of the State~~  
205 ~~Transportation Board and the director of the Office of Treasury and Fiscal Services to~~  
206 ~~withhold from such county governing authority all appropriations for highway and road~~  
207 ~~purposes allotted to such county, until such county governing authority has fully complied~~  
208 ~~with the provisions agreed to in its plan of coverage by making the required reports and~~  
209 ~~remittances. It shall be illegal for the State Transportation Board or the director of the~~  
210 ~~Office of Treasury and Fiscal Services to pay out or release such funds, unless this Code~~  
211 ~~section has been complied with. The State Transportation Board and the director of the~~  
212 ~~Office of Treasury and Fiscal Services are authorized and directed, upon authorization or~~  
213 ~~certified request of the state agency, to remit to the state agency from such withheld funds~~  
214 ~~the amount necessary to cover the remittances which such county governing authority has~~  
215 ~~failed to pay to the state agency.~~

216 ~~(f) If the governing authority of any municipal corporation which has entered into a plan~~  
217 ~~of coverage for its employees under this Code section fails to make collection from its~~  
218 ~~employees and to make reports and payments agreed to in such plan of coverage, it shall~~  
219 ~~be the duty of the state agency to notify the director of the Office of Treasury and Fiscal~~  
220 ~~Services of such failure; and thereupon it shall be the duty of the director of the Office of~~  
221 ~~Treasury and Fiscal Services to withhold from such municipal governing authority any~~  
222 ~~state appropriations allocated to such municipality until the director of the Office of~~  
223 ~~Treasury and Fiscal Services receives authorization from the state agency to release such~~  
224 ~~funds. The director of the Office of Treasury and Fiscal Services is authorized and~~  
225 ~~directed, upon authorization and certified request of the state agency, to remit to the state~~  
226 ~~agency from such withheld funds the amount necessary to cover the remittances which~~  
227 ~~such municipal governing authority has failed to pay to the state agency under the~~  
228 ~~provisions agreed to in its plan of coverage. It shall be illegal for the director of the Office~~  
229 ~~of Treasury and Fiscal Services to pay out or release such funds, after notice from the state~~  
230 ~~agency, unless this Code section is complied with.~~

231 ~~(g) If any municipal corporation fails to make collections from its employees or fails to~~  
232 ~~make reports and payments to the state agency as agreed to in its plan of coverage, such~~  
233 ~~defaulting municipal corporation shall be subject to a penalty of 10 percent of the~~  
234 ~~delinquent payments.~~

235 ~~(h) The governing authority of each municipal corporation which has entered into a plan~~  
236 ~~of coverage under this Code section shall enact an ordinance in which it agrees to abide by~~  
237 ~~the rules and regulations of the state agency in regard to collections from its employees and~~  
238 ~~in making reports and payments to the state agency. The municipal corporation shall~~

239 ~~pledge in such ordinance the amount which it would receive in state grant funds as security~~  
 240 ~~for assurance that it will make collections from its employees, submit required reports, and~~  
 241 ~~remit payments to the state agency as agreed to in its plan of coverage. If the amount of~~  
 242 ~~state grant funds which a municipal corporation is entitled to receive is less than its annual~~  
 243 ~~payment to the state agency, then the state agency may require such municipal corporation~~  
 244 ~~to deposit in escrow in accordance with rules and regulations of the state agency an amount~~  
 245 ~~which, when added to the state grant funds to which such municipality is entitled, would~~  
 246 ~~total an amount sufficient to meet the municipal corporation's obligations of reporting and~~  
 247 ~~remitting collections to the state agency."~~

248

### SECTION 5.

249 Said chapter is further amended by revising Code Section 47-18-43, relating to referendum  
 250 on the question of coverage of positions covered by Chapter 12, as follows:

251 "47-18-43.

252 Anything in this chapter to the contrary notwithstanding, the Governor is empowered to  
 253 authorize a referendum in accordance with the requirements of Section 218(d)(3) of the  
 254 Social Security Act on the question of whether services in positions covered by the District  
 255 Attorneys Retirement Fund of Georgia, Chapter 12 of this title, shall be excluded from or  
 256 included under an agreement under this chapter with an effective date of July 1, 1956. If  
 257 the referendum results in an affirmative vote, employee contributions required for social  
 258 security coverage shall be deducted by the Prosecuting Attorneys' Council of the State of  
 259 Georgia from the compensation or other funds due the employee ~~and shall be remitted to~~  
 260 ~~the state agency, together with the required employer contributions.~~ Such employee  
 261 deductions shall be based on an affidavit from each individual as to the total wages  
 262 received by him or her each calendar quarter as district attorney. Such affidavit shall be  
 263 forwarded to the Prosecuting Attorneys' Council of the State of Georgia before the fifth day  
 264 of the month following the end of each calendar quarter. If any district attorney fails to  
 265 submit the required affidavit to the Prosecuting Attorneys' Council of the State of Georgia  
 266 within the required time, any and all funds due such individual shall be withheld by the  
 267 Prosecuting Attorneys' Council of the State of Georgia until an appropriate affidavit has  
 268 been received. The Prosecuting Attorneys' Council of the State of Georgia is authorized  
 269 and directed to pay the required employer contribution from the funds appropriated or  
 270 otherwise available."

271

 273 follows:

274

 297 ~~on or before the last day of the month following the close of the fiscal year.~~

298 ~~(c) From the contribution fund the custodian of the fund shall pay to the secretary of the~~

 324 secretary of health and human services for the purpose of extending the benefits of old-age,
