68 and

69 (13) To make such rules and regulations governing its members, agents, contractors,
70 employees, and property as it may in its discretion deem proper.

71 **SECTION 4.**

72 The authority shall consist of five members who shall be legal residents of White County,
73 Georgia, and who shall be appointed in this fashion: one member appointed by the White
74 County Planning Commission who shall be a member of said planning commission and who
75 shall serve as the chairperson of the authority; one member from among the White County
76 Board of Commissioners who shall be appointed by said board; and three members who shall
77 be appointed by the Board of Commissioners. Upon full membership, the terms of the
78 members of the authority shall be assigned as two members to serve for three years, two
79 members to serve for two years, and one member to serve for one year. Members may be
80 appointed to succeed themselves. Three members of the authority shall constitute a quorum,
81 and no vacancy on the authority shall impair the right of the quorum to exercise all the rights
82 and perform all the duties of the authority, and, in every instance, a majority vote of a
83 quorum shall authorize any legal act of the authority, including all things necessary to
84 authorize and issue revenue bonds. The authority shall elect a secretary and treasurer who
85 need not necessarily be a member of the authority. The members of the authority shall not
86 be entitled to compensation for their services but shall be entitled to and shall be reimbursed
87 for their actual expenses necessarily incurred in the performance of their duties. The
88 authority shall make rules and regulations for its own government. It shall have perpetual
89 existence. Any change in name or composition of the authority shall in no way affect the
90 vested rights of any person under the provisions of this Act or impair the obligations of any
91 contracts existing under this Act.

92 **SECTION 5.**

93 (a) As used in this Act, the following words and terms shall have the following meanings
94 unless a different meaning clearly appears from the context:

95 (1) "Authority" means the White County Building Authority created in Section 2 of this
96 Act.

97 (2) "Cost of the project" shall include the cost of construction, the cost of all lands,
98 properties, rights, easements, and franchises acquired, the cost of buildings,
99 improvements, materials, labor, and services contracted for, the cost of all machinery and
100 equipment, financing charges, interest prior to and during construction and for one year
101 after the completion of construction, engineering, architectural, fiscal, accounting,
102 inspection, and legal expenses, cost of plans and specifications, and other expenses
103 necessary or incident to determining the feasibility or practicability of the project,
104 administrative expenses, and such other expenses as may be necessary or incident to
105 financing herein authorized, the acquisition, construction, renovation, reconstruction, or
106 remodeling of any project, the placing of the same in operation, and the condemnation
107 of property necessary for such construction and operation. Any obligation or expense
108 incurred for any of the foregoing purposes shall be regarded as a part of the cost of the
109 project and may be paid or reimbursed as such out of any funds of the authority,
110 including proceeds of any revenue bonds issued under the provisions of this Act for any
111 such project or projects and the proceeds of the sale of any contracts, lease agreements,
112 or installment sale agreements or the amounts payable thereunder, either directly or by
113 the creation of interests therein.

114 (3) "Project" shall mean and include real and personal property, including buildings and
115 related facilities and equipment, which are necessary or convenient for the efficient
116 operation of White County, Georgia.

117 (4) "Revenue bonds" means revenue bonds issued by the authority pursuant to the terms
118 of this Act and Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond
119 Law."

120 (b) Any project shall be deemed "self-liquidating" if, in the judgment of the authority, the
121 revenues and earnings to be derived by the authority therefrom and all properties used,
122 leased, and sold in connection therewith will be sufficient to pay the cost of operating,
123 maintaining, and repairing the project and to pay the principal of and interest on the
124 revenue bonds which may be issued to finance, in whole or in part, the cost of such project
125 or projects.

126 **SECTION 6.**

127 The authority shall have power and is authorized from time to time to provide by resolution
128 for the issuance of negotiable revenue bonds in the manner provided by Article 3 of Chapter
129 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law," for the purposes of paying all or
130 any part of the cost of any one or more projects, including the cost of constructing,

131 reconstructing, equipping, extending, adding to, or improving any such project, or for the
132 purpose of refunding, as herein provided, any such bonds of the authority previously issued.
133 The principal of and interest on such revenue bonds shall be payable solely from such part
134 of the revenues and earnings of such project or projects as may be designated in the
135 resolution of the authority authorizing the issuance of such revenue bonds. The revenue
136 bonds of each issue shall be issued and validated under and in accordance with the provisions
137 of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law."

138 **SECTION 7.**

139 All revenue bonds issued under the provisions of this Act shall have and are declared to have
140 all the qualities and incidents of negotiable instruments under the negotiable instruments law
141 of this state. Such bonds are declared to be issued for essential public and governmental
142 purpose, and such bonds and the income thereof shall be exempt from all taxation within this
143 state.

144 **SECTION 8.**

145 Revenue bonds issued under the provisions of this Act shall not constitute a debt or a pledge
146 of the faith and credit of the state or Georgia or of White County, Georgia, but such bonds
147 shall be payable solely from such part of the revenues and earnings of such project or
148 projects as may be designated in the resolution of the authority authorizing the issuance of
149 such bonds. The issuance of such revenue bonds shall not directly, indirectly, or
150 contingently obligate the State of Georgia or White County, Georgia, to levy or to pledge any
151 form of taxation whatever for the payment thereof. No holder of any bond or receiver or
152 trustee in connection therewith shall have the right to enforce the payment thereof against
153 any property of the State of Georgia or White County, Georgia, nor shall any such bond
154 constitute a charge, lien, or encumbrance, legal or equitable, upon any such property. All
155 such bonds shall contain on their face a recital setting forth substantially the foregoing
156 provisions of this section. White County, Georgia, however, may obligate itself to pay the
157 amounts required under any contract entered into with the authority from funds received
158 from taxes to be levied and collected for that purpose to the extent necessary to pay the
159 obligations contractually incurred with the authority and from any other source; and the
160 obligation to make such payments shall constitute a general obligation and a pledge of the
161 full faith and credit of White County, Georgia, but shall not constitute a debt of White
162 County, Georgia, within the meaning of the Constitution of the State of Georgia, Article IX,
163 Section V, Paragraph 1; and, when White County, Georgia, contracts with the authority to
164 make such payments from taxes to be levied for that purpose, then the obligation shall be

165 mandatory to levy and collect such taxes from year to year in an amount sufficient to fulfill
166 and fully comply with the terms of such contract.

167 **SECTION 9.**

168 In the discretion of the authority, any issue of such revenue bonds may be secured by a trust
169 indenture by and between the authority and a trustee, which may be any trust company or
170 bank having the powers of a trust company within or outside of the State of Georgia. Such
171 trust indenture may pledge or assign fees, tolls, rents, revenues, and earnings to be received
172 by the authority, including the proceeds derived from the sale or lease, from time to time, of
173 any project. Either the resolution providing for the issuance of revenue bonds or such trust
174 indenture may contain such provisions for protecting and enforcing the rights and remedies
175 of the bondholders as may be reasonable and proper and not in violation of law, including
176 covenants setting forth the duties of the authority in relation to the acquisition and
177 construction of any project, the maintenance, operation, repair, and insurance of any project,
178 and the custody, safeguarding, and application of all monies, including the proceeds derived
179 from the sale or lease of any project, and may also provide that any project shall be acquired
180 and constructed under the supervision and approval of consulting engineers or architects
181 employed or designated by the authority and satisfactory to the original purchasers of the
182 bonds issued therefore and may also require that the security given by contractors and by any
183 depository of the proceeds of the bonds or revenues or other monies be satisfactory to such
184 purchasers and may also contain provisions concerning the conditions, if any, upon which
185 additional revenue bonds pledging all or any part of the revenues and earnings of such
186 project or projects may be issued. Such indenture may set forth the rights and remedies of
187 the bondholders and of the trustee. In addition to the foregoing, such trust indenture may
188 contain such other provisions as the authority may deem reasonable and proper for the
189 security of the bondholders. All expenses incurred in carrying out such trust indenture may
190 be treated as a part of the cost of maintenance, operation, and repair of the project affected
191 by such indenture.

192 **SECTION 10.**

193 The revenues, fees, tolls, and earnings derived from any particular project or projects,
194 regardless of whether or not such revenues, fees, tolls, and earnings were produced by a
195 particular project for which bonds have been issued, and any monies derived from the sale
196 of any properties, both real and personal, of the authority, unless otherwise pledged and
197 allocated, may be pledged and allocated by the authority to the payment of the principal and
198 interest on revenue bonds of the authority as the resolution authorizing the issuance of the
199 bonds or the trust indenture may provide, and such funds so pledged, from whatever source

200 received, which such pledge may include funds received from one or more or all sources not
 201 previously pledged and allocated, shall be set aside at regular intervals, as may be provided
 202 in the resolution or trust indenture, into a sinking fund, which such sinking fund shall be
 203 pledged to and charged with the payments of:

- 204 (1) The interest upon such revenue bonds as such interest shall fall due;
- 205 (2) The principal of the bonds as the same shall fall due;
- 206 (3) The necessary charges of any paying agent or agents for paying principal and
 207 interest; and
- 208 (4) Any premium upon bonds retired by call or purchase.

209 The use and disposition of such sinking fund shall be subject to such regulations as may be
 210 provided in the resolution authorizing the issuance of the revenue bonds or in the trust
 211 indenture, but, except as may otherwise be provided in such resolution or trust indenture,
 212 such sinking fund shall be a fund for the benefit of all revenue bonds issued pursuant to such
 213 resolution or trust indenture without distinction or priority of one over another.

214 **SECTION 11.**

215 The authority shall be authorized to provide by resolution for the issuance of revenue
 216 refunding bonds of the authority for the purpose of refunding any revenue bonds issued under
 217 the provisions of this Act and then outstanding, together with accrued interest thereon and
 218 any premium required for the payment of such bonds prior to maturity. The issuance of such
 219 revenue bonds and all the details thereof, the rights of the holders thereof, and the duties of
 220 the authority with respect to the same shall be governed by the foregoing provisions of this
 221 Act insofar as the same may be applicable.

222 **SECTION 12.**

223 The principal office of the authority shall be in White County, Georgia, and the venue of any
 224 action against it shall be in White County. Any action pertaining to the validation of any
 225 bonds issued under the provisions of this Act and for the validation of any contract entered
 226 into by the authority shall be brought in the Superior Court of White County, and such court
 227 shall have exclusive original jurisdiction of such actions. Service upon the authority of any
 228 process, subpoena, or summons shall be effected by serving the same personally upon any
 229 member of the authority.

230 **SECTION 13.**

231 Revenue bonds of the authority shall be confirmed and validated in accordance with the
 232 procedure now or hereafter set forth in Article 3 of Chapter 82 of Title 36 of the O.C.G.A.,
 233 the "Revenue Bond Law," as the same now exists or may hereafter be amended. The petition

234 for validation shall also make a part defendant to such action White County, Georgia, if such
235 county has or will contract with the authority with respect to the project for which bonds are
236 to be issued and are sought to be validated, and White County, Georgia, shall be required to
237 show cause, if any exists, why such contract and the terms thereof be determined and the
238 contract adjudicated as security for the payment of any such bonds of the authority. The
239 bonds, when validated, and the judgment of validation shall be final and conclusive with
240 respect to the validity of such bonds against the authority, and the validity of the contract and
241 of the terms and conditions thereof, when validated, and the judgment of the validation shall
242 be final and conclusive against White County, Georgia, if it be a party to the validation
243 proceeding as herein provided for.

244

SECTION 14.

245 While any of the bonds issued by the authority or any interests in contracts of the authority
246 remain outstanding, the powers, duties, or existence of the authority or of its officers,
247 employees, or agents shall not be diminished or impaired in any manner that will affect
248 adversely the interest and rights of the holders of such bonds or such interests in contracts
249 of the authority. The provisions of this section shall be for the benefit of the authority and
250 of the holders of any such bonds and interests in contracts of the authority and, upon the
251 issuance of bonds or the creation of interests in contracts of the authority under the
252 provisions of this Act, shall constitute a contract with the holders of such bonds or such
253 interests in contracts of the authority.

254

SECTION 15.

255 All monies received by the authority pursuant to this Act, whether as proceeds from the sale
256 of revenue bonds or contracts of the authority, as grants or other contributions, or as
257 revenues, income, fees, and earnings, shall be deemed to be the trust funds to be held and
258 applied solely as provided in this Act and in such resolutions and trust indentures as may be
259 adopted and entered into by the authority pursuant to this Act.

260

SECTION 16.

261 The authority shall be authorized to prescribe and fix and collect rates, fees, tolls, rents, and
262 charges and to revise, from time to time, and collect such revised rates, fees, tolls, rents, and
263 charges for the services, facilities, or commodities furnished, including leases, concessions,
264 or subleases of its projects, and to determine the price and terms at and under which its
265 projects may be sold.

266 **SECTION 17.**

267 The exercise of the powers conferred upon the authority hereunder shall constitute an
268 essential governmental function for a public purpose, and the authority shall be required to
269 pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction,
270 control, possession, or supervision or upon its activities in the operation and maintenance of
271 property acquired by it or of buildings erected or acquired by it or any fees, rentals, or other
272 charges for the use of such property or buildings or other income received by the authority.
273 The tax exemption herein provided shall not include an exemption from sales and use tax on
274 property purchased by or for the use of the authority.

275 **SECTION 18.**

276 The authority shall have the same immunity and exemption from liability for torts and
277 negligence as the State of Georgia, and the officers, agents, and employees of the authority,
278 when in performance of work of the authority, shall have the same immunity and exemption
279 from liability for torts and negligence as officers, agents, and employees of the State of
280 Georgia. The authority may be sued the same as any private corporation on any contractual
281 obligation of the authority.

282 **SECTION 19.**

283 The property of the authority shall not be subject to levy and sale under legal process.

284 **SECTION 20.**

285 The scope of the authority's operation shall be limited to the territory embraced within the
286 territorial limits of White County, as the same now or may hereafter exist.

287 **SECTION 21.**

288 This Act shall not in any way take away from the authority any power which may be
289 conferred upon it by law but is supplemental thereto.

290 **SECTION 22.**

291 The authority shall not have the right to impose any tax on any person or property.

292 **SECTION 23.**

293 This Act shall be liberally construed to effect the purposes thereof.

294 **SECTION 24.**

295 Should any sentence, clause, phrase, or part of this Act be declared for any reason to be
296 unconstitutional or invalid, the same shall not affect the remainder of this Act or any part
297 hereof, other than the part so held to be invalid, but the remaining provisions of this Act shall
298 remain in full force and effect, and it is the express intention of this Act to enact each
299 provision of this Act independently of any other provision hereof.

300 **SECTION 25.**

301 This Act shall become effective upon its approval by the Governor or upon its becoming law
302 without such approval.

303 **SECTION 26.**

304 All laws and part of laws in conflict with this Act are repealed.
