

House Bill 866 (AS PASSED HOUSE AND SENATE)

By: Representatives Allison of the 8th, Cooper of the 41st, Channell of the 116th, Ramsey of the 72nd, and Dempsey of the 13th

A BILL TO BE ENTITLED
AN ACT

1 To amend Title 31 of the Official Code of Georgia Annotated, relating to health, so as to
2 authorize grants to hospitals and other health care entities, local governments, and civic
3 organizations in physician underserved rural areas; to provide for grant requirements; to
4 provide for conditions of grants; to provide for contracts; to provide for penalties; to provide
5 for cancellation of contracts; to revise the eligibility criteria for a physician to receive a
6 service cancelable loan; to provide for related matters; to repeal conflicting laws; and for
7 other purposes.

8 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

9 style="text-align:center">**SECTION 1.**

10 Title 31 of the Official Code of Georgia Annotated, relating to health, is amended by revising
11 Chapter 34, relating to physicians for rural areas assistance, as follows:

12 style="text-align:center">"CHAPTER 34

13 31-34-1.

14 This chapter shall be known and may be cited as the 'Physicians for Rural Areas Assistance
15 Act.'

16 31-34-2.

17 It is the purpose of this chapter to increase the number of physicians in physician
18 underserved rural areas of Georgia by making loans to physicians who have completed
19 their medical education and allowing such loans to be repaid by such physicians agreeing
20 to practice medicine in such rural areas and by making grants to hospitals and, as
21 determined by the State Medical Education Board, other health care entities, local
22 governments, and civic organizations in physician underserved rural areas of Georgia that
23 agree to provide matching funds to the grant, with the intent to enhance recruitment efforts
24 in bringing physicians to such areas. It is the intent of the General Assembly that if funds

25 are available to the State Medical Education Board to make loans, grants, or scholarships
26 under this chapter or under other applicable state law, the State Medical Education Board
27 shall give priority to loans and scholarships under Part 6 of Article 7 of Chapter 3 of Title
28 20 and to loans under Code Section 31-34-4.

29 31-34-3.

30 This chapter shall be administered by the State Medical Education Board, and, as used in
31 this chapter, the word 'board' means the State Medical Education Board created in Code
32 Section 20-3-510.

33 31-34-4.

34 (a) A physician who receives a loan under the program provided for in this chapter shall
35 be a citizen or national of the United States licensed to practice medicine within the State
36 of Georgia at the time the loan is made, and shall be a graduate of an accredited ~~four-year~~
37 medical school graduate medical education program located in the United States which has
38 received accreditation or provisional accreditation by ~~the Liaison Committee on Medical~~
39 ~~Education of the American Medical Association or the Bureau of Professional Education~~
40 ~~of the Accreditation Council for Graduate Medical Education or the American Osteopathic~~
41 ~~Association for a program of education designed to qualify the graduate for licensure by~~
42 ~~the Georgia Composite Medical Board.~~

43 (b) The board shall make a full investigation of the qualifications of an applicant for a loan
44 under the provisions of this chapter to determine the applicant's fitness for participation in
45 such loan program, and for such purposes, the board may propound such examinations to
46 applicants as the board deems proper. The board's investigation shall include a
47 determination of the outstanding medical education loans incurred by the applicant while
48 completing his or her medical education and training.

49 (c) The board is authorized to consider among other criteria for granting loans under the
50 provisions of this chapter the state residency status and home area of the applying
51 physician and to give priority to those applicants who are physicians actively practicing or
52 beginning active practice in specialties experiencing shortages or distribution problems in
53 rural areas of this state as determined by the board pursuant to rules and regulations
54 adopted by it in accordance with this chapter.

55 (d) The board may adopt and prescribe such rules and regulations as it deems necessary
56 or appropriate to administer and carry out the loan program provided for in this chapter.
57 Such rules and regulations shall provide for fixing the rate of regular interest to accrue on
58 loans granted under the provisions of this chapter. Such regular rate of interest shall not
59 exceed by more than 2 percent the prime rate published from time to time by the Board of

60 Governors of the Federal Reserve System. Within such limitation, the regular rate of
61 interest may be increased for new recipients of loans under this chapter.

62 31-34-4.1.

63 (a) After providing priority consideration to granting loans pursuant to Code Section
64 31-34-4, the board is authorized to make grants to hospitals and, as determined by the
65 board, other health care entities, local governments, and civic organizations in physician
66 underserved rural areas of Georgia, provided that any such hospital, health care entity, local
67 government, or civic organization matches such grant in an amount not less than such
68 grant. Such grants shall be for the purpose of enhancing recruitment efforts in bringing
69 physicians to such areas.

70 (b) Acceptable expenditures of grant funds by a hospital or other health care entity, local
71 government, or civic organization include, but are not limited to, medical education loan
72 repayment, salary supplements for physicians, and additional support staff for a physician's
73 office. Grant funds shall not be used for hiring or paying a recruiting firm or individual
74 recruiter.

75 (c) The board is authorized to give priority over other grant applicants to applicant
76 hospitals and other health care entities, local governments, and civic organizations in rural
77 areas of this state experiencing shortages or distribution problems of certain specialties as
78 determined by the board pursuant to rules and regulations adopted by the board in
79 accordance with this chapter.

80 (d) The board may adopt and prescribe such rules and regulations as it deems necessary
81 or appropriate to administer and carry out the grant program provided for in this chapter.
82 Such rules and regulations shall provide for the criteria that must be met by an applicant
83 and the penalties that shall be incurred for failure to comply with the grant requirements.

84 31-34-5.

85 (a)(1) The board shall have the authority to grant to each applicant approved by the board
86 on a one-year renewable basis a service cancelable loan for a period not exceeding four
87 years. The amount of the loan shall be determined by the board, but such amount shall be
88 related to the applicant's outstanding obligations incurred as a direct result of completing
89 medical education and training.

90 (b)(2) A loan or loans to each approved applicant shall be granted on the condition that the
91 full amount of the loan or loans shall be repaid to the State of Georgia in services to be
92 rendered by the applicant's practicing his or her profession in a board approved physician
93 underserved rural area of Georgia. For each full year of practicing his or her profession in
94 such a physician underserved rural area, the physician who obtained the loan shall receive

95 credit for the full amount of one year's loan plus regular interest which accrued on such
96 amount.

97 (b)(1) The board shall have the authority to make grants to each applicant hospital or
98 other health care entity, local government, or civic organization approved by the board
99 on a yearly basis, renewable each year at the discretion of the board. The amount of the
100 grant shall be determined by the board, but such amount shall be related to and shall not
101 exceed the applicant's proposed expenditures to enhance recruitment efforts in bringing
102 one or more physicians to the physician underserved rural area.

103 (2) A grant to an approved applicant shall be made on any condition or conditions
104 determined by the board, which may include, but not be limited to, that one or more
105 physicians are employed and retained in the physician underserved rural area for a
106 prescribed minimum length of time.

107 (c) In making a determination of physician underserved rural areas of Georgia, the board
108 shall seek the advice and assistance of the Department of Community Health, the Georgia
109 Board for Physician Workforce, the University of Georgia Cooperative Extension Service,
110 the Department of Community Affairs, and such other public or private associations or
111 organizations as the board determines to be of assistance in making such determinations.
112 Criteria to determine physician underserved rural areas shall include, but shall not be
113 limited to, relevant statistical data related to the following:

- 114 (1) The ratio of physicians to population in the area;
115 (2) Indications of the health status of the population in the area;
116 (3) The poverty level and dependent age groups of the population in the area;
117 (4) Indications of community support for more physicians in the area; and
118 (5) Indications that access to the physician's services is available to every person in the
119 underserved area regardless of ability to pay.

120 31-34-6.

121 (a)(1) Before being granted a service cancelable loan provided for in this chapter, each
122 applicant therefor shall enter into a contract with the State of Georgia agreeing to the
123 terms and conditions upon which the loan is granted, which contract shall include such
124 terms and conditions as will carry out the purposes and intent of this chapter. The
125 ~~chairman~~ chairperson of the board and the executive director of the board, acting for and
126 on behalf of the State of Georgia, shall execute the contract for the board. The contract
127 shall also be properly executed by the applicant. The board is vested with full and
128 complete authority to bring an action in its own name against any recipient of a loan
129 under the provisions of this chapter for the performance of the contract and to collect any
130 amount that may be due under the contract.

131 ~~(b)(2)~~ Any recipient of a loan under the provisions of this chapter who breaches the
 132 contract for such loan by either failing to begin or failing to complete the rural practice
 133 service obligation under the contract shall be immediately liable to the board for twice
 134 the total uncredited amount of all loans contracted for with the recipient, such uncredited
 135 amount to be prorated on a monthly basis respecting the recipient's actual service
 136 rendered and the total service obligation. For compelling reasons provided for in rules or
 137 regulations of the board, the board may agree to and accept a lesser measure of damages
 138 for the breach of a contract.

139 (b)(1) Before receiving a grant under this chapter, each approved applicant hospital or
 140 other health care entity, local government, or civic organization shall enter into a service
 141 cancelable contract with the State of Georgia agreeing to the terms and conditions upon
 142 which the grant is made, which contract shall include such terms and conditions as will
 143 carry out the purposes and intent of this chapter. The chairperson of the board and the
 144 executive director of the board, acting for and on behalf of the State of Georgia, shall
 145 execute the contract for the board. The contract shall also be properly executed by the
 146 applicant. The board is vested with full and complete authority to bring an action in its
 147 own name against any recipient of a grant under the provisions of this chapter for the
 148 performance of the contract and to collect any amount that may be due under the contract.

149 (2) Any recipient of a grant under the provisions of this chapter who breaches the
 150 contract for such grant shall be liable for the measure of damages specified in the contract
 151 for the breach of such contract.

152 31-34-7.

153 (a) The board shall have the authority to cancel the contract of any recipient of a loan
 154 under this chapter for cause deemed sufficient by the board, provided that such authority
 155 shall not be arbitrarily or unreasonably exercised. Upon such cancellation, the total
 156 uncredited amount paid to the recipient shall at once become due and payable to the board
 157 in cash, and interest at the rate of 12 percent per annum shall accrue on such total
 158 uncredited amount from the date of cancellation to the date of payment.

159 (b) The board shall have the authority to cancel the contract of any recipient of a grant
 160 under this chapter for cause deemed sufficient by the board, provided that such authority
 161 shall not be arbitrarily or unreasonably exercised. Upon such cancellation, the grant
 162 recipient shall not be eligible to receive further grant funds pursuant to this chapter.

163 31-34-8.

164 The funds necessary to carry out the loan and grant program authorized by this chapter may
 165 come from funds made available to the board from private, federal, or state, or local

166 sources. Funds appropriated by the General Assembly for the purposes of this chapter shall
167 be appropriated to the Department of Community Health for the specific purpose of the
168 cancelable loan and grant program authorized by this chapter. The board shall be assigned
169 to the Department of Community Health for administrative purposes only, except that such
170 department shall prepare and submit the budget for that board in concurrence with that
171 board.

172 31-34-9.

173 The board shall make a biennial report to the General Assembly of its activities under the
174 provisions of this chapter. Such report shall include the name of each recipient of a loan
175 made under the provisions of this chapter, the amount of each such loan, and the rural area
176 in which the recipient is practicing medicine. Such report shall include the name of each
177 recipient of a grant made under the provisions of this chapter, the amount of each such
178 grant, and the rural area in which the recipient is located. Such report shall also report the
179 amount of administrative expenses incurred by the board in carrying out the provisions of
180 this chapter."

181 **SECTION 2.**

182 All laws and parts of laws in conflict with this Act are repealed.
