The Honorable David Adelman  
State Senator  
State Capitol, Room 121-I  
Atlanta, Georgia 30334

SUBJECT: State Auditor's Certification  
Senate Bill (LC 25 5367)

Dear Senator Adelman:

This bill would correct typographical, stylistic, spelling, capitalization, and other errors and omissions in Title 47 of the Official Code of Georgia Annotated. This bill would make such corrections in the chapters affecting the General Provisions, the Teachers Retirement System, the Georgia Municipal Employees Benefit System, the Peace Officers' Annuity and Benefit Fund, and the Public Retirement Systems Standards Law.

This is to certify that this is a nonfiscal retirement bill as defined in the Public Retirement Systems Standards Law.

Respectfully,

/s/ Russell W. Hinton  
State Auditor
