131 53-12-21.
132 (a) No formal words are necessary to create an express trust.
133 (b) Words otherwise precatory in nature will create a trust only if they are sufficiently
134 imperative to show a settlor's intention to impose enforceable duties on a trustee, and if all
135 other elements of an express trust are present.

136 53-12-22.
137 (a) A trust may be created for any lawful purpose.
138 (b) A condition in terrorem shall be void unless there is a direction in the trust instrument
139 as to the disposition of the property if the condition in terrorem is violated, in which event

143 capacity to transfer title to property inter vivos. A person has capacity to create a
144 testamentary trust to the extent that person has legal capacity to devise or bequeath
145 property by will.

146 53-12-24.
147 No trust is invalid or terminated and no merger of title to trust property occurs merely
148 because the trustee or trustees are the same person or persons as the beneficiary or
149 beneficiaries of the trust.

150 53-12-25.
151 (a) Transfer of property to a trust requires a transfer of legal title to the trustee.
152 (b) For any interest in real property to become trust property in a trust of which any
153 transferor is a trustee, the instrument of conveyance shall additionally be recorded in the
154 appropriate real property records.

155 53-12-26.

156 Property may be added to an existing trust from any source in any manner if the addition
157 is not prohibited by the trust instrument and the property is acceptable to the trustee.

158 53-12-27.

159 When the construction of an express trust is at issue, the court may hear parol evidence of
160 the circumstances surrounding the settlor at the time of the execution of the trust and parol
161 evidence to explain all ambiguities, both latent and patent.

162 53-12-28.

163 (a) A trust may be created to provide for the care of an animal that is alive during the
164 settlor's lifetime. The trust terminates upon the death of the animal or, if the trust was
165 created to provide for the care of more than one animal alive during the settlor's lifetime,
166 upon the death of the last surviving animal.

167 (b) A trust authorized by this Code section may be enforced by a person appointed in the
168 trust instrument or, if no person is so appointed, by a person appointed by the court. A
169 person having an interest in the welfare of the animal may request the court to appoint a
170 person to enforce the trust or to remove a person appointed.

171 (c) Upon termination of a trust authorized by this Code section, the trustee shall transfer
172 any unexpended trust property in the following order:

173 (1) As directed in the trust instrument;

174 (2) If the trust was created in a nonresiduary clause in the settlor's will or in a codicil to
175 the settlor's will, under the residuary clause in the settlor's will; and

176 (3) If no taker is produced by the application of paragraph (1) or (2) of this subsection,
177 to the settlor, if living, and if not to the settlor's heirs, as determined under Code Section
178 53-2-1.

179 ARTICLE 3

180 53-12-40.

181 (a) A settlor shall have no power to modify or revoke a trust in the absence of an express
182 reservation of such power.

183 (b) A power to revoke will be deemed to include a power to modify and an unrestricted
184 power to modify will be deemed to include a power to revoke.

185 (c) Any revocation or modification of an express trust must be in writing and signed by
186 the settlor.

187 53-12-41.

188 In exercising a power to modify the trust instrument, the settlor may not enlarge the duties
189 or liabilities of the trustee without the trustee's express consent.

190 53-12-42.

191 A trustee is not liable for failing to act in accordance with the terms and conditions of an
192 amendment or revocation of a trust of which the trustee had no notice.

193 53-12-43.

194 (a) A settlor's powers with respect to revocation, amendment, or distribution of trust
195 property may be exercised by an agent under a power of attorney only to the extent
196 expressly authorized by the trust instrument and the power.

197 (b) A settlor's powers with respect to revocation, amendment, or distribution of trust
198 property may be exercised by the settlor's conservator only as provided in Code Section
199 29-5-23.

200 53-12-44.

201 No trust shall be considered to be revocable merely because the life beneficiary has a
202 reversion in or a power of appointment over assets of the trust or because the life
203 beneficiary's heirs or estate have a remainder interest therein.

204 53-12-45.

205 (a) Any judicial proceeding to contest the validity of a trust that was revocable
206 immediately before the settlor's death must be commenced within two years of the settlor's
207 death.

208 (b) Upon the death of the settlor of a trust that was revocable immediately before the
209 settlor's death, the trustee may proceed to distribute the trust property in accordance with
210 the trust provisions. The trustee is not subject to liability for doing so unless:

211 (1) The trustee knows of a pending judicial proceeding contesting the validity of the
212 trust; or

213 (2) A potential contestant has notified the trustee in writing of a possible judicial
214 proceeding to contest the trust and a judicial proceeding is commenced within 60 days
215 after the contestant sent the notification.

216 (c) A beneficiary of a trust that is determined to have been invalid is liable to return any
217 distribution received.

218

ARTICLE 4219 53-12-60.

220 (a) If it is proved by clear and convincing evidence that the trust provisions were affected
by a mistake of fact or law, whether in expression or inducement, the court may reform the
trust provisions, even if unambiguous, to conform the provisions to the settlor's intention.

223 (b) A petition for reformation may be filed by the trustee or any beneficiary, or, in the case
of an unfunded testamentary trust, the personal representative of the settlor's estate.

225 (c) Notice of a petition for reformation of the trust shall be given to the trustee and all
beneficiaries.

227 53-12-61.

228 The trust instrument may confer upon a trustee or other person a power to modify the trust.

229 53-12-62.

230 (a) The court may:

231 (1) Modify the administrative or dispositive provisions of a trust if, owing to
circumstances not known to or anticipated by the settlor, compliance with the provisions
of the trust would defeat or substantially impair the accomplishment of the purposes of
the trust;

235 (2) Modify the administrative provisions of a trust if continuation of the trust under its
existing provisions would impair the trust's administration; or

237 (3) Modify the trust by the appointment of an additional trustee or special fiduciary if the
court considers the appointment necessary for the administration of the trust.

239 (b) A petition for modification may be filed by the trustee or any beneficiary or, in the case
of an unfunded testamentary trust, the personal representative of the settlor's estate.

241 (c) Notice of a petition to modify the trust shall be given to the trustee and all
beneficiaries.

243 (d) The court may modify the trust regardless of whether it contains spendthrift or other
similar protective provisions.

245 (e) An order for modification shall conform as nearly as practicable to the intention of the
settlor.

247 53-12-63.

248 (a) The court may order the division of a single trust into two or more trusts or the
consolidation of two or more trusts into a single trust if the division or consolidation:

250 (1) Is consistent with the intent of the settlor with regard to any trust to be consolidated
251 or divided;
252 (2) Would facilitate administration of the trust or trusts; and
253 (3) Would be in the best interest of all beneficiaries.
254 (b) A petition for division or consolidation may be filed by the trustee or any beneficiary
255 or, in the case of an unfunded testamentary trust, the personal representative of the settlor's
256 estate.
257 (c) Notice of a petition to divide or consolidate a trust or trusts shall be given to the trustee
258 and all beneficiaries of each trust.
259 (d) Subsection (a) of this Code section may apply to one or more trusts created by the
260 same or different instruments or by the same or different persons.
261 (e) Subsection (a) of this Code section shall not limit the right of the trustee acting in
262 accordance with the applicable provisions of the governing instrument to divide or
263 consolidate trusts.

264 53-12-64.
265 (a) The trust instrument may confer upon a trustee or other person a power to terminate
266 the trust.
267 (b) The court may terminate a trust and order distribution of the trust property if:
268 (1) The costs of administration are such that the continuance of the trust, the
269 establishment of the trust if it is to be established, or the distribution from a probate estate
270 would defeat or substantially impair the purposes of the trust;
271 (2) The purpose of the trust has been fulfilled or become illegal or impossible of
272 fulfillment; or
273 (3) Owing to circumstances not known to or anticipated by the settlor, the continuance
274 of the trust would defeat or substantially impair the accomplishment of the purposes of
275 the trust.
276 (c) A petition for termination may be filed by the trustee or any beneficiary or, in the case
277 of an unfunded testamentary trust, the personal representative of the settlor's estate.
278 (d) Notice of a petition to terminate the trust shall be given to the trustee, all beneficiaries,
279 any holder of a power of appointment over the trust property, and such other persons as the
280 court may direct.
281 (e) The court may terminate the trust regardless of whether it contains spendthrift or other
282 similar protective provisions.
283 (f) Distribution of the trust property under the order for termination shall be made to or
284 among the current beneficiaries and the vested remainder beneficiaries, or, if there are no
285 vested remainder beneficiaries, among the current beneficiaries and the contingent

286 remainder beneficiaries. The order shall specify the appropriate share, if any, of each
287 current and remainder beneficiary who is to share in the proceeds of the trust, so as to
288 conform as nearly as practicable to the intention of the settlor or testator. The order may
289 direct that the interest of a minor beneficiary, or any portion thereof, be converted into
290 qualifying property and distributed to a custodian pursuant to Article 5 of Chapter 5 of Title
291 44, 'The Georgia Transfers to Minors Act.'

292 53-12-65.

293 (a) After notice to the qualified beneficiaries, the trustee of a trust consisting of trust
294 property either having a total value less than \$50,000.00 or for which the trustee's annual
295 fee for administering the trust is 5 percent or more of the market value of the principal
296 assets of the trust as of the last day of the preceding trust accounting year may terminate
297 the trust if the trustee concludes that the value of the trust property is insufficient to justify
298 the cost of administration.

299 (b) The court may modify or terminate a trust or remove a trustee and appoint a different
300 trustee if it determines that the value of the trust property is insufficient to justify the cost
301 of administration.

302 (c) Upon termination of a trust under this Code section, the trustee shall distribute the trust
303 property in a manner consistent with the purposes of the trust.

304 (d) This Code section shall not apply to an easement for conservation.

305 ARTICLE 5

306 53-12-80.

307 (a) As used in this Code section, the term 'spendthrift provision' means a provision in a
308 trust instrument that prohibits transfers of a beneficiary's interest in the income or principal
309 or both.

310 (b) A spendthrift provision is valid only if it prohibits both voluntary and involuntary
311 transfers.

312 (c) A term of a trust providing that the interest of a beneficiary is held subject to a
313 spendthrift trust, or words of similar import, is sufficient to restrain both voluntary and
314 involuntary transfer of the beneficiary's interest in the manner set forth in this article.

315 (d) A beneficiary may not transfer an interest in a trust in violation of a valid spendthrift
316 provision and, except as otherwise provided in this Code section, a creditor or assignee of
317 the beneficiary may not reach the interest or a distribution by the trustee before its receipt
318 by the beneficiary.

319 (e) A spendthrift provision is not valid as to the following claims against a beneficiary's
320 right to a current distribution to the extent the distribution would be subject to garnishment
321 under the laws of this state if the distribution were disposable earnings:

- 322 (1) Alimony or child support;
323 (2) Taxes or other governmental claims; or
324 (3) Judgments for necessities.

325 The ability of a creditor or assignee to reach a beneficiary's interest under this subsection
326 will not apply to the extent it would disqualify the trust as a special needs trust established
327 pursuant to 42 U.S.C. Sections 1396p(d)(4)(A), 1396p(d)(4)(C).

328 (f) A provision in a trust instrument that a beneficiary's interest shall terminate or become
329 discretionary upon an attempt by the beneficiary to transfer it, an attempt by the
330 beneficiary's creditors to reach it, or upon the bankruptcy or receivership of the beneficiary
331 shall be valid except to the extent of the proportion of trust property attributable to that
332 beneficiary's contribution.

333 (g) If a beneficiary is also a contributor to the trust, a spendthrift provision is not valid as
334 to that beneficiary to the extent of the proportion of trust property attributable to that
335 beneficiary's contribution. This subsection shall not apply to a special needs trust
336 established pursuant to 42 U.S.C. Sections 1396p(d)(4)(A) or 1396p(d)(4)(C).

337 (h) Notwithstanding any other provision in this Code section, a spendthrift provision in a
338 pension or retirement arrangement described in sections 401, 403, 404, 408, 408A, 409,
339 414, or 457 of the federal Internal Revenue Code of 1986, is valid with reference to the
340 entire interest of the beneficiary in the income, principal or both, even if the beneficiary is
341 also a contributor of trust property, except where a claim is made pursuant to a qualified
342 domestic relations order as defined in 26 U.S.C. Section 414(p).

343 53-12-81.

344 A transferee or creditor of a beneficiary may not compel the trustee to pay any amount that
345 is payable only in the trustee's discretion regardless of whether the trustee is also a
346 beneficiary. This Code section does not apply to the extent of the proportion of trust
347 property attributable to the beneficiary's contribution.

348 53-12-82.

349 Whether or not the trust instrument contains a spendthrift provision, the following rules
350 apply:

351 (1) During the lifetime of the settlor, the property of a revocable trust is subject to claims
352 of the settlor's creditors;

353 (2) With respect to an irrevocable trust, creditors or assignees of the settlor may reach
354 the maximum amount that can be distributed to or for the settlor's benefit during the
355 settlor's life or that could have been distributed to or for the settlor's benefit immediately
356 prior to the settlor's death. If a trust has more than one settlor, the amount the creditors
357 or assignees of a particular settlor may reach may not exceed the settlor's interest in the
358 portion of the trust attributable to that settlor's contribution; and
359 (3) After the death of a settlor, and subject to the settlor's right to direct the source from
360 which liabilities will be paid, the property of a trust that was revocable at the settlor's
361 death or had become irrevocable as a result of the settlor's incapacity is subject to claims
362 of the settlor's creditors to the extent the probate estate is inadequate. Payments that
363 would not be subject to the claims of the settlor's creditors if made by way of beneficiary
364 designation to persons other than the settlor's estate shall not be made subject to such
365 claims by virtue of this subsection unless otherwise provided in the trust instrument.

366 53-12-83.

367 The holder of a power of withdrawal, during the period that the power may be exercised,
368 is treated in the same manner as the settlor of a revocable trust to the extent of the property
369 subject to the power. The lapse, release, or waiver of a power of withdrawal shall not
370 cause the holder to be treated as a settlor of the trust.

ARTICLE 6

Part 1

373 53-12-100.

374 This part shall be known and may be cited as the 'Georgia Testamentary Additions to
375 Trusts Act.'

376 53-12-101.

377 (a) A devise or bequest, the validity of which is determinable by the law of this state, may
378 be made by a will to the trustee or trustees of a trust established or to be established by the
379 testator or by the testator and some other person or persons or by some other person or
380 persons, including a funded or unfunded life insurance trust, even if the trustor has reserved
381 any or all rights of ownership of the insurance contracts, if the trust is identified in the
382 testator's will and its provisions are set forth in a written instrument, other than a will,
383 executed before or concurrently with the execution of the testator's will or in the valid last
384 will of a person who has predeceased the testator, regardless of the existence, size, or
385 character of the corpus of the trust and notwithstanding the requirements of paragraph (2)

386 of subsection (b) of Code Section 53-12-20. The devise or bequest shall not be invalid
387 because the trust is amendable or revocable or both or because the trust was amended after
388 the execution of the will or after the death of the testator.

389 (b) Unless the testator's will provides otherwise, the property so devised or bequeathed:

390 (1) Shall not be deemed to be held under a testamentary trust of the testator but shall
391 become a part of the trust to which it is devised or bequeathed; and
392 (2) Shall be administered and disposed of in accordance with the provisions of the
393 instrument or will setting forth the terms of the trust, including any amendments thereto
394 made before or after the testator's death.

395 (c) Unless the testator's will provides otherwise, a revocation or termination of the trust
396 before the death of the testator shall cause the devise or bequest to lapse.

397 53-12-102.

398 The trustee or trustees of a trust established by the testator or others as provided in Code
399 Section 53-12-101 shall not be required to inquire into or audit the actions of the executor
400 or executors of the testator's estate or to make any claim against the executor or executors
401 unless specifically directed to do so by the settlor or settlors in the trust instrument. In the
402 event that the trustee or trustees are authorized or directed by the settlor or settlors in the
403 trust instrument to pay or advance any part or all of the trust property to the executor or
404 executors of the testator's estate for the payment of debts, taxes, and expenses of
405 administration of the testator's estate, the trustee or trustees shall not be liable for the
406 application of the trust property so paid or advanced and shall not be liable for any act done
407 or omitted to be done by the executor or executors with regard to the trust property.

408 53-12-103.

409 This part shall apply to all devises or bequests made in the will of a testator dying on or
410 after May 31, 1968, whether the will is executed before or after such date. This part shall
411 not invalidate a devise or bequest to a trustee made by a will executed prior to May 31,
412 1968, by a testator dying prior to such date.

413

Part 2

414 53-12-120.

415 A trust under a testator's will may be designated as the beneficiary of the testator's qualified
416 retirement plan, individual retirement account, other retirement plan, or life insurance
417 policies on the life of the testator so long as the testator's will is admitted to probate in
418 solemn form, whether the designation occurs before or after the execution of the will.

419 Unless the beneficiary designation provides otherwise, the designation of a trust under a
420 will as beneficiary shall not be treated as the designation of the testator's estate as
421 beneficiary nor shall such property, once delivered to the trustee under the testator's will,
422 be deemed to be part of the testator's estate.

ARTICLE 7

424 53-12-130.

425 A resulting trust is a trust implied for the benefit of the settlor or the settlor's successors in
426 interest when it is determined that the settlor did not intend that the holder of the legal title
427 to the trust property also should have the beneficial interest in the property, under any of
428 the following circumstances:

- 429 (1) A trust is created but fails, in whole or in part, for any reason;
430 (2) A trust is fully performed without exhausting all the trust property; or
431 (3) A purchase money resulting trust as defined in subsection (a) of Code Section
432 53-12-132 is established.

433 53-12-131.

434 (a) A purchase money resulting trust is a resulting trust implied for the benefit of the
435 person paying consideration for the transfer to another person of legal title to real or
436 personal property.

437 (b) Except as provided in subsection (c) of this Code section, the payment of consideration
438 as provided in subsection (a) of this Code section shall create a presumption in favor of a
439 resulting trust, but such presumption is rebuttable by a preponderance of the evidence.

440 (c) If the payor of consideration and transferee of the property as provided in subsection
441 (a) of this Code section are husband and wife, parent and child, or siblings, a gift shall be
442 presumed, but such presumption is rebuttable by clear and convincing evidence.

443 53-12-132.

444 (a) A constructive trust is a trust implied whenever the circumstances are such that the
445 person holding legal title to property, either from fraud or otherwise, cannot enjoy the
446 beneficial interest in the property without violating some established principle of equity.

(b) The person claiming the beneficial interest in the property may be found to have waived the right to a constructive trust by subsequent ratification or long acquiescence.

449 53-12-133.

450 In all cases in which a trust is sought to be implied, the court may hear parol evidence of
451 the nature of the transaction, the circumstances, and the conduct of the parties, either to
452 imply or rebut the trust.

453 ARTICLE 8

454 53-12-150.

455 As used in this article, the term:

456 (1) 'Deed' means and includes any written agreement, declaration of trust, or other
457 instrument which creates a trust estate in the trustee or trustees named therein and sets
458 forth the terms and conditions of the trust and which indicates an intention, either
459 expressly or by implication, that the trust estate created therein should be subject to this
460 article, but the term shall not include a warranty deed, quitclaim deed, bill of sale, or
461 other instrument that conveys title to property to a trustee, merely by virtue of such fact
462 alone.

463 (2) 'Estate' means any alienable interest in property, legal or equitable, freehold or
464 nonfreehold, possessory or nonpossessory.

465 (3) 'Property' means and includes improved or unimproved property, real or personal,
466 leaseholds, mortgages, notes, or other obligations secured by property or any interest
467 therein, or other interests in such property.

468 53-12-151.

469 The owners of property located in this state or persons desiring to acquire beneficial
470 ownership of such property may create by deed an estate therein and in the improvements
471 made thereon and in the property to be acquired, for the benefit of themselves and such
472 other persons, whether sui juris or not, who may contribute to the improvement or
473 development or acquisition of the property and their assigns or transferees, provided that
474 the deed creating the estate shall provide for the improvement or development of the
475 property covered thereby or for the acquisition of the property and the trustee or trustees
476 therein named and their successors shall have some active duty to perform in and about the
477 trust property or the management or control of the same. The deed creating the estate shall
478 be recorded as provided in Code Section 53-12-152. When such an estate is created, the
479 legal title to the property and all the property added thereto or substituted therefor shall vest
480 and remain in the trustee or trustees named and his or their successors, in accordance with
481 the terms of the deed, with all the powers conferred thereby upon the trustee, and shall not
482 during the continuance of the estate pass to or vest in the beneficiaries. At the end of 25

483 years from the date of the deed creating the estate, the title to such of the property as may
484 then belong to the estate shall vest in the beneficiaries; and, if the deed creating the estate
485 so provides, a renewal of the estate may be made at the end of the 25 years, upon the terms
486 and conditions and in the manner therein set forth, for a like period; provided, however,
487 that in the alternative to the period of 25 years and the renewal thereof, if the deed so
488 provides, the estate may be created for any period of time specified therein which does not
489 extend beyond any number of lives in being and 21 years thereafter.

490 53-12-152.

491 (a) The deed creating a trust estate as provided in Code Section 53-12-151 shall, within
492 30 days of the execution thereof, be filed by the trustee in the office of the clerk of the
493 superior court of the county in which the principal office of the trust is located. The trustee
494 shall concurrently pay to the clerk the fee prescribed in Code Section 15-6-77. Upon the
495 deed being filed with the clerk and the fees being paid, the clerk shall forthwith deliver to
496 the trustee or his attorney two certified copies of the deed, the filing of the clerk thereon,
497 and a receipt for the costs which have been paid to the clerk.

498 (b) Upon receiving the two certified copies of the deed, the trustee or his or her attorney
499 shall present the same to the Secretary of State and shall concurrently therewith pay \$5.00
500 to the Secretary of State for the use of the state. The Secretary of State shall thereupon
501 attach to one of the certified copies of the deed a certificate in substantially the following
502 form:

503 STATE OF GEORGIA

504 OFFICE OF THE SECRETARY OF STATE

505 This is to certify that a copy of the attached certified copy of a deed, declaration, or
506 agreement of trust dated _____, by and between
507 _____ as grantor(s) and _____ as
508 trustee(s), which states that the trustee(s) may use the name of
509 _____, has been duly filed in the office of the Secretary of State
510 and the fees paid therefor, as provided by law.

511 WITNESS my hand and official seal this _____ day of _____, _____.

512 _____

513 Secretary of State

514 (c) The certified copy of the deed, together with the certificate of the Secretary of State
515 thereon, shall be received as evidence in any court or proceeding as evidence of the
516 existence of the trust and of its nature, terms, and conditions.

517 (d) The Secretary of State, at any time, upon the request of any person, shall make and
518 certify additional copies of the deed, filing of the clerk, and certificate of the Secretary of
519 State, upon payment to him of a fee of \$1.00, plus 10¢ per 100 words for copying, and the
520 additional certified copies shall be likewise admitted in evidence with like force and effect.
521 (e) Any amendment of a deed shall be filed with the clerk of the superior court and the
522 Secretary of State in the same manner and under the same conditions required in the filing
523 of the original deed, and the fees payable upon the filing shall be computed as if the filing
524 were of an original deed.

525 53-12-153.

526 If the deed creating a trust estate under Code Section 53-12-151 so provides, the trustee or
527 trustees may conduct and transact the affairs of the trust estate under a business or trade
528 name, which name shall be set forth in the deed. The name may include the word 'trust' but
529 may not include the words 'trust company.'

530 53-12-154.

531 When an estate is created pursuant to Code Section 53-12-151 and from time to time
532 thereafter, the trustee or trustees shall issue such certificates of beneficial interest as may
533 be provided for by the deed to the persons who are beneficially interested in the estate or
534 who become so interested therein in accordance with the provisions of the deed. The
535 certificates shall pass and be transferred as personalty and in the same manner as shares of
536 stock in corporations and shall be subject to levy and sale under attachment or execution
537 or any other process in like manner as shares of stock. The trustee or person in charge of
538 the estate representing the trustee shall be subject to the same demand as that provided by
539 Code Sections 11-8-112 and 9-13-58 for the levying officer to make upon the officers of
540 a corporation. Persons having claims against the estate may enforce the same by action
541 against the trustee or trustees thereof in like manner as actions against corporations, and
542 service thereof may be perfected by serving the trustee or trustees, if residents of this state,
543 and if not, then by publication. The venue of such actions shall be the same as that of
544 similar actions against private corporations, but neither the trustees nor the beneficiaries
545 of the estate shall be personally or individually liable therefor except in cases where
546 officers and stockholders of private corporations would be liable under the law.

547 53-12-155.

548 The trustee or trustees of a trust created under Code Section 53-12-151 shall have sole and
549 exclusive management and control of the property, in accordance with the terms of the
550 deed creating the estate. The exercise by the trustee or trustees of any power granted or

551 conferred by the deed, including the power to lease, encumber, and sell, when exercised
552 in accordance with the terms thereof, shall be as valid and effective to all intents and
553 purposes as if the trustee or trustees were the sole and exclusive owners of the property in
554 his or their own right. The trustee or trustees may resign or be removed and their successors
555 may be appointed in the manner and in accordance with the terms fixed by the deed
556 creating the estate. The same rights, powers, and title over and to the property shall belong
557 to and be vested in the new trustee or trustees as are conferred upon the original trustee or
558 trustees by the deed creating the estate. The death of a trustee shall not operate to cast title
559 upon his heirs, devisees, executors, or administrators, but the same shall vest in his
560 successor, when appointed.

561 53-12-156.
562 In addition to investments in any property, as such word is defined in Code Section
563 53-12-150, the trustee or trustees of a trust created under Code Section 53-12-151 may
564 invest any funds of the trust estate in investments authorized to be made by trustees under
565 the laws of this state; provided, however, that the deed creating the estate may further limit
566 or expand the powers and authority of the trustee or trustees with respect to investments,
567 including the power to invest in property located outside this state. The trustee or trustees
568 are authorized and empowered, in accordance with the terms of the deed creating the estate,
569 from corpus or from income or from both, to repurchase or redeem any issued and
570 outstanding certificates of beneficial interest.

571 53-12-157.
572 Each trust created pursuant to this article shall make a return to the Secretary of State, upon
573 the creation of the trust and annually thereafter, in the same manner and embracing the
574 same information, insofar as applicable, as returns by corporations which are required to
575 be made under Articles 1 and 16 of Chapter 2 of Title 14, including the provisions with
576 regard to fees, penalty for noncompliance, and recording and certifying of copies of the
577 returns.

578 53-12-158.
579 Upon the termination of the estate created under Code Section 53-12-151, the legal title to
580 all the property belonging to the estate which is then undisposed of shall pass to and vest
581 in the persons who are, at that time, the beneficiaries of the estate, in shares corresponding
582 with their respective interest as beneficiaries.

- 583 53-12-159.
- 584 (a) Any trust created pursuant to this article may be merged into a domestic corporation
585 for profit organized under the laws of this state and subject to Title 14 if the deed creating
586 the trust expressly authorizes the merger.
- 587 (b) With respect to the required procedure for the merger and the rights of dissenting
588 shareholders:
- 589 (1) The trust shall comply with any applicable provisions of the deed creating the trust
590 and with the following Code sections, as if the trust were a domestic corporation:
591 (A) Subsection (b) of Code Section 14-2-1103, relating to director approval of a plan
592 of merger, as if the trustee or trustees of the trust were a board of directors of a
593 domestic corporation;
- 594 (B) Subsections (c) through (i) of Code Section 14-2-1103, relating to shareholder
595 approval, and Code Sections 14-2-1301 through 14-2-1332, relating to rights of
596 dissenting shareholders, as if the holders of certificates of beneficial interest in the trust
597 were shareholders of a domestic corporation; and
- 598 (C) Code Sections 14-2-1105 and 14-2-1105.1, relating to execution of articles of
599 merger and filing of the articles, together with other required documents, with the
600 Secretary of State; and
- 601 (2) The domestic corporation into which the trust is merged shall comply with the
602 provisions of Title 14 relating to the merger of domestic corporations, in the same manner
603 as if the trust being merged into it were a domestic corporation.
- 604 (c) Upon compliance with the requirements of this Code section and the filing of articles
605 of merger providing for a merger of the trust into a domestic corporation in the manner
606 provided in Code Sections 14-2-1105 and 14-2-1105.1, the Secretary of State shall treat
607 the merger as if it were a merger of corporations under Code Sections 14-2-1105 and
608 14-2-1105.1.
- 609 (d) If the Secretary of State issues a certificate of merger, the merger shall become
610 effective as of the time of delivery to the Secretary of State of the articles of merger so
611 certified, as provided in Code Section 14-2-1105, or at such later time and date as the
612 articles specify, not to exceed 60 days from the date of delivery of the articles to the
613 Secretary of State. When the merger has become effective:
- 614 (1) The trust and the domestic corporation into which the trust is merged shall be a single
615 domestic corporation;
- 616 (2) The separate existence of the trust shall cease;
- 617 (3) The domestic corporation shall continue to have all the rights, privileges, immunities,
618 and powers and shall be subject to all the duties and liabilities of a corporation organized
619 under Title 14;

(4) The domestic corporation shall thereupon and thereafter possess all the rights, privileges, immunities, and franchises, of a public as well as of a private nature, of the trust; and all property, real, personal, and mixed, all debts due on whatever account, including subscriptions to shares, all other choses in action, and all and every other interest of or belonging to or due to the trust shall be taken and deemed to be transferred to and vested in the domestic corporation without further act or deed; and the title to any real property or any interest therein vested in the trust shall not revert or be in any way impaired by reason of the merger;

(5) The domestic corporation shall thenceforth be responsible and liable for all the liabilities and obligations of the trust. Any claim existing or action or proceeding pending by or against the trust may be prosecuted as if the merger had not taken place, or the domestic corporation may be substituted in its place. Neither the rights of creditors nor any liens upon the property of the trust shall be impaired by the merger; and

(6) The articles of incorporation of the domestic corporation shall be deemed to be amended to the extent, if any, that changes in its articles of incorporation are stated in the plan of merger."

SECTION 3.

Said title is further amended by replacing Chapter 13, which has been repealed, with a new Chapter 13 to read as follows:

"CHAPTER 13

ARTICLE 1

(c) Except to the extent that the principles of common law and equity governing trusts are modified by this chapter or any other provision of law, such principles remain the law of the state.

53-13-2.

660 (5) 'Trust property' means property the legal title to which is held by the trustee. The

715 (a) The effect of the provisions of this chapter and Chapters 12, 14, and 15 may be varied

732 ARTICLE 2

733 Part 1

734 53-13-20.
735 Notwithstanding any provision therein to the contrary and except as provided in Code
736 Section 53-13-21, the articles of incorporation of any corporation which is a private
737 foundation, as defined in Section 509 of the federal Internal Revenue Code, shall be
738 amended automatically as of the later of the date of incorporation or January 1, 1972, to
739 provide that the corporation shall:
740 (1) Not engage in any act of self-dealing, as defined in Section 4941(d) of the federal
741 Internal Revenue Code, which would give rise to any liability for the tax imposed by
742 Section 4941 of the federal Internal Revenue Code;
743 (2) Not retain any excess business holdings, as defined in Section 4943(c) of the federal
744 Internal Revenue Code, which would give rise to any liability for the tax imposed by
745 Section 4943 of the federal Internal Revenue Code;
746 (3) Not make any investments which would jeopardize the carrying out of any of the
747 exempt purposes of the corporation, within the meaning of Section 4944 of the federal
748 Internal Revenue Code, so as to give rise to any liability for the tax imposed by Section
749 4944 of the federal Internal Revenue Code;

750 (4) Not make any taxable expenditures, as defined in Section 4945(d) of the federal
751 Internal Revenue Code, which would give rise to any liability for the tax imposed by
752 Section 4945 of the federal Internal Revenue Code; and
753 (5) Distribute for the purpose specified in its articles of incorporation for each taxable
754 year amounts at least sufficient to avoid any liability for the tax imposed by Section 4942
755 of the federal Internal Revenue Code.

756 53-13-21.

757 Any corporation which is a private foundation, as defined in Section 509 of the federal
758 Internal Revenue Code, may amend its articles of incorporation expressly to exclude the
759 application of Code Section 53-13-20 or any portion thereof in the manner provided by
760 Article 10 of Chapter 2 of Title 14 or Article 8 of Chapter 3 of Title 14, whichever is
761 applicable.

762 53-13-22.

763 Nothing contained in Code Sections 53-13-20 and 53-13-21 shall cause or be construed to
764 cause a forfeiture or reversion of any of the property of a corporation which is subject to
765 such Code sections.

766 53-13-23.

767 With respect to property held by a corporation which is a private foundation, as defined in
768 Section 509 of the federal Internal Revenue Code, and which is subject to conditions which
769 permit distributions to the extent of the net income of the property each year but do not
770 permit distributions of the property or any part thereof itself, the directors of the
771 corporation may elect to distribute so much of the property as may be necessary to enable
772 the corporation to avoid liability for any tax imposed by Section 4942 of the federal
773 Internal Revenue Code in the same manner as if the corporation were a trust described in
774 Code Section 53-13-43 and the property were the only property held in the trust and as if
775 the directors were the trustees of the trust.

776 53-13-24.

777 Nothing in Code Sections 53-13-20 through 53-13-23 shall impair the rights and powers
778 of the courts or the Attorney General of this state with respect to any corporation.

779

Part 2780 53-13-40.

781 Notwithstanding any provision therein to the contrary and except as provided in Code
782 Section 53-13-42, the governing instrument of any trust which is a private foundation, as
783 defined in Section 509 of the federal Internal Revenue Code, a charitable trust, as defined
784 in Section 4947(a)(1) of the federal Internal Revenue Code, or a split-interest trust, as
785 defined in Section 4947(a)(2) of the federal Internal Revenue Code, shall be amended
786 automatically as of the later of the inception of the trust or January 1, 1972, to include
787 provisions which prohibit the trustees of the trust from:

788 (1) Engaging in any act of self-dealing, as defined in Section 4941(d) of the federal
789 Internal Revenue Code, which would give rise to any liability for the tax imposed by
790 Section 4941 of the federal Internal Revenue Code;

791 (2) Retaining any excess business holdings, as defined in Section 4943(c) of the federal
792 Internal Revenue Code, which would give rise to any liability for the tax imposed by
793 Section 4943 of the federal Internal Revenue Code;

794 (3) Making any investments which would jeopardize the carrying out of any of the
795 exempt purposes of the trust, within the meaning of Section 4944 of the federal Internal
796 Revenue Code, so as to give rise to any liability for the tax imposed by Section 4944 of
797 the federal Internal Revenue Code; and

798 (4) Making any taxable expenditures, as defined in Section 4945(d) of the federal
799 Internal Revenue Code, which would give rise to any liability for the tax imposed by
800 Section 4945 of the federal Internal Revenue Code;

801 provided, however, that in the case of a split-interest trust, as defined in Section 4947(a)(2)
802 of the federal Internal Revenue Code, paragraphs (1) through (4) of this Code section shall
803 apply only to the extent required by Section 4947 of the federal Internal Revenue Code.

804 53-13-41.

805 Notwithstanding any provision therein to the contrary and except as provided in Code
806 Section 53-13-42, the governing instrument of any trust which is a private foundation, as
807 defined in Section 509 of the federal Internal Revenue Code, or which is a charitable trust,
808 as defined in Section 4947(a)(1) of the federal Internal Revenue Code, shall be amended
809 automatically as of the later of the inception of the trust or January 1, 1972, to include a
810 provision which requires the trustees to distribute, for the purposes specified in the
811 governing instrument, for each taxable year, amounts at least sufficient to avoid any
812 liability for the tax imposed by Section 4942 of the federal Internal Revenue Code.

813 53-13-42.

814 The trustees of any trust which is a private foundation, as defined in Section 509 of the
815 federal Internal Revenue Code, a charitable trust, as defined in Section 4947(a)(1) of the
816 federal Internal Revenue Code, or a split-interest trust, as defined in Section 4947(a)(2) of
817 the federal Internal Revenue Code, may, without judicial proceedings, amend the
818 governing instrument of the trust expressly to exclude the application of Code Section
819 53-13-40 or 53-13-41, or both, by executing a written amendment to the trust and filing a
820 duplicate original of the amendment with the Attorney General of this state, whereupon the
821 Code section or Code sections, as the case may be, shall not apply to the trust.

822 53-13-43.

823 (a) With respect to any trust which is a private foundation, as defined in Section 509 of the
824 federal Internal Revenue Code, or a charitable trust, as defined in Section 4947(a)(1) of the
825 federal Internal Revenue Code, the governing instrument of which permits distributions to
826 the extent of the net income of the trust each year but does not permit distributions from
827 trust principal, the trustees of the trust may elect, without judicial proceedings and
828 notwithstanding any provision to the contrary contained in the governing instrument of the
829 trust, to distribute in any year, for the purposes specified in the governing instrument, that
830 amount from the principal of the trust which, when added to the income of the trust
831 available for distribution during such year, will enable the trust to avoid any liability for
832 the tax imposed by Section 4942 of the federal Internal Revenue Code, by filing a written
833 election, which may be a continuing one, with the Attorney General of this state to have
834 this Code section and Code Section 53-13-23 apply to the trust. A distribution from trust
835 principal pursuant to the election shall only be in the form of cash or securities which are
836 either listed or admitted to unlisted trading privileges upon any stock exchange or are
837 quoted regularly in any newspaper or newspapers having a general circulation in this state.

838 (b) Any election made under subsection (a) of this Code section may be revoked at any
839 time by filing written notice of revocation with the Attorney General of this state.

840 53-13-44.

841 Nothing contained in Code Sections 53-13-40 through 53-13-43 shall cause or be construed
842 to cause a forfeiture or reversion of any of the property of a trust which is subject to such
843 Code sections or to make the purposes of the trust impossible of accomplishment.

844 53-13-45.

845 Nothing in Code Sections 53-13-40 through 53-13-43 shall impair the rights and powers
846 of the courts or the Attorney General of this state with respect to any trust."

847

SECTION 4.

848 Said title is further amended by replacing Chapter 14, which has been repealed with a new
849 Chapter 14 to read as follows:

850 "CHAPTER 14

851 ARTICLE 1

852 Part 1

853 53-14-1.

854 As used in this chapter, the term:

855 (1) 'Ascertainable standard' means a standard relating to an individual's health, education,
856 support, or maintenance within the meaning of Section 2041(b)(1)(A) or 2514(c)(1) of
857 the federal Internal Revenue Code of 1986.

858 (2) 'Beneficiary' means a person for whose benefit property is held in trust, regardless
859 of the nature of the interest, and includes any beneficiary, whether vested or contingent,
860 born or unborn, ascertained or unascertained.

861 (3) 'Express trust' means a trust as described in Code Section 53-12-10.

862 (4) 'Person' means an individual, corporation, partnership, association, joint-stock
863 company, business trust, unincorporated organization, limited liability company, or other
864 legal entity, including any of the foregoing acting as a fiduciary.

865 (5) 'Property' means any type of property, whether real or personal, tangible or
866 intangible, legal or equitable.

867 (6) 'Qualified beneficiary' means a living individual or other existing person who, on the
868 date of determination of beneficiary status:

869 (A) Is a distributee or permissible distributee of trust income or principal;

870 (B) Would be a distributee or permissible distributee of trust income or principal if the
871 interests of the distributees described in subparagraph (A) of this paragraph terminated
872 on that date without causing the trust to terminate; or

873 (C) Would be a distributee or permissible distributee of trust income or principal if the
874 trust terminated on that date.

875 (7) 'Settlor' means the person who creates the trust, including a testator in the case of a
876 testamentary trust. The terms 'grantor' and 'trustor' mean the same as 'settlor.'

877 (8) 'Trust' means an express trust or an implied trust.

878 (9) 'Trust instrument' means the document or documents, including any testamentary
879 instrument, that contains the trust provisions.

880 (10) 'Trust property' means property the legal title to which is held by the trustee. The
881 term also includes choses in action, claims, and contract rights, including a contractual

882 right to receive death benefits as designated beneficiary under a policy of insurance,
883 contract, employees' trust or other arrangement. The terms 'trust corpus' and 'trust res'
884 mean the same as 'trust property.'

885 (11) 'Trust res' means trust property.

886 (12) 'Trustee' means the person or persons holding legal title to the property in trust.

887 53-14-2

888 A trustee must have legal capacity under Georgia law to acquire, hold, and transfer title to
889 property. An individual is eligible to serve as a trustee regardless of citizenship or
890 residency. If the trustee is a corporation, partnership or other entity, it must have the power
891 to act as a trustee in Georgia.

892 53-14-3

893 (a) A settlor may appoint trustees or grant that power to others, including trust
894 beneficiaries.

895 (b) A trust shall never fail for want of a trustee.

896 (c) If the trust instrument names a person to fill a vacancy or provides a method of
897 appointing a trustee, any vacancy shall be filled or appointment made as provided in the
898 trust instrument.

899 (d) If all the qualified beneficiaries are sui juris, or if some of the qualified beneficiaries
900 are not sui juris but all have a guardian or conservator, the qualified beneficiaries may
901 appoint a trustee by unanimous consent. For purposes of this paragraph a parent may
902 represent and bind the parent's minor or unborn child if a conservator or guardian for the
903 child has not been appointed and there is no conflict of interest between the parent and the
904 child with respect to the appointment of a trustee.

905 (e) In all other cases, the court, on petition of an interested person, may appoint any
906 number of trustees consistent with the intention of the settlor and the interests of the
907 beneficiaries.

908 (f) The petition provided for in subsection (e) of this Code section shall be served upon all
909 qualified beneficiaries or their guardians or conservators. The court shall appoint a
910 guardian ad litem for each non-sui juris beneficiary who has no guardian or conservator
911 and service of notice of the petition shall be made on such guardian ad litem.

912 (g) A trustee appointed as a successor trustee shall have all the authority of the original
913 trustee.

914 53-14-4.

915 (a) The acceptance of a trust is necessary to constitute a person as trustee. Acceptance may
916 be effected by acts as well as words. After acceptance, the trustee may not decline the
917 trusteeship.

918 (b) Except as otherwise provided in subsection (c) of this Code section, a person
919 designated as trustee accepts the trusteeship:

920 (1) By substantially complying with a method of acceptance provided in the trust
921 instrument; or

922 (2) If the trust instrument does not provide a method or the method provided in the trust
923 instrument is not expressly made exclusive, by accepting delivery of the trust property,
924 exercising powers or performing duties as trustee, or otherwise indicating acceptance of
925 the trusteeship.

926 (c) A person designated as trustee, without accepting the trusteeship, may act to preserve
927 the trust property if, as soon as practicable, the person rejects or declines the trusteeship.

928 53-14-5.

929 (a) A trustee is not required to give a bond to secure performance of the trustee's duties
930 unless:

931 (1) The trust instrument requires a bond; or

932 (2) A bond is found by the court to be necessary to protect the interests of beneficiaries
933 or creditors of the trust, even though the trust instrument waives the requirement of a
934 bond.

935 (b) Even though a bond has been required pursuant to subsection (a) of this Code section
936 or the trust instrument requires a bond, the court may excuse the requirement, reduce or
937 increase the amount of a bond, release a surety, or permit the substitution of another bond
938 with the same or different sureties.

939 (c) The cost of any bond shall be charged against the trust.

940 (d) If a bond is required, the bond shall be:

941 (1) Secured by an individual who is a domiciliary of this state or by a licensed
942 commercial surety authorized to transact business in this state;

943 (2) Payable to the court for the benefit of interested persons as their interests may appear;

944 (3) Conditioned upon the faithful discharge of the trustee's duties; and

945 (4) If imposed by the court, in an amount and with sureties and liabilities as required by
946 the court.

947 (e) Any other law to the contrary:

948 (1) A financial institution, trust company, national or state bank, savings bank, or savings
949 and loan association described in Code Section 7-1-242 that seeks to serve as a trustee

950 under any trust created under or governed by the laws of this state is not required to give
951 bond for the faithful performance of its duties unless its combined capital, surplus, and
952 undivided profits are less than \$3 million as reflected in its last statement filed with the
953 Comptroller of the Currency of the United States or the commissioner of banking and
954 finance;

955 (2) In every case in which the trustee of any trust is required to give bond for the faithful
956 performance of the trustee's duties in such fiduciary capacity, the bond shall be in a value
957 equal to double the value of the trust estate; provided, however, that the trustee may give
958 bond in an amount equal to the value of the trust estate if the bond is secured by a
959 licensed commercial surety authorized to transact business in this state. For purposes of
960 this paragraph, the term 'trust estate' shall exclude real property and improvements
961 thereon held by the trustee in a fiduciary capacity; provided, however, that upon the
962 conversion of any such real property into personality, the trustee shall give a new bond
963 including the value of the personality into which the real property has been converted.

964 (f) The trustee and any surety shall be held and deemed joint and several obligors and may
965 be subjected jointly and severally to liability in the same action. No prior judgment
966 establishing the liability of the trustee shall be necessary before an action is brought against
967 the sureties on the bond.

968 (g) When a judgment has been obtained against the principal and surety or sureties on the
969 bond of a trustee, a levy may be made upon any property of any defendant in fi. fa.

970 (h) A court of competent jurisdiction shall be authorized to enter a judgment and to issue
971 a writ of execution against the principal and surety or sureties on the bond of a trustee and
972 shall be further authorized to grant judgment and execution in favor of the surety or sureties
973 against the principal upon payment of the judgment by the surety or sureties.

974 (i) Failure to comply with this Code section shall not make void or voidable or otherwise
975 affect an act or transaction of a trustee with any third party.

976 53-14-6.

977 The authority of cotrustees to act on behalf of the trust shall be as follows:

978 (1) A power vested in two or more trustees may only be exercised by their unanimous
979 action, provided, however, that a cotrustee may delegate to one or more other cotrustees
980 the performance of ministerial acts;

981 (2) If a vacancy occurs in the office of a cotrustee, the remaining cotrustee or cotrustees
982 may act unless or until the vacancy is filled; and

983 (3) While a cotrustee is unable to act because of inaccessibility, illness, or other
984 temporary incapacity, the remaining cotrustee or cotrustees may act as if they were the
985 only trustees when necessary to accomplish the purposes of the trust.

986 53-14-7.

987 (a) The effect of the provisions of this chapter and Chapters 12, 13, and 15 may be varied
988 by the trust instrument except:

989 (1) As to any requirements in Article 2 of Chapter 12 relating to the creation and validity
990 of express trusts;

991 (2) As to the effect of the rules as provided in Article 5 of Chapter 12 relating to
992 spendthrift trusts;

993 (3) As to the power of the beneficiaries to modify a trustee's compensation as provided
994 in Code Section 53-14-6;

995 (4) As to the duty of a trustee to administer the trust and to exercise discretionary powers
996 in good faith, as provided in Code Sections 53-14-30 and 53-14-38;

997 (5) As to the effect of a provision relieving a trustee from liability, as provided in Code
998 Section 53-14-53; and

999 (6) As to the periods of limitation on actions, as provided in Code Sections 53-12-25 and
1000 53-14-57.

1001 (b) Nothing in a trust instrument shall prohibit or limit a court from taking any actions
1002 authorized by the provisions of this chapter or Chapters 12, 13, and 15 or as otherwise
1003 provided by law.

1004 Part 2

1005 53-14-20.

1006 (a) Trustees shall be compensated in accordance with either the trust instrument or any
1007 separate written agreement between the trustee and the settlor. After the settlor's death or
1008 incapacity or while the trust is irrevocable, the trust instrument or the agreement relating
1009 to the trustee's compensation may be modified as follows:

1010 (1) If all the qualified beneficiaries are sui juris, or if some of the qualified beneficiaries
1011 are not sui juris but all of them have a guardian or conservator, the trustee and the sui
1012 juris qualified beneficiaries and the guardians or conservators of non-sui juris qualified
1013 beneficiaries may by unanimous consent modify the trust instrument or agreement
1014 relating to the trustee's compensation without receiving the approval of any court; and

1015 (2) If one or more of the non-sui juris qualified beneficiaries has no guardian or
1016 conservator, and all of the other qualified beneficiaries, including the guardians or
1017 conservators of non-sui juris qualified beneficiaries, and the trustee are in agreement, any
1018 sui juris qualified beneficiary or the guardian or conservator of a non-sui juris beneficiary
1019 or the trustee shall petition the court to approve a modification of the trust instrument or
1020 agreement relating to the trustee's compensation. The court shall appoint a guardian ad

1021 litem for each non-sui juris beneficiary who does not have a guardian or conservator and
1022 service of notice of the petition for modification of the trustee's compensation shall be
1023 made on each such guardian ad litem. The court shall hold a hearing and shall either
1024 allow or deny the modification that is requested in the petition.

1025 (b) If there is no provision for trustee compensation in the trust instrument and there is no
1026 separate written agreement between the trustee and the settlor relating to the trustee's
1027 compensation, a separate written agreement relating to the trustee's compensation may be
1028 entered into between the trustee and the qualified beneficiaries as follows:

1029 (1) If all the qualified beneficiaries are sui juris or if some of the qualified beneficiaries
1030 are not sui juris but the all of them have a guardian or conservator, the trustee and the sui
1031 juris qualified beneficiaries and the guardians or conservators of non-sui juris
1032 beneficiaries may by unanimous consent enter into an agreement relating to the trustee's
1033 compensation without receiving the approval of any court;

1034 (2) If one or more of the non-sui juris qualified beneficiaries has no guardian or
1035 conservator, and all of the other qualified beneficiaries including the guardians or
1036 conservators of non-sui juris qualified beneficiaries, and the trustee are in agreement, any
1037 sui juris qualified beneficiary or the guardian or conservator of a non-sui juris beneficiary
1038 or the trustee shall petition the court to approve an agreement relating to the trustee's
1039 compensation. The court shall appoint a guardian ad litem for each non-sui juris
1040 beneficiary who does not have a guardian or conservator and service of notice of the
1041 petition for approval of the agreement shall be made on each such guardian ad litem. The
1042 court shall hold a hearing and shall either allow or deny the agreement that is requested
1043 in the petition.

1044 (c) In cases other than those described in subsections (a) and (b) of this Code section, the
1045 trustee shall be entitled to compensation as follows:

1046 (1) With respect to a corporate trustee, its published fee schedule provided such fees are
1047 reasonable under the circumstances; and

1048 (2) With respect to an individual Trustee:

1049 (A) One percent of cash and the fair market value of any other principal asset received
1050 upon the initial funding of the trust and at such time as additional principal assets are
1051 received; and

1052 (B) An annual fee calculated in accordance with the following schedule based upon the
1053 cash and the market value of the other principal assets valued as of the last day of the
1054 trust accounting year prorated based on the length of service by the trustee during that
1055 year.

	<u>Percentage Fee</u>	<u>Market Value</u>
1057	<u>1.75 percent / year on the first</u>	<u>\$ 500,000.00</u>
1058	<u>1.25 percent / year on the next</u>	<u>\$ 500,000.00</u>
1059	<u>1.00 percent / year on the next</u>	<u>\$ 1,000,000.00</u>
1060	<u>0.85 percent / year on the next</u>	<u>\$ 3,000,000.00</u>
1061	<u>0.50 percent / year on values over</u>	<u>\$ 5,000,000.00</u>

1062 53-14-21.

1063 Unless any separate written agreement provides otherwise:

1064 (1) Each cotrustee shall be compensated as specified by the terms of the trust, as each
 1065 trustee may have agreed or in accordance with a published fee schedule and such
 1066 compensation among cotrustees shall not be apportioned unless they shall agree
 1067 otherwise; and

1068 (2) The annual fee paid pursuant to subparagraph (c)(2)(B) of Code Section 53-14-20
 1069 shall be apportioned among trustees and successor trustees according to the proportion
 1070 of time each rendered services during the year.

1071 53-14-22.

1072 (a) A trustee who is receiving compensation as described in subsection (c) of Code Section
 1073 53-14-20 may petition the court for compensation that is greater than the compensation
 1074 allowed under that subsection. Service of notice of the petition for extra compensation shall
 1075 be made on all qualified beneficiaries or their guardians or conservators. The court shall
 1076 appoint a guardian ad litem for each non-sui juris qualified beneficiary who does not have
 1077 a guardian or conservator and service of notice of the petition for modification of the
 1078 trustee's compensation shall be made on each such guardian ad litem.

1079 (b) After hearing any objection, the court shall allow such extra compensation as the court
 1080 deems reasonable. The allowance of extra compensation shall be conclusive as to all parties
 1081 in interest.

1082 53-14-23.

1083 A trustee is entitled to be reimbursed out of the trust property for reasonable expenses that
 1084 were properly incurred in the administration of the trust.

1085 53-14-24.

1086 (a) Any trustee may receive compensation for services, as specified in this subsection,
1087 from a corporation or other business enterprise, where the trust estate owns an interest in
1088 the corporation or other business enterprise, provided that:

1089 (1) The services provided by the trustee to the corporation or other business enterprise
1090 are of a managerial, executive, or business advisory nature;

1091 (2) The compensation received for the services is reasonable; and

1092 (3) The services are performed and the trustee is paid pursuant to a contract executed by
1093 the trustee and the corporation or business enterprise, which contract is approved by a
1094 majority of those members of the board of directors or other similar governing authority
1095 of the corporation or business enterprise who are not officers or employees of the trustee
1096 and are not related to the trustee and provided, further, the contract is approved by the
1097 court.

1098 (b) Any trustee receiving compensation from a corporation or other business enterprise for
1099 services to it as described in subsection (a) of this Code section shall not receive extra
1100 compensation in respect to such services as provided in Code Section 53-14-22; provided,
1101 however, that nothing in this Code section shall prohibit the receipt by the trustee of extra
1102 compensation for services rendered in respect to other assets or matters involving the trust
1103 estate.

1104 (c) Nothing in this Code section shall prohibit the receipt by trustees of normal
1105 commissions and compensation for the usual services performed by trustees pursuant to
1106 law or pursuant to any fee agreement executed by the settlor.

1107 (d) The purpose of this Code section is to enable additional compensation to be paid to
1108 trustees for business management and advisory services to corporations and business
1109 enterprises pursuant to contract, without the necessity of petitioning for extra compensation
1110 pursuant to Code Section 53-14-22.

1111 Part 3

1112 53-14-40.

1113 (a) A trustee may resign:

1114 (1) In the manner and under the circumstances described in the trust instrument;

1115 (2) Upon petition to the court showing that all of the qualified beneficiaries are sui juris
1116 or that of the non-sui juris qualified beneficiaries have guardians or conservators and that
1117 all the qualified beneficiaries or their guardians or conservators have agreed in writing
1118 to the resignation; or

1119 (3) If all the sui juris qualified beneficiaries and their guardians or conservators are not
1120 in agreement, or if one or more of the qualified beneficiaries is not sui juris and has no
1121 guardian or conservator, upon petition to the court showing to the satisfaction of the court
1122 that:

- 1123 (A) The trustee is unable to continue serving as trustee due to age, illness, infirmity,
1124 or similar reason;
- 1125 (B) Greater burdens have devolved upon the office of trustee than those which were
1126 originally contemplated or should have been contemplated when the trust was accepted
1127 and the assumption of the additional burdens would work a hardship upon the trustee;
- 1128 (C) Disagreement exists between one or more of the beneficiaries of the trust and the
1129 trustee in respect to the trustee's management of the trust, which disagreement and
1130 conflict appear detrimental to the best interests of the trust;
- 1131 (D) The resignation of the trustee will result in or permit substantial financial benefit
1132 to the trust;
- 1133 (E) The resigning trustee is one of two or more acting trustees and the cotrustee or
1134 cotrustees will continue in office with no detriment to the trust contemplated; or
- 1135 (F) The resignation would not be disadvantageous to the trust.

1136 (b) The petition to the court provided for in paragraph (3) of subsection (a) of this Code
1137 section shall be served upon all qualified beneficiaries or their guardians or conservators.
1138 The court shall appoint a guardian ad litem for each non-juris beneficiary who does not
1139 have a guardian or conservator and service of notice of the petition for resignation shall be
1140 made on each such guardian ad litem.

1141 (c) The resignation of a trustee shall not relieve the trustee from liability for any actions
1142 prior to the resignation except to the extent the trustee is relieved by the court in the
1143 appropriate proceeding, or to the extent relieved by the trust instrument.

1144 (d) If the resignation would create a vacancy required to be filled, then the resignation
1145 shall not be effective until the successor accepts the trust.

1146 53-14-41.

1147 (a) A trustee may be removed:

1148 (1) In accordance with the provisions of the trust instrument; or

1149 (2) Upon petition to the court by any interested person showing good cause.

1150 (b) In the discretion of the court, in order to protect the trust property or the interests of
1151 any beneficiary, on its own motion or on motion of a cotrustee or other interested person,
1152 the court may compel the trustee whose removal is being sought to surrender trust property
1153 to a cotrustee or to a receiver or temporary trustee pending a decision on a petition for

1154 removal of a trustee or pending appellate review of such decision. To the extent the court
1155 deems necessary, the powers of the trustee also may be suspended.

1156 ARTICLE 2

1157 53-14-60.

1227 Part 1

1228 53-14-80.

1229 (a) The duties contained in this part are in addition to and not in limitation of the common
1230 law duties of the trustee, except to the extent inconsistent therewith.

1231 (b) Upon acceptance of a trusteeship, the trustee shall administer the trust in good faith,
1232 in accordance with its provisions and purposes.

1233 53-14-81.

1234 In administering a trust, the trustee shall exercise the judgment and care of a prudent person
1235 acting in a like capacity and familiar with such matters, considering the purposes,
1236 provisions, distribution requirements, and other circumstances of the trust.

1237 53-14-82.

1238 (a) Within 60 days after the date of creation of an irrevocable trust or of the date on which
1239 a revocable trust becomes irrevocable, the trustee shall notify the qualified beneficiaries
1240 of the trust of the existence of the trust and the name and mailing address of the trustee.
1241 In full satisfaction of this obligation, the trustee may deliver the notice to the guardian or
1242 conservator of any non sui-juris beneficiary.

1243 (b) All irrevocable trusts in existence on the effective date of this part will be deemed to
1244 have waived this provision unless the trust instrument says otherwise.

1245 53-14-83.

1246 (a) On reasonable request by any qualified beneficiary or the guardian or conservator of
1247 a non-sui juris qualified beneficiary, the trustee shall provide the qualified beneficiary with
1248 a report of information, to the extent relevant to that beneficiary's interest, about the assets,
1249 liabilities, receipts, and disbursements of the trust, the acts of the trustee, and the particulars
1250 relating to the administration of the trust, including the trust provisions that describe or
1251 affect that beneficiary's interest.

1252 (b)(1) A trustee shall account at least annually, at the termination of the trust, and upon
1253 a change of trustees, to each qualified beneficiary of an irrevocable trust to whom income
1254 is required or authorized in the trustee's discretion to be distributed currently, and to any
1255 person who may revoke the trust. At the termination of the trust, the trustee shall also

1256 account to each remainder beneficiary. Upon a change of trustees, the trustee shall also
1257 account to the successor trustee. In full satisfaction of this obligation, the trustee may
1258 deliver the accounting to the guardian or conservator of any qualified beneficiary who is
1259 non-sui juris.

1260 (2) An accounting furnished to a qualified beneficiary pursuant to paragraph (1) of this
1261 subsection shall contain a statement of receipts and disbursements of principal and

1268 of the trust provide otherwise or the settlor of the trust directs otherwise in a writing
1269 delivered to the trustee.

1273 A trustee shall distribute all net income derived from the trust at least annually.

1274 53-14-85.

1286 enterprise, where the trust estate owns an interest in the corporation or other business
1287 enterprise.

1288 53-14-87.

1289 Except to the extent that the governing instrument clearly manifests an intention that the
1290 trustee shall or may favor one or more of the beneficiaries, a trustee shall administer a trust
1291 impartially based on what is fair and reasonable to all of the beneficiaries and with due
1292 regard to the respective interests of income beneficiaries and remainder beneficiaries.

1293 Part 2

1527 powers:

- 1528 (1) To retain stock or other securities of its own issue received on the creation of the trust
1529 or later contributed to the trust, including the securities into which the securities
1530 originally received or contributed may be converted or which may be derived therefrom
1531 as a result of merger, consolidation, stock dividends, splits, liquidations, and similar
1532 procedures. The corporate fiduciary may exercise by purchase or otherwise any rights,
1533 warrants, or conversion features attaching to any such securities. The authority described
1534 in this paragraph shall:

- 1535 (A) Apply to the exchange or conversion of stock or securities of the corporate
1536 fiduciary's own issue, whether or not any new stock or securities received in exchange
1537 therefor are substantially equivalent to those originally held;
1538 (B) Apply to the continued retention of all new stock and securities resulting from
1539 merger, consolidation, stock dividends, splits, liquidations, and similar procedures and

1540 received by virtue of such conversion or exchange of stock or securities of the corporate
1541 fiduciary's own issue, whether or not the new stock or securities are substantially
1542 equivalent to those originally received by the fiduciary;

1543 (C) Have reference, inter alia, to the exchange of such stock or securities for stock or
1544 securities of any holding company which owns stock or other interests in one or more
1545 other corporations including the corporate fiduciary, whether the holding company is
1546 newly formed or already existing and whether or not any of the corporations own assets
1547 identical or similar to the assets of or carry on a business identical or similar to the
1548 corporation whose stock or securities were previously received by the fiduciary and the
1549 continued retention of stock or securities, or both, of the holding company; and
1550 (D) Apply regardless of whether any of the corporations have officers, directors,
1551 employees, agents, or trustees in common with the corporation whose stock or
1552 securities were previously received by the fiduciary.

1553 (2) To borrow money from its own banking department for such periods of time and
1554 upon such terms and conditions as to rates, maturities, renewals, and security as the
1555 fiduciary shall deem advisable for the purpose of paying debts, taxes, or other charges
1556 against the estate or any trust or any part thereof, and to mortgage, pledge, or otherwise
1557 encumber such portion of the estate or any trust as may be required to secure the loan or
1558 loans; and to renew existing loans either as maker or endorser.

1559 53-14-103.

1560 (a) By an expressed intention of the testator or settlor contained in a will or in an
1561 instrument in writing whereby an express trust is created, any or all of the powers or any
1562 portion thereof enumerated in this part, as they exist at the time of the signing of the will
1563 by the testator or at the time of the signing by the first settlor who signs the trust
1564 instrument, may be, by appropriate reference made thereto, incorporated in the will or other
1565 written instrument with the same effect as though such language were set forth verbatim
1566 in the instrument.

1567 (b) At any time after the execution of a revocable trust, the settlor or anyone who is
1568 authorized by the trust instrument to modify the trust may incorporate any or all of the
1569 powers or any portion thereof enumerated in this article, as they exist at the time of the
1570 incorporation.

1571 (c) Incorporation of one or more of the powers contained in this article, by reference to the
1572 appropriate portion of Code Section 53-14-101, shall be in addition to and not in limitation
1573 of the common-law or statutory powers of the fiduciary.

1574 (d)(1) A provision in any will or trust instrument which incorporates powers by citation
1575 to Georgia Laws 1973, page 846; Code 1933, Section 108-1204 (Harrison); or former

1576 Code Section 53-15-3 or 53-12-232 which were in effect at the time the trust was created
1577 and which was valid under the law in existence at the time the will was signed by the
1578 testator or at the time of the signing by the first settlor who signs the trust instrument shall
1579 be effective notwithstanding the subsequent repeal of such statute.

1580 (2) A provision in any will or trust instrument which was signed by the testator or by the
1581 first settlor to sign after June 30, 1991, but before July 1, 1992, and which incorporates
1582 powers by citation to former Code Section 53-15-3 in effect on the date of such signing
1583 shall be deemed to mean and refer to the corresponding powers contained in former Code
1584 Section 53-12-232.

1585 (e) If any or all of the powers contained in this article are incorporated by reference into
1586 a will by a testator:

- 1587 (1) The term 'trust' includes the estate held by the personal representative;
1588 (2) The terms 'trustee' or 'fiduciary' include the personal representative; and
1589 (3) The term 'beneficiaries of the trust' includes distributees of the estate.

1590 53-14-104.

1591 The qualified beneficiaries of a trust that omits any of the powers in Code Section
1592 53-14-101 may by unanimous consent authorize but not require the court to grant to the
1593 trustee those powers. With respect to any qualified beneficiary who is non-sui juris, such
1594 consent may be given by the duly appointed conservator, if any, or if none, by the duly
1595 appointed guardian, if any, or if none, by either parent in the case of a minor, or, if none,
1596 by a guardian ad litem appointed to represent the non-sui juris qualified beneficiary.

1597 Part 3

1598 53-14-120.

1599 (a) Subject to subsection (c) of this Code section, and unless the trust provisions expressly
1600 indicate that a rule in this subsection does not apply:

- 1601 (1) A person other than a settlor who is a beneficiary and trustee of a trust that confers
1602 on the trustee a power to make discretionary distributions to or for the trustee's personal
1603 benefit may exercise the power only in accordance with an ascertainable standard; and
1604 (2) A trustee may not exercise a power to make discretionary distributions to satisfy a
1605 legal obligation of support that the trustee personally owes another person.

1606 (b) A power whose exercise is limited or prohibited by subsection (a) of this Code section
1607 may be exercised by a majority of the remaining trustees whose exercise of the power is
1608 not so limited or prohibited. If the power of all trustees is so limited or prohibited, the court
1609 may appoint a special fiduciary with authority to exercise the power.

1610 (c) Subsection (a) of this Code section does not apply to:

1611 (1) A power held by the settlor's spouse who is the trustee of a trust for which a marital
1612 deduction, as defined in Section 2056(b)(5) or 2523(e) of the federal Internal Revenue
1613 Code of 1986, was previously allowed;

1614 (2) Any trust during any period that the trust may be revoked or amended by its settlor;
1615 or

1616 (3) A trust if contributions to the trust qualify for the annual exclusion under Section
1617 2503(c) of the federal Internal Revenue Code of 1986.

1618 Part 4

1619 53-14-130.

1620 (a) The trustee may present a certification of trust to any person other than a beneficiary
1621 in lieu of providing a copy of the trust instrument to establish the existence or the trust
1622 provisions.

1623 (b) The certification of trust as provided for in subsection (a) of this Code section shall
1624 contain some or all the following information:

1625 (1) That the trust exists and the date of the trust and any amendments;

1626 (2) The identity of each settlor;

1627 (3) The identity and address of each current trustee and, if more than one, the number
1628 and identity of those required to exercise the powers of the trustee;

1629 (4) The relevant powers of the trustee and any restrictions or limitations on those powers;

1630 (5) The revocability or irrevocability of the trust;

1631 (6) How trust property should be titled;

1632 (7) Except as specifically disclosed in the certification, that the transaction at issue
1633 requires no consent or action by any person other than the certifying trustee; and

1634 (8) Such other information as the trustee deems appropriate.

1635 (c) A certification of trust:

1636 (1) Must be signed by each trustee;

1637 (2) Must state that the trust has not been revoked, modified, or amended in any manner
1638 that would cause the representations contained in the certification to be incorrect; and

1639 (3) Need not contain the dispositive provisions of the trust.

1640 (d) The recipient of a certification of trust may require the trustee to furnish copies of those
1641 excerpts from the original trust instrument and any amendments that designate the trustee
1642 and confer upon the trustee the power to act in the pending transaction.

1643 (e) A person who acts in reliance upon the certification of trust without knowledge that
1644 any information therein is incorrect is not liable to any person for so acting and may
1645 assume without inquiry that the information is correct.

1646 (f) A person who in good faith enters into a transaction in reliance upon the certification
1647 of trust may enforce the transaction as if the information in the certification were correct.

1648 (g) A person making a demand for the trust instrument in addition to a certification of trust
1649 or excerpts is liable for damages, including court costs and attorney's fees, if the court
1650 determines that the demand was not made in good faith.

1651 (h) This Code section shall not limit the right of a person to obtain a copy of the trust
1652 instrument in a judicial proceeding concerning the trust.

1653 (i) A certification of trust in recordable form may be recorded in the office of the clerk of
1654 superior court.

1655 Part 5

1656 53-14-140.
1657 Whenever a bank or trust company is duly authorized to act and is acting as a fiduciary,
1658 which term shall include an executor, administrator, trustee, guardian, or conservator and
1659 has a nominee or nominees in whose name securities, including, without limitation, bonds,
1660 stocks, notes, and other evidences of title to intangible personal property, held as a
1661 fiduciary, may be registered, it shall be lawful to register securities in the name of the
1662 nominee or nominees without mention of the fiduciary relationship in the instrument
1663 evidencing the securities or on the books of the issuer of the same, provided that:
1664 (1) The records of the corporate fiduciary shall at all times clearly show that the
1665 securities are held by the corporate fiduciary in its capacity as fiduciary, together with the
1666 beneficial owner or owners thereof and all facts relating to its ownership, possession, and
1667 holding thereof; and
1668 (2) The corporate fiduciary shall not be relieved of liability for the safe custody, control,
1669 and proper distribution of the securities by reason of the registration of same in the name
1670 of any nominee.

1671 53-14-141.
1672 If two or more fiduciaries are acting jointly in reference to any securities, it shall be lawful
1673 to register the property in the name of any nominee or any joint corporate fiduciary. In the
1674 event that more than one corporate fiduciary is acting, it shall be lawful to register
1675 securities in the name of any nominee of any one of the corporate fiduciaries.

1676 53-14-142.

1677 (a) Any fiduciary holding securities in its fiduciary capacity, any bank or trust company
1678 holding securities as a custodian or managing agent, and any bank or trust company
1679 holding securities as custodian for a fiduciary, is authorized to deposit or arrange for the
1680 deposit of the securities in a clearing corporation, as defined in Article 8 of Title 11. When
1681 the securities are deposited, certificates representing securities of the same class of the
1682 same issuer may be merged and held in bulk, in the name of the nominee of the clearing
1683 corporation, with any other such securities deposited in the clearing corporation by any
1684 person, regardless of the ownership of the securities, and certificates of small
1685 denominations may be merged into one or more certificates of larger denomination. The
1686 records of the fiduciary and the records of the bank or trust company acting as custodian,
1687 as managing agent, or as custodian for a fiduciary shall at all times show the name of the
1688 party for whose account the securities are deposited. Title to the securities may be
1689 transferred by bookkeeping entry on the books of the clearing corporation without physical
1690 delivery of certificates representing the securities.

1691 (b) A bank or trust company depositing securities pursuant to this Code section shall be
1692 subject to such rules and regulations as, in the case of state chartered institutions, the
1693 commissioner of banking and finance and, in the case of national banking associations, the
1694 comptroller of the currency may from time to time issue.

1695 (c) A bank or trust company acting as custodian for a fiduciary, on demand by the
1696 fiduciary, shall certify in writing to the fiduciary the securities deposited by the bank or
1697 trust company in the clearing corporation for the account of the fiduciary. A fiduciary, on
1698 demand by any party to a judicial proceeding for the settlement of the fiduciary's account
1699 or on demand by the attorney for the party, shall certify in writing to the party the securities
1700 deposited by the fiduciary in the clearing corporation for its account as the fiduciary.

1701 (d) This Code section shall apply to any fiduciary holding securities in its fiduciary
1702 capacity and to any bank or trust company holding securities as a custodian, managing
1703 agent, or custodian for a fiduciary acting on April 13, 1973, or acting thereafter, regardless
1704 of the date of the agreement, instrument, or court order by which it is appointed and
1705 regardless of whether or not the fiduciary, custodian, managing agent, or custodian for a
1706 fiduciary owns capital stock of the clearing corporation.

1707 ARTICLE 4

1708 53-14-143.

1709 The trustee is accountable to the beneficiary for the trust property. A violation by the
1710 trustee of any duty that the trustee owes the beneficiary is a breach of trust.

1711 53-14-144.

1712 (a) If a trustee commits a breach of trust, or threatens to commit a breach of trust, a
1713 beneficiary shall have a cause of action to seek:

1714 (1) To recover damages;

1715 (2) To compel the trustee to perform the trustee's duties;

1716 (3) To require an accounting;

1717 (4) To enjoin the trustee from committing a breach of trust;

1718 (5) To compel the trustee to redress a breach of trust by payment of money or otherwise;

1719 (6) To appoint a temporary trustee to take possession of the trust property and administer
1720 the trust or to suspend a trustee with or without the appointment of a temporary trustee;

1721 (7) To remove the trustee; and

1722 (8) To reduce or deny compensation of the trustee.

1723 (b) When trust assets are misapplied and can be traced in the hands of persons affected
1724 with notice of the misapplication, the trust shall attach to the assets. A creditor of a trust
1725 may follow assets in the hands of beneficiaries even if they were received without notice.

1726 (c) The remedy set forth in subsection (c) of Code Section 53-15-23 is the exclusive
1727 remedy for an abuse of discretion as provided in Code Sections 53-15-21 and 53-15-22.

1728 (d) The provision of remedies for breach of trust does not prevent resort to any other
1729 appropriate remedy provided by statute or common law.

1730 53-14-145.

1731 (a) A trustee who commits a breach of trust is personally chargeable with any damages
1732 resulting from the breach of trust, including but not limited to:

1733 (1) Any loss or depreciation in value of the trust property as a result of the breach of
1734 trust, with interest;

1735 (2) Any profit made by the trustee through the breach of trust, with interest;

1736 (3) Any amount that would reasonably have accrued to the trust or beneficiary if there
1737 had been no breach of trust, with interest; and

1738 (4) In the discretion of the court, expenses of litigation, including reasonable attorney's
1739 fees incurred in bringing an action on the breach or threat to commit a breach.

1740 (b) If the trustee is liable for interest, then the amount of the liability for interest shall be
1741 the greater of the following amounts:

1742 (1) The amount of interest that accrues at the legal rate on judgments; or

1743 (2) The amount of interest actually received.

1744 53-14-146.

1745 (a) No provision in a trust instrument is effective to relieve the trustee of liability for
1746 breach of trust committed in bad faith or with reckless indifference to the interests of the
1747 beneficiaries.

1748 (b) A trustee of a revocable trust is not liable to a beneficiary for any act performed or
1749 omitted pursuant to written direction from a person holding the power to revoke, including
1750 a person to whom the power to direct the trustee is delegated. If the trust is revocable in
1751 part, then this subsection applies with respect to the interest of the beneficiary in that part
1752 of the trust property.

1753 (c) Whenever a trust reserves to the settlor or vests in an advisory or investment committee
1754 or in any other person, including a cotrustee, to the exclusion of one or more trustees,
1755 authority to direct the making or retention of any investment, the excluded trustee shall be
1756 liable, if at all, only as a ministerial agent and not as trustee for any loss resulting from the
1757 making or retention or any investment pursuant to the authorized direction.

1758 53-14-147.

1759 (a) A successor trustee is liable to the beneficiary for breach of trust involving acts or
1760 omissions of a predecessor trustee only if the successor trustee:

1761 (1) Knows or reasonably should have known of a situation constituting a breach of trust
1762 committed by the predecessor trustee and the successor trustee improperly permits it to
1763 continue;

1764 (2) Neglects to take reasonable steps to compel the predecessor to deliver the trust
1765 property to the successor trustee; or

1766 (3) Neglects to take reasonable steps to redress a breach of trust committed by the
1767 predecessor trustee in a case where the successor trustee knows or reasonably should
1768 have known of the predecessor trustee's breach.

1769 (b) A trustee succeeding a trustee who was also the settlor is not liable to the beneficiary
1770 for any action taken or omitted to be taken by the prior trustee nor does such successor
1771 trustee have a duty to institute any action against such prior trustee or to file any claim
1772 against such prior trustee's estate for any of the prior trustee's acts or omissions as trustee.
1773 This subsection applies only with respect to a trust or any portion of a trust that was
1774 revocable by the settlor during the time that the settlor served as trustee and committed the
1775 act or omission.

1776 53-14-148.

1777 (a) A trustee is liable to the beneficiary for a breach committed by a cotrustee if the
1778 trustee:

1779 (1) Participates in a breach of trust committed by the cotrustee;
1780 (2) Improperly delegates the administration of the trust to the cotrustee;
1781 (3) Approves, knowingly acquiesces in, or conceals a breach of trust committed by the
1782 cotrustee;
1783 (4) Negligently enables the cotrustee to commit a breach of trust; or
1784 (5) Neglects to take reasonable steps to compel the cotrustees to redress a breach of trust
1785 in a case where the trustee knows or reasonably should have known of the breach of trust.
1786 (b) If two or more cotrustees are jointly liable to the beneficiary, each cotrustee is entitled
1787 to contribution from the other, as determined by the degree of each co-trustee's fault.

1788 53-14-149.

1789 (a) A trustee may maintain an action against a cotrustee to:
1790 (1) Compel the cotrustee to perform duties required under the trust;
1791 (2) Enjoin the cotrustee from committing a breach of trust; or
1792 (3) Compel the cotrustee to redress a breach of trust committed by the cotrustee.
1793 (b) The provision of remedies for breach of trust does not prevent resort to any other
1794 appropriate remedy provided by statute or common law.

1795 53-14-150.

1796 (a) Unless a claim is previously barred by adjudication, consent, limitation, or otherwise,
1797 if a beneficiary has received a written report that adequately discloses the existence of a
1798 claim against the trustee for breach of trust, the claim is barred as to that beneficiary unless
1799 a proceeding to assert the claim is commenced within two years after receipt of the report.
1800 A report adequately discloses existence of a claim if it provides sufficient information so
1801 that the beneficiary knows of the claim or reasonably should have inquired into the
1802 existence of the claim. If the beneficiary has not received a report which adequately
1803 discloses the existence of a claim against the trustee for breach of trust, the claim is barred
1804 as to that beneficiary unless a proceeding to assert the claim is commenced within six years
1805 after the beneficiary discovered, or reasonably should have discovered, the subject of the
1806 claim.

1807 (b) A successor trustee's claim against a predecessor trustee is barred unless a proceeding
1808 to assert the claim is commenced within two years after the successor trustee takes office.
1809 (c) A trustee's claim against a cotrustee is barred unless a proceeding to assert the claim
1810 is commenced within two years after the date the cause of action against the cotrustee
1811 arises.

1812 53-14-151.

1813 (a) A trustee shall not be personally liable on any warranty made in any conveyance unless
the intention to create a personal liability is distinctly expressed.

1815 (b) Unless otherwise provided in the contract, a trustee is not personally liable on contracts
properly entered into in the trustee's fiduciary capacity unless the trustee fails to reveal the
trustee's representative capacity in the contract.

1818 (c) A judgment rendered in an action brought against the trust shall impose no personal
liability on the trustee or the beneficiary.

act as a trustee in this state pursuant to the terms of this Code section.

1836 (b) Any nonresident trustee who acts as a trustee in this state shall be deemed to have
consented to service upon the Secretary of State of any summons, notice, or process in
connection with any action or proceeding in the courts of this state growing out of or based
upon any act or failure to act on the part of the trustee unless the trustee shall designate as
the agent for such service some person who may be found and served with notice,
summons, or process in this state by a designation to be filed, from time to time, in the
office of the Secretary of State, giving the name of the agent and the place in this state
where the agent may be found and served.

1844 (c) If a nonresident trustee fails to designate a person who may be found and served with
summons, notice, or process in this state, service of summons, notice, or process shall be

1846 made upon the trustee by serving a copy of the petition or other pleading, with process
1847 attached thereto on the Secretary of State. The service shall be sufficient service upon the
1848 nonresident trustee, provided that notice of the service and a copy of the petition and
1849 process is forthwith sent by registered or certified mail or statutory overnight delivery by
1850 the plaintiff or the plaintiff's agent to the trustee, in the state where the trustee resides, and
1851 the return receipt is appended to the summons or other process and filed with the summons,
1852 petition, and other papers in the court where the action is pending. The Secretary of State

1854 him under this Code section.

1857 or any other like or similar fiduciary capacity, whether the appointment is by law, will,
1858 deed, inter vivos trust, security deed, mortgage, deed of trust, court order, or otherwise
1859 without the necessity of complying with any law of this state relating to the qualification
1860 of foreign entities to do business in this state or the licensing of foreign entities to do
1861 business in this state, except as provided in this article, and notwithstanding any
1862 prohibition, limitation, or restriction contained in any other law of this state, provided only
1863 that:

1864 (1) The foreign entity is eligible to act as a fiduciary in this state under Code
1865 Section 7-1-242; and

1866 (2) The foreign entity is authorized to act in the fiduciary capacity in the state in which
1867 it is incorporated or organized, or, if the foreign entity is a national banking association,
1868 in the state in which it has its principal place of business.

1869 (b) Any foreign entity seeking to exercise fiduciary powers in this state, upon qualifying
1870 in this state to act in any of such fiduciary capacities, shall not be required by law to give
1871 bond, if bond is relieved by the instrument, law, or court order in which such entity has
1872 been designated to act in such fiduciary capacity.

1873 (c) Nothing in this article shall be construed to prohibit or make unlawful any activity in
1874 this state by a bank or other entity which is not incorporated or organized under the laws
1875 of this state or by a national bank which does not have its principal place of business in this
1876 state, which activity would be lawful in the absence of this article.

1877 53-14-173.

1878 A foreign entity, insofar as it acts in a fiduciary capacity in this state pursuant to this article,
1879 shall not be required to obtain a certificate of authority to transact business in this state as
1880 required by Article 15 of Chapter 2 of Title 14, but no such foreign entity shall establish

1881 or maintain in this state a place of business, branch office, or agency for the conduct in this
1882 state of business as a fiduciary.

1883 53-14-174.

1884 (a) Prior to the time when any foreign entity acts pursuant to the authority of this article
1885 in any fiduciary capacity in this state, the foreign entity shall file with the Secretary of State
1886 a verified statement which shall state:

1887 (1) The correct name of the foreign entity;

1892 (5) That it is authorized to act in a similar fiduciary capacity in the state in which it is
1893 incorporated or organized, or, if it is a national banking association, in which it has its
1894 principal place of business, and the basis on which it is eligible to act as a fiduciary in
1895 Georgia under Code Section 7-1-242; and

1896 (6) The name and address of a person who may be found and served with notice,
1897 summons, or process in this state and who is designated by the foreign entity as its agent
1898 for such service.

1899 (b) The statement provided for in subsection (a) of this Code section shall be verified by
1900 an officer of the foreign entity, and there shall be filed with it such certificates of public
1901 officials and copies of documents certified by public officials as may be necessary to show
1902 that the foreign entity is authorized to act in a fiduciary capacity similar to those in which
1903 it desires to act in this state, in the state in which it is incorporated or organized, or, if it is
1904 a national banking association, in which it has its principal place of business.

1905 (c) Any foreign entity that acts as a trustee in this state shall be deemed to have consented
1906 to service upon the Secretary of State of any summons, notice, or process in connection
1907 with any action or proceeding in the courts of this state growing out of or based upon any
1908 act or failure to act on the part of the trustee unless the trustee shall designate as the agent
1909 for such service some person who may be found and served with notice, summons, or
1910 process in this state by a designation to be filed, from time to time, in the office of the
1911 Secretary of State, giving the name of the agent and the place in this state where the agent
1912 may be found and served.

1913 (d) If a foreign entity fails to designate a person who may be found and served with
1914 summons, notice, or process in this state, service of summons, notice, or process shall be
1915 made upon the foreign entity by serving a copy of the petition or other pleading, with
1916 process attached thereto on the Secretary of State. The service shall be sufficient service

1917 upon the foreign entity, provided that notice of the service and a copy of the petition and
1918 process is forthwith sent by registered or certified mail or statutory overnight delivery by
1919 the plaintiff or the plaintiff's agent to the foreign entity at the address that is on file with the
1920 Secretary of State and the return receipt is appended to the summons or other process and
1921 filed with the summons, petition, and other papers in the court where the action is pending.
1922 The Secretary of State shall charge and collect a fee as set out in Code Section 45-13-26
1923 for service of process on him under this Code section."

SECTION 5.

1925 Said title is further amended by replacing Chapter 15, which has been repealed, with a new
1926 Chapter 15 to read as follows:

1927	<u>"CHAPTER 15"</u>
1928	<u>ARTICLE 1</u>
1929	<u>Part 1</u>

1930 53-15-1.

1931 (a) Except to the extent it would impair vested rights and except as otherwise provided by
1932 law, the provisions contained in this chapter shall apply to any trust regardless of the date
1933 it was created.

1934 (b) Nothing in a trust instrument shall prohibit or limit a court from taking any actions
1935 authorized by the provisions in this chapter or elsewhere in the laws of this state.

1936 (c) Except to the extent that the principles of common law and equity governing trusts are
1937 modified by this chapter or any other provision of law, such principles remain the law of
1938 the state.

1939 53-12-2.

1940 As used in this chapter, the term:

1941 (1) 'Beneficiary' means a person for whose benefit property is held in trust, regardless
1942 of the nature of the interest, and includes any beneficiary, whether vested or contingent,
1943 born or unborn, ascertained or unascertained.

1944 (2) 'Express trust' means a trust as described in Code Section 53-12-10.

1945 (3) 'Person' means an individual, corporation, partnership, association, joint-stock
1946 company, business trust, unincorporated organization, limited liability company, or other
1947 legal entity including any of the foregoing acting as a fiduciary

1948 (4) 'Property' means any type of property, whether real or personal, tangible or
1949 intangible, legal or equitable.

- 1950 (5) 'Settlor' means the person who creates the trust, including a testator in the case of a
1951 testamentary trust. The terms 'grantor' and 'trustor' mean the same as 'settlor.'
- 1952 (6) 'Trust' means an express trust or an implied trust.
- 1953 (7) 'Trust instrument' means the document or documents, including any testamentary
1954 instrument, that contains the trust provisions.
- 1955 (8) 'Trust property' means property the legal title to which is held by the trustee. The
1956 term also includes choses in action, claims, and contract rights, including a contractual
1957 right to receive death benefits as designated beneficiary under a policy of insurance,
1958 contract, employees' trust or other arrangement. The terms 'trust corpus' and 'trust res'
1959 mean the same as 'trust property.'
- 1960 (9) 'Trustee' means the person or persons holding legal title to the property in trust.

1961 53-15-3.

- 1962 (a) In investing and managing trust property, a trustee shall exercise the judgment and care
1963 under the circumstances then prevailing of a prudent person acting in a like capacity and
1964 familiar with such matters, considering the purposes, provisions, and distribution
1965 requirements of the trust.
- 1966 (b) Among the factors that a trustee shall consider in investing and managing trust assets
1967 are such of the following as are relevant to the trust or its beneficiaries:
- 1968 (1) General economic conditions;
- 1969 (2) The possible effect of inflation or deflation;
- 1970 (3) Anticipated tax consequences;
- 1971 (4) The attributes of the portfolio,
- 1972 (5) The expected return from income and appreciation;
- 1973 (6) Needs for liquidity, regularity of income, and preservation or appreciation of capital;
- 1974 (7) An asset's special relationship or special value, if any, to the purposes of the trust or
1975 to one or more of the beneficiaries or to the settlor;
- 1976 (8) The anticipated duration of the trust; and
- 1977 (9) Any special circumstances.
- 1978 (c) Any determination of liability for investment performance shall consider not only the
1979 performance of a particular investment but also the performance of the portfolio as a whole
1980 and as a part of an overall investment strategy having risk and return objectives reasonably
1981 suited to the trust.
- 1982 (d) A trustee who has special investment skills or expertise has a duty to use those special
1983 skills or expertise. A trustee who is named trustee in reliance upon the trustee's
1984 representation that the trustee has special investment skills or expertise will be held liable
1985 for failure to make use of that degree of skill or expertise.

1986 (e) A trustee may invest in any kind of property or type of investment consistent with the
1987 standards of this article.

1988 (f) A trustee that is a bank or trust company shall not be precluded from acquiring and
1989 retaining the securities of or other interests in an investment company or investment trust
1990 because the bank or trust company or an affiliate provides services to the investment
1991 company or investment trust as investment adviser, custodian, transfer agent, registrar,
1992 sponsor, distributor, manager, or otherwise and receives compensation for such services.

1993 53-15-4.

1994 A trustee shall reasonably manage the risk of concentrated holdings of assets in a trust by
1995 diversifying or by using other appropriate mechanisms, except as otherwise provided in this
1996 Code section, as follows:

1997 (1) The duty imposed by this Code section shall not apply if the trustee reasonably
1998 determines that, because of special circumstances, the purposes of the trust are better
1999 served without complying with the duty;

2000 (2) The trustee shall not be liable for failing to comply with the duty imposed by this
2001 Code section to the extent that the terms of the trust instrument limit or waive the duty;
2002 and

2003 (3) Except as provided in this paragraph, the duty imposed by this Code section shall
2004 apply on or after January 1, 2011. With respect to any trust that is or becomes
2005 irrevocable before January 1, 2011, the duty imposed by this Code section shall not
2006 apply:

2007 (A) To the trust to the extent such trust instrument directs or permits the trustee to
2008 retain, invest, exchange or reinvest assets without regard to any duty to diversify,
2009 without the need to diversify or create a diversity of investments, or without liability
2010 for either depreciation or failing to diversify, or contains other similar language
2011 expressing a settlor's intent to provide similar discretion to the trustee; or

2012 (B) Absent gross neglect, with respect to an asset that was transferred to the trustee of
2013 such trust by any settlor or gratuitous transferor.

2014 53-15-5.

2015 Within a reasonable time after accepting a trusteeship or receiving trust assets, a trustee
2016 shall review the trust assets and make and implement decisions concerning the retention
2017 and disposition of assets, in order to bring the trust portfolio into compliance with the
2018 purposes, provisions, distributions requirements, and other circumstances of the trust and
2019 with the requirements of this article.

- 2020 53-15-6.
- 2021 Compliance with the investment rules of this part is determined in light of the facts and
- 2022 circumstances existing at the time of a trustee's decision or action and not by hindsight.
- 2023 53-15-7.
- 2024 The following terminology or comparable language in the provisions of a trust, unless
- 2025 otherwise limited or modified, authorizes any investment or strategy permitted under this
- 2026 chapter: 'investments permissible by law for investment of trust funds,' 'legal investments,'
- 2027 'authorized investments,' 'using the judgment and care under the circumstances then
- 2028 prevailing that persons of prudence, discretion, and intelligence exercise in the
- 2029 management of their own affairs, not in regard to speculation but in regard to the
- 2030 permanent disposition of their funds, considering the probable income as well as the
- 2031 probable safety of their capital,' 'prudent man rule,' 'prudent trustee rule,' 'prudent person
- 2032 rule,' and 'prudent investor rule.'
- 2033 53-15-8.
- 2034 This article shall apply to trusts existing on and created after its effective date. As applied
- 2035 to trusts existing on its effective date, this article governs only decisions or actions
- 2036 occurring after that date.
- 2037 53-15-9.
- 2038 (a) A trustee may delegate investment and management functions that a prudent trustee of
- 2039 comparable skills could properly delegate under the circumstances. The trustee shall
- 2040 exercise reasonable care, skill, and caution in:
- 2041 (1) Selecting an agent;
- 2042 (2) Establishing the scope and terms of the delegation consistent with the purposes and
- 2043 provisions of the trust; and
- 2044 (3) Reviewing periodically the agent's actions in order to monitor the agent's
- 2045 performance and compliance with the terms of the delegation.
- 2046 (b) In performing a delegation function, an agent owes a duty to the trust to exercise
- 2047 reasonable care to comply with the terms of the delegation.
- 2048 (c) A trustee who complies with the requirements of subsection (a) of this Code section,
- 2049 and who takes reasonable steps to compel an agent to whom the function was delegated to
- 2050 redress a breach of duty to the trust, is not liable to the beneficiaries of the trust or to the
- 2051 trust for the decisions or actions of the agent to whom the function was delegated.

2052 (d) By accepting the delegation of a trust function from the trustee of a trust that is subject
2053 to the laws of this state, an agent waives the defense of lack of personal jurisdiction and
2054 submits to the jurisdiction of this state.

2055 53-15-10.

2056 (a) The effect of the provisions of this chapter and Chapters 12, 13, and 14 may be varied
2057 by the trust instrument except:

2058 (1) As to any requirements in Article 2 of Chapter 12 relating to the creation and validity
2059 of express trusts;

2060 (2) As to the effect of the rules as provided in Article 5 of Chapter 12 relating to
2061 spendthrift trusts;

2062 (3) As to the power of the beneficiaries to modify a trustee's compensation as provided
2063 in Code Section 53-14-6;

2064 (4) As to the duty of a trustee to administer the trust and to exercise discretionary powers
2065 in good faith, as provided in Code Sections 53-14-30 and 53-14-38;

2066 (5) As to the effect of a provision relieving a trustee from liability, as provided in Code
2067 Section 53-14-53; and

2068 (6) As to the periods of limitation on actions, as provided in Code Sections 53-12-25 and
2069 53-14-57.

2070 (b) Nothing in a trust instrument shall prohibit or limit a court from taking any actions
2071 authorized by the provisions of this chapter or Chapters 12, 13, and 14 or as otherwise
2072 provided by law.

2073 Part 2

2074 53-15-20.

2075 In allocating receipts and disbursements to or between principal and income and with
2076 respect to any matter within the scope of Article 2 of this chapter, the following shall apply:

2077 (1) A trustee shall administer a trust in accordance with the governing instrument, even
2078 if there is a different provision in Article 2 of this chapter;

2079 (2) A trustee may administer a trust by the exercise of a discretionary power of
2080 administration regarding a matter within the scope of Article 2 of this chapter given to
2081 the trustee by the governing instrument, even if the exercise of the power produces a
2082 result different from a result required or permitted by Article 2 of this chapter. No
2083 inference that the trustee has improperly exercised the discretionary power shall arise
2084 from the fact that the trustee has made an allocation contrary to a provision of Article 2
2085 of this chapter;

2086 (3) A trustee shall administer a trust in accordance with Article 2 of this chapter if the
2087 governing instrument does not contain a different provision or does not give the trustee
2088 a discretionary power of administration regarding a matter within the scope of Article 2
2089 of this chapter; and

2090 (4) A trustee shall add a receipt or charge a disbursement to principal to the extent that
2091 the governing instrument and Article 2 of this chapter do not provide a rule for allocating
2092 the receipt or disbursement to or between principal and income.

2093 53-15-21.

2094 (a) Subject to subsections (c) and (f) of this Code section, a trustee may adjust between
2095 principal and income by allocating an amount of income to principal or an amount of
2096 principal to income to the extent the trustee considers appropriate if:

2097 (1) The governing instrument describes what may or must be distributed to a beneficiary
2098 by referring to the trust's income; and

2099 (2) The trustee determines, after applying the rules in Code Section 53-15-20, that the
2100 trustee is unable to comply with Code Section 53-14-87.

2101 (b) In deciding whether and to what extent to exercise the power conferred by subsection
2102 (a) of this Code section, a trustee may consider, among other things, all of the following:

2103 (1) The size of the trust;

2104 (2) The nature and estimated duration of the trust;

2105 (3) The liquidity and distribution requirements of the trust;

2106 (4) The needs for regular distributions and preservation and appreciation of capital;

2107 (5) The expected tax consequences of an adjustment;

2108 (6) The net amount allocated to income under this chapter and the increase or decrease
2109 in the value of the principal assets, which the trustee may estimate as to assets for which
2110 market values are not readily available;

2111 (7) The assets held in the trust; the extent to which they consist of financial assets,
2112 interests in closely held enterprises, and tangible and intangible personal property or real
2113 property; the extent to which an asset is used by a beneficiary; and whether an asset was
2114 purchased by the trustee or received from the settlor or testator;

2115 (8) To the extent reasonably known to the trustee, the needs of the beneficiaries for
2116 present and future distributions authorized or required by the governing instrument;

2117 (9) Whether and to what extent the governing instrument gives the trustee the power to
2118 invade principal or accumulate income or prohibits the trustee from invading principal
2119 or accumulating income, and the extent to which the trustee has exercised a power from
2120 time to time to invade principal or accumulate income;

2121 (10) The intent of the settlor or testator; and

2122 (11) The actual and anticipated effect of economic conditions on principal and income
2123 and effects of inflation and deflation on the trust.

2124 (c) A trustee may not make an adjustment under this Code section if any of the following
2125 apply:

2126 (1) The adjustment would change the amount payable to a beneficiary as a fixed annuity
2127 or a fixed fraction of the value of the trust assets;

2128 (2) The adjustment is from trust funds which are permanently set aside for charitable
2129 purposes under the governing instrument and for which a federal charitable, estate or gift
2130 tax deduction has been taken, unless both income and principal are so set aside;

2131 (3) If:

2132 (A) Possessing or exercising the power to make an adjustment would cause an
2133 individual to be treated as the owner of all or part of the trust for federal income tax
2134 purposes; and

2135 (B) The individual would not be treated as the owner if the trustee did not possess the
2136 power to make an adjustment;

2137 (4) If:

2138 (A) Possessing or exercising the power to make an adjustment would cause all or part
2139 of the trust assets to be subject to federal estate, gift, or generation-skipping transfer tax
2140 with respect to an individual; and

2141 (B) The assets would not be subject to federal estate, gift, or generation-skipping tax
2142 with respect to the individual if the trustee did not possess the power to make an
2143 adjustment;

2144 (5) If the trustee is a beneficiary of the trust; or

2145 (6) If the trust has been converted under Code Section 53-15-22.

2146 (d) If paragraph (5), (6), or (7) of subsection (c) of this Code section applies to a trustee
2147 and there is more than one trustee, a cotrustee to whom the provision does not apply may
2148 make the adjustment unless the exercise of the power by the remaining trustee or trustees
2149 is prohibited by the governing instrument.

2150 (e)(1) If paragraph (2) of this subsection applies, a trustee may release any of the
2151 following:

2152 (A) The entire power conferred by subsection (a) of this Code section;

2153 (B) The power to adjust from income to principal; or

2154 (C) The power to adjust from principal to income.

2155 (2) A release under paragraph (1) of this subsection is permissible if either of the
2156 following apply:

2157 (A) The trustee is uncertain about whether possessing or exercising the power will
2158 cause a result described in paragraphs (1) through (6) of subsection (c) of this Code
2159 section; or

2160 (B) The trustee determines that possessing or exercising the power will or may deprive
2161 the trust of a tax benefit or impose a tax burden not described in subsection (c) of this
2162 Code section.

2163 (3) The release may be permanent or for a specified period, including a period measured
2164 by the life of an individual.

2165 (f) A governing instrument which limits the power of a trustee to make an adjustment
2166 between principal and income does not affect the application of this Code section unless
2167 it is clear from the governing instrument that it is intended to deny the trustee the power
2168 of adjustment conferred by subsection (a) of this Code section.

2169 53-15-22.

2170 (a) Unless expressly prohibited by the trust instrument, a trustee may release the power to
2171 adjust under Code Section 53-15-21 and convert a trust into a unitrust as described in this
2172 Code section if all of the following apply:

2173 (1) The trustee determines that the conversion will enable the trustee to better carry out
2174 the intent of the settlor or testator and the purposes of the trust;

2175 (2) The trustee gives written notice of the trustee's intention to release the power to adjust
2176 and to convert the trust into a unitrust and of how the unitrust will operate, including what
2177 initial decisions the trustee will make under this Code section, to:

2178 (A) The settlor, if living;

2179 (B) All living persons who are currently receiving or eligible to receive distributions
2180 of income of the trust; and

2181 (C) Without regard to the exercise of any power of appointment, all living persons who
2182 would receive principal of the trust if the trust were to terminate at the time of the
2183 giving of such notice and all living persons who would receive or be eligible to receive
2184 distributions of income or principal of the trust if the interests of all of the beneficiaries
2185 currently eligible to receive income under subparagraph (B) of this paragraph were to
2186 terminate at the time of the giving of such notice.

2187 If a beneficiary is not sui juris, such notice shall be given to the beneficiary's conservator,
2188 if any, and if the beneficiary has no conservator, to the beneficiary's guardian, including,
2189 in the case of a minor beneficiary, the beneficiary's natural guardian;

2190 (3) At least one person receiving notice under each of subparagraphs (B) and (C) of
2191 paragraph (2) of this subsection is legally competent; and

2192 (4) No beneficiary objects to the conversion to a unitrust in a writing delivered to the
2193 trustee within 60 days of the mailing of the notice under paragraph (2) of this subsection.

2194 (b)(1) The trustee may petition the superior court to order the conversion to a unitrust.

2195 (2) A beneficiary may request a trustee to convert to a unitrust. If the trustee does not
2196 convert, the beneficiary may petition the superior court to order the conversion.

2197 (3) The court shall order conversion if the court concludes that the conversion will
2198 enable the trustee to better carry out the intent of the settlor or testator and the purposes
2199 of the trust.

2200 (c) In deciding whether to exercise the power to convert to a unitrust as provided by
2201 subsection (a) of this Code section, a trustee may consider, among other things, all of the
2202 following:

2203 (1) The size of the trust;

2204 (2) The nature and estimated duration of the trust;

2205 (3) The liquidity and distribution requirements of the trust;

2206 (4) The needs for regular distributions and preservation and appreciation of capital;

2207 (5) The expected tax consequences of the conversion;

2208 (6) The assets held in the trust; the extent to which they consist of financial assets,
2209 interests in closely held enterprises, and tangible and intangible personal property or real
2210 property; and the extent to which an asset is used by a beneficiary;

2211 (7) To the extent reasonably known to the trustee, the needs of the beneficiaries for
2212 present and future distributions authorized or required by the governing instrument;

2213 (8) Whether and to what extent the governing instrument gives the trustee the power to
2214 invade principal or accumulate income or prohibits the trustee from invading principal
2215 or accumulating income and the extent to which the trustee has exercised a power from
2216 time to time to invade principal or accumulate income; and

2217 (9) The actual and anticipated effect of economic conditions on principal and income and
2218 effects of inflation and deflation on the trust.

2219 (d) After a trust is converted to a unitrust, all of the following apply:

2220 (1) The trustee shall follow an investment policy seeking a total return for the
2221 investments held by the trust, whether the return is to be derived from:

2222 (A) Appreciation of capital;

2223 (B) Earnings and distributions from capital; or

2224 (C) Both appreciation of capital and earnings and distributions from capital;

2225 (2) The trustee shall make regular distributions in accordance with the governing
2226 instrument construed in accordance with the provisions of this Code section;

2227 (3) The term 'income' in the governing instrument shall mean an annual unitrust
2228 distribution equal to 4 percent of the net fair market value of the trust's assets or the

2229 payout percentage ordered under paragraph (1) of subsection (g) of this Code section,
2230 whether such assets would be considered income or principal under other provisions of
2231 this chapter, averaged over the lesser of:

2232 (A) The three preceding years; or

2233 (B) The period during which the trust has been in existence;

2234 (4) The trustee can determine the fair market value of the property in the trust by
2235 appraisal or other reasonable method or estimate; and

2236 (5) The fair market value of the trust property shall not include the value of any
2237 residential property or any tangible personal property that, as of the first business day of
2238 the current valuation year, one or more of the current beneficiaries of the trust have or
2239 had the right to occupy or have had the right to possess or control, other than in his or her
2240 capacity as trustee of the trust, and instead the right of occupancy or the right to
2241 possession or control shall be deemed to be the unitrust amount with respect to such
2242 residential property.

2243 (e) The trustee may in the trustee's discretion from time to time determine all of the
2244 following:

2245 (1) The effective date of a conversion to a unitrust;

2246 (2) The provisions for prorating a unitrust distribution for a short year in which a
2247 beneficiary's right to payments commences or ceases;

2248 (3) The frequency of unitrust distributions during the year;

2249 (4) The effect of other payments from or contributions to the trust on the trust's
2250 valuation;

2251 (5) Whether to value the trust's assets annually or more frequently;

2252 (6) What valuation dates to use;

2253 (7) How frequently to value nonliquid assets and whether to estimate their value; and

2254 (8) Any other matters necessary for the proper functioning of the unitrust.

2255 (f)(1) Expenses which would be deducted from income if the trust were not a unitrust
2256 may not be deducted from the unitrust distribution.

2257 (2) The unitrust distribution shall be paid from net income, as such term would be
2258 determined if the trust were not a unitrust. To the extent net income is insufficient, the
2259 unitrust distribution shall be paid from net realized short-term capital gains. To the extent
2260 income and net realized short-term capital gains are insufficient, the unitrust distribution
2261 shall be paid from net realized long-term capital gains. To the extent income and net
2262 realized short-term and long-term capital gains are insufficient, the unitrust distribution
2263 shall be paid from the principal of the trust.

2264 (g) The trustee or, if the trustee declines to do so, a beneficiary may petition the superior
2265 court to:

2266 (1) Select a payout percentage different from 4 percent but not lower than 3 percent or
2267 higher than 5 percent;

2268 (2) Provide for a distribution of net income, as would be determined if the trust were not
2269 a unitrust, in excess of the unitrust distribution if such distribution is necessary to
2270 preserve a tax benefit;

2271 (3) Average the valuation of the trust's net assets over a period other than three years; or

2272 (4) Reconvert from a unitrust. Upon a reconversion, the power to adjust under Code
2273 Section 53-15-21 shall be revived.

2274 (h) A conversion to a unitrust does not affect a provision in the governing instrument
2275 directing or authorizing the trustee to distribute principal or authorizing a beneficiary to
2276 withdraw a portion or all of the principal.

2277 (i) A trustee may not convert a trust into a unitrust in any of the following circumstances:

2278 (1) If payment of the unitrust distribution would change the amount payable to a
2279 beneficiary as a fixed annuity or a fixed fraction of the value of the trust assets;

2280 (2) If the unitrust distribution would be made from trust funds which are permanently set
2281 aside for charitable purposes under the governing instrument and for which a federal
2282 charitable, estate or gift tax deduction has been taken, unless both income and principal
2283 are so set aside;

2284 (3) If:

2285 (A) Possessing or exercising the power to convert would cause an individual to be
2286 treated as the owner of all or part of the trust for federal income tax purposes; and

2287 (B) The individual would not be treated as the owner if the trustee did not possess the
2288 power to convert; or

2289 (5) If:

2290 (A) Possessing or exercising the power to convert would cause all or part of the trust
2291 assets to be subject to federal estate, gift, or generation-skipping transfer tax with
2292 respect to an individual; and

2293 (B) The assets would not be subject to federal estate, gift, or generation-skipping
2294 transfer tax with respect to the individual if the trustee did not possess the power to
2295 convert.

2296 (j)(1) If paragraph (4) or (5) of subsection (i) of this Code section applies to a trustee and
2297 there is more than one trustee, a cotrustee to whom the provision does not apply may
2298 convert the trust unless the exercise of the power by the remaining trustee or trustees is
2299 prohibited by the governing instrument; and

2300 (2) If paragraph (4) or (5) of subsection (i) of this Code section applies to all the trustees,
2301 the trustees may petition the superior court to direct a conversion.

2302 (k)(1) A trustee may release the power conferred by subsection (a) of this Code section
2303 to convert to a unitrust if either of the following apply:

2304 (A) The trustee is uncertain about whether possessing or exercising the power to
2305 convert will cause a result described in paragraph (4) or (5) of subsection (i) of this
2306 Code section; or

2307 (B) The trustee determines that possessing or exercising the power to convert will or
2308 may deprive the trust of a tax benefit or impose a tax burden not described in subsection
2309 (i) of this Code section.

2310 (2) The release of the power to convert may be permanent or for a specified period,
2311 including a period measured by the life of an individual.

2312 53-15-23.

2313 (a) A court shall not change a trustee's decision to exercise or not to exercise a
2314 discretionary power conferred by this chapter unless it determines that the decision was an
2315 abuse of the trustee's discretion.

2316 (b) The decisions to which subsection (a) of this Code section apply include:

2317 (1) A determination of whether and to what extent an amount should be transferred from
2318 principal to income or from income to principal; and

2319 (2) A determination of the factors that are relevant to the trust and its beneficiaries, the
2320 extent to which they are relevant, and the weight, if any, to be given to the relevant
2321 factors in deciding whether and to what extent to exercise the power conferred by this
2322 chapter.

2323 (c) If a court determines that a trustee has abused its discretion regarding a discretionary
2324 power conferred by Code Section 53-15-21 or 53-15-22, the remedy is to restore the
2325 income and remainder beneficiaries to the positions they would have occupied if the trustee
2326 had not abused its discretion, according to the following rules:

2327 (1) To the extent that the abuse of discretion has resulted in no distribution to a
2328 beneficiary or a distribution which is too small, the court shall require the trustee to
2329 distribute from the trust to the beneficiary an amount that the court determines will
2330 restore the beneficiary, in whole or in part, to the beneficiary's appropriate position;

2331 (2) To the extent that the abuse of discretion has resulted in a distribution to a beneficiary
2332 which is too large, the court shall restore the beneficiaries, the trust, or both, in whole or
2333 in part, to their appropriate positions by requiring the trustee to withhold an amount from
2334 one or more future distributions to the beneficiary who received the distribution that was
2335 too large or requiring that beneficiary or that beneficiary's estate to return some or all of
2336 the distribution to the trust, notwithstanding a spendthrift or similar provision;

2337 (3) If the abuse of discretion concerns the power to convert a trust into a unitrust, the
2338 court shall require the trustee either to convert into a unitrust or to reconvert from a
2339 unitrust; and

2340 (4) To the extent that the court is unable, after applying paragraphs (1), (2), and (3) of
2341 this subsection, to restore the beneficiaries, the trust, or both to the positions they would
2342 have occupied if the trustee had not abused its discretion, the court may require the
2343 trustee to pay an appropriate amount from its own funds to one or more of the
2344 beneficiaries, the trust, or both.

2345 (d) No provision of this Code section or Code Section 53-15-21 or 53-15-22 is intended
2346 to require a trustee to make an adjustment under Code Section 53-15-21 or a conversion
2347 under Code Section 53-15-22.

2348 53-15-24.

2349 (a) The following provisions shall apply to a trust which by its governing instrument
2350 requires the distribution at least annually of a unitrust amount equal to a fixed percentage
2351 of not less than three nor more than five percent per year of the net fair market value of the
2352 trust's assets, valued at least annually, such trust to be referred to as an 'express total return
2353 unitrust':

2354 (1) The unitrust amount may be determined by reference to the net fair market value of
2355 the trust's assets in one year or more than one year;

2356 (2) Distribution of such a fixed percentage unitrust amount is considered a distribution
2357 of all of the income of the total return unitrust and shall not be considered a fundamental
2358 departure from applicable state law, regardless of whether the total return unitrust is
2359 created and governed by Section 53-15-22 above or by the provisions of the governing
2360 instrument;

2361 (3) Such a distribution of the fixed percentage of not less than three percent nor more
2362 than five percent is considered to be a reasonable apportionment of the total return of a
2363 total return unitrust;

2364 (4) The governing instrument may or may not grant discretion to the trustee to adopt a
2365 consistent practice of treating capital gains as part of the unitrust distribution, to the
2366 extent that the unitrust distribution exceeds the net accounting income, or it may specify
2367 the ordering of such classes of income;

2368 (5) Unless the trust provisions specifically provide otherwise, or grant discretion to the
2369 trustee as set forth above, a distribution of the unitrust amount shall be considered to have
2370 been made from the following sources in order of priority:

2371 (A) From net accounting income determined as if the trust were not a unitrust;

2372 (B) From ordinary income not allocable to net accounting income;

(C) From net realized short-term capital gains;

(D) From net realized long-term capital gains; and

(E) From the principal of the trust estate; and

(6) The trust document may provide that assets used by the trust beneficiary, such as a residence property or tangible personal property, may be excluded from the net fair market value for computing the unitrust amount. Such use may be considered equivalent to the 'income' or unitrust amount.

(b) A trust which provides for a fixed percentage payout in excess of five percent per year shall be considered to have paid out all of the income of the total return unitrust, and to have paid out principal of the said trust to the extent that the fixed percentage payout exceeds five percent per year.

(c) This Code section shall be effective for trusts established and wills executed on or after July 1, 2009.

ARTICLE 2

Part 1

53-15-40.

This article shall be known and may be cited as the 'Georgia Principal and Income Act.'

53-15-41.

As used in this article, the term:

(1) 'Accounting period' means a calendar year unless another 12-month period is selected by a fiduciary. Such term includes a portion of a calendar year or other 12-month period that begins when an income interest begins or ends when an income interest ends

(2) 'Beneficiary' includes, in the case of a decedent's estate, an heir and devisee and, in the case of a trust, an income beneficiary and a remainder beneficiary.

(5) 'Income beneficiary' means a person to whom net income of a trust is or may be payable.

2405 (6) 'Income interest' means the right of an income beneficiary to receive all or part of net
2406 income, whether the trust provisions require it to be distributed or authorize it to be
2407 distributed in the trustee's discretion.

2408 (7) 'Mandatory income interest' means the right of an income beneficiary to receive net
2409 income that the trust provisions require the fiduciary to distribute.

2423 appointed or confirmed by a court.

2424

Part 2

2425 53-15-60.

2426 (a) If a beneficiary is to receive a pecuniary amount outright from a trust after an income
2427 interest ends, and no interest is provided for by the terms of the trust, the pecuniary amount
2428 usually bears interest at the legal rate after the expiration of 12 months from the date the
2429 income interest terminates.

2430 (b) The general rule in subsection (a) of this Code section shall be subservient to the equity
2431 and necessity of a particular case.

2432 53-15-61.

2433 Expenses incurred in connection with the settlement of a decedent's estate or the winding
2434 up of a terminating income interest, including interest and penalties concerning taxes, fees
2435 of attorneys and personal representatives and trustees and court costs, may be charged
2436 against the principal or income in the discretion of the personal representative or trustee.

2437

Part 3

2438 53-15-80.

2439 (a) An income beneficiary is entitled to net income from the date on which the income
2440 interest begins. An income interest begins on the date specified in the terms of the trust or,
2441 if no date is specified, on the date an asset becomes subject to a trust or successive income
2442 interest.

2443 (b) An asset becomes subject to a trust:

2444 (1) On the date it is transferred to the trust in the case of an asset that is transferred to a
2445 trust during the transferor's life;

2446 (2) On the date of a testator's death in the case of an asset that becomes subject to a trust
2447 by reason of a will, even if there is an intervening period of administration of the
2448 testator's estate; or

2449 (3) On the date of an individual's death in the case of an asset that is transferred to a
2450 fiduciary by a third party because of the individual's death.

2451 (c) An asset becomes subject to a successive income interest on the day after the preceding
2452 income interest ends, as determined under subsection (d) of this Code section, even if there
2453 is an intervening period of administration to wind up the preceding income interest.

2454 (d) An income interest ends on the day before an income beneficiary dies or another
2455 terminating event occurs, or on the last day of a period during which there is no beneficiary
2456 to whom a trustee may distribute income.

2457 53-15-81.

2458 (a) A trustee shall allocate an income receipt or disbursement to principal if its due date
2459 occurs before a decedent dies in the case of an estate or before an income interest begins
2460 in the case of a trust or successive income interest.

2461 (b) A trustee shall allocate an income receipt or disbursement to income if its due date
2462 occurs on or after the date on which a decedent dies or an income interest begins and it is
2463 a periodic due date. An income receipt or disbursement must be treated as accruing from
2464 day to day if its due date is not periodic or it has no due date. The portion of the receipt or
2465 disbursement accruing before the date on which a decedent dies or an income interest
2466 begins must be allocated to principal and the balance must be allocated to income.

2467 (c) An item of income or an obligation is due on the date the payer is required to make a
2468 payment. If a payment date is not stated, there is no due date for the purposes of this Code
2469 section. Distributions to shareholders or other owners from an entity to which Code
2470 Section 53-13-100 applies are deemed to be due on the date fixed by the entity for
2471 determining who is entitled to receive the distribution or, if no date is fixed, on the
2472 declaration date for the distribution. A due date is periodic for receipts or disbursements

2473 that must be paid at regular intervals under a lease or an obligation to pay interest or if an
2474 entity customarily makes distributions at regular intervals.

2475 53-15-82.

2476 (a) As used in this Code section, the term 'undistributed income' means net income
2477 received before the date on which an income interest ends. Such term does not include an
2478 item of income or expense that is due or accrued or net income that has been added or is
2479 required to be added to principal under the terms of the trust.

2480 (b) When a mandatory income interest ends, the trustee shall pay to a mandatory income
2481 beneficiary who survives that date, or the estate of a deceased mandatory income
2482 beneficiary whose death causes the interest to end, the beneficiary's share of the
2483 undistributed income that is not disposed of under the terms of the trust unless the
2484 beneficiary has an unqualified power to revoke more than five percent of the trust
2485 immediately before the income interest ends. In the latter case, the undistributed income
2486 from the portion of the trust that may be revoked must be added to principal.

2487 (c) When a trustee's obligation to pay a fixed annuity or a fixed fraction of the value of the
2488 trust's assets ends, the trustee shall prorate the final payment if and to the extent required
2489 by applicable law to accomplish a purpose of the trust or its settlor relating to income, gift,
2490 estate, or other tax requirements.

2491 Part 4

2492 Subpart 1

2493 53-15-100.

2494 (a) As used in this Code section, the term 'entity' means a corporation, partnership, limited
2495 liability company, regulated investment company, real estate investment trust, common
2496 trust fund, or any other organization in which a trustee has an interest other than a trust or
2497 estate to which Code Section 53-13-101 applies, a business or activity to which Code
2498 Section 53-13-102 applies, or an asset-backed security to which Code Section 53-13-131
2499 applies.

2500 (b) Except as otherwise provided in this Code section, a trustee shall allocate to income
2501 money received from an entity.

2502 (c) A trustee shall allocate the following receipts from an entity to principal:

2503 (1) Property other than money;

2504 (2) Money received in one distribution or a series of related distributions in exchange for
2505 part or all of a trust's interest in the entity;

2506 (3) Money received in total or partial liquidation of the entity; and

2507 (4) Money received from an entity that is a regulated investment company or a real estate
2508 investment trust if the money distributed is a capital gain dividend for federal income tax
2509 purposes.

2510 (d) Money is received in partial liquidation:

2511 (1) To the extent that the entity, at or near the time of a distribution, indicates that it is
2512 a distribution in partial liquidation; or

2513 (2) If the total amount of money and property received in a distribution or series of
2514 related distributions is greater than 20 percent of the entity's gross assets, as shown by the
2515 entity's year-end financial statements immediately preceding the initial receipt.

2516 (e) Money is not received in partial liquidation, nor may it be taken into account under
2517 paragraph (2) of subsection (d) of this Code section, to the extent that it does not exceed
2518 the amount of income tax that a trustee or beneficiary must pay on taxable income of the
2519 entity that distributes the money.

2520 (f) A trustee may rely upon a statement made by an entity about the source or character
2521 of a distribution if the statement is made at or near the time of distribution by the entity's
2522 board of directors or other person or group of persons authorized to exercise powers to pay
2523 money or transfer property comparable to those of a corporation's board of directors.

2524 53-15-101.

2525 A trustee shall allocate to income an amount received as a distribution of income from a
2526 trust or an estate in which the trust has an interest other than a purchased interest and shall
2527 allocate to principal an amount received as a distribution of principal from such a trust or
2528 estate. If a trustee purchases an interest in a trust that is an investment entity, or a decedent
2529 or donor transfers an interest in such a trust to a trustee, Code Section 53-15-100 or
2530 53-15-131 apply to a receipt from the trust.

2531 53-15-102.

2532 (a) If a trustee who conducts a business or other activity determines that it is in the best
2533 interest of all the beneficiaries to account separately for the business or activity instead of
2534 accounting for it as part of the trust's general accounting records, the trustee may maintain
2535 separate accounting records for its transactions, whether or not its assets are segregated
2536 from other trust assets.

2537 (b) A trustee who accounts separately for a business or other activity may determine the
2538 extent to which its net cash receipts must be retained for working capital, the acquisition
2539 or replacement of fixed assets, and other reasonably foreseeable needs of the business or
2540 activity, and the extent to which the remaining net cash receipts are accounted for as
2541 principal or income in the trust's general accounting records. If a trustee sells assets of the

2542 business or other activity, other than in the ordinary course of the business or activity, the
2543 trustee shall account for the net amount received as principal in the trust's general
2544 accounting records to the extent the trustee determines that the amount received is no
2545 longer required in the conduct of the business.

2546 (c) Activities for which a trustee may maintain separate accounting records shall include:

2547 (1) Retail, manufacturing, service, and other traditional business activities;

2548 (2) Farming;

2549 (3) Raising and selling livestock and other animals;

2550 (4) Management of rental properties;

2551 (5) Extraction of minerals and other natural resources;

2552 (6) Timber operations; and

2553 (7) Activities to which Code Section 53-13-130 applies.

2554 Subpart 2

2555 53-15-120.

2556 A trustee shall allocate to principal:

2557 (1) To the extent not allocated to income under this article, assets received from a
2558 transferor during the transferor's lifetime, a decedent's estate, a trust with a terminating
2559 income interest, or a payer under a contract naming the trust or its trustee as beneficiary;

2560 (2) Money or other property received from the sale, exchange, liquidation, or change in
2561 form of a principal asset, including realized profit, subject to the provisions of this article;

2562 (3) Amounts recovered from third parties to reimburse the trust because of disbursements
2563 described in paragraph (7) of subsection (a) of Code Section 53-15-151 or for other
2564 reasons to the extent not based on the loss of income;

2565 (4) Proceeds of property taken by eminent domain, but a separate award made for the
2566 loss of income with respect to an accounting period during which a current income
2567 beneficiary had a mandatory income interest is income;

2568 (5) Net income received in an accounting period during which there is no beneficiary to
2569 whom a trustee may or must distribute income; and

2570 (6) Other receipts as provided in this article.

2571 53-15-121.

2572 To the extent that a trustee accounts for receipts from rental property pursuant to this Code
2573 section, the trustee shall allocate to income an amount received as rent of real or personal
2574 property, including an amount received for cancellation or renewal of a lease. An amount
2575 received as a refundable deposit, including a security deposit or a deposit that is to be

2576 applied as rent for future periods, must be added to principal and held subject to the terms
2577 of the lease and is not available for distribution to a beneficiary until the trustee's
2578 contractual obligations have been satisfied with respect to that amount.

2579 53-15-122.

2580 (a) An amount received as interest, whether determined at a fixed, variable, or floating
2581 rate, on an obligation to pay money to the trustee, including an amount received as
2582 consideration for prepaying principal, must be allocated to income without any provision
2583 for amortization of premium.

2584 (b) A trustee shall allocate to principal an amount received from the sale, redemption, or
2585 other disposition of an obligation to pay money to the trustee more than one year after it
2586 is purchased or acquired by the trustee, including an obligation whose purchase price or
2587 value when it is acquired is less than its value at maturity. If the obligation matures within
2588 one year after it is purchased or acquired by the trustee, an amount received in excess of
2589 its purchase price or its value when acquired by the trust must be allocated to income.

2590 (c) This Code section shall not apply to an obligation to which Code Section 53-15-125,
2591 53-15-126, 53-15-127, 53-15-128, 53-15-130, or 53-15-131 applies.

2592 53-15-123.

2593 (a) Except as otherwise provided in subsection (b) of this Code section, a trustee shall
2594 allocate to principal the proceeds of a life insurance policy or other contract in which the
2595 trust or its trustee is named as beneficiary, including a contract that insures the trust or its
2596 trustee against loss for damage to, destruction of, or loss of title to a trust asset. The trustee
2597 shall allocate dividends on an insurance policy to income if the premiums on the policy are
2598 paid from income, and to principal if the premiums are paid from principal.

2599 (b) A trustee shall allocate to income proceeds of a contract that insures the trustee against
2600 loss of occupancy or other use by an income beneficiary, loss of income, or, subject to
2601 Section 53-15-102, loss of profits from a business.

2602 (c) This section does not apply to a contract to which Code Section 53-15-125 applies.

2603 53-15-124.

2604 If a trustee determines that an allocation between principal and income required by Code
2605 Section 53-15-125, 53-15-126, 53-15-127, 53-15-128, or 53-15-131 is insubstantial, the
2606 trustee may allocate the entire amount to principal unless one of the circumstances
2607 described in Code Section 53-15-21 applies to the allocation. Such power may be
2608 exercised by a cotrustee in the circumstances described in Code Section 53-15-21 and may

2609 be released for the reasons and in the manner described in such Code section. An
2610 allocation is presumed to be insubstantial if:

- 2611 (1) The amount of the allocation would increase or decrease net income in an accounting
2612 period, as determined before the allocation, by less than 10 percent; or
2613 (2) The value of the asset producing the receipt for which the allocation would be made
2614 is less than 10 percent of the total value of the trust's assets at the beginning of the
2615 accounting period.

2616 53-15-125.

2617 (a) As used in this Code section, the term:

- 2618 (1) 'Payment' means a payment that a trustee may receive over a fixed number of years
2619 or during the life of one or more individuals because of services rendered or property
2620 transferred to the payer in exchange for future payments. Such term includes a payment
2621 made in money or property from the payer's general assets or from a separate fund
2622 created by the payer. Such term also includes any payment from a separate fund,
2623 regardless of the reason for the payment.

- 2624 (2) 'Separate fund' includes a private or commercial annuity, an individual retirement
2625 account, and a pension, profit-sharing, stock-bonus, or stock-ownership plan.

2626 (b) To the extent that a payment is characterized as interest or a dividend or a payment
2627 made in lieu of interest or a dividend, a trustee shall allocate it to income. The trustee shall
2628 allocate to principal the balance of the payment and any other payment received in the
2629 same accounting period that is not characterized as interest, a dividend, or an equivalent
2630 payment.

2631 (c) If no part of a payment is characterized as interest, a dividend, or an equivalent
2632 payment, and all or part of the payment is required to be made, a trustee shall allocate to
2633 income 10 percent of the part that is required to be made during the accounting period and
2634 the balance to principal. If no part of a payment is required to be made or the payment
2635 received is the entire amount to which the trustee is entitled, the trustee shall allocate the
2636 entire payment to principal. For purposes of this subsection, a payment is not required to
2637 be made to the extent that it is made because the trustee exercises a right of withdrawal.

2638 (d) Except as otherwise provided in subsection (e) of this Code section, subsections (f)
2639 and (g) of this Code section apply, and subsections (b) and (c) of this Code section do not
2640 apply, in determining the allocation of a payment made from a separate fund to:

- 2641 (1) A trust to which an election to qualify for a marital deduction under Section
2642 2056(b)(7) of the federal Internal Revenue Code of 1986 has been made; or
2643 (2) A trust that qualifies for the marital deduction under Section 2056(b)(5) of the federal
2644 Internal Revenue Code of 1986.

2645 (e) Subsections (d), (f), and (g) of this Code section do not apply if and to the extent that
2646 the series of payments would, without the application of subsection (d) of this Code
2647 section, qualify for the marital deduction under Section 2056(b)(7)(C) of the federal
2648 Internal Revenue Code of 1986.

2649 (f) A trustee shall determine the internal income of each separate fund for the accounting
2650 period as if the separate fund were a trust subject to this act. Upon request of the surviving
2651 spouse, the trustee shall demand of the person administering the separate fund that this
2652 internal income be distributed to the trust. The trustee shall allocate a payment from the
2653 separate fund to income to the extent of the internal income of the separate fund and
2654 distribute that amount to the surviving spouse. The trustee shall allocate the balance to
2655 principal. Upon request of the surviving spouse, the trustee shall allocate principal to
2656 income to the extent the internal income of the separate fund exceeds payments made from
2657 the separate fund to the trust during the accounting period.

2658 (g) If a trustee cannot determine the internal income of a separate fund but can determine
2659 the value of the separate fund, the internal income of the separate fund is deemed to equal
2660 to 4 percent of the fund's value, according to the most recent statement of value preceding
2661 the beginning of the accounting period. If the trustee can determine neither the internal
2662 income of the separate fund nor the fund's value, the internal income of the fund is deemed
2663 to equal the product of the interest rate and the present value of the expected future
2664 payments, as determined under Section 7520 of the federal Internal Revenue Code of 1986
2665 for the month preceding the accounting period for which the computation is made.

2666 (h) This Code section shall not apply to payments to which Code Section 53-15-126
2667 applies.

2668 53-15-126.

2669 (a) As used in this Code section, the term 'liquidating asset' means an asset whose value
2670 will diminish or terminate because the asset is expected to produce receipts for a period of
2671 limited duration. Such term includes a leasehold, patent, copyright, royalty right, and right
2672 to receive payments during a period of more than one year under an arrangement that does
2673 not provide for the payment of interest on the unpaid balance. Such term does not include
2674 a payment subject to Code Section 53-15-125, resources subject to Code Section
2675 53-15-127, timber subject to Code Section 53-15-128, an activity subject to Code Section
2676 53-15-130, an asset subject to Code Section 53-15-131, or any asset for which the trustee
2677 establishes a reserve for depreciation under Section 53-15-152.

2678 (b) A trustee shall allocate to income 10 percent of the receipts from a liquidating asset and
2679 the balance to principal.

2680 53-15-127.

2681 (a) To the extent that a trustee accounts for receipts from an interest in minerals or other
natural resources pursuant to this Code section, the trustee shall allocate them as follows:

2683 (1) If received as nominal delay rental or nominal annual rent on a lease, a receipt must
be allocated to income;

2685 (2) If received from a production payment, a receipt must be allocated to income if and
to the extent that the agreement creating the production payment provides a factor for
interest or its equivalent. The balance must be allocated to principal;

2688 (3) If an amount received as a royalty, shut-in-well payment, take-or-pay payment,
bonus, or delay rental is more than nominal, 90 percent must be allocated to principal and
the balance to income; and

2691 (4) If an amount is received from a working interest or any other interest not provided
for in paragraph (1), (2), or (3) of this Code section, 90 percent of the net amount
received must be allocated to principal and the balance to income.

2694 (b) An amount received on account of an interest in water that is renewable must be
allocated to income. If the water is not renewable, 90 percent of the amount must be
allocated to principal and the balance to income.

2697 (c) This Code section applies whether or not a decedent or donor was extracting minerals,
water, or other natural resources before the interest became subject to the trust.

2699 (d) If a trust owns an interest in minerals, water, or other natural resources on July 1, 2009,
the trustee may allocate receipts from the interest as provided in this Code section or in the
manner used by the trustee before July 1, 2009. If the trust acquires an interest in minerals,
water, or other natural resources after July 1, 2009, the trustee shall allocate receipts from
the interest as provided in this Code section.

2704 53-15-128.

2705 (a) To the extent that a trustee accounts for receipts from the sale of timber and related
products pursuant to this Code section, the trustee shall allocate the net receipts:

2707 (1) To income to the extent that the amount of timber removed from the land does not
exceed the rate of growth of the timber during the accounting periods in which a
beneficiary has a mandatory income interest;

2710 (2) To principal to the extent that the amount of timber removed from the land exceeds
the rate of growth of the timber or the net receipts are from the sale of standing timber;

2712 (3) To or between income and principal if the net receipts are from the lease of
timberland or from a contract to cut timber from land owned by a trust, by determining
the amount of timber removed from the land under the lease or contract and applying the
rules in paragraphs (1) and (2) of this subsection; or

2716 (4) To principal to the extent that advance payments, bonuses, and other payments are
2717 not allocated pursuant to paragraph (1), (2), or (3) of this subsection.

2718 (b) In determining net receipts to be allocated pursuant to subsection (a) of this Code
2719 section, a trustee shall deduct and transfer to principal a reasonable amount for depletion.

2720 (c) This Code section shall apply whether or not a decedent or transferor was harvesting
2721 timber from the property before it became subject to the trust.

2722 (d) If a trust owns an interest in timberland on July 1, 2009, the trustee may allocate net
2723 receipts from the sale of timber and related products as provided in this Code section or in
2724 the manner used by the trustee before July 1, 2009. If the trust acquires an interest in
2725 timberland after July 1, 2009, the trustee shall allocate net receipts from the sale of timber
2726 and related products as provided in this Code section.

2727 53-15-129.

2728 (a) If a marital deduction is allowed for all or part of a trust whose assets consist
2729 substantially of property that does not provide the spouse with sufficient income from or
2730 use of the trust assets, and if the amounts that the trustee transfers from principal to income
2731 under Code Section 53-15-21 and distributes to the spouse from principal pursuant to the
2732 terms of the trust are insufficient to provide the spouse with the beneficial enjoyment
2733 required to obtain the marital deduction, the spouse may require the trustee to make
2734 property productive of income, convert property within a reasonable time, or exercise the
2735 power conferred by Code Section 53-15-21. The trustee may decide which action or
2736 combination of actions to take.

2737 (b) In cases not governed by subsection (a) of this Code section, proceeds from the sale
2738 or other disposition of an asset are principal without regard to the amount of income the
2739 asset produces during any accounting period.

2740 53-15-130.

2741 (a) As used in this Code section, the term 'derivative' means a contract or financial
2742 instrument or a combination of contracts and financial instruments which gives a trust the
2743 right or obligation to participate in some or all changes in the price of a tangible or
2744 intangible asset or group of assets, or changes in a rate, an index of prices or rates, or other
2745 market indicator for an asset or a group of assets.

2746 (b) To the extent that a trustee does not account under Code Section 53-13-102 for
2747 transactions in derivatives, the trustee shall allocate to principal receipts from and
2748 disbursements made in connection with those transactions.

2749 (c) If a trustee grants an option to buy property from the trust, whether or not the trust
2750 owns the property when the option is granted, grants an option that permits another person

2751 to sell property to the trust, or acquires an option to buy property for the trust or an option
2752 to sell an asset owned by the trust, and the trustee or other owner of the asset is required
2753 to deliver the asset if the option is exercised, an amount received for granting the option
2754 must be allocated to principal. An amount paid to acquire the option must be paid from
2755 principal. A gain or loss realized upon the exercise of an option, including an option
2756 granted to a settlor of the trust for services rendered, must be allocated to principal.

2757 53-15-131.

2758 (a) As used in this Code section, the term 'asset-backed security' means an asset whose
2759 value is based upon the right it gives the owner to receive distributions from the proceeds
2760 of financial assets that provide collateral for the security. Such term includes an asset that
2761 gives the owner the right to receive from the collateral financial assets only the interest or
2762 other current return or only the proceeds other than interest or current return. Such term
2763 does not include an asset to which Code Section 53-15-100 or 53-15-125 applies.

2764 (b) If a trust receives a payment from interest or other current return and from other
2765 proceeds of the collateral financial assets, the trustee shall allocate to income the portion
2766 of the payment which the payer identifies as being from interest or other current return and
2767 shall allocate the balance of the payment to principal.

2768 (c) If a trust receives one or more payments in exchange for the trust's entire interest in an
2769 asset-backed security in one accounting period, the trustee shall allocate the payments to
2770 principal. If a payment is one of a series of payments that will result in the liquidation of
2771 the trust's interest in the security over more than one accounting period, the trustee shall
2772 allocate 10 percent of the payment to income and the balance to principal.

ARTICLE 5

2774 53-15-150.

2775 (a) A trustee shall make the following disbursements from income:
2776 (1) One-half of the regular compensation of the trustee and of any person providing
2777 investment advisory or custodial services to the trustee;
2778 (2) One-half of all court costs, attorney's fees, and other fees and expenses for
2779 accountings, judicial proceedings, or other matters that involve both the income and
2780 remainder interests;
2781 (3) All of the other ordinary expenses incurred in connection with the administration,
2782 management, or preservation of trust property and the distribution of income, including
2783 interest, ordinary repairs, regularly recurring taxes assessed against principal, and court

2784 costs, attorney's fees, and other fees and expenses of a proceeding or other matter that
2785 concerns primarily the income interest; and

2786 (4) Recurring premiums on insurance covering the loss of a principal asset or the loss of
2787 income from or use of the asset.

2788 (b) Any of the above disbursements made in connection with judicial proceedings may be
2789 varied by the order of the court.

2790 (c) All other disbursements shall be made from principal.

2791 53-15-151.

2792 (a) A trustee shall make the following disbursements from principal:

2793 (1) The remaining one-half of the disbursements described in paragraphs (1) and (2) of
2794 subsection (a) of Code Section 53-15-156;

2795 (2) All of the trustee's compensation calculated on principal as a fee for acceptance,
2796 distribution, or termination, and disbursements made to prepare property for sale;

2797 (3) Payments on the principal of a trust debt;

2798 (4) Court costs, attorney's fees, and other fees and expenses of a proceeding that
2799 concerns primarily principal, including a proceeding to construe the trust or to protect the
2800 trust or its property;

2801 (5) Premiums paid on a policy of insurance not described in Section 501(4) of the federal
2802 Internal Revenue Code of 1986, of which the trust is the owner and beneficiary;

2803 (6) Estate, inheritance, and other transfer taxes, including penalties, apportioned to the
2804 trust; and

2805 (7) Disbursements related to environmental matters, including reclamation, assessing
2806 environmental conditions, remedying and removing environmental contamination,
2807 monitoring remedial activities and the release of substances, preventing future releases
2808 of substances, collecting amounts from persons liable or potentially liable for the costs
2809 of those activities, penalties imposed under environmental laws or regulations and other
2810 payments made to comply with those laws or regulations, statutory or common law
2811 claims by third parties, and defending claims based on environmental matters.

2812 (b) Any of the above disbursements provided for in subsection (a) of this Code section
2813 made in connection with judicial proceedings may be varied by the order of the court.

2814 (c) If a principal asset is encumbered with an obligation that requires income from that
2815 asset to be paid directly to the creditor, the trustee shall transfer from principal to income
2816 an amount equal to the income paid to the creditor in reduction of the principal balance of
2817 the obligation.

2818 53-15-152.

2819 (a) As used in this Code section, the term 'depreciation' means a reduction in value due to
2820 wear, tear, decay, corrosion, or gradual obsolescence of a fixed asset having a useful life
2821 of more than one year.

2822 (b) A trustee may transfer to principal a reasonable amount of the net cash receipts from
2823 a principal asset that is subject to depreciation but may not transfer any amount for
2824 depreciation:

2825 (1) Of that portion of real property used or available for use by a beneficiary as a
2826 residence or of tangible personal property held or made available for the personal use or
2827 enjoyment of a beneficiary;

2828 (2) During the administration of a decedent's estate; or

2829 (3) Under this Code section if the trustee is accounting under Section 403 of the federal
2830 Internal Revenue Code of 1986 for the business or activity in which the asset is used.

2831 (c) An amount transferred to principal need not be held as a separate fund.

2832 53-15-153.

2833 Wherever a charge that is properly allocable to income has been made or is expected to be
2834 made from principal because of the unusually large nature of the charge or otherwise, the
2835 trustee may transfer an appropriate amount from income to principal in one or more
2836 accounting periods to reimburse principal or to provide a reserve for future principal
2837 disbursements.

2838 53-15-154.

2839 (a) A tax required to be paid by a trustee based on receipts allocated to income shall be
2840 paid from income.

2841 (b) A tax required to be paid by a trustee based on receipts allocated to principal shall be
2842 paid from principal, even if the tax is called an income tax by the taxing authority.

2843 (c) A tax required to be paid by a trustee on the trust's share of an entity's taxable income
2844 shall be paid:

2845 (1) From income to the extent that receipts from the entity are allocated only to income;

2846 (2) From principal to the extent that receipts from the entity are allocated only to
2847 principal;

2848 (3) Proportionately from principal and income to the extent that receipts from the entity
2849 are allocated to both income and principal; and

2850 (4) From principal to the extent that the tax exceeds the total receipts from the entity.

(d) After applying subsections (a) through (c) of this Code section, the trustee must adjust income or principal receipts to the extent that its taxes are reduced because it receives a deduction for payments made to a beneficiary.

2854 53-15-155.

2855 (a) A fiduciary may make adjustments between principal and income to offset the shifting
2856 of economic interests or tax benefits between income beneficiaries and remainder
2857 beneficiaries which arise from:

(1) Elections and decisions, other than those described in subsection (b) of this Code section, that the fiduciary makes from time to time regarding tax matters;

(2) An income tax or any other tax that is imposed upon the fiduciary or a beneficiary as a result of a transaction involving or a distribution from the estate or trust; or

2862 (3) The ownership by an estate or trust of an interest in an entity whose taxable income,
2863 whether or not distributed, is includable in the taxable income of the estate, trust, or a

2864 beneficiary.

(b) If the amount of an estate tax marital deduction or charitable contribution deduction is reduced because a fiduciary deducts an amount paid from principal for income tax purposes instead of deducting it for estate tax purposes, and as a result estate taxes paid

from principal are increased and income taxes paid by an estate, trust, or beneficiary are decreased, each estate, trust, or beneficiary that benefits from the decrease in income tax shall reimburse the principal from which the increase in estate tax is paid. The total reimbursement must equal the increase in the estate tax to the extent that the principal used to pay the increase would have qualified for a marital deduction or charitable contribution deduction but for the payment. The proportionate share of the reimbursement for each estate, trust, or beneficiary whose income taxes are reduced must be the same as its proportionate share of the total decrease in income tax. An estate or trust shall reimburse principal from income."

2891 a professional corporation or otherwise;
2892 (6) An investment adviser registered pursuant to the provisions of 15 U.S.C. Section

2896 conservatorships; or
2897 (7) A securities broker or dealer registered pursuant to the provisions of 15 U.S.C.
2898 Section 78o or Chapter 5 of Title 10 acting in such fiduciary capacity incidental to and

2900 (8) A nonprofit corporation."

2902 All laws and parts of laws in conflict with this Act are repealed.
