A BILL TO BE ENTITLED  
AN ACT

1 To amend Article 14 of Chapter 1 of Title 10 of the Official Code of Georgia Annotated,  
2 relating to secondary metals recyclers, so as to provide for definitions; to provide for certain  
3 reclassification of certain metal items; to add posting of suspected metal thieves; to provide  
4 for notice of penalties for metal theft; to expand unlawful acts; to provide for related matters;  
5 to repeal conflicting laws; and for other purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 Article 14 of Chapter 1 of Title 10 of the Official Code of Georgia Annotated, relating to  
9 secondary metals recyclers, is amended by revising Code Section 10-1-350, relating to  
10 definitions, as follows:

11 "10-1-350.

12 As used in this article, the term:

13 (1) 'Common recycled material' means bottles and other containers composed of steel,  
14 tin, or aluminum and other consumer goods that are metal and that are recycled by  
15 individual consumers and not in the bulk or quantity that could be supplied or recycled  
16 by large business establishments. 'Common recycled material' does not include a metal  
17 tray used by a product producer, distributor, retailer, or agent of a product producer,  
18 distributor, or retailer as a means for the bulk transportation, storage, or carrying of retail  
19 containers of milk, baked goods, eggs, or bottled beverage products.

20 (2) 'Consumer goods' means goods that are used or bought for use primarily for personal,  
21 family, or household purposes.

22 ~~(1)~~(3) 'Ferrous metals' means any metals containing significant quantities of iron or steel.

23 ~~(2)~~(4) 'Law enforcement officer' means any duly constituted peace officer of the State  
24 of Georgia or of any county, municipality, or political subdivision thereof.

25 ~~(3)~~(5) 'Nonferrous metals' means stainless steel beer kegs and metals not containing  
 26 significant quantities of iron or steel, including, without limitation, copper, brass,  
 27 aluminum, bronze, lead, zinc, nickel, and alloys thereof.

28 ~~(4)~~(6) 'Person' means an individual, partnership, corporation, joint venture, trust,  
 29 association, and any other legal entity.

30 ~~(5)~~(7) 'Personal identification card' means a driver's license or identification card issued  
 31 by the Department of Driver Services or a similar card issued by another state, a military  
 32 identification card, a passport, or an appropriate work authorization issued by the U.S.  
 33 Citizenship and Immigration Services of the Department of Homeland Security.

34 ~~(6)~~(8) 'Purchase transaction' means a transaction in which a secondary metals recycler  
 35 gives consideration in exchange for regulated metal property.

36 (9) 'Recyclable materials' means the metal materials described in Code Section 10-1-351,  
 37 provided those materials are not special purchase articles.

38 ~~(7)~~(10) 'Regulated metal property' means any item composed primarily of any nonferrous  
 39 metals, but shall not include aluminum beverage containers, used beverage containers,  
 40 or similar beverage containers.

41 (11) 'Scrap metal processor' means any person, firm, or corporation which is engaged in  
 42 the business of buying scrap vehicles, automotive parts, or other metallic waste by weight  
 43 to process such material into scrap metal for remelting purposes; which utilizes  
 44 machinery and equipment for processing ferrous and nonferrous metallic scrap into  
 45 prepared grades; and whose principal product is metallic scrap.

46 (12) 'Scrap vehicle' means any vehicle which has been crushed or flattened by  
 47 mechanical means or which has been otherwise damaged to the extent it cannot  
 48 economically be repaired or made roadworthy.

49 ~~(8)~~(13) 'Secondary metals recycler' means any person who is engaged, from a fixed  
 50 location or otherwise, in the business of paying compensation for ferrous or nonferrous  
 51 metals that have served their original economic purpose, whether or not engaged in the  
 52 business of performing the manufacturing process by which ferrous metals or nonferrous  
 53 metals are converted into raw material products consisting of prepared grades and having  
 54 an existing or potential economic value.

55 (14) 'Special purchase article' means:

56 (A) Beer kegs;

57 (B) Cable, wire, electrical components, and other equipment used in providing cable  
 58 service or any utility service, including, but not limited to, copper or aluminum  
 59 coverings, housings, or enclosures related thereto;

60 (C) Grave markers, sculptures, plaques, and vases made out of metal, the appearance  
 61 of which suggest that the articles have been obtained from a cemetery;

62 (D) Guard rails for bridges, highways, and roads; highway and street signs; street light  
 63 poles and fixtures; manhole covers, water meter covers, and other similar types of  
 64 utility access covers; traffic directional and control signs and light signals, metal  
 65 marked with the name of a political subdivision of the state; and other metal articles  
 66 that are purchased and installed for use upon authorization of the state or any political  
 67 subdivision of the state;

68 (E) Historical, commemorative, and memorial markers and plaques made out of metal;

69 (F) Four-wheel metal carts, commonly referred to as 'grocery carts,' that are generally  
 70 used by individuals to collect and transport consumer goods while shopping; and

71 (G) Four-wheel metal carts, commonly referred to as 'metal bossies,' that are used to  
 72 transport or merchandise food products that are stored in crates, shells, or trays."

73 **SECTION 2.**

74 Said article is further amended by revising Code Section 10-1-351, relating to record of  
 75 transactions, as follows:

76 "10-1-351.

77 (a) A secondary metals recycler shall maintain a legible record of all purchase transactions  
 78 to which such secondary metals recycler is a party. Such record shall include the following  
 79 information:

80 (1) The name and address of the secondary metals recycler;

81 (2) The date and time of the transaction;

82 (3) The weight, quantity, or volume and a description of the type of regulated metal  
 83 property purchased in a purchase transaction. For purposes of this paragraph, the term  
 84 'type of regulated metal property' shall include a general physical description, such as  
 85 wire, tubing, extrusions, or castings;

86 (4) The amount of consideration given in a purchase transaction for the regulated metal  
 87 property;

88 (5) A signed statement from the person receiving consideration in the purchase  
 89 transaction stating that he or she is the rightful owner of the regulated metal property or  
 90 is entitled to sell the regulated metal property being sold;

91 (6) The name and address of the person delivering the regulated metal property to the  
 92 secondary metals recycler;

93 (7) The distinctive number from, and type of, the personal identification card of the  
 94 person delivering the regulated metal property to the secondary metals recycler; and

95 (8) The vehicle license tag number, state of issue, and the type of vehicle, if available,  
 96 used to deliver the regulated metal property to the secondary metals recycler. For

97 purposes of this paragraph, the term 'type of vehicle' shall mean an automobile, pickup  
98 truck, van, or truck.

99 (b) A secondary metals recycler shall maintain or cause to be maintained the information  
100 required by subsection (a) of this Code section for not less than two years from the date of  
101 the purchase transaction.

102 (c) For recyclable materials that are not special purchase articles, secondary metals  
103 recyclers shall use the following category codes to identify the recyclable materials that the  
104 secondary metals recycler receives:

105 (1) Number one copper, which includes clean copper pipe, clean copper wire, or other  
106 number one copper that does not have solder, paint, or coating;

107 (2) Number two copper, which includes unclean copper pipe, unclean copper wire, or  
108 other number two copper;

109 (3) Sheet copper, which includes copper roofing, copper gutters, copper downspouts, and  
110 other sheet copper;

111 (4) Insulated copper wire;

112 (5) Aluminum or copper radiators, which includes aluminum radiators, aluminum copper  
113 radiators, and copper radiators;

114 (6) Red brass, which includes red brass valves and other red brass;

115 (7) Yellow brass, which includes yellow brass fixtures, yellow brass valves and fittings,  
116 ornamental brass, and other yellow brass;

117 (8) Aluminum sheet;

118 (9) Aluminum extrusions, which includes aluminum bleachers, aluminum benches,  
119 aluminum frames, aluminum pipe, and other aluminum extrusions;

120 (10) Cast aluminum, which includes aluminum grills, lawnmower decks made of  
121 aluminum, aluminum motor vehicle parts and rims, and other cast aluminum;

122 (11) Clean aluminum wire;

123 (12) Unclean aluminum wire;

124 (13) Aluminum exteriors, which includes aluminum siding, aluminum gutters and  
125 downspouts, aluminum shutters, aluminum trim, and other aluminum exterior items;

126 (14) Contaminated aluminum;

127 (15) Stainless steel, which includes sinks, appliance housing, dishes, pots, pans, pipe, and  
128 other items made out of stainless steel;

129 (16) Large appliances, which includes consumer and other appliances;

130 (17) Miscellaneous steel, which includes steel grates, steel farm machinery, steel  
131 industrial machinery, steel motor vehicle frames, and other items made out of steel;

132 (18) Sheet irons, which includes bicycles, motor vehicle body parts made of iron, and  
133 other items made using sheet iron;

- 134 (19) Motor vehicle nonbody parts, which includes motor vehicle batteries, radiators, and  
 135 other nonbody motor vehicle parts;  
 136 (20) Catalytic converters;  
 137 (21) Lead; and  
 138 (22) Electric motors.
- 139 (d) All journal brasses and other railroad metals shall be held by the secondary metals  
 140 recycler for a period of 30 days after being purchased or acquired.
- 141 (e) A secondary metals recycler shall do all the following with respect to each special  
 142 purchase article the secondary metals recycler purchases or receives:
- 143 (1) Comply with the requirements of this subsection in addition to the requirements of  
 144 subsection (a) of this Code section;
- 145 (2) Take a photograph of each special purchase article;
- 146 (3) Obtain from the seller or provider of the special purchase article proof that the seller  
 147 or provider owns the article;
- 148 (4) If payment is rendered for the special purchase articles, a check shall be issued for the  
 149 purchase of the special purchase articles;
- 150 (5) Withhold payment for such purchase for a period of two days after the day the special  
 151 purchase articles are purchased; and
- 152 (6) If an asserted owner or such owner's agent of stolen special purchase articles provides  
 153 proof of having filed a stolen property report with the appropriate law enforcement agency,  
 154 make records describing special purchase articles the secondary metals recycler purchased  
 155 or received after the alleged date of theft available for inspection to the asserted owner or  
 156 owner's agent for a period of six months after the alleged date of theft of the articles, except  
 157 that the secondary metals recycler shall withhold the name of the person from whom the  
 158 special purchase articles were purchased or received and the amount paid for the special  
 159 purchase articles."

160 **SECTION 3.**

161 Said article is further amended by revising Code Section 10-1-352, relating to inspections by  
 162 law enforcement officers, as follows:

163 "10-1-352.

164 (a) During the usual and customary business hours of a secondary metals recycler, a law  
 165 enforcement officer shall, after properly identifying himself or herself as a law enforcement  
 166 officer, have the right to inspect:

- 167 (1) Any and all purchased regulated metal property in the possession of the secondary  
 168 metals recycler; and
- 169 (2) Any and all records required to be maintained under Code Section 10-1-351.

170 (b) A secondary metals recycler shall provide a copy of the records required to be  
 171 maintained under Code Section 10-1-531 to any law enforcement officer, upon request for  
 172 such copies.

173 (c) Records submitted to any law enforcement officer pursuant to this Code section are not  
 174 subject to Article 4 of Chapter 18 of Title 50, relating to open records. A person who  
 175 claims to own a stolen article that may be identified in these records, or an agent of that  
 176 person, who provides proof of having filed a stolen property report with the appropriate law  
 177 enforcement agency, may request these records. The law enforcement agency shall provide  
 178 such records, but shall redact information that reveals the name of the seller of any article  
 179 and the price the secondary metals recycler paid for any article the secondary metals  
 180 recycler purchased or the estimated value of any article the secondary metals recycler  
 181 received. The law enforcement agency shall determine which records to provide, based  
 182 upon the time period that the alleged theft is reported to have taken place. A law  
 183 enforcement agency may charge or collect a fee for providing records required by this  
 184 Code section."

185 **SECTION 4.**

186 Said article is further amended by revising Code Section 10-1-353, relating to the hold on  
 187 regulated metal property believed to be stolen, notice, and release of hold, as follows:

188 "10-1-353.

189 (a) The law enforcement agency that serves the jurisdiction in which the secondary metals  
 190 recycler is located shall provide a list, as that agency determines appropriate, of the names  
 191 and descriptions of persons known to be or who are suspected to be thieves or receivers of  
 192 stolen property. No secondary metals recycler shall purchase or receive articles from any  
 193 person identified on the list the secondary metals recycler receives from the law  
 194 enforcement agency.

195 (b) Every secondary metals recycler shall post a notice in a conspicuous place on such  
 196 recycler's premises notifying persons who may wish to transact business with the recycler  
 197 of the penalties applicable to any person who does any of the following:

198 (1) Provides a false personal identification card to the secondary metals recycler;

199 (2) With purpose to defraud, provides any other false information to the secondary metals  
 200 recycler in connection with the secondary metals recycler's duty to maintain records  
 201 required under this article; or

202 (3) Violates Code Sections 16-8-2 through 16-8-9, the penalties for which are found at  
 203 Code Section 16-8-12, including any theft of a grave marker, plaque, monument, or  
 204 memorial to the dead and theft of ferrous metals or regulated metal property as defined  
 205 in Code Section 10-1-350.

206 ~~(a)~~(c) Whenever a law enforcement officer has reasonable cause to believe that any item  
 207 of regulated metal property in the possession of a secondary metals recycler has been  
 208 stolen, the law enforcement officer may issue a hold notice to the secondary metals  
 209 recycler. The hold notice shall be in writing, shall be delivered to the secondary metals  
 210 recycler, shall specifically identify those items of regulated metal property that are believed  
 211 to have been stolen and that are subject to the notice, and shall inform the secondary metals  
 212 recycler of the information contained in this Code section. Upon receipt of the notice  
 213 issued in accordance with this Code section, the secondary metals recycler receiving the  
 214 notice shall not process or remove the items of regulated metal property identified in the  
 215 notice, or any portion thereof, from the place of business of the secondary metals recycler  
 216 for 15 calendar days after receipt of the notice by the secondary metals recycler, unless  
 217 sooner released by a law enforcement officer.

218 ~~(b)~~(d) No later than the expiration of the 15 day period, a law enforcement officer may  
 219 issue a second hold notice to the secondary metals recycler, which shall be an extended  
 220 hold notice. The extended hold notice shall be in writing, shall be delivered to the  
 221 secondary metals recycler, shall specifically identify those items of regulated metal  
 222 property that are believed to have been stolen and that are subject to the extended hold  
 223 notice, and shall inform the secondary metals recycler of the information contained in this  
 224 Code section. Upon receipt of the extended hold notice issued in accordance with this  
 225 Code section, the secondary metals recycler receiving the extended hold notice shall not  
 226 process or remove the items of regulated metal property identified in the notice, or any  
 227 portion thereof, from the place of business of the secondary metals recycler for 30 calendar  
 228 days after receipt of the extended hold notice by the secondary metals recycler, unless  
 229 sooner released by a law enforcement officer.

230 ~~(c)~~(e) At the expiration of the hold period or, if extended in accordance with this Code  
 231 section, at the expiration of the extended hold period, the hold is automatically released and  
 232 the secondary metals recycler may dispose of the regulated metal property unless other  
 233 disposition has been ordered by a court of competent jurisdiction."

#### 234 **SECTION 5.**

235 Said article is further amended by revising Code Section 10-1-355, relating to purchases of  
 236 regulated metal property exempted from application of this article, as follows:

237 "10-1-355.

238 This article shall not apply to purchases of regulated metal property from:

- 239 (1) Organizations, corporations, or associations registered with the state as charitable,  
 240 philanthropic, religious, fraternal, civic, patriotic, social, or school-sponsored  
 241 organizations or associations or from any nonprofit corporations or associations;

- 242 (2) A law enforcement officer acting in an official capacity;
- 243 (3) A trustee in bankruptcy, executor, administrator, or receiver who has presented proof
- 244 of such status to the secondary metals recycler;
- 245 (4) Any public official acting under judicial process or authority who has presented proof
- 246 of such status to the secondary metals recycler;
- 247 (5) A sale on the execution, or by virtue, of any process issued by a court if proof thereof
- 248 has been presented to the secondary metals recycler; ~~or~~
- 249 (6) A manufacturing, industrial, or other commercial vendor that generates or sells
- 250 regulated metal property in the ordinary course of its business; ~~or~~
- 251 (7) A sale or donation of common recycled material."

252 **SECTION 6.**

253 Said article is further amended by revising Code Section 10-1-356, relating to prohibited

254 acts, as follows:

255 "10-1-356.

256 It shall be unlawful for:

- 257 (1) A secondary metals recycler to engage in the purchase or sale of regulated metal
- 258 property between the hours of 9:00 P.M. and 6:00 A.M.; ~~and~~
- 259 (2) Any person to give a false statement of ownership or to give a false or altered
- 260 identification or vehicle tag number and receive money or other consideration from a
- 261 secondary metals recycler in return for regulated metal property;:
- 262 (3) A secondary metals recycler to purchase or receive any metal articles from a person
- 263 who refuses to provide the secondary metals recycler the person's identification card;
- 264 (4) A secondary metals recycler to purchase or receive any special purchase articles from
- 265 any person who is under 18 years of age; and
- 266 (5) A secondary metals recycler to purchase or receive more than one catalytic converter
- 267 from the same person except from a scrap metal processor as defined in Code Section
- 268 43-43-1."

269 **SECTION 7.**

270 All laws and parts of laws in conflict with this Act are repealed.
