Senators Harp of the 29th, Weber of the 40th, Adelman of the 42nd and Moody of the 56th offered the following amendment:

1 *Amend the substitute to SB 164 (LC 34 2140S) by replacing lines 112 through 118 with the*
2 *following:*

3 "(6) 'Viewing zone' means a trapezoidal area extending from the base of the sign at the
4 point at which it is nearest to the right of way fence or boundary which shall not exceed:

5 (A) Two hundred seventy-five feet in width from the point of the base of the sign
6 nearest the right of way boundary; and

7 (B) From a line perpendicular to the roadway passing through the point where the base
8 of the sign is nearest the right of way fence or boundary, 500 feet along the roadway
9 pavement.

10 To any extent such definition differs from the definition contained in subparagraph
11 (a)(1)(C) of Code Section 32-6-75.3, this definition shall govern."
