A RESOLUTION

1 Urging public and private employers in the Atlanta metropolitan area to adopt flexible hours
2 for their employees in order to reduce traffic congestion; and for other purposes.

3 WHEREAS, the Atlanta metropolitan area is the second most congested area in the United
4 States; and

5 WHEREAS, as the congestion has worsened, many companies no longer even consider
6 Atlanta as an option when deciding on places to locate; and

7 WHEREAS, the quality of life for people in the Atlanta metropolitan area deteriorates as lack
8 of mobility steals time away from family and other pursuits and interests; and

9 WHEREAS, the state is facing a severe budget shortfall and transportation infrastructure
10 improvements cannot be adequately funded; and

11 WHEREAS, public and private employers could become part of the solution to the traffic
12 congestion problem within the Atlanta metropolitan area by allowing employees to work
13 under a flexible scheduling arrangement; and

14 WHEREAS, by allowing for flexible starting and ending hours, the traffic congestion in the
15 area could be greatly reduced.
