 374 the violation is criminally punishable, which law, rule, or regulation relates to or in part
 375 regulates the practice of medicine, when the licensee or applicant knows or should know
 376 that such action is violative of such law, rule, or regulation; or violated a lawful order of
 377 the board, previously entered by the board in a disciplinary hearing;

378 (11) Committed any act or omission which is indicative of bad moral character or
 379 untrustworthiness;

380 ~~(11.1) Failed to attempt to inform a patient, in a timely manner, that the physician has~~
 381 ~~received the results of a laboratory test. The board shall promulgate rules for the~~
 382 ~~implementation of this paragraph no later than January 1, 2002. Any physician who~~
 383 ~~complies with the rules promulgated by the board for informing his or her patient that the~~

384 ~~results of any laboratory test have been received shall be immune from any civil or~~
 385 ~~criminal liability for such disclosure;~~

386 (12) Been adjudged mentally incompetent by a court of competent jurisdiction, within
 387 or outside this state. Any such adjudication shall automatically suspend the license,
 388 certificate, or permit of any such person and shall prevent the reissuance or renewal of
 389 any license, certificate, or permit so suspended for as long as the adjudication of
 390 incompetence is in effect unless the board, upon a finding that the licensee, certificate
 391 holder, or permit holder is mentally competent, orders otherwise. Any applicant who has
 392 been so adjudged to be mentally incompetent shall not receive a license, certificate, or
 393 permit unless the board, upon a finding that the applicant is mentally competent, orders
 394 otherwise; ~~or~~

395 (13) Become unable to practice ~~medicine pursuant to this chapter~~ with reasonable skill
 396 and safety to patients by reason of illness or use of alcohol, drugs, narcotics, chemicals,
 397 or any other type of material, or as a result of any mental or physical condition:

398 (A) In enforcing this paragraph the board may, upon reasonable grounds, require a
 399 licensee, certificate holder, permit holder, or applicant to submit to a mental or physical
 400 examination by physicians designated by the board. The expense of this examination
 401 shall be borne by the licensee, certificate holder, or permit holder or applicant. The
 402 results of such examination shall be admissible in any hearing before the board,
 403 notwithstanding any claim of privilege under a contrary rule of law or statute,
 404 including, but not limited to, Code Section 24-9-21. Every person who shall accept the
 405 privilege of practicing ~~medicine in this state~~ a profession regulated under this chapter
 406 or who shall file an application for a license to practice ~~medicine~~ a profession regulated
 407 under this chapter in this state shall be deemed to have given his or her consent to
 408 submit to such mental or physical examination and to have waived all objections to the
 409 admissibility of the results in any hearing or informal proceeding before the board,
 410 upon the grounds that the same constitutes a privileged communication. If a licensee,
 411 certificate holder, or permit holder or applicant fails to submit to such an examination
 412 when properly directed to do so by the board, unless such failure was due to
 413 circumstances beyond his or her control, the board may enter a final order upon proper
 414 notice, hearing, and proof of such refusal. Any licensee, certificate holder, permit
 415 holder, or applicant who is prohibited from practicing ~~medicine pursuant to this chapter~~
 416 under this paragraph shall at reasonable intervals be afforded an opportunity to
 417 demonstrate to the board that he or she can resume or begin ~~the practice of medicine~~
 418 pursuant to this chapter with reasonable skill and safety to patients;

419 (B) For the purposes of this paragraph, the board may, upon reasonable grounds, obtain
 420 any and all records relating to the mental or physical condition of a licensee, certificate

421 holder, or permit holder or applicant, including psychiatric records; and such records
 422 shall be admissible in any hearing or informal proceeding before the board,
 423 notwithstanding any privilege under a contrary rule of law or statute, including, but not
 424 limited to, Code Section 24-9-21. Every person who shall accept the privilege of
 425 practicing medicine pursuant to this chapter in this state or who shall file an application
 426 to practice medicine pursuant to this chapter in this state shall be deemed to have given
 427 his or her consent to the board's obtaining any such records and to have waived all
 428 objections to the admissibility of such records in any hearing or any informal
 429 proceedings before the board, upon the grounds that the same constitute a privileged
 430 communication; and

431 (C) If any licensee, certificate holder, or permit holder or applicant could, in the
 432 absence of this paragraph, invoke a privilege to prevent the disclosure of the results of
 433 the examination provided for in subparagraph (A) of this paragraph or the records
 434 relating to the mental or physical condition of such licensee, certificate holder, or
 435 permit holder or applicant obtained pursuant to subparagraph (B) of this paragraph, all
 436 such information shall be received by the board in camera and shall not be disclosed to
 437 the public, nor shall any part of the record containing such information be used against
 438 any licensee, certificate holder, or permit holder or applicant in any other type of
 439 proceeding;:

440 (14) Cheated on or attempted to subvert an examination by the board;

441 (15) Committed an act of sexual abuse, misconduct, or exploitation of a patient including
 442 guardians and parents of minors;

 444 physician in compliance with Chapter 33 of Title 31 shall not be considered to have
 445 abandoned patient records;

446 (17) Entered into conduct which discredits the profession;

447 (18) Failed to furnish records, including, but not limited to, medical records, to the board
 448 in response to a subpoena or failed to answer questions on the renewal of the license,

450 (19) Failed to maintain appropriate medical or other records as required by board rule;

451 (20) Failed to follow generally accepted infection control procedures or Occupational
 452 Safety and Health Administration (OSHA) standards;

453 (21) Failed to comply with federal laws and standards relating to the practice of medicine
 454 or other health care profession regulated under this chapter, the regulations of drugs, the
 455 delivery of health care, or other related laws;

456 (22) Failed to comply with an order for child support as defined by Code Section
 457 19-11-9.3; it shall be incumbent upon the applicant, licensee, certificate holder, or permit

458 holder to supply a notice of release to the board from the appropriate child support
 459 authorities within the Department of Human Resources indicating that the licensee,
 460 certificate holder, permit holder, or applicant has come into compliance with an order for
 461 child support so that a license, certificate, or permit may be issued if all other conditions
 462 for the issuance of a license, certificate, or permit are met; or

463 (23) Failed to enter into satisfactory repayment status and is a borrower in default as
 464 defined by Code Section 20-3-295; it shall be incumbent upon the applicant, licensee,

 468 a license, certificate, or permit may be issued or granted if all other conditions for
 469 issuance of a license, certificate, or permit are met.

470 (a.1) The provisions of Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act,'
 471 with respect to emergency action by a professional licensing board and summary
 472 suspension of a license are adopted and incorporated by reference into this Code section.

473 (b)(1) When the board finds that any person is unqualified to be granted a license,
 474 certificate, or permit or finds that any person should be disciplined pursuant to
 475 subsection (a) of this Code section, the board may take any one or more of the following
 476 actions:

477 (A) Refuse to grant a license, certificate, or permit to an applicant;

478 (B) Place the licensee, certificate holder, or permit holder on probation for a definite
 479 or indefinite period with terms and conditions;

480 (C) Administer a public or private reprimand, provided that a private reprimand shall
 481 not be disclosed to any person except the licensee, certificate holder, or permit holder;

482 ~~(D)~~ Suspend any license, certificate, or permit for a definite or indefinite period;

483 ~~(D)~~ Limit or restrict any license, certificate, or permit;

485 ~~(F) Condition the penalty, or withhold formal disposition, upon the physician's~~
 486 ~~submission to the care, counseling, or treatment of physicians or other professional~~
 487 ~~persons, and the completion of such care, counseling, or treatment, as directed by the~~
 488 ~~board.~~

489 (G) Impose a fine not to exceed \$5,000.00 for each violation of a law, rule, or
 490 regulation relating to the licensee, certificate holder, permit holder or applicant;

491 (H) Impose a fine in a reasonable amount to reimburse the board for the administrative
 492 costs;

493 (I) Require passage of a board approved minimum competency examination;

494 (J) Require board approved medical education;

495 (K) Condition the penalty, or withhold formal disposition, which actions shall be kept
 496 confidential, unless there is a public order upon the licensee or applicant, certificate
 497 holder, or permit holder's submission to the care, counseling, or treatment by physicians
 498 or other professional persons and the completion of such care, counseling, or treatment,
 499 as directed by the board; or

500 (L) Require a board approved mental and physical evaluation of all licensees,
 501 certificate holders, or permit holders.

502 (2) In addition to and in conjunction with the actions enumerated pursuant to
 503 paragraph (1) of this subsection, the board may make a finding adverse to the licensee,
 504 certificate holder, permit holder, or applicant but withhold imposition of judgment and
 505 penalty; or it may impose the judgment and penalty but suspend enforcement thereof and
 506 place the physician licensee, certificate holder, permit holder, or applicant on probation,
 507 which probation may be vacated upon noncompliance with such reasonable terms as the
 508 board may impose.

509 (3) Neither the issuance of a private reprimand nor the denial of a license, certificate, or
 510 permit nor the denial of a request for reinstatement of a revoked license, certificate, or
 511 permit nor the refusal to issue a previously denied license, certificate, or permit shall be
 512 considered to be a contested case within the meaning of Chapter 13 of Title 50, the
 513 'Georgia Administrative Procedure Act'; notice and hearing within the meaning of said
 514 chapter shall not be required, but the applicant or licensee, certificate holder, or permit
 515 holder shall be allowed to appear before the board if he or she so requests. A board may
 516 resolve a pending action by the issuance of a letter of concern. Such letter shall not be
 517 considered a disciplinary action or a contested case under Chapter 13 of Title 50 and shall
 518 not be disclosed to any person except the holder of a license, certificate, or permit or an
 519 applicant.

520 (b.1) The board shall suspend the license, certificate, or permit of a person licensed by the
 521 board who has been certified by a federal agency and reported to the board for nonpayment
 522 or default or breach of a repayment or service obligation under any federal education loan,
 523 loan repayment, or service conditional scholarship program. Prior to the suspension, the
 524 licensee, certificate holder, or permit holder shall be entitled to notice of the board's
 525 intended action and opportunity to appear before the board according to procedures set
 526 forth in the board's rules and regulations. A suspension of a license, certificate, or permit
 527 under this subsection is not a contested case under Chapter 13 of Title 50, 'Georgia
 528 Administrative Procedure Act.' A license, certificate, or permit suspended under this Code
 529 section shall not be reinstated or reissued until the person provides the board a written
 530 release issued by the reporting agency stating that the person is making payments on the
 531 loan or satisfying the service requirements in accordance with an agreement approved by

532 the reporting agency. If the person has continued to meet all other requirements for
 533 issuance of a license, certificate, or permit during the period of suspension, reinstatement
 534 of the license, certificate, or permit shall be automatic upon receipt of the notice and
 535 payment of any reinstatement fee which the board may impose.

536 (c) In its discretion, the board may restore and reissue a license, certificate, or permit to
 537 practice medicine issued under this chapter or any antecedent law and, as a condition
 538 thereof, may impose any disciplinary or corrective measure provided in this chapter.

539 (d) The executive director is vested with the power and authority to make, or cause to be
 540 made through employees or agents of the board, such investigations as he or she, or the
 541 board, or any district attorney may deem necessary or advisable in the enforcement of this
 542 chapter. Any person properly conducting an investigation on behalf of the board shall have
 543 access to and may examine any writing, document, or other material, except that as to
 544 which privilege has not been denied or deemed waived by this chapter, and which is
 545 deemed by the president chairperson of the board, or ~~vice-president~~ vice chairperson if the
 546 president chairperson is not available, to be related to the fitness of any licensee, certificate
 547 holder, permit holder, or applicant to practice medicine pursuant to this chapter. The
 548 executive director or the president chairperson of the board, or ~~vice-president~~ vice
 549 chairperson if the president chairperson is not available, may issue subpoenas to compel
 550 such access. When a subpoena is disobeyed, the board may apply to the superior court of
 551 the county where the person to whom the subpoena is issued resides for an order requiring
 552 obedience. Failure to comply with such order shall be punishable as for contempt of court.
 553 The results of any investigations whatsoever shall be reported only to the board, and the
 554 records of such investigations shall be kept by the board; no part of any such record shall
 555 be released for any purpose other than a hearing before the board and as provided in
 556 Chapter 34A of this title; nor shall such records be subject to subpoena. The board shall
 557 be authorized to release records that are not otherwise confidential or privileged only to
 558 another state or federal enforcement agency or lawful licensing authority.

559 (e) In any hearing to determine a licensee's, certificate holder's, permit holder's, or
 560 applicant's fitness to practice medicine pursuant to this chapter, any record relating to any
 561 patient of the licensee, certificate holder, permit holder, or applicant shall be admissible
 562 into evidence, regardless of any statutory privilege which such patient might otherwise be
 563 able to invoke. In addition, no such patient may withhold testimony bearing upon a
 564 licensee's, certificate holder's, permit holder's, or applicant's fitness to practice medicine
 565 pursuant to this chapter on the ground of privilege between such licensee, certificate holder,
 566 permit holder, or applicant and such patient. Any testimony or written evidence relating
 567 to a patient of a licensee, certificate holder, permit holder, or applicant or to the record of

568 any such patient shall be received by the board in camera and shall not be disclosed to the
569 public.

570 (f) In any hearing in which the fitness of a licensee, certificate holder, permit holder, or
571 applicant to practice ~~medicine pursuant to this chapter~~ is in question, the board may
572 exclude all persons from its deliberation of the appropriate action to be taken and may,
573 when in its discretion it deems it necessary, speak to a licensee, certificate holder, permit
574 holder, or applicant in private.

575 (g) ~~This Code section is enacted in the public welfare and shall be liberally construed.~~

576 (h) A person, partnership, firm, corporation, association, authority, or other entity shall be
577 immune from civil and criminal liability for reporting or investigating the acts or omissions
578 of a licensee, certificate holder, permit holder, or applicant which violate the provisions of
579 subsection (a) of this Code section or any other provisions of law relating to a licensee's,
580 certificate holder's, permit holder's, or applicant's fitness to practice ~~medicine pursuant to~~
581 this chapter or for initiating or conducting proceedings against such licensee, certificate
582 holder, permit holder, or applicant, if such report is made or action is taken in good faith
583 without fraud or malice. Any person who testifies in good faith without fraud or malice
584 before the board in any proceeding involving a violation of subsection (a) of this Code
585 section or any other law relating to a licensee's, certificate holder's, permit holder's, or
586 applicant's fitness to practice ~~medicine pursuant to this chapter,~~ or who makes a
587 recommendation to the board in the nature of peer review, shall be immune from civil and
588 criminal liability for so testifying.

589 (h) Peer review conducted pursuant to this Code section shall be subject to the provisions
590 of Article 6 of Chapter 7 of Title 31, relating to medical peer review groups. Any person
591 providing information for purposes of peer review under this Code section and any person
592 providing information to the board under this Code section shall not be criminally or civilly
593 liable in any way for such actions unless:

594 (1) Such information is unrelated to the carrying out of peer review under this Code
595 section; or

596 (2) Such information is false and the person disclosing such information knew that such
597 information was false.

598 (i) This Code section is enacted in the public welfare and shall be liberally construed.

599 (i)(j) The board shall investigate a licensee's, certificate holder's, or permit holder's fitness
600 to practice ~~medicine pursuant to this chapter~~ if the board has received a notification,
601 pursuant to Code Section 33-3-27, regarding that licensee, certificate holder, or permit
602 holder of a medical malpractice judgment or settlement in excess of \$100,000.00 or a
603 notification pursuant to Code Section 33-3-27 that there have been two or more previous
604 judgments against or settlements with the licensee, certificate holder, or permit holder

605 relating to ~~the practice of medicine pursuant to this chapter~~ involving an action for medical
 606 malpractice. Every licensee, certificate holder, or permit holder shall notify the board of
 607 any settlement or judgment involving the licensee, certificate holder, or permit holder
 608 involving an action for medical malpractice.

609 ~~(j)~~(k) The board ~~shall~~ may conduct an assessment of a licensee's, certificate holder's, or
 610 permit holder's fitness to practice ~~medicine pursuant to this chapter~~ if it has disciplined the
 611 licensee, certificate holder, or permit holder three times in the last ten years as a result of
 612 an action for medical malpractice. The assessment shall include an examination of the
 613 licensee's, certificate holder's, or permit holder's entire history with respect to ~~the practice~~
 614 ~~of medicine pursuant to this chapter~~ and a one-day on-site visit to the licensee's, certificate
 615 holder's, or permit holder's current practice location. The assessment shall be completed
 616 within six months of the third disciplinary action. As a result of its findings the board may
 617 take any action it deems necessary to reduce medical errors and promote patient safety,
 618 including revocation, suspension, or limiting the licensee's, certificate holder's, or permit
 619 holder's license, certificate, or permit or requiring additional clinical training, additional
 620 continuing medical education, proctoring, or referral to appropriate rehabilitation facilities.
 621 As used in this subsection, the term 'action for medical malpractice' shall have the same
 622 meaning as provided in Code Section 9-3-70. The board shall implement this subsection
 623 upon the effective date of a specific appropriation of funds for purposes of this subsection
 624 as expressed in a line item making specific reference to the full funding of this subsection
 625 in an appropriations Act enacted by the General Assembly.

626 (l) If any licensee, certificate holder, permit holder, or applicant after 30 days' notice fails
 627 to appear at any hearing of the board for that licensee, certificate holder, permit holder, or
 628 applicant, the board may proceed to hear the evidence against such licensee, certificate
 629 holder, permit holder, or applicant and take action as if such licensee, certificate holder,
 630 permit holder, or applicant had been present. A notice of hearing, initial or recommended
 631 decision, or final decision of the board in a disciplinary proceeding shall be served
 632 personally upon the licensee, certificate holder, permit holder, or applicant or served by
 633 certified mail, return receipt requested, to the last known address of record with the board.
 634 If such material is served by certified mail and is returned marked 'unclaimed' or 'refused'
 635 or is otherwise undeliverable and if the licensee, certificate holder, permit holder, or
 636 applicant cannot, after diligent effort, be located, the executive director shall be deemed to
 637 be the agent for service for such licensee, certificate holder, permit holder, or applicant for
 638 purposes of this Code section, and service upon the executive director shall be deemed to
 639 be service upon the licensee, certificate holder, permit holder, or applicant.

640 (m) The voluntary surrender of a license, certificate, or permit or the failure to renew a
 641 license, certificate, or permit by the end of the established penalty period shall have the

642 same effect as a revocation of said license, certificate, or permit, subject to reinstatement
 643 in the discretion of the board. The board may restore and reissue a license, certificate, or
 644 permit to practice under this chapter and, as a condition thereof, may impose any
 645 disciplinary sanction provided by this Code section.

646 (n) Subsections (a) and (b) of this Code section shall be supplemental to and shall not
 647 operate to prohibit the board from acting pursuant to those provisions of law which may
 648 now or hereafter authorize other disciplinary grounds and actions for the board. In cases
 649 where those other provisions are law so authorize other disciplinary grounds and actions
 650 but subsections (a) and (b) of this Code section limit such grounds for action, those other
 651 provisions shall apply.

652 (o) The board shall publish all final public disciplinary actions taken against a licensee,
 653 certificate holder, or permit holder pursuant to this chapter on its official website.

654 ~~43-34-38~~ 43-34-9.

655 Proceedings before the board wherein a licensee's, certificate holder's, or permit holder's
 656 right to practice medicine pursuant to this chapter in this state is terminated, suspended, or
 657 limited or wherein a public reprimand is administered shall require prior notice to the
 658 licensee and an opportunity for hearing; and such proceedings shall be considered
 659 contested cases within the meaning of Chapter 13 of Title 50, the 'Georgia Administrative
 660 Procedure Act.' Neither refusal of a license, certificate, or permit nor a private reprimand
 661 nor a letter of concern shall be considered a contested case within the meaning of Chapter
 662 13 of Title 50, and notice and hearing within the meaning of such chapter shall not be
 663 required; ~~but the applicant physician shall be allowed to appear before the board if he so~~
 664 requests provided, however, that the applicant shall be allowed to appear before the board,
 665 if the applicant so requests, prior to the board making a final decision regarding the
 666 issuance of the license, certificate, or permit. The power to subpoena as set forth in
 667 Chapter 13 of Title 50 shall include the power to subpoena any book, writing, paper, or
 668 document. If any licensee, certificate holder, or permit holder fails to appear at any hearing
 669 after reasonable notice, the board may proceed to hear the evidence against such licensee,
 670 certificate holder, or permit holder and take action as if such licensee, certificate holder,
 671 or permit holder had been present.

672 43-34-10.

673 Any licensee, certificate holder, or permit holder who is convicted under the laws of this
 674 state, the United States, or any other state, territory, or country of a felony as defined in
 675 paragraph (5) of Code Section 16-1-3 shall be required to notify the board of the conviction
 676 within ten days of the conviction. The failure to notify the board of a conviction shall be

677 considered grounds for revocation of his or her license, certificate, permit, or other
 678 authorization to conduct a profession regulated under this chapter.

679 ~~43-34-3~~ 43-34-11.

680 (a)(1) The board shall be authorized to require persons seeking renewal of a license, ~~or~~
 681 ~~certificate, or permit~~ under this chapter to complete board approved continuing education
 682 of not less than 40 hours biennially. The board shall be authorized to approve courses
 683 offered by institutions of higher learning, specialty societies, or professional
 684 organizations, including, but not limited to, the American Medical Association, the
 685 National Medical Association, and the American Osteopathic Association, the number
 686 of hours required, and the category in which these hours should be earned. This paragraph
 687 shall not apply to respiratory care professionals or persons seeking renewal of
 688 certification as respiratory care professionals.

689 (2) The board shall be authorized to require persons seeking renewal of certification as
 690 respiratory care professionals under Article 6 of this chapter to complete board approved
 691 continuing education. The board shall be authorized to establish the number of hours of
 692 continuing education required biennially for renewal of certification as a respiratory care
 693 professional and the categories in which these hours should be earned. The board shall
 694 be authorized to approve courses offered by institutions of higher learning, specialty
 695 societies, or professional organizations. Any action taken by the board pursuant to this
 696 paragraph shall be taken in conformity with the provisions of Code Section 43-34-143.

697 (b)(1) The board shall be authorized to waive the continuing education requirement in
 698 cases of hardship, disability, illness, or in cases where physicians or ~~physicians'~~ physician
 699 assistants are serving in fellowships, new specialty residencies, postgraduate specialty
 700 programs, the United States Congress or Georgia General Assembly, or under such other
 701 circumstances as the board deems appropriate.

702 (2) The board shall require no more than 20 hours of continuing education annually for
 703 retired physicians who have an active license and who provide uncompensated health
 704 care services pursuant to Code Section ~~43-34-45.1~~ 43-34-42 or Article 8 of Chapter 8 of
 705 Title 31; provided, however, that the board shall be authorized to require up to 40 hours
 706 of continuing education for retired physicians who have not had an active license to
 707 practice medicine for up to five years.

708 (c) The board shall be authorized to promulgate rules and regulations to implement and
 709 ensure compliance with the requirements of this Code section.

710 (d) This Code section shall apply to each licensing, certification, permit, and renewal cycle
 711 which begins after the 1990-1991 renewal.

712 ARTICLE 2

713 43-34-20.714 This article shall be known as the 'Medical Practice Act of the State of Georgia.'715 43-34-21.

716 The practice of medicine is a privilege granted by the people acting through their elected
 717 representatives. It is not a natural right of individuals. In the interests of public health,
 718 safety, and welfare and to protect the public from the unprofessional, improper,
 719 incompetent, and unlawful practice of medicine, it is necessary to provide laws and
 720 regulations to govern the granting and subsequent use of the privilege to practice medicine.
 721 To that end, the regulation of that practice deserves a structure designed to concentrate on
 722 the practice of medicine. Thus, the primary responsibility and obligation of the Georgia
 723 Composite Medical Board are to protect the public.

724 ~~43-34-20:~~ 43-34-22.

725 As used in this article, the term:

726 (1) 'Board' or ~~'Board of Medical Examiners'~~ means the ~~Composite State Board of~~
727 ~~Medical Examiners~~ Georgia Composite Medical Board.728 (2) ~~'Internship'~~ or any other similar term ~~includes a clinical training program which is~~
729 ~~defined and approved by the board as a substitute for an internship.~~730 ~~(2.1)~~ 'Physician' means a person licensed to practice medicine under this article.731 (2.1) 'Postgraduate training' means a program for the training of interns, residents, or
732 postresidency fellows that is approved by the Accreditation Council for Graduate Medical
733 Education (ACGME), American Osteopathic Association (AOA), or the board.

734 (3) 'To practice medicine,' 'the practice of medicine,' or 'practicing medicine' means to
 735 hold oneself out to the public as being engaged in the diagnosis or treatment of disease,
 736 defects, or injuries of human beings; or the suggestion, recommendation, or prescribing
 737 of any form of treatment for the intended palliation, relief, or cure of any physical,
 738 mental, or functional ailment or defect of any person with the intention of receiving
 739 therefor, either directly or indirectly, any fee, gift, or compensation whatsoever; or the
 740 maintenance of an office for the reception, examination, and treatment of persons
 741 suffering from disease, defect, or injury of body or mind; or attaching the title 'M.D.,'
 742 'Oph.,' 'D.,' 'Dop.,' 'Surgeon,' 'Doctor,' 'D.O.,' 'Doctor of Osteopathy,' 'Allopathic
 743 Physician,' 'Osteopathic Physician,' or 'Physician,' either alone or in connection with other

 2220 provided that nothing in this Code section shall make unlawful the performance of a
 2221 medical task by the ~~physician's~~ physician assistant, whether or not such task is specified
 2222 in the general job description, when it is performed under the direct supervision and in the
 2223 presence of the physician utilizing him or her.

2225 Any physician, clinic, or hospital using a ~~physician's~~ physician assistant shall post a notice
 2226 to that effect in a prominent place.

2227 43-34-107.

2228 (a) The approval of a physician's utilization of a ~~physician's~~ physician assistant may be
 2229 terminated and the license revoked by the board when, after due notice and a hearing, in
 2230 accordance with this Code section, it shall find that the assistant is incompetent or has
 2231 committed unethical or immoral acts, including, but not limited to, holding himself or
 2232 herself out or permitting another to represent him or her as a licensed physician;
 2233 performing otherwise than at the direction of a physician approved by the board to utilize

2237 (b) Before the board shall give written notice to the ~~physician's~~ physician assistant of
 2238 termination of approval granted by it to an assistant, it will give to the assistant a timely
 2239 and reasonable written notice indicating the general nature of the charges, accusation, or
 2240 complaint preferred against him and stating that the assistant will be given an opportunity
 2241 to be heard concerning such charges or complaints; and it shall hold a public hearing within

ARTICLE 5

2262 43-34-120.

2263 This article shall be known and may be cited as the 'Controlled Substances Therapeutic
2264 Research Act.'

2265 43-34-121.

2266 (a) The General Assembly finds and declares that the potential medicinal value of
2267 marijuana has received insufficient study due to a lack of financial incentives for the
2268 undertaking of appropriate research by private drug manufacturing concerns. Individual
2269 physicians cannot feasibly utilize marijuana in clinical trials because of federal
2270 governmental controls which involve expensive, time-consuming approval and monitoring
2271 procedures.

2272 (b) The General Assembly further finds and declares that limited studies throughout the
2273 nation indicate that marijuana and certain of its derivatives possess valuable and, in some
2274 cases, unique therapeutic properties, including the ability to relieve nausea and vomiting
2275 which routinely accompany chemotherapy and irradiation used to treat cancer patients.
2276 Marijuana also may be effective in reducing intraocular pressure in glaucoma patients who
2277 do not respond well to conventional medications.

2278 (c) The General Assembly further finds and declares that, in enabling individual
2279 physicians and their patients to participate in a state-sponsored program for the
2280 investigational use of marijuana and its derivatives, qualified physicians and surgeons
2281 throughout the state will be able to study the benefits of the drug in a controlled clinical
2282 setting, and additional knowledge will be gained with respect to dosage and effects.

2283 (d) It is the intent of the General Assembly in enacting this article to permit research into
2284 the therapeutic applications of marijuana and its derivatives in cancer and glaucoma
2285 patients. This would allow qualified physicians approved by the Patient Qualification
2286 Review Board created by Code Section 43-34-124 to provide the drug on a compassionate
2287 basis to seriously ill persons suffering from the severe side effects of chemotherapy or
2288 radiation treatment and to persons suffering from glaucoma who are not responding to
2289 conventional treatment, which persons would otherwise have no lawful access to it. It is
2290 the further intent of the General Assembly to facilitate clinical trials of marijuana and its
2291 derivatives, particularly with respect to persons suffering from cancer and glaucoma who
2292 would be benefited by use of the drug.

2293 (e) This article is limited to clinical trials and research into therapeutic applications of
2294 marijuana only for use in treating glaucoma and in treating the side effects of
2295 chemotherapeutic agents and radiation and should not be construed as either encouraging

2296 or sanctioning the social use of marijuana. Nothing in this article shall be construed to
 2297 encourage the use of marijuana in lieu of or in conjunction with other accepted medical
 2298 treatment, but only as an adjunct to such accepted medical treatment.

 2362 meetings of such board the same amount authorized by law for members of the General
 2363 Assembly for attendance upon meetings of the General Assembly.

2364 (c) The ~~composite~~ board shall adopt such rules and regulations as it deems necessary for
 2365 the performance of the duties of the review board.

2366 (d) The review board shall review all patient applicants for the program and their
2367 physicians and shall certify those qualified for participation in the program. The review

ARTICLE 8

2921

2922 43-34-190.

2923 This article shall be known and may be cited as the 'Orthotics and Prosthetics Practice Act.'

2924 43-34-191.

2925 The General Assembly finds that the practice of orthotics and prosthetics in this state is an
 2926 allied health profession recognized by the American Medical Association, with educational
 2927 standards established by the Commission on Accreditation of Allied Health Education
 2928 Programs. The increasing population of elderly and physically challenged individuals who
 2929 need orthotic and prosthetic services requires that the orthotic and prosthetic professions
 2930 be regulated to ensure the provision of high-quality services and devices. The people of
 2931 this state deserve the best care available and will benefit from the assurance of initial and
 2932 ongoing professional competence of the orthotists and prosthetists practicing in this state.
 2933 The practice of orthotics and prosthetics serves to improve and enhance the lives of
 2934 individuals with disabilities by enabling them to resume productive lives following serious
 2935 illness, injury, or trauma. Unregulated dispensing of orthotic and prosthetic care does not
 2936 adequately meet the needs or serve the interests of the public. In keeping with
 2937 requirements imposed on similar health disciplines, licensure of the orthotic and prosthetic
 2938 professions will help ensure the health and safety of consumers, as well as maximize their
 2939 functional abilities and productivity levels. This article shall be liberally construed to best
 2940 carry out these subjects and purposes.

 2949 to original measurements or a mold, or both, for use by a patient in accordance with a
 2950 prescription and which requires substantial clinical and technical judgment in its design
 2951 and fitting.

2952 (4) 'Custom fitted device' means a prefabricated orthosis or prosthesis sized; or modified,
 2953 or both, for use by a patient in accordance with a prescription and which requires
 2954 substantial clinical judgment and substantive alteration for appropriate use.

- 2955 (5) 'Facility' means the business location where orthotic or prosthetic care is provided
2956 and which has the appropriate clinical and laboratory space and equipment to provide
2957 comprehensive orthotic or prosthetic care. Licensed orthotists and prosthetists must be
2958 available to either provide care or supervise the provision of care by nonlicensed staff.
- 2959 (6) 'Level of competence' means a hierarchical position that an individual occupies
2960 within a field or profession relative to other practitioners in the profession.
- 2961 (7) 'Licensed orthotist' means a person licensed under this article to practice orthotics and

2965 this chapter.
