19 Title 43 of the Official Code of Georgia Annotated, relating to professions and businesses,

23 43-1A-1.

24 This chapter shall be known and may be cited as the 'Georgia Occupational Regulation
25 Review Law.'

26 43-1A-2.

27 The General Assembly finds that the need for and the effectiveness of establishing
28 occupational licensure and certification in this state has not been systematically evaluated.
29 It is the purpose of this chapter to ensure that no programs of licensure and certification
30 shall hereafter be imposed upon any profession or business unless required for the safety
31 and well-being of the citizens of ~~the~~ this state. It is the further purpose of this chapter to
32 authorize the periodic review of existing regulatory entities to ensure that the authority of
33 such regulatory entities is applicable and necessary with relation to the current professional
34 and business conditions of this state. Any actions of the council pursuant to this chapter
35 are solely recommendations and shall be nonbinding.

36 43-1A-3.

51 designated by the Speaker of the House of Representatives or the President of the Senate
52 to consider proposed legislation introduced in their respective houses of the General
53 Assembly to regulate any business or occupation not previously regulated.54 (6) 'License,' 'licensing,' or 'licensure' means authorization to engage in a business or
55 profession which would otherwise be unlawful in the state in the absence of

56 authorization. A license is granted to those individuals who meet prerequisite
 57 qualifications to perform prescribed business or professional tasks, who use a particular

 62 occupations, industries, businesses, or other endeavors in this state.

63 (9) 'State agency' means each state board, bureau, commission, department, division,

75 (8) The administrator of the 'Fair Business Practices Act of 1975' or his or her designee;

76 (9) The chairperson of the legislative committee of reference or that person's designee
 77 from that committee, but only when legislation referred by such committee is being
 78 considered by the council; and

79 (10) The chairperson of that standing committee of the General Assembly appointed by
 80 the presiding officer thereof pursuant to subsection (b) of Code Section 43-1A-5 or that
 81 chairperson's designee from that committee, but only when legislation of which that
 82 presiding officer was notified under subsection (b) of Code Section 43-1A-5 is being
 83 considered by the council.

84 (c) The director of the Office of Planning and Budget or his or her designee shall serve as

90 43-1A-5.

91 (a) It shall be the duty of the council to:

92 (1) Review ~~review~~ all bills introduced in the General Assembly to license or certify a
93 profession or business, which is not currently licensed or certified by the state, based on
94 the criteria outlined in Code Section 43-1A-6; and

95 (2) Review each existing regulatory entity that is currently regulated pursuant to this title
96 to determine the applicability and necessity of such regulatory entity's authority with
97 relation to the current professional and business conditions of this state. The council shall
98 conduct such review a minimum of once every seven years. All council meetings relating
99 to a review of an existing regulatory entity pursuant to this paragraph shall be conducted
100 in accordance with Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.'

101 (b) The chairperson of the legislative committee of reference shall provide written
102 notification to the council of any proposed legislation introduced in that house of the
103 General Assembly of which that committee is a standing committee if that legislation
104 provides for the licensure or certification of a business or profession not currently licensed
105 or certified by the state. That chairperson at the same time shall provide written notification
106 of that legislation to the presiding officer of the house of the General Assembly in which
107 that legislation was not introduced, and that presiding officer shall then appoint the
108 chairperson of a standing committee of that house to serve as a member of the council for
109 the purpose of considering that legislation, except that the chairperson so appointed may
110 instead designate another member of that standing committee to serve as a member of the
111 council for that purpose. Within a period of time not to exceed nine months from the date
112 of such notification to the council, but in no event later than the convening date of the next
113 succeeding regular session of the General Assembly, the council shall provide a formal
114 report evaluating the need to regulate the business or profession based on the factors and
115 information provided under Code Section 43-1A-7 to the chairperson of the legislative
116 committee of reference, the committee chairperson appointed to the council pursuant to
117 paragraph (10) of subsection (b) of Code Section 43-1A-4, the presiding officers of the
118 House of Representatives and the Senate, and the legislative counsel. If, subsequent to a
119 review pursuant to paragraph (2) of subsection (a) of this Code section, the council
120 concludes changes are needed to the regulations of an existing regulatory entity, or that a
121 regulatory entity's existence is no longer necessary or in the interests of the state, a formal
122 report recommending such changes shall be completed and distributed in the same manner
123 described previously herein. If the council determines a need for regulation, the report
124 shall recommend an appropriate type of regulation and an appropriate state agency to
125 oversee the regulation.

126 (c) The council shall work with the applicant group, the legislative committee of reference,
127 and other interested parties in formulating its formal report.

128 (d) The head of a regulatory entity subject to review pursuant to paragraph (2) of
129 subsection (a) of this Code section shall have the right to testify to the council to contribute
130 its perspective and recommendations regarding potential changes to how such regulatory
131 entity is regulated.

132 43-1A-6.

133 All bills introduced in the General Assembly to newly regulate a profession or business
134 ~~should~~ and all reviews of existing regulatory entities pursuant to paragraph (2) of
135 subsection (a) of Code Section 43-1A-5 shall be reviewed according to the following
136 criteria. In evaluating how or whether a profession or business shall hereafter be regulated,
137 the following factors shall be considered:

138 (1) Whether the unregulated practice of ~~an~~ the occupation may harm or endanger the
139 health, safety, and welfare of citizens of ~~the~~ this state and whether the potential for harm
140 is recognizable and not remote;

141 (2) Whether the practice of ~~an~~ the occupation requires specialized skill or training and
142 whether the public needs and will benefit by assurances of initial and continuing
143 occupational ability;

144 (3) Whether the citizens of this state are or may be effectively protected by other means;
145 ~~and~~

146 (4) Whether the overall cost effectiveness and economic impact would be positive for
147 citizens of ~~the state~~ this state; and

148 (5) Whether there are means other than state regulation to protect the interests of the
149 state.

150 43-1A-7.

151 ~~After July 1, 1986, applicant~~ Applicant groups and other interested parties shall explain in
152 writing each of the following factors to the extent requested by the council and the
153 legislative committee of reference:

154 (1) A definition of the problem and why regulation is necessary:

155 (A) The nature of the potential harm to the public if the business or profession is not
156 regulated, and the extent to which there is a threat to public health and safety; and

157 (B) The extent to which consumers need and will benefit from a method of regulation
158 identifying competent individuals engaged in the business or profession;

159 (2) The efforts made to address the problem:

- 160 (A) Voluntary efforts, if any, by members of the business or profession to establish a
161 code of ethics or help resolve disputes between the business or professional group and
162 consumers; and
- 163 (B) Recourse to and the extent of use of applicable law and whether it could be
164 strengthened to control the problem;
- 165 (3) The alternatives considered:
- 166 (A) Regulation of business or professional employers rather than employees;
167 (B) Regulation of the program or service rather than the individuals;
168 (C) Registration of all individuals;
169 (D) Certification of all individuals;
170 (E) Other alternatives;
171 (F) Why the use of the alternatives specified in this paragraph would not be adequate
172 to protect the public interest; and
173 (G) Why licensure would serve to protect the public interest;
- 174 (4) The benefit to the public if regulation is granted:
- 175 (A) The extent to which the incidence of specific problems present in the unregulated
176 business or profession can reasonably be expected to be reduced by regulation;
177 (B) Whether the public can identify qualified individuals;
178 (C) The extent to which the public can be confident that regulated individuals are
179 competent:
- 180 (i) Whether the proposed regulatory entity would be a board composed of members
181 of the profession and public members, or a state agency, or both and, if appropriate,
182 their respective responsibilities in administering the system of certification or
183 licensure, including the composition of the board; the powers and duties of the board
184 or state agency regarding examinations, investigations, and the disciplining of
185 certified or licensed individuals; the promulgation of rules and a code of ethics; and
186 how fees would be levied and collected to cover the expenses of administering and
187 operating the regulatory system;
- 188 (ii) If there is a grandfather clause, whether such individuals will be required to meet
189 the prerequisite qualifications established by the regulatory entity at a later date;
- 190 (iii) The nature of the standards proposed for certification or licensure as compared
191 with the standards of other jurisdictions;
- 192 (iv) Whether the regulatory entity would be authorized to enter into reciprocity
193 agreements with other jurisdictions; and
- 194 (v) The nature and duration of any training and whether applicants will be required
195 to pass an examination; and, if an examination is required, by whom it will be
196 developed and how the cost of development will be met; and

- 197 (D) Assurance to the public that regulated individuals have maintained their
 198 competence:
- 199 (i) Whether the certification or license will carry an expiration date; and
 200 (ii) Whether renewal will be based only upon payment of a fee or whether renewal
 201 will involve reexamination, satisfactory completion of continuing education, peer
 202 review, or other enforcement;
- 203 (5) The extent to which regulation might harm the public:
- 204 (A) The extent to which regulation might restrict entry into the business or profession
 205 and whether the proposed standards are more restrictive than necessary to ensure safe
 206 and effective performance; and
- 207 (B) Whether there are similar professions to that of the applicant group which should
 208 be included in, or portions of the applicant group which should be excluded from, the
 209 proposed legislation;
- 210 (6) A description of the group proposed for regulation, including a list of associations,
 211 organizations, and other groups representing the business or profession in this state, an
 212 estimate of the number of individuals in each group, and whether the groups represent
 213 different levels of business or professional activity;
- 214 (7) The expected cost of regulation:
- 215 (A) The impact regulation might have on the costs of service to the public;
 216 (B) The impact regulation might have on various types of insurance; and
 217 (C) The initial and long-term cost to the state and to the general public of
 218 implementing the proposed legislation; and
- 219 (8) Any additional information requested by the council or the legislative committee of
 220 reference.

221 43-1A-8.

- 222 (a) After evaluating the report of the council and any other desired information based on
 223 the criteria outlined in Code Section 43-1A-6 and considering governmental and societal
 224 costs and benefits, if the General Assembly finds that it is necessary to regulate a business
 225 or profession not previously regulated by law, the most appropriate alternative method of
 226 regulation should be implemented, consistent with the public interest and this Code section:
- 227 (1) Where the consumer may have a substantial basis for relying on the services of a
 228 profession or business, a system of certification should be implemented;
- 229 (2) Where apparent that adequate regulation cannot be achieved by means other than
 230 licensing, a system of licensing should be implemented; or
- 231 (3) Where regulation as defined in this chapter is deemed too restrictive and unnecessary
 232 to protect the public health and welfare, a less restrictive means of ensuring public

233 protection, including, but not limited to, stricter civil action or criminal penalties,
 234 inspection requirements, or a system of registration, may be considered.

235 (b) The General Assembly may, with regard to an existing regulatory entity, and after
 236 evaluating the report of the council or any desired information, including, but not limited
 237 to, the criteria outlined in Code Section 43-1A-6 and any governmental and societal costs
 238 and benefits:

239 (1) Take no action if it has determined that such existing regulatory agency is efficiently
 240 regulated and that no action is necessary in the interests of the state;

241 (2) Amend the enabling legislation of such existing regulatory entity if it has determined
 242 that making such amendments shall more efficiently regulate such regulatory entity in a
 243 manner that is in the best interests of the state; or

244 (3) Repeal the enabling legislation of such existing regulatory entity if it has determined
 245 that the continuing regulation of such regulatory entity is no longer in the interests of the
 246 state.

247 43-1A-9.

248 Nothing in this chapter shall be construed to limit the authority of the General Assembly
 249 to legislate as authorized by the Constitution."
