8 **BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA:**

**SECTION 1.**

9  
 10 Article III, Section IX, Paragraph VI of the Constitution is amended by adding a new  
 11 subparagraph to read as follows:

12 "(b.1) There is imposed and levied a state sales and use tax at the rate of 1 percent to be  
 13 used for any or all transportation purposes. The sales and use tax imposed by this  
 14 subparagraph shall correspond to and shall be imposed, levied, and collected in the same  
 15 manner as the state sales and use tax imposed by the revenue laws of this state, as now or  
 16 hereafter amended, except as otherwise provided in this subparagraph. An amount equal  
 17 to the sum of all proceeds derived from the tax imposed by this subparagraph received by  
 18 the state in each of the immediately preceding fiscal years, less the amount of refunds,  
 19 rebates, and collection costs authorized by law, shall be appropriated for the fiscal year  
 20 beginning on July 1 of each year following for any or all transportation purposes as may  
 21 be authorized by general law. The General Assembly is specifically authorized to allocate  
 22 and direct the use of the funds provided for under this subparagraph by general law. The  
 23 funds provided for under this subparagraph shall be appropriated for the transportation  
 24 purposes authorized under this subparagraph regardless of whether the General Assembly  
 25 enacts a General Appropriations Act; and said funds need not be specifically stated in any  
 26 General Appropriations Act passed by the General Assembly in order to be available for  
 27 such purposes. However, this shall not preclude the General Assembly from appropriating  
 28 for such transportation purposes an amount greater than the sum specified above for such  
 29 purposes. The expenditure of such funds shall be subject to all the rules, regulations, and  
 30 restrictions imposed on the expenditure of appropriations by provisions of the Constitution  
 31 and laws of this state, unless such provisions are in conflict with the provisions of this

32 subparagraph; provided, however, that the proceeds of the transportation tax appropriated  
 33 under this subparagraph shall not be subject to budgetary reduction. In the event of  
 34 invasion of this state by land, sea, or air or in case of a major catastrophe so proclaimed by  
 35 the Governor, said funds may be utilized for defense or relief purposes on the executive  
 36 order of the Governor."
