A BILL TO BE ENTITLED
AN ACT

1 To amend Article 6 of Chapter 2 of Title 40 of the Official Code of Georgia Annotated,
2 relating to administration and enforcement of provisions regarding registration and licensing
3 of motor vehicles, so as to provide for suspension of a vehicle's license plate and tag
4 registration in the event the vehicle has accumulated two or more parking violations which
5 are unpaid or otherwise not disposed of as provided by law; to provide for a definition; to
6 provide for implementation; to provide for related matters; to provide for an effective date
7 subject to and contingent upon funding; to repeal conflicting laws; and for other purposes.

8 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

9 **SECTION 1.**

10 Article 6 of Chapter 2 of Title 40 of the Official Code of Georgia Annotated, relating to
11 administration and enforcement of provisions regarding registration and licensing of motor
12 vehicles, is amended by adding a new Code section to read as follows:

13 "40-2-139.

14 (a) As used in this Code section, the term 'parking violation citation' means a citation for
15 the violation of a parking ordinance enacted by any local political subdivision of this state.

16 (b) The clerk of each court that processes parking violation citations in this state shall
17 electronically transmit to the department the citation number, jurisdiction, and the vehicle's
18 license plate number on such citation in the event that the fine for such citation is not paid
19 when due or the owner of such vehicle otherwise fails to cause a proper disposition to be
20 made of such citation.

21 (c) The department shall suspend the license plate and tag registration of any vehicle
22 whose owner has on two or more occasions failed to pay a fine for a parking violation
23 citation, failed otherwise to cause a proper disposition to be made of a parking violation
24 citation, or failed to respond to a parking violation citation by failing to appear before a
25 court of competent jurisdiction in this state for a parking violation citation.

26 (d) Each local political subdivision shall include language in the parking violation citation
 27 stating that failure to appear and respond to two such citations for the same vehicle shall
 28 result in the suspension of the license plate and tag registration of the owner's vehicle. Such
 29 language shall be sufficient notice of said suspension to support a conviction for a violation
 30 of Code Section 40-2-8 if such vehicle is operated subsequent to the imposition of such a
 31 suspension following the owner's failure to appear.

32 (e) Notwithstanding the foregoing, the department shall send notice of any suspension
 33 imposed pursuant to this Code section. Such notice shall be sent via certified mail to the
 34 address reflected on the department's records as the vehicle owner's mailing address. The
 35 mailing of such notice by the department shall be deemed conclusively to be notice to such
 36 owner of the suspension of his or her vehicle's license plate and tag registration and shall
 37 be deemed to satisfy all notice requirements of law, and no further notice to such owner
 38 shall be required for the suspension provided for in this Code section.

39 (f) The suspension provided for in this Code section shall be for an indefinite period until
 40 such owner shall respond and pay any fines and penalties imposed. Such owner's vehicle's
 41 license plate and tag registration shall be reinstated if the owner submits proof of payment
 42 of the fine or other disposition of the parking violation citation from each court of
 43 competent jurisdiction and pays to the department a restoration fee of \$50.00 or \$60.00
 44 when such reinstatement is processed by mail. Such suspension shall be in addition to any
 45 other suspension or revocation provided for in this chapter.

46 (e) The department shall prescribe the form and manner of electronic transmission for the
 47 purpose of the clerk of court's sending the notice required by this Code section.

48 (f) The commissioner may promulgate such rules and regulations as are necessary to
 49 implement this Code section."

50 **SECTION 2.**

51 This Act shall become effective only upon the effective date of a specific appropriation of
 52 funds for the purposes of this Act as expressed in a line item making specific reference to the
 53 full funding of this Act in an appropriations Act enacted by the General Assembly.

54 **SECTION 3.**

55 All laws and parts of laws in conflict with this Act are repealed.
