11 An Act creating a code of ethics and ethics commission for the Clayton County School
12 System, approved April 24, 2008 (Ga. L. 2008, p. 3616), is amended by revising paragraph
13 (2) of Section 1 as follows:

14 "(2) 'Commission' or 'ethics commission' means the ethics commission created by
15 Section 4 of this Act which shall be known as the Clayton County School System Ethics
16 Commission."

17 style="text-align:center">**SECTION 2.**

18 Said Act is further amended by revising subsection (a) of Section 4 as follows:

19 "(a) Board members shall be punished for violations of this Act as provided in this section.
20 The authority to punish ethical violations by members of the board shall be vested
21 exclusively in the Clayton County School System Ethics Commission and not in the board."

22 style="text-align:center">**SECTION 3.**

23 Said Act is further amended by revising subsections (d) through (k) of Section 4 as follows:

24 "(d)(1) Members of the ethics commission shall be compensated on a per meeting basis
25 at a rate determined by the board and based on the appropriation of funds. A
26 commissioner must be in attendance in order to receive compensation.

27 (2) The ethics commission shall elect one member to act as chairperson for a term of two
28 years, or until a successor is duly elected. The chairperson shall have the same voting
29 rights as the other commission members. The commission shall also elect one member
30 to act as vice chairperson for the same term. If the office of chairperson or vice
31 chairperson is vacated in any manner before the expiration of the term, the commission
32 shall elect a member to fill the unexpired term. If any member of the commission
33 repeatedly fails to carry out his or her official duties, attend meetings of the commission,
34 or adhere to the ethical code of conduct as provided by this Act or other applicable state
35 or federal law, that member may be removed from the commission by vote of the
36 majority of the other members of the commission.

37 (3) The board office will provide staff support to the ethics commission. The board shall
38 annually establish and fund a budget for operations of the commission, with expenditures
39 from this budget to be authorized and carried under budgetary controls established by the
40 board. It is the intention of the General Assembly to seek state funding of the
41 commission within two years after July 1, 2009, and the obligation of the board to
42 provide and fund a budget for the commission shall terminate when and if state funding
43 becomes effective.

44 (4) Five members of the commission shall constitute a quorum.

45 (5) The commission shall establish guidelines relating to sanctions for various offenses
46 consistent with the provisions of this Act.

47 (6) The commission shall have the authority to retain legal counsel as needed.

48 (7) The commission shall be authorized to adopt a seal for use in the conduct of its
49 official business.

51 County School System may file a complaint alleging a violation of the standards
52 established by this Act or other applicable state or federal law by filing it with the
53 commission. The complaint shall be in writing and verified under oath.

56 along with a copy to each member of the board. A complaint must be filed within six
57 months of the date of the alleged violation or, in the case of concealment or
58 nondisclosure, within six months of the date the alleged violation should have been
59 discovered after due diligence.

60 (3) Within 30 days of receipt of a complaint, the ethics commission shall meet to review
61 the complaint to determine the complaint's credibility and whether the complaint states
62 an offense which, if proven true, would warrant sanction. Such meeting shall not be open
63 to the public. If, after reviewing the complaint, the commission by majority vote
64 determines that no good and sufficient cause exists for a determination that a violation
65 exists, the commission may dismiss the complaint and shall report said dismissal to the
66 board and the complaining party.

67 (f) If the commission determines that good and sufficient cause exists for a determination
68 that a violation has occurred, the commission shall conduct a formal public hearing. The
69 commission shall at least 20 days prior to the hearing notify the board member charged
70 with a violation of the date, time, and place for the hearing by certified and regular mail.
71 At the hearing, the commission shall hear sworn testimony from all witnesses it deems
72 relevant. Formal rules of evidence shall not apply, but the commission shall have the
73 authority to exclude witnesses or testimony which it deems irrelevant. The hearing shall
74 be recorded by a certified court reporter. The commission is authorized to issue subpoenas
75 on behalf of any party and for the appearance of any party or documents as provided by
76 law. A party desiring the issuance of a subpoena shall at least ten days before the hearing
77 request the commission to issue the subpoena. Hearings shall be open to the public and
78 shall comply with all state and federal open meetings and open records laws.

79 (g) The accused board member shall have the following rights:

- 80 (1) To be represented by counsel;
- 81 (2) To view all evidence and interview all witnesses sufficiently prior to the hearing to
82 prepare a defense;
- 83 (3) To subpoena, through the commission, any relevant documents or witnesses;
- 84 (4) To cross examine all witnesses testifying at the hearing;
- 85 (5) To view any exculpatory evidence in the possession of the commission; and
- 86 (6) To present any evidence and testimony in his or her defense.

87 (h) If the commission determines that the evidence shows by clear and convincing
88 evidence that the accused board member committed the offense for which he or she is
89 accused, the commission shall issue written findings and shall censure or reprimand the
90 board member or order the removal of the board member from office.

91 (i) The commission shall notify the board and the accused board member of its action
92 within five days of its decision by sending a certified letter to the chairperson and vice
93 chairperson of the board, the accused board member, and the accused board member's
94 attorney, if any. The accused board member shall provide the commission with an address
95 to which the commission's decision may be mailed, and notice of the decision shall be
96 deemed to have been delivered on the day it was posted to such address.

97 (j) If the commission orders removal of a board member from office, the board member
98 shall immediately lose all voting privileges and other privileges as a board member,
99 pending the resolution of any appeal."
