13 shall be accompanied by satisfactory evidence of United States citizenship. Upon the
14 receipt of an application without satisfactory evidence of citizenship, the board of
15 registrars shall notify the applicant in writing of the requirement to provide satisfactory
16 evidence of citizenship. The board of registrars shall not determine the eligibility of the
17 applicant until and unless satisfactory evidence of citizenship is supplied by the applicant.
18 If the initial application is received without satisfactory evidence of citizenship prior to
19 the close of voter registration preceding an election, but the applicant supplies
20 satisfactory evidence of citizenship on or prior to the date of such election and the
21 applicant is found eligible to vote, the applicant shall be permitted to vote in the election
22 and any run-off elections resulting therefrom and subsequent elections; provided,
23 however, that those electors who register to vote for the first time in this state by mail
24 also shall supply current and valid identification as required in subsection (c) of Code
25 Section 21-2-220. In the event the applicant does not respond to the request for the

45 number is verified with the United States Citizenship and Immigration Services by the
46 board of registrars;

- 59 (4) After citizenship has been demonstrated to a board of registrars, an elector shall not
60 be required to resubmit satisfactory evidence of citizenship in that or any other county in
61 this state so long as the person continuously remains an elector of this state.
- 62 (5) For the purposes of this subsection, proof of voter registration from another state
63 shall not be satisfactory evidence of citizenship.

64 (6) After a person has submitted satisfactory evidence of citizenship, the board of
