9 **SECTION 1.**

10 Article 8 of Chapter 3 of Title 35 of the Official Code of Georgia Annotated, relating to the  
11 alert system for unapprehended murder and rape suspects under the administration of the  
12 Georgia Bureau of Investigation, is amended by adding a new Code section to read as  
13 follows:

14 "35-3-191.

15 (a) There is established a state-wide alert system known as 'Blue Alert' which shall be  
16 developed and implemented by the director.

17 (b) As used in this Code section, the term:

18 (1) 'Law enforcement agency' means a law enforcement agency with jurisdiction over  
19 the search for a suspect in a case involving the death or serious injury of a peace officer.

20 (2) 'Peace Officer' means a person who is certified by the Georgia Peace Officers and  
21 Standards Council to exercise the powers of arrest.

22 (c) The 'Blue Alert' system may be activated when a suspect for a crime involving the  
23 death or serious injury of a peace officer has not been apprehended, and law enforcement  
24 personnel have determined that the suspect may be a serious threat to the public.

25 (d) The provisions of Code Sections 35-3-173, 35-3-175, and 35-3-178 shall also apply to  
26 'Blue Alert' as set forth in this Code section.

27 (e) Upon notification by a law enforcement agency that a suspect in a case involving the  
28 death or serious injury of a peace officer has not been apprehended and may be a serious  
29 threat to the public, the director shall activate the 'Blue Alert' system and notify appropriate  
30 participants in the 'Blue Alert' system, as established by rule, if:

31 (1) A law enforcement agency believes that a suspect has not been apprehended;

32 (2) A law enforcement agency believes that the suspect may be a serious threat to the  
33 public; and

34 (3) Sufficient information is available to disseminate to the public that could assist in  
35 locating the suspect.

36 The area of the alert may be less than state wide if the director determines that the nature  
37 of the event makes it probable that the suspect did not leave a certain geographic location.

38 (f) Before requesting activation of the 'Blue Alert' system, a law enforcement agency shall  
39 verify that the criteria described by subsection (e) of this Code section have been satisfied.

40 The law enforcement agency shall assess the appropriate boundaries of the alert based on  
41 the nature of the suspect and the circumstances surrounding the crime.

42 (g) The director shall terminate any activation of the 'Blue Alert' system with respect to  
43 a particular suspect if:

44 (1) The suspect is located or the incident is otherwise resolved; or

45 (2) The director determines that the 'Blue Alert' system is no longer an effective tool for  
46 locating the suspect.

47 (h) Any entity or individual involved in the dissemination of a 'Blue Alert' generated  
48 pursuant to this Code section shall not be liable for any civil damages arising from such  
49 dissemination."
