9 adding a new chapter to read as follows:

10 "CHAPTER 30C

11 33-30C-1.

12 As used in this chapter, the term:

13 (1) 'Health group cooperative' or 'cooperative' means a private purchasing cooperative
14 composed of small employers formed under this chapter.

15 (2) 'Health status related factor' means any of the following factors in relation to the
16 individual or dependent of the individual: health status; medical condition, including both
17 physical and mental illnesses; claims experience; receipt of health care; medical history;
18 genetic information; evidence of insurability, including conditions arising out of acts of
19 domestic violence; or disability.

20 (3) 'Small employer' means, in connection with a health insurance plan with respect to
21 a calendar year and a plan year, any person, firm, corporation, partnership, association,
22 or employer, as defined in Section 3(5) of the federal Employee Retirement Income
23 Security Act of 1974, that is actively engaged in business that, on at least 50 percent of
24 its working days during the preceding calendar year, employed no more than 50 eligible

25 employees or employed an average of not more than 50 employees on business days
 26 during the preceding calendar year and that employs at least one employee on the first
 27 day of the plan year. In determining the number of eligible employees, companies that
 28 are affiliated companies or that are eligible to file a combined tax return for purposes of
 29 state taxation or that are treated as a single employer under subsection (b), (c), (m), or (o)
 30 of Section 414 of the federal Internal Revenue Code of 1986 are considered one
 31 employer. In the case of an employer which was not in existence throughout the
 32 preceding calendar year, the determination of whether that employer is a small or large
 33 employer shall be based on the average number of employees that it reasonably is
 34 expected to employ on business days in the current calendar year. Any reference in this
 35 chapter to an employer includes a reference to any predecessor of the employer.
 36 (4) 'Small employer insurer' means an insurer that offers health insurance plans covering
 37 eligible employees of one or more small employers in this state.

38 33-30C-2.

39 (a) A health group cooperative of small employers may be formed only for the purpose of

41 (b) A health group cooperative shall:

42 (1) Contain at least 1,000 eligible employees or shall have at least ten participating
 43 employers;

44 (2) Establish requirements for membership. A small employer's participation in a
 45 cooperative shall be voluntary, but an employer electing to participate in a cooperative
 46 shall commit to purchasing coverage through the cooperative for five years, unless
 47 allowed to terminate because of a financial hardship affecting the employer as determined
 48 by rules governing termination adopted by the Commissioner. The health group

 53 may join the health group cooperative;

54 (4) Allow eligible employees and their dependents, upon initial enrollment and during
 55 subsequent open enrollment periods, to choose among health insurance plans offered

 57 enrollment period in excess of one year offered through the cooperative shall be eligible
 58 to choose among available plans upon the completion of the enrollment period;

 60 employees of member small employers and their dependents. Coverage must be offered

 62 that late enrollees may be excluded from coverage for the greater of 18 months or an
 63 18 month preexisting condition exclusion, provided that, if both a period of exclusion
 64 from coverage and a preexisting condition exclusion are applicable to a late enrollee, the
 65 combined period shall not exceed 18 months;

66 (6) Not assume any risk or form self-insurance plans among its members; and

67 (7) Have the option of using any type of rating arrangement with the health insurance
 68 plans and, at its discretion, premiums may be paid to the health insurance plans by the
 69 cooperative, by member small employers, or by eligible employees and their dependents.

70 (c)(1) The health group cooperative, before offering any health insurance plan through
 71 the cooperative, and annually after that time, shall register with the department and
 72 demonstrate continued compliance with the provisions of paragraph (2) of this
 73 subsection.

 77 notification of the receipt of the certificate and a copy of the cooperative's organizational
 78 documents with the Commissioner. The board of directors shall file annually with the
