24 The General Assembly determines and finds that there is a present and projected growth in
25 commercial and private air traffic in the Newton County area. There is the need for adequate

28 establishment, operation, and maintenance of present and future airports. The General
29 Assembly further determines and finds that the establishment of an authority is necessary and
30 essential to ensure the welfare, safety, and convenience of citizens of the region and the
31 entire state and to ensure the proper economic development of the region and the entire state.

199 **SECTION 6.**

201 The authority or any authority or body which has or which may in the future succeed to the
 202 powers, duties, and liabilities vested in the authority created by this Act is authorized to
 203 provide by resolution for the issuance of negotiable revenue bonds of the authority for the

 205 The principal of and interest on such revenue bonds shall be payable solely from the special
 206 fund provided in this Act for such payment. The bonds of each issue shall be dated, shall
 207 bear interest at such rate or rates per annum, payable at such time or times, shall mature at
 208 such time or times not exceeding 40 years from their date or dates, shall be payable in such
 209 medium of payment as to both principal and interest as may be determined by the authority,
 210 and may be redeemable before maturity, at the option of the authority, at such price or prices
 211 and under such terms and conditions as may be fixed by the authority in the resolution for
 212 the issuance of bonds.

213 **SECTION 7.**

214 Revenue bonds; form, denomination; registration; place of payment

215 The authority shall determine the form of the bonds, including any interest coupons to be
 216 attached thereto, and shall fix the denomination or denominations of the bonds and the place
 217 or places of payment of principal and interest thereon, which may be at any bank or trust
 218 company inside or outside the State of Georgia. The bonds may be issued in coupon or
 219 registered form, or both, as the authority may determine, and provision may be made for the
 220 registration of any coupon bond as to principal alone and also as to both principal and
 221 interest.

222 **SECTION 8.**

223 Revenue bonds; signatures; seal.

224 In case any officer whose signature shall appear on any bonds or whose facsimile signature
 225 shall appear on any coupon shall cease to be such officer before the delivery of such bonds,

226 such signature shall nevertheless be valid and sufficient for all purposes the same as if such
227 officer had remained in office until such delivery. All such bonds shall be signed by the
228 chairperson of the authority and the official seal of the authority shall be affixed thereto and
229 attested by the secretary of the authority and any coupons attached thereto shall bear the
230 facsimile signatures of the chairperson and the secretary of the authority. Any coupon may
231 bear the facsimile signatures of such persons and any bond may be signed, sealed, and
232 attested on behalf of the authority by such persons as at the actual time of the execution of
233 such bonds shall be duly authorized or hold the proper office, although at the date of such
234 bonds such person may not have been so authorized or shall not have held such office.

235 **SECTION 9.**

236 Revenue bonds; negotiability; exemption from taxation.

237 All revenue bonds issued under the provisions of this Act shall have and are declared to have
238 all the qualities and incidents of negotiable instruments under the laws of this state. Such
239 bonds, their transfer, and the income therefrom shall be exempt from all taxation within this
240 state.

241 **SECTION 10.**

242 Revenue bonds; sale; price; proceeds.

243 The authority may sell such bonds in such manner and for such price as it may determine to
244 be for the best interest of the authority. The proceeds derived from the sale of such bonds
245 shall be used solely for the purpose or purposes provided in the resolutions and proceedings
246 authorizing the issuance of such bonds.

247 **SECTION 11.**

248 Revenue bonds; interim receipts and certificates or temporary bonds.

249 Prior to the preparation of any definitive bonds, the authority may, under like restrictions,
250 issue interim receipts, interim certificates, or temporary bonds, with or without coupons,
251 exchangeable for definitive bonds upon the issuance of the latter.

252 **SECTION 12.**

253 Revenue bonds; replacement of lost or mutilated bonds.

254 The authority may provide for the replacement of any bonds or coupons which shall become
255 mutilated or be destroyed or lost.

256 **SECTION 13.**

257 Revenue bonds; conditions precedent to issuance.

258 Such revenue bonds may be issued without any other proceedings or the happening of any
259 other conditions or things other than those proceedings, conditions, and things which are
260 specified or required by this Act. In the discretion of the authority, revenue bonds of a single
261 issue may be issued for the purpose of any particular project. Any resolution providing for
262 the issuance of revenue bonds under the provisions of this Act shall become effective
263 immediately upon its passage and need not be published or posted, and any such resolution
264 may be passed at any regular or special meeting of the authority by a majority of its
265 members.

266 **SECTION 14.**

267 Credit not pledged.

268 Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a
269 debt of the City of Covington or Newton County nor a pledge of the faith and credit of said
270 city or county; but such bonds shall be payable solely from the fund hereinafter provided for
271 and the issuance of such revenue bonds shall not directly, indirectly, or contingently obligate
272 said city or county to levy or to pledge any form of taxation whatever therefor or to make any
273 appropriation for their payment. All such bonds shall contain recitals on their face covering
274 substantially the foregoing provisions of this section.

275 **SECTION 15.**

276 Trust indenture as security.

277 In the discretion of the authority, issuance of such revenue bonds may be secured by a trust
278 indenture by and between the authority and a corporate trustee, which may be any trust
279 company or bank having the powers of a trust company inside or outside the State of
280 Georgia. Such trust indenture may pledge or assign fees, tolls, revenues, and earnings to be
281 received by the authority. Either the resolution providing for the issuance of revenue bonds

282 or such trust indenture may contain such provisions for protecting and enforcing the rights
283 and remedies of the bondholders as may be reasonable and proper and not in violation of law,
284 including covenants setting forth the duties of the authority in relation to the acquisition of
285 property, the construction of the project, the maintenance, operation, repair, and insuring of
286 the project, and the custody, safeguarding, and application of all moneys, and may also
287 provide that any project shall be constructed and paid for under the supervision and approval
288 of consulting engineers or architects employed or designated by the authority, and
289 satisfactory to the original purchasers of the bonds issued therefor, and may also require that
290 the security given by contractors and by any depository of the proceeds of the bonds or
291 revenues or other moneys be satisfactory to such purchasers, and may also contain provisions
292 concerning the conditions, if any, upon which additional revenue bonds may be issued. It
293 shall be lawful for any bank or trust company incorporated under the laws of the State of
294 Georgia to act as such depository and to furnish such indemnifying bonds or pledge such
295 securities as may be required by the authority or the laws of the State of Georgia. Such
296 indenture may set forth the rights and remedies of the bondholders and of the trustee and may
297 restrict the individual right of action of bondholders as is customary in trust indentures
298 securing bonds and debentures of corporations. In addition to the foregoing, such trust
299 indenture may contain such other provisions as the authority may deem reasonable and
300 proper for the security of the bondholders. All expenses incurred in carrying out such trust
301 indenture may be treated as a part of the cost of maintenance, operation, and repair of the
302 project affected by such indenture.

303 **SECTION 16.**

304 To whom proceeds of bonds shall be paid.

305 In the resolution providing for the issuance of revenue bonds or in the trust indenture, the
306 authority shall provide for the payment of the proceeds of the sale of the bonds to any officer
307 or person who, or any agency, bank, or trust company which, shall act as trustee of such
308 funds and shall hold and apply the same to the purposes of this Act, subject to such
309 regulations as this Act and such resolution or trust indenture may provide.

310 **SECTION 17.**

311 Sinking fund.

312 The revenues, fees, tolls, and earnings derived from any particular project or projects,
313 regardless of whether or not such fees, earnings, and revenues were produced by a particular
314 project or projects, and regardless of whether or not such fees, earnings, and revenues were

315 produced by a particular project for which bonds have been issued, unless otherwise pledged
 316 and allocated, may be pledged and allocated by the authority to the payment of the principal
 317 and interest on revenue bonds of the authority as the resolution authorizing the issuance of
 318 the bonds or the trust instrument may provide. Such funds so pledged from whatever source
 319 received, including funds received from one or more or all sources, shall be set aside at
 320 regular intervals as may be provided in the resolution or trust indenture into a sinking fund
 321 which shall be pledged to and charged with the payment of:

- 322 (1) The interest upon such revenue bonds as such interest shall fall due;
- 323 (2) The principal of the bonds as the same shall fall due;
- 324 (3) The necessary charges of paying agents for paying principal and interest and other
 325 investment charges;
- 326 (4) Any premium upon bonds retired by call or purchase as provided in this Act; and
- 327 (5) Any investment fees or charges.

328 The use and disposition of such sinking fund shall be subject to such regulations as may be
 329 provided in the resolution authorizing the issuance of the revenue bonds or in the trust
 330 indenture but, except as may otherwise be provided in such resolution or trust indenture, such
 331 sinking fund shall be maintained as a trust account for the benefit of all revenue bonds
 332 without distinction or priority of one over another. Subject to the provisions of the resolution
 333 authorizing the issuance of the bonds or the trust indenture, any surplus moneys in the
 334 sinking fund may be applied to the purchase or redemption of bonds, and any such bonds so
 335 purchased or redeemed shall forthwith be canceled and shall not again be issued.

336 **SECTION 18.**

337 Remedies of bondholders.

338 Any holder of revenue bonds issued under the provisions of this Act or any of the coupons
 339 appertaining thereto and the trustee under the trust indenture, if any, except to the extent the
 340 rights given in this Act may be restricted by resolution passed before the issuance of the
 341 bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus,
 342 or other proceedings, protect and enforce any and all rights under the laws of the State of
 343 Georgia or granted under this Act or under such resolution or trust indenture and may enforce
 344 and compel performance of all duties required by this Act or by such resolution or trust
 345 indenture to be performed by the authority or any officer thereof, including the fixing,
 346 charging, and collecting of revenues, fees, tolls, and other charges for the use of the facilities
 347 and services furnished.

348 **SECTION 19.**

349 Refunding bonds.

350 The authority is authorized to provide by resolution for the issuance of bonds of the authority
351 for the purpose of funding or refunding any revenue bonds issued under the provisions of this
352 Act and then outstanding, together with accrued interest thereon and premium, if any. The
353 issuance of such funding or refunding bonds, the maturities and all other details thereof, the
354 rights of the holders thereof, and the duties of the authority in respect to the same shall be
355 governed by the foregoing provisions of this Act insofar as the same may be applicable.

356 **SECTION 20.**

357 Validation.

358 Bonds of the authority shall be confirmed and validated in accordance with the procedure of
359 Article 3 of Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue Bond Law." The
360 petition for validation shall also make party defendant to such action the State of Georgia or
361 any municipality, county, authority, political subdivision, or instrumentality of the State of
362 Georgia which has contracted with the authority for the services and facilities of the project
363 for which bonds are to be issued and sought to be validated, and the state or such
364 municipality, county, authority, political subdivision, or instrumentality shall be required to
365 show cause, if any exists, why such contract or contracts and the terms and conditions thereof
366 should not be inquired into by the court and the contract or contracts adjudicated as a part of
367 the basis for the security for the payment of any such bonds of the authority. The bonds,
368 when validated, and the judgment of validation shall be final and conclusive with respect to
369 such bonds, and the security for the payment thereof and interest thereon and against the
370 authority issuing the same and the state and any municipality, county, authority, political
371 subdivision, or instrumentality, if a party to the validation proceedings, contracting with the
372 Covington Municipal Airport Authority.

373 **SECTION 21.**

374 Venue and jurisdiction.

375 Any action to protect or enforce any rights under the provisions of this Act or any suit or
376 action against such authority shall be brought in the Superior Court of Newton County,
377 Georgia; and any action pertaining to validation of any bonds issued under the provisions of
378 this Act shall likewise be brought in said court, which shall have exclusive, original
379 jurisdiction of such actions.

380
381

SECTION 22.

Interest of bondholders protected.

382 While any of the bonds issued by the authority remain outstanding, the powers, duties, or
383 existence of said authority or its officers, employees, or agents shall not be diminished or
384 impaired in any manner that will affect adversely the interests and rights of the holders of
385 such bonds. No other entity, department, agency, or authority will be created which will
386 compete with the authority to such an extent as to affect adversely the interest and rights of
387 the holders of such bonds, nor will the State of Georgia itself so compete with the authority.
388 The provisions of this Act shall be for the benefit of the authority and the holders of any such
389 bonds, and, upon the issuance of bonds under the provisions hereof, shall constitute a
390 contract with the holders of such bonds.

391
392

SECTION 23.

Moneys received considered trust funds.

393 All moneys received pursuant to the authority of this Act, whether as proceeds from the sale
394 of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings,
395 shall be deemed to be trust funds to be held and applied solely as provided in this Act.

396
397

SECTION 24.

Purpose of the authority.

398 Without limiting the generality of any provision of this Act, the general purpose of the
