815 Lease-purchase contracts.

816 The city may enter into multiyear lease, purchase, or lease-purchase contracts for the
 817 acquisition of goods, materials, real and personal property, services, and supplies, provided

818 the contract terminates without further obligation on the part of the city at the close of the
819 calendar year for which it may be renewed. Contracts must be executed in accordance with
820 the requirements of Code Section 36-60-13 of the O.C.G.A. or other such applicable laws as
821 are or may hereafter be amended.

822 **SECTION 6.24.**

823 Fiscal year.

824 The city council shall set the fiscal year by ordinance. Such fiscal year shall constitute the
825 budget year and the year for financial accounting and reporting of each and every office,
826 department, agency, and activity of the city government, unless otherwise provided by state
827 or federal law.

828 **SECTION 6.25.**

829 Preparation of budgets.

830 The city council shall provide an ordinance on the procedures and requirements for the
831 preparation and execution of an annual operating budget, a capital improvement program,
832 and a capital improvement budget, including requirements as to the scope, content, and form
833 of such budgets and programs.

834 **SECTION 6.26.**

835 Submission of operating budget to city council.

836 On or before a date fixed by the city council but not later than 60 days prior to the beginning
837 of each fiscal year, the mayor shall submit to the city council a proposed operating budget
838 for the ensuing fiscal year. The budget shall be accompanied by a message from the mayor
839 containing a statement of the general fiscal policies of the city, the important features of the
840 budget, explanations of major changes recommended for the next fiscal year, a general
841 summary of the budget, and such other comments and information as he or she may deem
842 pertinent. The operating budget and the capital improvements budget hereinafter provided
843 for, the budget message, and all supporting documents shall be filed with the office of the
844 city clerk and shall be open to public inspection.

845

SECTION 6.27.

846

Action by city council on budget.

847 (a) The city council may amend the operating budget proposed by the mayor, except that the
 848 budget as finally amended and adopted must provide for all expenditures required by law or
 849 by other provisions of this charter and for all debt service requirements for the ensuing fiscal
 850 year. The total appropriations from any fund shall not exceed the estimated fund balance,
 851 reserves, and revenues.

852 (b) The city council, by ordinance, shall adopt the final operating budget for the ensuing
 853 fiscal year not later than the first day of October of each year. If the city council fails to
 854 adopt the budget by said date, the amounts appropriated for operation for the current fiscal
 855 year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis, with all
 856 items prorated accordingly, until such time as the city council adopts a budget for the ensuing
 857 fiscal year. Adoption of the budget shall take the form of an appropriations ordinance setting
 858 out the estimated revenues in detail by sources and making appropriations according to fund
 859 and by organizational unit, purpose, or activity as set out in the budget preparation ordinance
 860 adopted pursuant to Section 6.25 of this charter.

861 (c) The amount set out in the adopted operating budget for each organizational unit shall
 862 constitute the annual appropriation for such unit, and no expenditure shall be made or
 863 encumbrance created in excess of the otherwise unencumbered balance of the appropriations
 864 or allotments thereof to which it is chargeable.

865

SECTION 6.28.

866

Tax levies.

867 Following adoption of the operating budget, the city council shall levy by ordinance such
 868 taxes as are necessary. The taxes and tax rates set by such ordinance shall be such that
 869 reasonable estimates of revenues from such levy shall at least be sufficient, together with
 870 other anticipated revenues, fund balances, and applicable reserves, to equal the total amount
 871 appropriated for each of the several funds set forth in the annual operating budget for
 872 defraying the expense of the general government of this city.

873

SECTION 6.29.

874

Changes in appropriations.

875 The city council, by ordinance, may make changes in the appropriations contained in the
 876 current operating budget at any regular meeting or special or emergency meeting called for

877 such purpose, but any additional appropriations may be made only from an existing
878 unappropriated surplus.

879 **SECTION 6.30.**

880 Capital improvements budget.

881 On or before a date fixed by the city council but not later than 60 days prior to the beginning
882 of each fiscal year, the mayor shall submit to the city council a proposed capital
883 improvements budget with his or her recommendations as to the means of financing the
884 improvements proposed for the ensuing fiscal year. The city council shall have the power
885 to accept, with or without amendments, or reject the proposed program and proposed means
886 of financing. The city council shall not authorize an expenditure for the construction of any
887 building, structure, work, or improvement, unless the appropriations for such project are
888 included in the capital improvements budget, except to meet a public emergency threatening
889 the lives, health, or property of the inhabitants, when passed by a two-thirds' vote of the
890 membership of the council.

891 **SECTION 6.31.**

892 Independent audit.

893 There shall be an annual independent audit of all city accounts, funds, and financial
894 transactions by a certified public accountant selected by the city council. The audit shall be
895 conducted according to generally accepted accounting principles. Any audit of any funds by
896 the state or federal government may be accepted as satisfying the requirements of this
897 charter. Copies of all audit reports shall be available at printing cost to the public.

898 **SECTION 6.32.**

899 Contracting procedures.

900 No contract with the city shall be binding on the city unless:

901 (1) It is in writing; and

902 (2) It is made or authorized by the city council or is made or authorized by the mayor (or
903 City Manager if one has been appointed) under authority properly delegated by the city
904 council.

905 **SECTION 6.33.**

906 Centralized purchasing.

907 The city council, by ordinance, may prescribe procedures for a system of centralized
908 purchasing for the city.

909 **SECTION 6.34.**

910 Sale of city property.

911 (a) The city council may sell and convey any real or personal property owned or held by the
912 city for governmental or other purposes as now or hereafter provided by law.

913 (b) The city council may quitclaim any rights it may have in property not needed for public
914 purposes upon request by the mayor and adoption of a resolution, both finding that the
915 property is not needed for public or other purposes and that the interest of the city has no
916 readily ascertainable monetary value.

917 (c) Whenever in opening, extending, or widening any street, avenue, alley, or public place
918 of the city a small parcel or tract of land is cut off or separated by such work from a larger
919 tract or boundary of land owned by the city, the city council may authorize the mayor to
920 execute and deliver in the name of the city a deed conveying said cut-off or separated parcel
921 or tract of land to an abutting or adjoining property owner or owners in exchange for
922 rights-of-way of said street, avenue, alley, or public place when such exchange is deemed to
923 be in the best interest of the city. All deeds and conveyances heretofore and hereafter so
924 executed and delivered shall convey all title and interest the city has in such property,
925 notwithstanding the fact that no public sale after advertisement was or is hereafter made.

926 **SECTION 6.35.**

927 Capital reserve fund.

928 (a) The city council shall maintain a capital reserve fund to be set forth in the budget for
929 each fiscal year. The initial amount of this capital reserve fund shall be not less than
930 \$400,000.00. Said fund shall be for the purpose of providing funds to be used in the case of
931 dire emergency, for the purpose of generating long term interest income to provide financial
932 stability for the city, and for the purpose of making long term capital investments. Interest
933 income generated from said fund and payable in any particular fiscal year shall be deposited
934 into the capital reserve fund.

935 (b) The mayor and council may provide for the withdrawal of funds from the capital reserve
936 fund to be used in cases of dire emergency or to make capital investments upon the passage

937 of an ordinance finding that said expenditure constitutes a dire emergency or is a long-term
 938 capital investment in the best interest of the city. Approval of any such ordinance shall
 939 require the affirmative vote of at least four members of the governing authority. Should the
 940 council decide to use a portion of the capital reserve fund, the council shall designate in the
 941 ordinance the minimum balance that shall be maintained in the capital reserve fund.

942 **ARTICLE VII.**

 948 from time to time require by ordinance or as may be provided by law.

949 **SECTION 7.11.**

950 Prior ordinances and regulations.

951 All ordinances, resolutions, rules, and regulations now in force in the city not inconsistent
 952 with this charter are declared valid and of full effect and force until amended, modified, or

 959 by the city council.

970 for herein is hereby declared to be a misdemeanor and shall be punishable by a fine of not
971 more than \$1,000.00 or by imprisonment not to exceed 120 days, or both such fine and
972 imprisonment.

973 **SECTION 7.15.**

974 Severability.

975 In the event any article, section, subsection, paragraph, sentence, or part thereof of this
976 charter shall be held to be invalid or unconstitutional, such invalidity or unconstitutionality
977 shall not affect nor impair other parts of this charter unless it clearly appears that such other
978 parts are wholly and necessarily dependent upon the part held to be invalid or
979 unconstitutional, it being the legislative intent in enacting this charter that each article,
980 section, subsection, paragraph, sentence, or part thereof be enacted separately and
981 independent of each other.

982 **SECTION 7.16.**
