3 to stand trial; to provide for definitions and the use of consistent terminology; to provide for
4 a bench or jury trial for competency proceedings; to clarify procedures for competency
5 evaluations; to provide that an accused determined to be mentally competent to stand trial
6 may be housed by the Department of Behavioral Health and Developmental Disabilities
7 under certain circumstances; to provide for maximum commitment to the Department of
8 Behavioral Health and Developmental Disabilities under certain circumstances; to reorganize
9 the Code relative to competency evaluations and procedures; to provide for a court to request
10 a competency evaluation under certain circumstances; to change provisions relating to
11 demands for speedy trial; to provide for related matters; to repeal conflicting laws; and for
12 other purposes.

13 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

14 **SECTION 1.**

15 Title 17 of the Official Code of Georgia Annotated, relating to criminal procedure, is
16 amended in Part 2 of Article 6 of Chapter 7, relating to insanity and mental incompetency,
17 by adding a new Code section to read as follows:

18 "17-7-129.

19 (a) When information becomes known to the court sufficient to raise a bona fide doubt
20 regarding the accused's mental competency to stand trial, the court has a duty, sua sponte,
21 to inquire into and determine the accused's mental competency to stand trial. The court
22 may order the Department of Behavioral Health and Developmental Disabilities to conduct
23 an evaluation of the accused's competency. If the court determines that it is necessary to
24 have a trial on the issue of competency, the court shall follow the procedures set forth in
25 Code Section 17-7-130. The court's order shall set forth those facts which give rise to its
26 bona fide doubt as to the accused's mental competency to stand trial. The evaluation of the

27 Department of Behavioral Health and Developmental Disabilities shall be submitted to the
 28 court, and the court shall submit such evaluation to the attorney for the accused or, if pro
 29 se, to the accused, but otherwise, the report shall remain under seal.

30 (b) If the court orders a competency evaluation and the accused serves notice of a special
 31 plea of mental incompetency to stand trial or raises the issue of insanity, the court shall
 32 release the competency evaluation to the prosecuting attorney. Such evaluation shall not
 33 be released to any other person absent a court order."

 98 ~~(b) Whenever a plea is filed that a defendant in a criminal case is mentally incompetent~~
 99 ~~to stand trial, it shall be the duty of the court to cause the issue of the defendant's mental~~

100 competency to stand trial to be tried first by a special jury. If the special jury finds the
101 defendant mentally incompetent to stand trial, the court shall retain jurisdiction over the
102 defendant but shall transfer the defendant to the Department of Behavioral Health and
103 Developmental Disabilities and if the defendant is a child, the department shall be
104 authorized to place such defendant in a secure hospital or secure community facility
105 designated by the department; provided, however, that if the defendant is charged with a
106 misdemeanor offense other than as included in subparagraph (a)(5)(A) of this Code section
107 or a nonviolent offense, the court may, in its discretion, retain jurisdiction over the
108 defendant, and may allow evaluation to be done on an outpatient basis by the Department
109 of Behavioral Health and Developmental Disabilities. If the court allows outpatient
110 evaluation and the defendant is in custody, the court may release the defendant in
111 accordance with the provisions of Code Section 17-6-1, et seq.

112 (c) Within 90 days after the Department of Behavioral Health and Developmental
113 Disabilities has received actual custody of a defendant or, in the case of an outpatient, a
114 court order requiring evaluation of a defendant pursuant to subsection (b) of this Code
115 section, the defendant shall be evaluated and a diagnosis made as to whether the defendant
116 is presently mentally incompetent to stand trial and, if so, whether there is a substantial
117 probability that the defendant will attain mental competency to stand trial in the foreseeable
118 future. If the defendant is found to be mentally competent to stand trial, the department
119 shall immediately report that finding and the reasons therefor to the committing court; and
120 the defendant shall be returned to the court as provided for in subsection (f) of this Code
121 section.

122 (d) If the defendant is found to be mentally incompetent to stand trial by the Department
123 of Behavioral Health and Developmental Disabilities and there is not a substantial
124 probability that the person will attain competency in the foreseeable future, the department
125 shall return the physical custody of the defendant to a law enforcement officer of the
126 jurisdiction of the court which committed the defendant unless in the opinion of the
127 department's attending physician, and with concurrence of the court, such detention by law
128 enforcement would be detrimental to the well-being of the defendant, in which case the
129 defendant may be held by the department until the date of the defendant's hearing. The
130 department shall report to the committing court the finding regarding competency, the
131 reasons therefor, and its opinion as to whether the defendant currently meets criteria for
132 commitment as an inpatient or as an outpatient pursuant to Chapter 3 or 4 of Title 37. The
133 law enforcement officer of the jurisdiction of the court which committed the defendant
134 shall retain custody of the defendant and the committing court may order an independent
135 evaluation of the defendant by a court appointed licensed clinical psychologist or
136 psychiatrist, who shall report to the court in writing as to the current mental and emotional

137 ~~condition of the defendant. Based on consideration of all evidence and all reports, the~~
 138 ~~committing court may:~~

139 ~~(1) If the defendant is not a child, refer the case to the probate court for commitment~~
 140 ~~proceedings pursuant to Chapter 3 or 4 of Title 37, if appropriate and if the charges are~~
 141 ~~dismissed for any reason; or~~

142 ~~(2) Retain jurisdiction of the defendant and conduct a hearing at which it shall hear~~
 143 ~~evidence and consider all psychiatric and psychological reports submitted to the court and~~
 144 ~~determine whether the state has proved by clear and convincing evidence that the~~
 145 ~~defendant meets the criteria for involuntary civil commitment as an inpatient or as an~~
 146 ~~outpatient pursuant to Chapter 3 or 4 of Title 37, whichever is applicable. The burden of~~
 147 ~~proof in such hearings shall be upon the state.~~

148 ~~(A) If the defendant does not meet the criteria for inpatient or outpatient civil~~
 149 ~~commitment, the defendant shall be released in accordance with the provisions of Code~~
 150 ~~Section 17-6-1 et seq.~~

151 ~~(B) If the defendant is found to meet the criteria for involuntary civil commitment as~~
 152 ~~an inpatient or outpatient, the judge may issue an order committing the defendant;~~
 153 ~~provided, however, that if the defendant is a child, the Department of Behavioral Health~~
 154 ~~and Developmental Disabilities shall be authorized to place such defendant in a secure~~
 155 ~~hospital or secure community facility designated by the department.~~

156 ~~(i) If the defendant so committed is charged with a misdemeanor offense, the~~
 157 ~~committing court may civilly commit the defendant for a period not to exceed one~~
 158 ~~year. Following the commitment period, the charges against the defendant shall be~~
 159 ~~dismissed by operation of law.~~

160 ~~(ii) A defendant who is so committed and is charged with a felony may only be~~
 161 ~~released from that inpatient or outpatient commitment by order of the committing~~
 162 ~~court in accordance with the procedures specified in paragraphs (1) through (3) of~~
 163 ~~subsection (f) of Code Section 17-7-131 except that the burden of proof in such~~
 164 ~~release hearing shall be on the state and if the committed person cannot afford a~~
 165 ~~physician or licensed clinical psychologist of the defendant's choice, the person may~~
 166 ~~petition the court and the court may order such cost to be paid by the county.~~

167 ~~The Department of Behavioral Health and Developmental Disabilities shall report~~
 168 ~~annually to the committing court on whether the civilly committed defendant continues~~
 169 ~~to meet criteria for involuntary commitment as an inpatient or an outpatient pursuant to~~
 170 ~~Chapter 3 or 4 of Title 37. The committing court shall review the case and enter an~~
 171 ~~appropriate order, either to renew the inpatient or outpatient civil commitment, to change~~
 172 ~~the commitment either from inpatient to outpatient or from outpatient to inpatient, or in~~

173 ~~the event charges are dismissed, transfer the jurisdiction of the case to the probate court~~
174 ~~for further proceedings pursuant to Title 37, if appropriate.~~

175 ~~(e) If the defendant is found to be mentally incompetent to stand trial but there is a~~
176 ~~substantial probability that the person will attain competency in the foreseeable future, by~~
177 ~~the end of the 90 day period, or at any prior time, the department shall report that finding~~
178 ~~and the reasons therefor to the committing court and shall retain custody over the defendant~~
179 ~~for the purpose of continued treatment for an additional period not to exceed nine months;~~
180 ~~provided, however, that if the defendant is charged with a misdemeanor offense or a~~
181 ~~nonviolent offense, the court shall retain jurisdiction over the defendant, but may, in its~~
182 ~~discretion, allow continued treatment to be done on an outpatient basis by the Department~~
183 ~~of Behavioral Health and Developmental Disabilities. The department shall monitor the~~
184 ~~defendant's outpatient treatment for an additional period not to exceed nine months. If, by~~
185 ~~the end of the nine-month period or at any prior time if the defendant's condition warrants,~~
186 ~~the defendant is still found not to be competent to stand trial, irrespective of the probability~~
187 ~~of recovery in the foreseeable future, the department shall report that finding and the~~
188 ~~reasons therefor to the committing court. The committing court shall then follow the~~
189 ~~procedures in subsection (d) of this Code section for further commitment or release.~~

190 ~~(f)(1) If the defendant found to be mentally incompetent to stand trial is at any time~~
191 ~~found by the Department of Behavioral Health and Developmental Disabilities to be~~
192 ~~mentally competent to stand trial, the committing court shall be notified. A defendant~~
193 ~~who is an inpatient and is found by the Department of Behavioral Health and~~
194 ~~Developmental Disabilities to be mentally competent to stand trial shall be discharged~~
195 ~~into the custody of a law enforcement officer of the jurisdiction of the court which~~
196 ~~committed the defendant to the department unless the charges which led to the~~
197 ~~commitment have been dismissed, in which case the defendant shall be discharged. In~~
198 ~~the event a law enforcement officer does not appear and take custody of the defendant~~
199 ~~within 20 days after notice to the appropriate law enforcement official in the jurisdiction~~
200 ~~of the committing court, the presiding judge of the committing court, and the prosecuting~~
201 ~~attorney for the court, the department shall itself return the defendant to one of the~~
202 ~~committing court's detention facilities; and the cost of returning the defendant shall be~~
203 ~~paid by the county in which the committing court is located. All notifications shall be~~
204 ~~sent by certified mail or statutory overnight delivery, return receipt requested. With the~~
205 ~~concurrence of the appropriate court and upon the recommendation of the department's~~
206 ~~attending physician, any defendant discharged as competent to stand trial may be held by~~
207 ~~the department instead of at the court's detention facilities whenever, in the attending~~
208 ~~physician's opinion, such detention in the court's facilities would be detrimental to the~~

209 ~~well-being of the defendant so committed. Such alternative detention shall continue only~~
 210 ~~until the date of the defendant's trial.~~

211 ~~(2) A defendant who is an outpatient and is found by the Department of Behavioral~~
 212 ~~Health and Developmental Disabilities to be mentally competent to stand trial may~~
 213 ~~remain in the community under conditions of bond or other conditions ordered by the~~
 214 ~~committing court, if any, until the date of the person's trial.~~

215 ~~(g) Any person found by the Department of Behavioral Health and Developmental~~
 216 ~~Disabilities to be mentally competent to stand trial returned to the court as provided in~~
 217 ~~subsection (f) of this Code section shall again be entitled to file a special plea as provided~~
 218 ~~for in this Code section.~~

219 ~~(h) If a defendant is found to be mentally incompetent to stand trial, whether or not~~
 220 ~~committed pursuant to this Code section, the state may file at any time a motion for~~
 221 ~~rehearing on the issue of the defendant's mental competency. The court shall grant said~~
 222 ~~motion upon a showing by the state that there are reasonable grounds to believe that the~~
 223 ~~defendant's mental condition has changed. If this motion is granted, the case shall proceed~~
 224 ~~as provided in subsection (b) of this Code section.~~

225 (b)(1) If an accused files a motion requesting a competency evaluation, the court may
 226 order the department to conduct an evaluation by a physician or licensed psychologist to
 227 determine the accused's mental competency to stand trial and, if such physician or
 228 licensed psychologist determines the accused to be mentally incompetent to stand trial,
 229 to make recommendations as to restoring the accused to competency. If the accused is
 230 a child, the department shall be authorized to place such child in a secure facility
 231 designated by the department. The department's evaluation shall be submitted to the
 232 court, and the court shall submit such evaluation to the attorney for the accused or if pro
 233 se, to the accused, but otherwise, the evaluation shall be under seal and shall not be
 234 released to any other person absent a court order.

235 (2) If the accused files a special plea alleging that the accused is mentally incompetent
 236 to stand trial, it shall be the duty of the court to have a bench trial, unless the accused
 237 demands a jury trial, to determine the accused's competency to stand trial. Once a special
 238 plea has been filed, the court shall submit the department's evaluation to the prosecuting
 239 attorney.

240 (c) If the court finds the accused is mentally incompetent to stand trial, the court may order
 241 a department physician or licensed psychologist to evaluate and diagnose the accused as
 242 to whether there is a substantial probability that the accused will attain mental competency
 243 to stand trial in the foreseeable future. The court shall retain jurisdiction over the accused
 244 and shall transfer the accused to the physical custody of the department. At its discretion,
 245 the court may allow the evaluation to be performed on the accused as an outpatient if the

246 accused is charged with a nonviolent offense. Such evaluation shall be performed within
247 90 days after the department has received actual custody of an accused or, in the case of
248 an outpatient, a court order requiring evaluation of an accused. If the accused is a child,
249 the department shall be authorized to place such child in a secure facility designated by the
250 department. If the evaluation shows:

251 (1) That the accused is mentally competent to stand trial, the department shall
252 immediately report that determination and the reasons therefor to the court, and the court
253 shall submit such determination to the attorney for the accused or, if pro se, to the
254 accused and to the prosecuting attorney. The accused shall be returned to the court as
255 provided for in subsection (d) of this Code section;

256 (2) That the accused is mentally incompetent to stand trial and that there is not a
257 substantial probability that the accused will attain competency in the foreseeable future,
258 the court shall follow the procedures set forth in subsection (e) of this Code section for
259 civil commitment or release; or

260 (3) That the accused is mentally incompetent to stand trial but there is a substantial
261 probability that the accused will attain competency in the foreseeable future, by the end
262 of the 90 day period, or at any prior time, the department shall report that finding and the
263 reasons therefor to the court and shall retain custody over the accused for the purpose of
264 continued treatment for an additional period not to exceed nine months; provided,
265 however, that if the accused is charged with a misdemeanor offense or a nonviolent
266 offense, the court shall retain jurisdiction over the accused but may, in its discretion,
267 allow continued treatment to be done on an outpatient basis by the department. The
268 department shall monitor the accused's outpatient treatment for the additional period not
269 to exceed nine months. If, by the end of the nine-month period or at any prior time the
270 accused's condition warrants, the accused is still determined by the department physician
271 or licensed psychologist to be mentally incompetent to stand trial, irrespective of the
272 probability of recovery in the foreseeable future, the department shall report that finding
273 and the reasons therefor to the court. The court shall then follow the procedures in
274 subsection (e) of this Code section for civil commitment or release.

275 (d)(1) If the department's physician or licensed psychologist determines at any time that
276 the accused is mentally competent to stand trial, the department shall notify the court, and
277 the accused shall be discharged into the custody of a sheriff of the jurisdiction of the court
278 unless the charges which led to the evaluation or civil commitment have been dismissed,
279 in which case, the accused shall be discharged from the department. In the event a sheriff
280 does not appear and take custody of the accused within 20 days after notice to the
281 appropriate sheriff of the jurisdiction of the court, the presiding judge of the court, and
282 the prosecuting attorney for the court, the department shall itself return the accused to one

283 of the court's detention facilities, and the cost of returning the accused shall be paid by
 284 the county in which the court is located. All notifications under this paragraph shall be
 285 sent by certified mail or statutory overnight delivery, return receipt requested. As an
 286 alternative to returning the accused to the sheriff of the jurisdiction of the court, the
 287 department may hold the accused at the department's secure facility instead of at the
 288 court's detention facilities whenever a department physician or licensed psychologist
 289 provides written notice to the court that such detention in the court's facilities would be
 290 detrimental to the well-being of the accused. Such alternative detention shall continue
 291 only until the date of the accused's trial. Regardless of where the accused is held, the
 292 court shall hold a bench trial to determine the accused's mental competency to stand trial
 293 within 45 days of receiving the department's evaluation or, if demanded by the accused,
 294 shall conduct a jury trial within six months of receiving the department's evaluation.

295 (2) If the accused is an outpatient and the department's physician or licensed psychologist
 296 determines at any time that the accused is mentally competent to stand trial, the accused
 297 may remain in the community under conditions of bond or other conditions ordered by
 298 the court, if any, until the date of the accused's trial, which shall be within 45 days of the
 299 court receiving the department's evaluation if tried by the court or within six months of
 300 receiving the department's evaluation if a jury trial is demanded.

301 (e) If the evaluation performed pursuant to subsection (c) of this Code section shows that
 302 the accused is mentally incompetent to stand trial and that there is not a substantial
 303 probability that the accused will attain competency in the foreseeable future:

304 (1) If the accused is charged with a misdemeanor, the department shall return the
 305 physical custody of the accused to a sheriff of the jurisdiction of the court; provided,
 306 however, that as an alternative to returning the accused to the sheriff of the jurisdiction
 307 of the court, the department may hold the accused at the department's secure facility
 308 instead of at the court's detention facilities whenever a department physician or licensed
 309 psychologist provides written notice to the court that such detention in the court's
 310 facilities would be detrimental to the well-being of the accused. Such alternative
 311 detention shall continue only until the date of the accused's trial. Regardless of where the
 312 accused is held, the court shall, within 45 days of receiving the department's evaluation:

313 (A) Dismiss the charges without prejudice and, if the accused is not a child, request
 314 that the department petition the probate court of the jurisdiction of the accused's
 315 residence for civil commitment of the accused; or

316 (B) If the court finds that the accused does not meet the criteria for civil commitment,
 317 the accused shall be released in accordance with the provisions of Chapter 6 of this title;

318 or

319 (2) If the accused is charged with a felony, the department shall return the physical
320 custody of the accused to a sheriff of the jurisdiction of the court; provided, however, that
321 as an alternative to returning the accused to the sheriff of the jurisdiction of the court, the
322 department may hold the accused at the department's secure facility instead of at the
323 court's detention facilities whenever a department physician or licensed psychologist
324 provides written notice to the court that such detention in the court's facilities would be
325 detrimental to the well-being of the accused. Such alternative detention shall continue
326 only until the date of the accused's trial. The department shall report to the court its
327 finding regarding the accused's mental competency to stand trial, the reasons therefor, and
328 its opinion as to whether the accused currently meets the criteria for civil commitment.
329 The court may order an independent evaluation of the accused by a court appointed
330 licensed clinical psychologist or psychiatrist, who shall report to the court in writing as
331 to the current mental and emotional condition of the accused. Regardless of where the
332 accused is held, the court shall, within 45 days of receiving the department's evaluation:
333 (A) Dismiss the charges without prejudice and, if the accused is not a child, request
334 that the department petition the probate court of the jurisdiction of the accused's
335 residence for civil commitment of the accused; or
336 (B) Retain jurisdiction of the accused and conduct a trial at which the court shall hear
337 evidence and consider all psychiatric and psychological evaluations submitted to the
338 court and determine whether the state has proved by clear and convincing evidence that
339 the accused meets the criteria for civil commitment. The burden of proof in such trials
340 shall be upon the state. Following the trial:
341 (i) If the court finds that the accused does not meet the criteria for civil commitment,
342 the accused shall be released in accordance with the provisions of Chapter 6 of this
343 title;
344 (ii) If the court finds that the accused meets the criteria for civil commitment, the
345 judge may issue an order civilly committing the accused to the department for
346 appropriate placement; provided, however, that if the accused is a child, the
347 department shall be authorized to place such child in a secure facility designated by
348 the department;
349 (iii) If the accused is civilly committed pursuant to division (ii) of this subparagraph
350 and was charged with a nonviolent offense, the court may order civil commitment for
351 a period not to exceed the maximum period for which the accused could have been
352 sentenced on the most serious nonviolent offense charged or a period not to exceed
353 five years, whichever is less, provided that civil commitment shall be reevaluated by
354 a department physician or licensed psychologist on an annual basis;

355 (iv) If the accused is civilly committed pursuant to division (ii) of this subparagraph
356 and was charged with a violent offense, the court may order civil commitment for a
357 period not to exceed the maximum period for which the accused could have been
358 sentenced on the most serious violent offense charged, provided that civil
359 commitment shall be reevaluated by a department physician or licensed psychologist
360 on an annual basis;

361 (v) An accused who is civilly committed pursuant to division (ii) of this subparagraph
362 may make an application for release from civil commitment but shall only be released
363 from that civil commitment by order of the court in accordance with the procedures
364 specified in paragraphs (1) through (3) of subsection (f) of Code Section 17-7-131,
365 except that the burden of proof in such release hearing shall be on the state, and if the
366 civilly committed accused is indigent, the accused may petition the court to have an
367 evaluation performed by a physician or licensed psychologist of the accused's choice,
368 and the court shall order the cost of such evaluation be paid for by the county; and

369 (vi) Following the civil commitment pursuant to division (ii) of this subparagraph,
370 a department physician or licensed psychologist shall submit to the court his or her
371 annual evaluation as to whether the civilly committed accused continues to meet the
372 criteria for civil commitment. The court shall mail the annual evaluation to the
373 attorney for the accused or, if pro se, to the accused and to the prosecuting attorney.
374 The court shall review the case and enter the appropriate order to renew the civil
375 commitment, to change the civil commitment status, or, in the event the charges are
376 dismissed, to transfer the jurisdiction of the case to the probate court of the
377 jurisdiction of the accused's residence for further civil commitment.

378 (f) If, at any time, the department's physician or licensed psychologist determines that the
379 accused is mentally incompetent to stand trial but later determines that the accused is
380 mentally competent to stand trial, the court shall be so notified and shall order the accused
381 detained or discharged in accordance with paragraph (1) of subsection (d) of this Code
