PLACEMENT & ATTENDANCE

A. Course placement — When the student transfers before or during the school year, the receiving state school shall initially honor placement of the student in educational courses based on the student's enrollment in the sending state school or educational assessments conducted at the school in the sending state if the courses are offered. Course placement includes, but is not limited to, honors, international baccalaureate, advanced placement, vocational, technical, and career pathways courses. Continuing the student's academic program from the previous school and promoting placement in academically and career challenging courses should be paramount when considering placement. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course. B. Educational program placement — The receiving state school shall initially honor placement of the student in educational programs based on current educational assessments conducted at the school in the sending state or participation or placement in like programs in the sending state. Such programs include, but are not limited to, gifted and talented programs and English as a second language. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student. C. Special education services. (1) In compliance with the federal requirements of the Individuals with Disabilities Education Act, 20 U.S.C.A. Section 1400 et seq, the receiving state shall initially provide comparable services to a student with disabilities based on his or her current Individualized Education Program. (2) In compliance with the requirements of Section 504 of the Rehabilitation Act, 29 U.S.C.A. Section 794, and with Title II of the Americans with Disabilities Act, 42 U.S.C.A. Sections 12131-12165, the receiving state shall make reasonable

accommodations and modifications to address the needs of incoming students with

195 disabilities, subject to an existing 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the school in the receiving state from 196 197 performing subsequent evaluations to ensure appropriate placement of the student. 198 D. Placement flexibility — Local education agency administrative officials shall have 199 flexibility in waiving course or program prerequisites or other preconditions for 200 placement in courses or programs offered under the jurisdiction of the local education 201 agency. E. Absence as related to deployment activities — A student whose parent or legal 202 203 guardian is an active duty member of the uniformed services, as defined by the compact, 204 and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting shall be granted additional 205 206 excused absences at the discretion of the local education agency superintendent to visit 207 with his or her parent or legal guardian relative to such leave or deployment of the parent 208 or guardian.

228 In order to facilitate the on-time graduation of children of military families, states and local education agencies shall incorporate the following procedures: 229 230 A. Waiver requirements — Local education agency administrative officials shall waive 231 specific courses required for graduation if similar course work has been satisfactorily completed in another local education agency or shall provide reasonable justification for 232 233 denial. Should a waiver not be granted to a student who would qualify to graduate from 234 the sending school, the local education agency shall provide an alternative means of 235 acquiring required coursework so that graduation may occur on time. 236 B. Exit exams — States shall accept exit or end-of-course exams required for graduation 237 from the sending state, national norm-referenced achievement tests, or alternative testing in lieu of testing requirements for graduation in the receiving state. In the event the 238 239 above alternatives cannot be accommodated by the receiving state for a student 240 transferring in his or her senior year, then the provisions of Section C of this article shall 241 apply. 242 C. Transfers during Senior year — Should a military student transferring at the 243 beginning or during his or her senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the sending and 244 245 receiving local education agencies shall ensure the receipt of a diploma from the sending 246 local education agency if the student meets the graduation requirements of the sending 247 local education agency. RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

490 A. Rulemaking Authority — The Interstate Commission shall promulgate reasonable 491 rules in order to effectively and efficiently achieve the purposes of this compact; provided 492 however, that in the event the Interstate Commission exercises its rulemaking authority 493 in a manner that is beyond the scope of the purposes of this compact, or the powers 494 granted hereunder, then such an action by the Interstate Commission shall be invalid and 495 have no force or effect. 496 B. Rulemaking Procedure — Rules shall be made pursuant to a rulemaking process that 497 substantially conforms to the "Model State Administrative Procedure Act," of 1981 Act, 498 Uniform Laws Annotated, Vol. 15, p. 1 (2000) as amended, as may be appropriate to the 499 operations of the Interstate Commission. 500 C. Not later than 30 days after a rule is promulgated, any person may file a petition for 501 judicial review of the rule, provided that the filing of such a petition shall not stay or 502 otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. D. If a majority of the legislatures of the compacting states rejects a rule by enactment
 of a statute or resolution in the same manner used to adopt the compact, then such rule
 shall have no further force and effect in any compacting state.

511

OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION

512	A. Oversight.
513	(1) The executive, legislative, and judicial branches of state government in each
514	member state shall enforce this compact and shall take all actions necessary and
515	appropriate to effectuate the compact's purposes and intent. The provisions of this
516	compact and the rules promulgated hereunder shall have standing as statutory law.
517	(2) All courts shall take judicial notice of the compact and the rules in any judicial or
518	administrative proceeding in a member state pertaining to the subject matter of this
519	compact which may affect the powers, responsibilities, or actions of the Interstate
520	Commission.
521	(3) The Interstate Commission shall be entitled to receive all service of process in any
522	such proceeding and shall have standing to intervene in the proceeding for all purposes.
523	Failure to provide service of process to the Interstate Commission shall render a
524	judgment or order void as to the Interstate Commission, this compact, or promulgated
525	<u>rules.</u>
526	B. Default, Technical Assistance, Suspension, and Termination — If the Interstate
527	Commission determines that a member state has defaulted in the performance of its

531	of the default, the means of curing the default, and any action taken by the Interstate
532	Commission. The Interstate Commission shall specify the conditions by which the
533	defaulting state must cure its default;
534	(2) Provide remedial training and specific technical assistance regarding the default;
535	(3) If the defaulting state fails to cure the default, the defaulting state shall be
536	terminated from the compact upon an affirmative vote of a majority of the member
537	states, and all rights, privileges, and benefits conferred by this compact shall be
538	terminated from the effective date of termination. A cure of the default does not relieve
539	the offending state of obligations or liabilities incurred during the period of the default;
540	(4) Suspension or termination of membership in the compact shall be imposed only
541	after all other means of securing compliance have been exhausted. Notice of intent to

542 suspend or terminate shall be given by the Interstate Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the 543 544 member states; 545 (5) The state which has been suspended or terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of 546 547 suspension or termination, including obligations, the performance of which extends 548 beyond the effective date of suspension or termination; (6) The Interstate Commission shall not bear any costs relating to any state that has 549 550 been found to be in default or which has been suspended or terminated from the 551 compact unless otherwise mutually agreed upon in writing between the Interstate 552 Commission and the defaulting state; and 553 (7) The defaulting state may appeal the action of the Interstate Commission by 554 petitioning the United States District Court for the District of Columbia or the federal 555 district where the Interstate Commission has its principal offices. The prevailing party 556 shall be awarded all costs of such litigation including reasonable attorney's fees. 557 C. Dispute Resolution. (1) The Interstate Commission shall attempt, upon the request of a member state, to 558 559 resolve disputes which are subject to the compact and which may arise among member 560 states and between member and nonmember states. 561 (2) The Interstate Commission shall promulgate a rule providing for both mediation 562 and binding dispute resolution for disputes as appropriate. 563 D. Enforcement. 564 (1) The Interstate Commission, in the reasonable exercise of its discretion, shall 565 enforce the provisions and rules of this compact. 566 (2) The Interstate Commission may, by majority vote of the members, initiate legal 567 action in the United State District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate 568 Commission has its principal offices, to enforce compliance with the provisions of the 569 570 compact, its promulgated rules, and bylaws against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial 571 572 enforcement is necessary, the prevailing party shall be awarded all costs of such 573 litigation, including reasonable attorney's fees. 574 (3) The remedies herein shall not be the exclusive remedies of the Interstate Commission. The Interstate Commission may avail itself of any other remedies 575 available under state law or the regulation of a profession. 576

The aggregate annual assessment 585 amount shall be allocated based upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states. 586 587 C. The Interstate Commission shall not incur obligations of any kind prior to securing 588 the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the member states, except by and with the authority of the member state. 589 590 D. The Interstate Commission shall keep accurate accounts of all receipts and 591 disbursements. The receipts and disbursements of the Interstate Commission shall be 592 subject to the audit and accounting procedures established under its bylaws. However, 593 all receipts and disbursements of funds handled by the Interstate Commission shall be 594 audited yearly by a certified or licensed public accountant, and the report of the audit 595 shall be included in and become part of the annual report of the Interstate Commission. 596 **ARTICLE XV** MEMBER STATES, EFFECTIVE DATE, AND AMENDMENT 597 598 A.
