

**WITHDRAWN**

Senator Underman of the 45th offered the following amendment:

1 *Amend HB 47 (LC 33 3847) by striking lines 53 through 65 and inserting in lieu thereof the*  
2 *following:*

3 (a) Each written application for a policy sold pursuant to this article shall contain the  
4 following language in boldface type at the beginning of the document:

5 'This policy may not include all the mandated benefits required under Georgia law.  
6 Examples of mandated benefits include coverage for mammograms and Pap smears,  
7 chlamydia screening, autism, and colorectal cancer screening. There are other policies  
8 that you can purchase in this state which include these mandated benefits.'

9 (b) Each policy sold pursuant to this article shall contain the following language in  
10 boldface type at the beginning of the document:

11 'This policy may not include all the mandated benefits required under Georgia law.  
12 Examples of mandated benefits include coverage for mammograms and Pap smears,  
13 chlamydia screening, autism, and colorectal cancer screening. There are other policies  
14 that you can purchase in this state which include these mandated benefits. Please consult  
15 your insurance agent or insurer to determine which health benefits are covered under this  
16 policy.'
