BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.
Chapter 29A of Title 33 of the Official Code of Georgia Annotated, relating to individual health insurance coverage, is amended by adding a new article to read as follows:

"ARTICLE 3

33-29A-30. The General Assembly recognizes the high level of uninsured individuals in this state and the need for individuals or other purchasers of health insurance coverage in this state to have the opportunity to choose health insurance plans that are more affordable and flexible than existing market policies offering accident and sickness insurance coverage. Therefore, the General Assembly seeks to increase the availability of health insurance coverage by allowing insurers authorized to transact insurance in Georgia to issue individual accident and sickness policies in Georgia that is currently approved for issuance in another state.

33-29A-31. For purposes of this article, the term 'individual accident and sickness insurance policy' means any policy insuring against loss resulting from sickness or from bodily injury or
death by accident, or both, or any contract to furnish ambulance service in the future but
does not include limited benefit insurance policies exempted from the definition of the term
'health benefit policy' in paragraph (1.1) of Code Section 33-1-2. The term 'individual
accident and sickness insurance policy' shall also include comprehensive major medical
coverage for medical and surgical benefits, and also includes 'High Deductible Health
Plans' sold or maintained under the applicable provisions of Section 223 of the Internal
Revenue Code.

33-29A-32.
The Commissioner shall approve for sale in Georgia any individual accident and sickness
insurance policy that is currently approved for issuance in another state where the insurer
or the insurer's affiliate or subsidiary is authorized to transact insurance so long as the
insurer or the insurer's affiliate or subsidiary filing and issuance such policy in Georgia is
also authorized to transact insurance in this state pursuant to Chapter 3 of this title and
provided that any such policy meets the requirements set forth in this article. Additionally,
any insurer authorized to transact insurance in this state can offer an individual accident
and sickness insurance policy with benefits equivalent to those in any policy approved for
sale in Georgia under this article, provided that any such offered policy meets the
requirements set forth in this article.

33-29A-33.
(a) Any insurer selling an insurance policy pursuant to this article, and any policy
approved pursuant to this article, shall satisfy actuarial standards set forth by the National
Association of Insurance Commissioners (NAIC) and any regulation promulgated by the
Commissioner that is not inconsistent with such NAIC standards. Any insurer selling an
insurance policy pursuant to this article, and any policy approved pursuant to this article,
shall, except as otherwise provided in this article, comply with the requirements of this title
and the regulations promulgated by the Commissioner.
(b) The Commissioner shall have the authority to determine whether an insurer satisfies
the standards required by this Code section and may not approve a plan that he or she finds
lacks compliance with this Code section. The Commissioner shall have the authority to
determine whether the plan sold pursuant to this article continues to satisfy the
requirements set forth in this Code section in the same manner as he or she does with an
individual accident and sickness insurance policy approved pursuant to another applicable
chapter in this title.
(c) Any policy sold pursuant to this article shall comply with paragraph (3) of subsection (c) of Code Section 9-9-2 and shall not require the insured or his or her beneficiary to arbitrate disputes arising under the policy.

33-29A-34.
(a) Each written application for a policy sold pursuant to this article shall contain the following language in boldface type at the beginning of the document:
'The benefits of this policy may primarily be governed by the laws of a state other than Georgia; therefore, all of the laws applicable to policies filed in this state may not apply to this policy. Any purchase of individual health insurance should be considered carefully since future medical conditions may make it impossible to qualify for another individual health insurance policy.'

(b) Each policy sold pursuant to this article shall contain the following language in boldface type at the beginning of the document:
'The benefits of this policy providing your coverage may be governed primarily by the laws of a state other than Georgia. The benefits covered may be different from other policies you can purchase. Please consult your insurance agent or insurer to determine which health benefits are covered under this policy.'

(c) Each individual accident and sickness policy sold pursuant to this article shall contain a side-by-side chart that compares the definitions of each benefit covered by the policy that has been sold in the other state with the definitions of the benefits covered under current Georgia laws and regulations where the specified benefit is similarly termed but defined differently.

33-29A-35.
(a) The Commissioner shall adopt rules and regulations necessary to implement this article, which shall include, but shall not be limited to, standard forms for the disclosure of benefits, and preserve the intent and effect of Code Sections 33-24-27.1, 33-24-27, 31-24-59.12, and 33-29-6(c).
(b) Any dispute resolution mechanism or provision for notice and hearing in this title shall apply to insurers issuing and delivering policies pursuant to this article.
