6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

**SECTION 1.**

7  
8 Article 2 of Chapter 3 of Title 12 of the Official Code of Georgia Annotated, relating to state  
9 parks and recreational areas generally, is amended by adding a new Code section to read as  
10 follows:

11 "12-3-35.

12 (a) For purposes of this Code section, the term 'change in services' means the closing of  
13 a state park or recreational area or a significant reduction in the hours of operation or  
14 services offered at a state park or recreational area location which reduction is reasonably  
15 likely to lead to fewer visitors to the state park or recreational area.

16 (b) Prior to making a change in services, the Department of Natural Resources shall notify  
17 the governing authority of each municipality and county in which the state park or  
18 recreational area is located regarding the specific proposed change in services. The notice  
19 required by this Code section shall be made in writing and sent to each member of the  
20 governing authority of the county and the mayor and councilmembers of the governing  
21 authority of the municipality. Notice shall be provided 60 days prior to the Board of  
22 Natural Resources voting upon such proposed change or prior to the department  
23 implementing the change, whichever shall first occur.

24 (c) The department is authorized to enter into a memorandum of agreement for the purpose  
25 of transferring control, operating, and management responsibilities for a state park or  
26 recreational area which is the subject of a proposed change in services to a local governing

27 authority in which the state park or recreational area is located. In addition, the department  
28 is authorized to enter into a memorandum of agreement for the transfer of operating and  
29 management responsibilities for a specific operation or function within a state park or  
30 recreational area to a local governing authority in which the state park or recreational area  
31 is located. The transferring of any management responsibilities pursuant to this Code  
32 section shall include the authority of the local governing authority to provide staff and  
33 funding for designated operations and functions within the management and control of the  
34 local governing authority. The transfer of total or partial management responsibilities  
35 provided for under this Code section shall occur only upon a finding by the Board of  
36 Natural Resources and the local governing authority that such a transfer is in the best  
37 interest of the public.

38 (d) Upon the request of a local governing authority, the department shall submit a request  
39 and recommendation in writing to each member of the Board of Natural Resources for the  
40 board's consideration of the transfer of total or partial management responsibility for a state  
41 park or recreational area. The board shall make the final determination regarding each
